Meeting Date: January 20, 2026
Meeting Type: City Council

To: City Council

From: Administration/Chiniche

Item Title: Motion to approve Amendment to Agreement with Chiniche Engineering for Construction Administration and Construction Observation/Inspection services for the NCRS project not to exceed \$90,888.

Background: The original agreement for the NCRS Main Drain Project with Chiniche did not include construction administration or inspections since we did not know the scope of work at the time. now that the scope if finalized, Chiniche has submitted the amendment agreement to add these services. This is billed hourly and not to exceed.

Recommendation: APPROVE
