Caitlin,

Good morning. My name is Kevin Bardy. I have several lots at 11650 Bayou View dr Bay St. Louis. I recently applied for a permit to remove a tree. Project # 2026-644 Request # App-2429. Permit was denied based on having enough room between the tree and neighboring home. There is enough room but it does put us within 20' of the neighboring home. I have a total of 120' of space to build in and would like to center house in this area. This area of Bayou View Dr is unique in that most of the owners have 2 or more lots allowing space in between each other. I am more than willing to replace this live oak with more live oaks. I would greatly appreciate your consideration in this matter and will respect your decision either way. Please let me know what the next step would be.

Respectfully,  
Kevin Bardy
