Planning and Zoning Commission  
Bay St. Louis, MS  
Attn: Jeremy Butke

Dear Commissioners:

I have reviewed the construction plans for the addition to the home of Jenise McCardell and Mark Currier at 302 St. John, Bay St. Louis, MS.

I live in the neighborhood of Jenise and Mark and understand the variance they are requesting to the back of their residence for a sleeping porch. I have no objection to the variance they are requesting. I also believe the addition to their home will enhance the visual appeal to their home. Please grant Jenise her sleeping porch.

Sincerely,

August M Adam
