

Mississippi Internet Crimes Against Children Memorandum of Understanding

Parties

The Mississippi Attorney General's Office is the recipient of a United States Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) grant to enforce laws regarding Internet Crimes Against Children (ICAC), and the Mississippi Attorney General's Office utilizes this grant to administer and operate the Mississippi ICAC Task Force.

This Memorandum of Understanding (MOU) is entered into by the Mississippi Attorney General's Office and the Bay St. Louis Police Department acting through its duly authorized representative.

Overview/Mission Statement

OJJDP has created the ICAC Task Force Program, which is a national network of state and local law enforcement cyber crime units. The national ICAC program assists state and local law enforcement agencies to develop an effective response to cyber enticement and child pornography cases. This help encompasses investigative and forensic components, training and technical assistance, victim services, and community education. Due in large part to the technological aspects of these cases, the ICAC Task Force Program promotes a multi-jurisdictional, multi-agency, team approach to investigating and prosecuting ICAC cases.

The mission of the Mississippi ICAC Task Force therefore is to:

1. properly investigate and prosecute those who sexually exploit children through the use of the Internet and/or computers;
2. provide training and equipment to those involved in investigating and prosecuting ICAC cases and;
3. provide community education regarding the prevention of ICAC.

Purpose

The purpose of this MOU is to formalize the working relationship between the Bay St. Louis Police Department and the Mississippi Attorney General's Office and the Mississippi ICAC Task Force, as well as to delineate the responsibilities and expectations of the relevant parties. By signing this MOU, the Bay St. Louis Police Department agrees to join the ICAC Task Force for the primary purpose of vigorously and properly investigating ICAC cases. By joining this Task Force, the Bay St. Louis

Police Department will benefit from grant resources, joint operations, and extensive training opportunities. By entering this MOU, the Mississippi Attorney General's Office will benefit from investigative support from the Bay St. Louis Police Department.

Investigations

All ICAC investigations will be conducted by sworn law enforcement investigators and in the spirit of cooperation with other ICAC task force members. Investigations will follow guidelines established by each agency's respective policy manual or guidelines. However, ICAC investigations shall also be governed by the national ICAC programs Operational and Investigative Standards (attached). Violation of the ICAC operational standards is cause for cancellation of this MOU. This MOU is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in Task Force investigations are not in the best interest of the Task Force.

The Bay St. Louis Police Department will:

Agree to use only sworn Bay St. Louis Police Department law enforcement personnel to conduct undercover ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC training prior to initiating proactive investigations. Agree to record and document all undercover online activity. Any deviations from this policy due to unusual circumstances shall be documented in the relevant case file and reviewed by the ICAC Task Force Program Manager.

Agree to provide agents assigned to the Task Force access to all ICAC investigative files including, without limitation, computer records, in order to ensure compliance with all national ICAC standards.

Upon termination of this MOU, ownership of equipment, hardware, and other non-expendable items will revert to the Mississippi Attorney General's Office.

The Bay St. Louis Police Department will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its officers and agents assigned to the Task Force. ICAC investigations are a cooperative effort and investigative decisions will be a joint process guided by ICAC standards.

Liability

The Bay St. Louis Police Department is responsible and liable for the acts and omissions of its own officers, agents or employees in connection with the performance of their official duties under this MOU.
