

Staff Report

Meeting Date: Oct. 22, 2024
Meeting Type: City Council

To: City Council

From: Administration

Item Title: Motion to approve the proposal from Google Workspace for the government rate for email accounts at \$16.20 per user based on 90 users and to authorize the administration to process the changes through the City's online account with Google Workspace.

Background: The city is current set up using the Business Rate. Mark learned that there is a government rate, which represents a 25% savings to our current rate of \$21.75 per user. This rate is guaranteed price lock for 36 months. There is no other change to our Google user accounts. It is only a reduce rate.

Recommendation:
