- B. *Payment.* Subject to available funding, as set forth in the Standard Sub-Award Terms and Conditions and all other terms and conditions of this Agreement, MDEQ shall pay all properly-invoiced amounts due to SUB-RECIPIENT within forty-five (45) days after MDEQ’s receipt of such invoice, except for any amounts disputed by MDEQ in good faith. Legislative approval may be required where MDEQ receives any claim of payment from SUB-RECIPIENT that includes work performed outside a one-year period from receipt of such invoice.

Final invoice(s) shall be submitted to MDEQ no later than forty-five (45) days after the end date of this Agreement. The monthly Reimbursement Request shall include breakdowns of personnel, position, dates worked, tasks performed, and totals

for each personnel cost included in the Reimbursement Request. SUB-RECIPIENT shall make Reimbursement Requests in accordance with the following procedures and subject to the following terms and conditions:

1. SUB-RECIPIENT may make Reimbursement Requests no more frequently than once monthly during the Period of Performance of this Agreement.
 2. SUB-RECIPIENT shall only request payment under this Agreement for the costs necessary to complete the Scope of Work specifically stated and required under this Agreement;
 3. SUB-RECIPIENT shall not request payment under this Agreement for services the SUB-RECIPIENT or its contractors may provide under any other Sub-award or Contract.
 4. Any funds that are paid by MDEQ to the SUB-RECIPIENT that are not necessary for the completion of the Work in this Agreement must be returned to MDEQ within thirty (30) days from receiving MDEQ's written notification for return of funds. Any funds that are paid by MDEQ to the SUB-RECIPIENT which are deemed ineligible by Treasury must also be returned to MDEQ within thirty (30) days from receiving MDEQ's written notification for return of funds.
 5. SUB-RECIPIENT understands that no payment, including final payment, shall be interpreted as acceptance of defective and incomplete Work, and SUB-RECIPIENT shall remain responsible for performance in strict compliance with this Agreement. If MDEQ rejects, condemns or fails to approve any part of the Scope of Work, it may issue a Notice to Cure or terminate this Agreement.
 6. MDEQ reserves the right to refuse to pay all or any part of the funds requested in a Reimbursement Request for any of the following reasons: 1) at MDEQ's discretion, the costs SUB-RECIPIENT is seeking reimbursement for are not reasonable or necessary for the completion of the Work in this Agreement, 2) at MDEQ's discretion, the costs are ineligible for reimbursement under this Project, 3) at the time the request is submitted SUB-RECIPIENT has failed to comply with any term or condition of this Agreement, 4) at the time the request is submitted the SUB-RECIPIENT has otherwise failed to perform the Work to date in accordance with the Scope of Work, or 5) at the time the request is submitted the SUB-RECIPIENT has otherwise failed to comply with applicable state, federal, or local laws and regulations.
- ii. Indirect Cost Rate. The current indirect cost rate is 0% for this SUB-RECIPIENT regarding this Agreement.

8. Progress Reports

SUB-RECIPIENT shall provide required progress reports as determined by MDEQ.

9. Final Payment and Report

Notwithstanding any other provision of this Agreement, and notwithstanding the submission of any Reimbursement Request by SUB-RECIPIENT, MDEQ shall not pay more than ninety-five percent (95%) of the Maximum Amount until such time as the SUB-RECIPIENT has completed the Work, submitted the Final Report, as defined below, required pursuant to this section, and received MDEQ's written acceptance of such Final Report. Within forty-five (45) days after MDEQ's written acceptance of such Final Report, MDEQ shall disburse to SUB-RECIPIENT all or such portion of the five-percent (5%) holdback as is properly payable to SUB-RECIPIENT for Work performed under this Agreement. However, if MDEQ is satisfied that the Project is proceeding on schedule and on budget, MDEQ (acting in its sole discretion) may reduce the holdback from five-percent (5%).

When SUB-RECIPIENT has performed all the Work, SUB-RECIPIENT shall transmit to MDEQ a comprehensive report on the Work, along with the corresponding results (the "Final Report"). As appropriate, the Final Report should include copies of any publications, press releases, and other documents, materials, and products developed as part of the Project, including, without limitation, photographs, video footage, and other electronic representations of the Project and Work not previously submitted to MDEQ. The Final Report shall be provided by SUB-RECIPIENT to MDEQ within forty-five (45) days of Project completion. Upon acceptance of Final Report, MDEQ will process final Reimbursement Request.

Upon satisfactory completion of the Work performed under this Agreement, as a condition before final payment under this Agreement or as a termination settlement under this Agreement, the SUB-RECIPIENT shall certify to MDEQ, on a form provided by MDEQ, that the Final Payment amount is the remaining amount that the SUB-RECIPIENT is owed under this Agreement and that no additional payment for its Work under this Project will be submitted for reimbursement. Unless otherwise provided in the Agreement, by state law or otherwise expressly agreed to by the Parties in this Agreement, final payment under this Agreement or settlement upon termination of this Agreement shall not constitute a waiver of MDEQ's claims against the SUB-RECIPIENT or its sureties under this Agreement.

10. Financial Management and Compliance

MDEQ requires that the SUB-RECIPIENT have in place, prior to the receipt of funds, a financial management system that will be able to isolate and trace every dollar funded under this Agreement from receipt to expenditure and have on file appropriate support documentation for each transaction. Examples of documentation are copies of checks paid to vendors, vendor invoices, bills of lading, purchase vouchers, payrolls, bank statements and reconciliations, and real property and easement appraisals. Prior to the submittal of any such documentation to MDEQ, SUB-RECIPIENT shall redact, in accordance with the definition of "Protected Personally Identifiable Information" found in 2. C.F.R. § 200.1, all information reflecting an individual's first name or first initial and last name in combination with any one or more of types of information,

including, but not limited to, social security number, passport number, credit card numbers, clearances, bank numbers, biometrics, date and place of birth, mother's maiden name, criminal, medical and financial records, educational transcripts. This does not include Personally Identifiable Information (PII) that is required by law to be disclosed. (See also §200.1 PII). SUB-RECIPIENT and any Contracted Parties (as such term is defined in the "Contracts" provision of this Agreement) are limited to the travel rates of the State of Mississippi, including dining and hotels, in place at the time of the expenditure for which reimbursement is sought; and SUB-RECIPIENT shall audit any such invoice for same, clearly indicating the actual expense and the adjustment, if any.

SUB-RECIPIENT certifies that all information provided to MDEQ or its representatives as part of the initial risk assessment for this Work is complete and accurate. SUB-RECIPIENT agrees to submit to and cooperate with MDEQ in any additional risk assessment evaluation and periodic audit procedures to ensure adequate financial management of all funds. Further, SUB-RECIPIENT shall continue to implement any recommendations and/or corrective action plan set forth in the report transmitted to SUB-RECIPIENT based on the findings of the systems and processes for financial management, a copy of which is attached hereto as Attachment "C" and incorporated herein in its entirety.

11. Contracts

SUB-RECIPIENT must notify MDEQ in writing prior to contracting any portion of the Work. MDEQ, in its sole discretion, shall have the right to reject the letting of any such contract. Should MDEQ, in its sole discretion, determine that any proposed contractor of SUB-RECIPIENT under this Agreement has a conflict of interest with respect to Treasury, MDEQ, SUB-RECIPIENT or the Project, MDEQ shall have the right to reject the letting of any such contract. If any potential conflict of interest exists, the Parties will resolve it according to the applicable laws and regulations. MDEQ's failure to reject the letting of any contract under this Agreement shall not be deemed in any way to provide for the incurrence of any obligation of MDEQ in addition to the Funds. If SUB-RECIPIENT makes or issues any contract in coordination with this Agreement, then SUB-RECIPIENT will be deemed to have represented and certified to MDEQ at each such time, in connection with such contract, as follows:

- D. each contractor is required under its agreement with SUB-RECIPIENT to perform the applicable Work within budgeted costs identified for such Work;

- E. each contractor has agreed to conduct its activities related to the Work in compliance with all terms and conditions of this Agreement, and all applicable State and Federal laws, regulations, rules, orders, and other governmental mandates;
- F. each contractor has agreed to obtain and maintain all appropriate bonds and insurance against liability for injury to persons or property from any and all activities undertaken by such contractor related to the Work in accordance with applicable state and federal laws, including, without limitation Miss. Code Ann. § 31-5-51; and
- G. no contractor has any conflict of interest with respect to MDEQ, Treasury, the SUB-RECIPIENT or the Project.

SUB-RECIPIENT shall be responsible for accountability of funds, compliance with Project specifications, and Project management by its contractors. MDEQ shall not bear responsibility for any liability caused or incurred by any contractor in performing Work. MDEQ shall not be deemed by virtue of this Agreement to have any contractual obligation to, or relationship with, any of SUB-RECIPIENT's contractors, and the Parties agree and acknowledge that, as between MDEQ and SUB-RECIPIENT, all Work shall be deemed to be the responsibility of, and performed by, SUB-RECIPIENT. No contractor or other recipient of funds from MDEQ under this Agreement shall be deemed to be an agent, representative, employee or servant of MDEQ in connection with this Agreement. Parties with whom contracts or sub-award agreements are entered into by the SUB-RECIPIENT shall be referred to herein as "Contractor", "Contracted Party", or "Contracted Parties". In addition to ensuring that its Contracted Parties follow the applicable terms in this Agreement, SUB-RECIPIENT shall require all terms and conditions set forth in Attachments "A" and "D" attached hereto in all agreements between the SUB-RECIPIENT and Contracted Parties, and in all agreements between Contracted Parties and their contractors/sub-contractors.

This includes any materials prepared for presentations or materials prepared for distribution to the public. The Parties shall cooperate as to the timing and contents of any such announcement prior to any such communications to the public. The SUB-RECIPIENT must provide materials subject to this provision to MDEQ, for determination of approval, ten (10) days prior to the anticipated publication or other form of public release of such materials. Code Ann. § 25-41-1 *et seq.*, or as otherwise necessary to inform the public of the existence of the Project as is reasonably tailored to keep the public informed of project progress or to address public safety or planning concerns. This provision shall also not apply to any publications, notices, communications, transmittals or the like required of SUB-RECIPIENT to comply with its contractual obligations related to this Agreement, for procurement of vendors, or compliance with applicable state, federal or local law applicable to the Agreement or Work.

SAC Text: Prior to Treasury's removal of the MDL to permit MDEQ to use its DC grant funds for construction costs, MDEQ must deliver to Treasury, in form and substance satisfactory to Treasury, documentation that it has satisfied the requirements of SAC No. 1 (BABAA), SAC No. 2 (Opinion of Probable Cost) and submitted a complete request for permission to commence with construction per Section S.10. of the October 2024 RESTORE Act Financial Assistance Standard Terms and Conditions and Program-Specific Terms and Conditions for Treasury's approval.

RESTORE Act - Scope of Work

Tourism is one of the largest economic drivers for the City of Bay St. Louis, and this project aims to provide a designated and safe ADA-compliant boardwalk connecting the municipal harbor, beach access, and downtown businesses. Activities include constructing an ADA-compliant walkway over the current seawall, where it will connect to the existing sidewalk. Additional amenities may include, but are not limited to, new benches, trash receptacles, lighting, and other safety features.

Activities necessary to complete this proposed project may include, but are not limited to, engineering and design, permitting, construction site preparation, and construction. Other activities may be added or finalized after completion of engineering and design, or before MDEQ's request for approval to commence with construction is sent to Treasury. DC funds may also be used for project oversight and management activities to include the development, coordination, and execution of the grant between MDEQ and Treasury; and the development, coordination, and execution of the subaward between MDEQ and the City of Bay St. Louis.

Task 1: MDEQ Project Management and Oversight

Estimated Timeline: Award + 24 months

Project management includes the oversight, coordination, and monitoring of grant activities, subrecipient activities, and funds expended under this DC grant. MDEQ seeks \$97,795.00 in DC funds for project management and oversight costs.

Task 2: City of Bay St. Louis Project Implementation

Estimated Timeline: Award + 18 months

The City of Bay St. Louis anticipates constructing a 16-foot wide ADA-compliant boardwalk that will run from the Demontluzin Avenue pedestrian access ramp to the Ulman Avenue access ramp. Amenities may include, but are not limited to, new benches, trash receptacles, lighting, and other safety features. As planning activities progress, these specifications may be modified to meet project needs. Final project components and construction will be based on final design and construction specifications developed by the subrecipient.

DC grant funds in the amount of \$1,000,000.00 will be provided to the City of Bay St. Louis through a subaward agreement for project planning and implementation activities as provided in the estimated budget. Project activities may include, but are not limited to, engineering, design, permitting, construction, and construction oversight. The preliminary opinion of probable cost provided by the subrecipient was based on consultation with professional engineers and experience with similar projects.

RESTORE ACT FINANCIAL ASSISTANCE STANDARD TERMS AND CONDITIONS AND PROGRAM-SPECIFIC TERMS AND CONDITIONS

PREFACE

A grant agreement is comprised of the following documents:

1. A Notice of Award from the Department of the Treasury (“Treasury”);
2. The RESTORE Act Financial Assistance Standard Terms and Conditions (“Standard Terms and Conditions”);
3. The RESTORE Act Financial Assistance Program-Specific Terms and Conditions (“Program-Specific Terms and Conditions”);
4. An approved application, including all documents, certifications, and assurances that are part of the approved application;
5. An approved scope of work;
6. Any approved budget; and,
7. Any special terms and conditions applied by Treasury to the award (“Special Award Conditions”).

The recipient must comply with—and require each of its subrecipients, contractors, and subcontractors employed in the completion of the activity, project, or program to comply with—the RESTORE Act, Treasury’s implementing regulations at 31 C.F.R. Part 34, all applicable federal statutes, regulations, executive orders (EOs), Office of Management and Budget (OMB) circulars, any program guidance issued by Treasury (including the RESTORE Act Frequently Asked Questions relating to the Direct Component Program), Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions of this federal financial assistance award (“Award”), as applicable, in addition to the certifications and assurances required at the time of application.

Any inconsistency or conflict in the Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions of this Award will be resolved according to the following order of precedence: federal laws, Executive Orders, federal regulations, applicable notices published in the Federal Register, OMB circulars, Treasury’s Standard Terms and Conditions, Program-Specific Terms and Conditions, and any Special Award Conditions.

Some of these Standard Terms and Conditions contain, by reference or substance, a summary of pertinent federal statutes, federal regulations published in the Federal Register (Fed. Reg.) or Code of Federal Regulations (C.F.R.), EOs, or OMB circulars. In particular, these Standard Terms and Conditions incorporate many of the provisions contained in OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Guidance,” 2 C.F.R. Part 200), which supersedes former OMB Circular A-102 (the former grants management common rule), OMB Circular A-133 (single audit requirements), and all former OMB circulars containing the cost principles for grants and cooperative agreements. To the extent that it is a summary, such a provision is not in derogation of, or an amendment to, any such statute, regulation, EO, or OMB circular. Unless a definition is provided here, definitions can be found in the RESTORE Act (Public Law No. 112-141 (July 6, 2012), Treasury’s implementing regulations (79 Fed. Reg. 48039 (Aug. 15, 2014) and 79 Fed. Reg. 61236 (Oct. 10, 2014), as codified at 31 C.F.R. Part 34), or 2 C.F.R. Part 200.

A Program-Specific Terms and Conditions - Awards Under the Direct Component

In addition to all the Standard Terms and Conditions described in Sections C through T of this document, all Treasury RESTORE Act awards made under the Direct Component include the following Program-Specific Terms and Conditions:

1. Administrative Costs

a. Administrative costs are defined as indirect costs for administration incurred by the recipient that are allocable to activities authorized under the RESTORE Act, as specified in 31 C.F.R. § 34.2.

Administrative costs do not include:

i. Direct costs that directly support the scope of work and are identified as direct costs in the approved award budget;

ii. Indirect costs that are identified specifically with, or readily assignable to facilities, as defined in 2 C.F.R. § 200.414; and

iii. Indirect costs of subrecipients.

b. Of the amounts received from Treasury under the Direct Component, not more than three percent may be used for administrative costs. See 31 C.F.R. § 34.204(a)(1). The three percent limit on administrative costs may be applied to the total amount of funds received by a recipient either on a grant-by-grant basis or on an aggregate basis. For the latter method, amounts used for administrative costs may not at any time exceed three percent of the aggregate of:

i. The amounts received under a component (i.e., Direct Component or Centers of Excellence) by a recipient, beginning with the first grant through the most recent grant, and

ii. The amounts in the Trust Fund that are allocated to, but not yet received by, the grantee under 31 C.F.R. § 34.103, consistent with the definition of administrative costs in 31 C.F.R. § 34.2.

c. Up to 100 percent of program income, as defined in 2 C.F.R. § 200.1 and elaborated in 2 C.F.R. § 200.307, may be used to pay for allowable administrative costs, subject to the three percent cap. Program income may also be used to defray other allowable costs under the award.

2. Oil Spill Liability Trust Fund

The recipient must not seek any compensation for the approved program or project from the Oil Spill Liability Trust Fund. If the recipient is authorized to make subawards, the recipient must not use Direct Component funds to make subawards to fund activities for which any claim for compensation was filed and paid out by the Oil Spill Liability Trust Fund after July 6, 2012.

3. Remedies for Noncompliance

a. If Treasury determines that the recipient has expended Direct Component funds to cover the cost of any ineligible activities, in addition to the remedies available in Section M of these Standard Terms and Conditions, per 31 C.F.R. § 34.804, Treasury will make no additional payments to the recipient from the Gulf Coast Restoration Trust Fund (Trust Fund), including no payments from the Trust Fund for activities, projects, or programs until the recipient has either (1) deposited an amount equal to the amount

expended for the ineligible activities in the Trust Fund, or (2) Treasury has authorized the recipient to expend an equal amount from the recipient's own funds for an activity that meets the requirements of the RESTORE Act.

b. If Treasury determines the recipient has materially violated the terms of this Award, Treasury will make no additional funds available to the recipient from any part of the Trust Fund until the recipient corrects the violation.

4. Required Use of American Iron, Steel, Manufactured Products, and Construction Materials

a. Pursuant to section 70914 of the Build America, Buy America Act, included in the Infrastructure Investment and Jobs Act (IIJA), Pub. L. 117-58 (November 15, 2021), none of the funds provided under this award may be used for a project for infrastructure, as defined in paragraph (b) below unless:

i. All iron and steel used in the project are produced in the United States, which means that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

ii. All manufactured products used in the project are produced in the United States, which means that the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

iii. All construction materials are manufactured in the United States, which means that all manufacturing processes for the construction material occurred in the United States.

b. For the purposes of this section, the term "infrastructure" means public infrastructure, including but not limited to the structures, facilities, and equipment for, in the United States, roads, highways, and bridges; public transportation; dams, ports, harbors, and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property. Infrastructure includes facilities that generate, transport, and distribute energy.

c. The requirement of paragraph (a) (the "Buy America preference") only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does the Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project. See OMB Memorandum M-24-02.

5. Buy America Preference Waivers

a. The Buy America Preference shall not apply if a waiver covering the project is in effect at the time that Treasury obligates the award funds for the new award or amendment to the existing award (provided as the "Date Issued" in the Notice of Award). All waivers will be posted on Treasury's RESTORE Act, Buy America website at

<https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>

b. Recipients may also apply for, and Treasury may grant, a waiver from these requirements on a project or product level. Treasury will provide information on the process for requesting a waiver from these requirements. For more information on the waiver request process see <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>.

c. In accordance with 2 C.F.R. § 184.7, Treasury may waive the application of the Buy America preference in any case in which Treasury determines that:

- i. Applying the Buy America Preference would be inconsistent with the public interest;
 - ii. The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or,
 - iii. The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.
- d. A request to waive the application of the Buy America preference must be submitted in writing. Treasury will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office within the Office of Management and Budget.

6. Buy America Preference Definitions

Definitions of terms related to the Buy America Preference requirement provided in this section are provided on Treasury's RESTORE Act, Buy America website at <https://home.treasury.gov/policy-issues/financial-markets-financial-institutions-and-fiscal-service/restore-act>.

B Program-Specific Terms and Conditions - Awards Under the Centers of Excellence Research Grants Program

- b. Facilities costs that are allowable as indirect costs in a federally approved negotiated indirect cost rate; and
- c. Acquisition of land or interests in land.

2. Prior Approval for Changes in Centers of Excellence

a. The recipient must immediately notify Treasury if it anticipates selecting a new entity or consortium to serve as a Center of Excellence or making other changes to the initial selection of Center(s) of Excellence described in the scope of work.

b. After the recipient notifies Treasury pursuant to (a) and finalizes the selection, the recipient must promptly inform Treasury of the following:

i. Name of the Center of Excellence and the entity selected to administer it, including the names of member organizations if the entity is a consortium;

ii. Unique Entity Identifier (UEI) Number;

iii. Location of the entity;

iv. The discipline or disciplines, as set forth in Section 1605(d) of the RESTORE Act and Treasury's implementing regulations at 31 C.F.R. § 34.704(b), that will serve as a focus of research for the selected Center or Centers of Excellence;

v. Documentation of the competitive process used to select the Center or Centers of Excellence, including all documentation to demonstrate the recipient complied with the selection requirements set forth in Section 1605 of the RESTORE Act and Treasury's implementing regulations at 31 C.F.R. § 34.704(b); and,

vi. The estimated budget for the Center, including the total allocation of funded dollars for the Center.

3. Performance Reports

In addition to the reporting requirements in Section F, pursuant to 31 C.F.R. § 34.706, the recipient must submit an annual report to the Gulf Coast Ecosystem Restoration Council ("Council"), in a form prescribed by the Council that includes information on subrecipients, subaward amounts, disciplines addressed, and any other information required by the Council. When the subrecipient is a consortium, the annual report must also identify the consortium members. This information will be included in the Council's annual report to Congress. The recipient must provide a copy of this report to Treasury when it submits the report to the Council.

D Use of Funds and Financial Requirements

1. Scope of Work

The recipient must only use funds obligated and disbursed under this Award for the purpose of carrying out activities described in the attached approved scope of work. The recipient must not incur or pay any expenses under this Award for activities not related to the attached approved scope of work unless Treasury first approves an Award amendment explicitly modifying the approved scope of work to include those activities.

2. Pre-award Costs

The recipient may obligate funds under this Award only during the period of performance specified in the Notice of Award, which is the time period during which the recipient may incur new obligations and costs to carry out the work authorized under this Award. The only exception is for costs related to award reporting and closeout after the end of the period of performance, or costs incurred prior to the effective date of this Award, which are allowable only if:

- a. Treasury specifically authorized these costs in writing on or after the issuance date of this Award;
- b. Incurring these costs was necessary for the efficient and timely performance of the scope of work; and
- c. These costs would have been allowable if incurred after the date of the award.

3. Indirect Costs

- a. The recipient may only charge indirect costs to this Award if these costs are allowable under 2 C.F.R. Part 200, Subpart E (*Cost Principles*). For Direct Component awards, there is a three percent limit on indirect costs per 31 C.F.R. § 34.204. Please see the RESTORE Act Frequently Asked Questions (FAQs) related to the Direct Component Program for more information on the limitations on indirect costs (administrative costs) at <https://home.treasury.gov/system/files/216/May-2020-Direct-Component-FAQ-Update-final-5-21-2020.pdf>. Indirect costs charged to the award must be consistent with an accepted de minimis rate or the indirect

cost rate agreement negotiated between the recipient and its cognizant agency (defined as the federal agency that is responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals, see 2 C.F.R. § 200.1) and must be included in the recipient's budget.

b. Unallowable direct costs are not recoverable as indirect costs.

c. The maximum dollar amount of allocable indirect costs charged to this Award shall be the lesser of:

i. The line item amount for the indirect costs contained in the approved budget, including all budget revisions approved in writing by the Treasury; or,

ii. The total indirect costs allocable to this Award based on the indirect cost rate approved by a cognizant or oversight federal agency and applicable to the period in which the cost was incurred, provided that the rate is approved on or before the Award end date.

4. Cost Sharing and Budget Limitations

a. There is not a cost sharing or matching requirement for Treasury's RESTORE Act grant programs. However, if matching funds are included in the approved award budget, the recipient must obtain and use these matching funds for the purposes of the award.

b. The recipient shall not request or receive additional funding beyond what was included in the approved application for the attached approved scope of work from any federal or non-federal source without first notifying Treasury.

5. Program Income

Program Income is defined in 2 C.F.R. § 200.1 as gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance except as provided by 2 C.F.R. § 200.307(f). As allowed by 2 C.F.R. § 307(b), Treasury authorizes costs incidental to the generation of program income that have not been charged to the award to be deducted from the gross income to determine program income for this award (i.e., net program income). Any program income generated by the recipient or the subrecipient during the period of performance of the award or period of performance of the subrecipient agreement, as applicable, must be included in the approved budget and be used for the purposes of the Award and under the conditions of these Standard Terms and Conditions and any Special Award Conditions, i.e., solely to accomplish the approved scope of work. All program income determinations are project scope-specific and should be determined prior to award or at the earliest point possible post-award.

6. Incurring Costs or Obligating Federal Funds Beyond the Expiration Date

The recipient must not incur costs or obligate funds under this Award for any purpose pertaining to the operation of the activity, project, or program beyond the end of the period of performance. The only costs that are authorized for a period up to 120 days following the end of the period of performance are those strictly associated with closeout activities. Closeout activities are normally limited to the preparation of final progress, financial, and required audit reports unless otherwise approved in writing by Treasury. Under extraordinary circumstances, and at Treasury's sole discretion, Treasury may approve the recipient's request for an extension of the 120-day closeout period.

7. Tax Refunds

Refunds of taxes paid under the Federal Insurance Contributions Act (FICA) and the Federal Unemployment Tax Act (FUTA) that are received by the recipient during or after the period of performance must be refunded or credited to Treasury if these taxes were paid out of RESTORE Act funds in accordance with 2 C.F.R. Part 200, Subpart E (*Cost Principles*). The recipient agrees to contact Treasury immediately upon receipt of these refunds.

8. Requirement to Maintain a Conflict-of-Interest Policy

Recipient understands and agrees it must maintain a conflict-of-interest policy consistent with 2 C.F.R. § 200.318(c), and that such conflict-of-interest policy is applicable to each activity funded under this award. Recipients and subrecipients must disclose in writing to Treasury or the pass-through agency, as appropriate, any potential conflict of interest affecting the awarded funds in accordance with 2 C.F.R. § 200.112.

9. Prohibition on Use of Funds for Certain Telecommunications and Video Surveillance Services or Equipment

a. Recipients must comply with 2 C.F.R. § 200.216 with respect to obligations and expenditures of Treasury's RESTORE Act grants funded on or after 8/13/2020. As required by 2 C.F.R. § 200.216, Treasury's RESTORE Act recipients and subrecipients are prohibited from obligating or expending grant funds to procure or obtain covered telecommunications equipment or services; extend or renew a contract to procure or obtain covered telecommunications equipment or services; or enter into a contract (or extend or renew a contract) to procure or obtain covered telecommunications equipment or services.

b. As described in Public Law 115–232, section 889, covered telecommunications equipment or services are defined as follows:

i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);

ii. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or

iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of the People's Republic of China.

c. For the purposes of this section, "covered telecommunications equipment or services" also include systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

d. Whenever procuring, contracting for, or obtaining telecommunications or video surveillance services or equipment, the recipient must make a good-faith effort to ascertain that none of the equipment or services are from a prohibited source. The recipient must review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for "covered telecommunications equipment or services."

e. The recipient must ensure that the prohibition on covered telecommunications and video surveillance services and equipment flows down to all lower-tier transactions, to include all subawards and contracts.

f. When the recipient or subrecipient accepts a RESTORE Act grant, it is certifying that it will comply with the prohibition on covered telecommunications equipment and services in this section. The recipient or subrecipient is not required to certify that funds will not be expended on covered telecommunications equipment or services beyond the certification provided upon accepting the grant and those provided upon submitting payment requests and financial reports.

g. For additional information, see section 889 of Public Law 115-232 and 2 C.F.R. § 200.471.

10. Limitation on Use of Funds for Research Involving Human Subjects

- a. No work involving human subjects may be undertaken, conducted, or costs incurred and/or charged to this Award for human subject's research, until the appropriate documentation is approved in writing by Treasury.
- b. The Federal policy for the protection of human subjects (the "Common Rule") as codified in 45 C.F.R. Part 46, Subpart A, defines a human subject as a living individual about whom an investigator conducting research obtains (1) information or biospecimens through intervention or interaction with the individual (e.g., surveys and focus groups), and uses, studies, or analyzes the information or biospecimens or (2) uses, studies, analyzes, or generates identifiable private information or identifiable biospecimens. Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.
- c. The recipient and subrecipient, as appropriate, must maintain appropriate policies and procedures for the protection of human subjects. In the event it becomes evident that human subjects may be involved in this project, the recipient must submit appropriate documentation to Treasury for approval by the appropriate Treasury officials. This documentation may include:
 - i. Documentation establishing approval of the project by an institutional review board (IRB) approved for federal-wide use under Department of Health and Human Services guidelines;
 - ii. Documentation to support an exemption for the project;
 - iii. Documentation to support deferral for an exemption or IRB review; or
 - iv. Documentation of IRB approval of any modification to a prior approved protocol or to an informed consent form.

11. Limitation on Use of Funds for Foreign Travel

- a. The recipient and subrecipient may not use funds from this Award for travel outside of the United States unless Treasury provides prior written approval.
- b. The recipient and subrecipient must comply with the provisions of the Fly America Act, as amended, (49 U.S.C. § 40118). The implementing regulations of the Fly America Act are found at 41 C.F.R. §§ 301-10.131–301-10.143.
- c. The Fly America Act requires that federal travelers and others performing U.S. Government-financed air travel must use U.S. flag air carriers, to the extent that service by such carriers is available. Foreign air carriers may be used only in specific instances, such as when a U.S. flag air carrier is unavailable, or use of U.S. flag air carrier service will not accomplish the agency's mission.
- d. One exception to the requirement to fly U.S. flag carriers is transportation provided under a bilateral or multilateral air transport agreement, to which the United States Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act pursuant to 49 U.S.C. § 40118(b). The United States Government has entered into bilateral/multilateral "Open Skies Agreements" (U.S. Government Procured Transportation) that allow federal funded transportation services for travel and cargo movements to use foreign air carriers under certain circumstances. There are multiple "Open Skies Agreements" currently in effect. For more information about the current bilateral and multilateral agreements, visit the GSA website <http://www.gsa.gov/portal/content/103191>. Information on the Open Skies agreements (U.S. Government Procured Transportation) and other specific country agreements may be accessed via the Department of State's website <http://www.state.gov/e/eeb/tra/>.

e. If a foreign air carrier is anticipated to be used for any portion of travel funded under this Award, the recipient must receive prior approval from Treasury. When requesting such approval, the recipient must provide a justification in accordance with guidance provided by 41 C.F.R. § 301–10.142, which requires the recipient to provide Treasury with the following: name; dates of travel; origin and destination of travel; detailed itinerary of travel; name of the air carrier and flight number for each leg of the trip; and a statement explaining why the recipient meets one of the exceptions to the regulations. If the use of a foreign air carrier is pursuant to a bilateral agreement, the recipient must provide Treasury with a copy of the agreement or a citation to the official agreement available on the GSA website. Treasury shall make the final determination and notify the recipient in writing. Failure to adhere to the provisions of the Fly America Act will result in the recipient not being reimbursed for any transportation costs for which the recipient improperly used a foreign air carrier.

12. Subawards

a. Recipients that enter into subawards under this award must execute a legally binding written agreement with the subrecipient which includes a budget by federal object class categories or fixed amount (2 C.F.R. § 200.332). This agreement must incorporate all the terms and conditions of this Award, including any applicable Special Award Conditions, and must include the information at 2 C.F.R. § 200.332(a). The recipient must perform all responsibilities required of a pass-through entity, as specified in 2 C.F.R. § 200.332, including but not limited to monitoring use of RESTORE Act funds and compliance with all terms and conditions; following up on any deficiencies identified as a result of onsite or desk reviews and/or audits; and reviewing and correcting as necessary all subrecipient performance and financial reporting before including this information on the recipients' required RESTORE Act grant program's Performance Progress Reports (PPR) and Federal Financial Report (SF-425) reports.

b. Recipients must verify that a proposed subrecipient is not excluded or disqualified from receiving or participating in Federal awards prior to making a subaward to the proposed subrecipient. Recipients may use the verification methods provided at 2 C.F.R. § 180.300 and Treasury's implementing regulations at 31 C.F.R. § 19.300, which include confirming in SAM.gov that a potential subrecipient is not suspended, debarred, or otherwise excluded from receiving Federal funds.

c. The recipient must evaluate and document each subrecipient's risk of noncompliance with federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring strategy, as described in 2 C.F.R. § 200.332(c).

d. The recipient must monitor the subrecipient's use of federal funds through reporting, site visits, regular contact, or other means to provide reasonable assurance that the subrecipient is administering the subaward in compliance with the RESTORE Act, Treasury's implementing regulations, these Standard Terms and Conditions, Program-Specific Terms and Conditions, and any applicable Special Award Conditions, and to ensure that the scope of work is being appropriately carried out and milestones are achieved.

e. The recipient must provide training and technical guidance to the subrecipient as necessary.

f. The recipient must, if necessary, take appropriate enforcement actions against noncompliant subrecipients.

g. If lower-tier subawards are authorized by Treasury, the recipient must ensure that a subrecipient who makes a subaward applies the terms and conditions of this Award, including any Special Award Conditions, to all lower-tier subawards through a legally binding written agreement, and that a subrecipient who makes a subaward carries out all the responsibilities of a pass-through entity described at 2 C.F.R. § 200.332.

h. The recipient must verify that no subrecipient appears on the excluded party list on sam.gov. If lower-tier subawards are authorized by Treasury, the recipient must ensure that a subrecipient who makes a subaward verifies that this lower-tier subrecipient does not appear on the excluded parties list in sam.gov prior to issuing the subaward.

i. The recipient or subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts consistent with 2 C.F.R. § 200.318(c)(1).

i. No employee, officer, agent, or board member with real or apparent conflict of interest may participate in the selection, award, or administration of a contract supported by the Federal award. A conflict of interest includes when the employee, officer, agent, or board member, any member of their immediate family, their partner, or an organization that employs or is about to employ any of the parties indicated mentioned in this section, has a financial or other interest in or a tangible personal benefit from an entity considered for a contract.

ii. An employee, officer, agent, and board member of the recipient or subrecipient may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors.

iii. A recipient or subrecipient may set standards for situations where the financial interest is not substantial, or a gift is an unsolicited item of nominal value. The recipient's or subrecipient's standards of conduct must also provide for disciplinary actions to be applied for violations by its employees, officers, agents, or board members. A financial interest may include employment, stock ownership, a creditor or debtor relationship, or prospective employment with the organization selected or to be selected for a contract.

The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient or subrecipient.

J Award Disbursement

1. Unless otherwise specified in a Special Award Condition, Treasury will make advance payments under this Award upon request. However, if one of the following occurs, Treasury will require Award funds to be disbursed on a reimbursement basis either with or without pre-approval of drawdown requests: (1) Treasury determines that the recipient does not meet the financial management system standards (see Section E) included in these Standard Terms and Conditions, (2) Treasury determines that the recipient has not established procedures that will minimize the time elapsing between the transfer of funds and disbursement, or (3) Treasury determines that the recipient is in noncompliance with the RESTORE Act, Treasury's implementing regulations, other pertinent federal statutes, these Standard Terms and Conditions, Program-Specific Terms and Conditions, and/or any Special Award Conditions, and determines that the appropriate remedy is to require payment on a reimbursement basis.
2. If reimbursement is used, Treasury may require pre-approval of drawdown requests. If Treasury requires pre-approval of drawdown requests, Treasury will provide the recipient with instructions on what billing to submit. Treasury will make payment within 30 calendar days after receipt of the billing, unless Treasury determines the request to be improper, in which case payment will not be made.
3. To the extent available, the recipient must disburse funds available from program income, rebates, refunds, contract settlements, audit recoveries, and interest earned on such funds before requesting additional cash payments of Award funds.
4. Treasury will use the Department of Treasury's Automated Standard Application for Payment (ASAP) system to disburse payments of Award funds. In order to receive payments, the recipient must first enroll in ASAP.gov. Treasury creates and funds account(s) for recipients in ASAP.gov, and recipients access their account(s) online to request funds. All Award funds will be disbursed electronically using the Automated Clearing House (ACH) for next day or future-day payments only. Awards paid through ASAP.gov may contain controls or withdrawal limits set by Treasury.
5. Requirements applicable to recipients that are states: Payment methods of state agencies or instrumentalities must be consistent with Treasury-State agreements under the Cash Management Improvement Act, 31 C.F.R. Part 205 "Rules and Procedures for Efficient Federal-State Funds Transfers," and Treasury Financial Manual (TFM) 4A-2000 Overall Disbursing Rules for All Federal Agencies.
6. Requirements applicable to recipients that are not states: In accordance with 2 C.F.R. § 200.305(b), the recipient must minimize the time between the transfer of funds from Treasury and the use of the funds by the recipient. Advance payments to the recipient must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient in carrying out the purpose of the approved activity, project, or program. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements by the parish or county for activity, project, or program costs and the proportionate share of any allowable indirect costs. Advances should not be drawn down more than three business days before expenditure. Advanced funds not disbursed in a timely manner must be promptly returned to Treasury. The recipient must make timely payment to contractors (vendors) in accordance with the contract provisions.
7. Advances of federal funds must be deposited and maintained in United States Government-insured interest-bearing accounts whenever possible. The recipient is not required to maintain a separate depository account for receiving Award funds. If the recipient maintains a single depository account where advances are commingled with funds from other sources, the recipient must maintain on its books a separate subaccount for the Award funds. Consistent with the national goal of expanding opportunities for

women-owned and minority-owned business enterprises, the recipient is encouraged to ensure fair consideration of women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

8. The recipient must maintain advances of federal funds in interest-bearing accounts, unless one of the following conditions applies:

- a. The recipient receives less than \$250,000 in federal awards per year;
- b. The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on federal cash balances; or
- c. The depository would require an average or minimum balance so high that it would not be feasible within the expected federal and non-federal cash resources.

9. Interest earned amounts up to \$500 per year may be retained by the non-federal entity for administrative expense. Any additional interest earned on federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services, Payment Management System, (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

K Notifications and Prior Approvals

- b. Except for changes described in (2) below, the recipient may revise the budget without prior approval. If the recipient alters the budget, the recipient must provide a revised budget form (SF-424A or SF-424C, as applicable) to Treasury as an attachment to the SF-PPR, reflecting all budget revisions from the same period covered by the SF-PPR. Acceptance of such budget information does not constitute Treasury's approval of the revised budget.
- c. The recipient must notify Treasury when it increases or decreases the amount of the non-federal share of funds supporting to the project in order for Treasury to amend the approved project budget to reflect such change in the non-federal share supporting the projected funded by the Direct Component grant. If non-material modifications to an activity in an accepted multiyear plan are included in a grant application, Treasury will evaluate the application to determine if the modified activity continues to be a Direct Component eligible activity and does not exceed the recipient's Direct Component allocation.

S Real Property, Construction, Equipment and Supplies

1. General Requirements

a. The recipient must comply with the property standards at 2 C.F.R. § 200.310 through 200.316 for real property, equipment, supplies, and intangible property.

2. Real Property and Acquisition of Land and Land Interests

a. No real property or interest in real property may be acquired under this Award unless authorized in the approved scope of work.

b. In accordance with 31 C.F.R. § 34.803(f), no land or interests in land, such as easements, or right of ways, may be acquired under this Award unless the recipient can provide documentation satisfactory to Treasury that the land or interest in land was acquired by purchase, exchange, or donation from a willing seller.

3. Compliance with State, Local and Federal Requirements

The project must comply with all applicable federal laws and regulations, and with all requirements for state, and local laws and ordinances to the extent that such requirements do not conflict with federal laws. The recipient is also responsible for supervising the design, bidding, construction, and operation of construction projects in compliance with all award requirements. The recipient must comply with, and must require all contractors and subcontractors, to comply with all federal, state, and local laws and regulations. The recipient must ensure compliance with special award conditions which may contain conditions that must be satisfied prior to advertisement of bids, start of construction, or another critical event.

4. Title

a. Prior to receiving Treasury authorization to start construction, the recipient must furnish evidence, satisfactory to Treasury, that the recipient has acquired good and merchantable title free of all mortgages, foreclosable liens, or encumbrances, to all land, rights of way, and easements necessary for the completion of the project.

b. When property has been newly acquired for the project, the recipient must provide the following as evidence of clear title to the property:

i. A copy of the recorded deed or equivalent conveyance document showing the recipient acquired title to the property; and

ii. A copy of the title insurance (also known as title policy), title report, or title opinion (by attorney(s) licensed in the jurisdiction where the property is located) completed after the real estate acquisition showing the recipient obtained title to the property free of any encumbrances (i.e., foreclosable liens, easements, or any other limitations on use that interferes with the recipient's intended use, operation, construction, maintenance of the property, or Treasury's federal interest). The title insurance, title report, or title opinion should include the legal description of the property.

c. When the property to be used for the project has not been newly acquired, the recipient must provide evidence of clear title to the property, which includes both of the items listed in (b) above, provided that the copy of the title insurance, title report, title opinion, or equivalent must be completed within the last year. If such evidence is more than one year old, the recipient must provide Treasury with an explanation, which Treasury may in its discretion decline to accept.

d. When easements, rights-of-way, or other rights are required for the completion of the project, the recipient must provide the following documentation:

i. A copy of the easement deed or equivalent conveyance document; and

ii. A copy of the title insurance, title report, or title opinion (by attorney(s) licensed in the jurisdiction where the property is located).

e. When use of or access to leased property is required for the project, the recipient must provide the following evidence of control of the leased property:

i. A copy of the lease signed by the lessor and recipient that provides a lease term equivalent to the estimated useful life (EUL) of the project or renewable for that period; and

ii. A certification from the recipient that it has control of all project property or improvements to the property and is not aware of any material restrictions or encumbrances that could interfere with any award purpose for the duration of the EUL. If this changes within the course of the EUL, the recipient must provide timely notice to Treasury. The federal interest may be waived, if it is decided that recording the federal interest is not feasible, then Treasury may include a special award condition on the award that the recipient will repay the federal interest if the lessor terminates the lease before the EUL of the project expires or if the recipient or lessor uses the property in a manner inconsistent with the public purpose(s) of the award during the EUL of the improvements or construction, as applicable.

f. When the project involves linear construction/improvement, road construction, or other less common types of construction, recipients should contact Treasury for guidance on the types of evidence of title required.

g. Notwithstanding (a)-(f), Treasury may in its discretion accept only a copy of the title insurance, title report, title opinion, or equivalent as evidence of title (or easement or other rights) if the recipient is unable to produce the relevant conveyance document.

h. In all cases, recipients must disclose any ongoing litigation concerning the project property prior to seeking Treasury's permission to proceed with construction.

5. Permitting Requirements

Prior to receiving Treasury permission to proceed with construction, the recipient must furnish evidence, satisfactory to Treasury, that recipient has received all federal, state and local permits necessary for the completion of the project. In extraordinary circumstances and at Treasury's sole discretion, Treasury may accept alternate documentation such as, draft permits, which must be finalized within a specified time as determined by Treasury after approval of a request for notice to proceed with construction.

6. Estimated Useful Life

- a. Property that is acquired or improved, in whole or in part, with federal assistance is held in trust by the recipient for the purpose(s) for which the award was made for the Estimated Useful Life. Estimated Useful Life means the period of years that constitutes the expected useful lifespan of a project, as determined by Treasury. The recipient must propose an Estimated Useful Life from the date of construction completion either prior to award or initiation of construction. If the Estimated Useful Life is provided in the application, Treasury's issuance of the grant agreement represents its concurrence with the recipient's proposed Estimated Useful Life.
- b. The recipient's obligation to the federal government continues for the Estimated Useful Life of the project, as determined by Treasury, during which Treasury retains an undivided equitable reversionary interest (the "federal interest") in the property acquired or improved, in whole or in part, with the Treasury investment.
- c. If Treasury determines that the recipient has failed or fails to meet its obligations under the terms and conditions of this award, Treasury may exercise its rights or remedies with respect to its federal interest in the project. However, Treasury's forbearance in exercising any right or remedy in connection with the federal interest does not constitute a waiver thereof.
- d. At its discretion, Treasury may waive the requirement to establish an Estimated Useful Life for environmental restoration projects.

7. Recording the Federal Interest in the Real Property

Pursuant to 2 C.F.R. § 200.316, Treasury retains an undivided equitable reversionary interest in real property (a "federal interest") that is acquired or improved, in whole or in part with RESTORE Act Direct Component funds, which must be held in trust by the recipient for the benefit of the project for the Estimated Useful Life of the project.

To document the federal interest, the recipient must prepare and properly record a "Covenant of Purpose, Use and Ownership" (Covenant), or, where a subrecipient is the title owner, the recipient must ensure that the subrecipient prepares and properly records a "Covenant of Purpose, Use and Ownership" (Covenant) on the property acquired or improved with RESTORE Act Direct Component funds. This Covenant does not establish a traditional mortgage lien in that it does not establish a traditional creditor relationship requiring the periodic repayment of principal and interest, or the ability of Treasury to foreclose on the real property at any time. Rather, pursuant to the Covenant, the recipient and/or the subrecipient, as applicable, acknowledges that it holds title to the real property in trust for the public purposes of the financial assistance award and agrees, among other commitments, that it will repay the federal interest if it disposes of or alienates its interest in the real property, or uses it in a manner inconsistent with the public purposes of the award, during the Estimated Useful Life of the property.

- a. The Covenant must be satisfactory in form and substance to Treasury and must include the name and current address of the recipient and/or subrecipient (if applicable), the award number, amount, date of award, subrecipient agreement (if applicable), date of the purchase of property (if applicable), and the Estimated Useful Life of the project. It must also include statements that the real property will only be used for purposes consistent with the RESTORE Act and Treasury's implementing regulations, 31 C.F.R. Part 34; that it will not be mortgaged or used as collateral, sold, or otherwise transferred to another party without the written permission of Treasury; and that the federal interest cannot be subordinated, diminished, nullified, or released through encumbrance of the property, transfer of the property to another party, or any other action the recipient/subrecipient takes without the written permission of Treasury.
- b. The recipient agrees to provide to Treasury a title insurance (also known as title policy), title report, or title opinion as to the title owner of the property, and to properly record the Covenant, in accordance with applicable law in the real property records in the jurisdiction in which the real property is located in order to provide public record notice to interested parties that there are certain restrictions on the use and disposition of the real property during its Estimated Useful Life, and that Treasury retains an undivided

equitable reversionary interest in the real property to the extent of its participation in the project for which funds have been awarded.

c. Treasury requires title insurance, a title report, or a title opinion from the recipient to substantiate that the Covenant has been properly recorded.

d. Failure to properly and timely file and maintain documentation of the federal interest may result in appropriate enforcement action, including, but not limited to, disallowance of the cost of the acquisition or improvement by Treasury.

e. The Federal Interest must be perfected and recorded/filed in accordance with state and/or local law concurrent with the acquisition of the real property, where an award includes real property acquisition, and for construction of buildings and projects to improve the real property, no later than the date construction and/or improvement work commences.

f. When the Estimated Useful Life of the project is ended, the federal interest is extinguished, and Treasury has no further interest in the real property.

g. Exclusions from the requirement that the federal interest on real property be recorded will be at Treasury's sole discretion. The types of projects for which Treasury may agree to this exclusion include, but are not limited to, the following: work which involves no above grade structures, work within utility easements, work on leased property, improvements to state parks, water and sewer lateral line projects affecting private properties, and shoreline stabilization projects and other restoration projects.

8. Use of Real Property

Encumbering real property on which there is a federal interest without prior Treasury approval is an unauthorized use of the property and of project trust funds under this award. See 2 C.F.R. § 200.316. Real property or interest in real property may not be used for purposes other than the authorized purpose of the award without the express, prior written approval of Treasury, for as long as the federal government retains an interest in the property. The property must not be sold, conveyed, transferred, assigned, mortgaged, or in any other manner encumbered except as expressly authorized in writing by Treasury. The recipient must maintain facilities constructed or renovated with grant funds in a manner consistent with the purposes for which the funds were provided for the duration of the Estimated Useful Life.

In the event that the real property or interest in real property is no longer needed for the originally authorized purpose, the recipient must obtain disposition instructions from Treasury consistent with 2 C.F.R. § 200.311.

9. Administration, Operation and Maintenance

The recipient agrees to administer, operate, and maintain the project for its Estimated Useful Life in the same manner in which it operates and maintains similar facilities and equipment owned by it, and in accordance with state and local standards, laws and regulations. The recipient must not be in breach of its obligations under this award except to the extent the failure to fulfill any obligation is due to an Uncontrollable Force. "Uncontrollable Force" means an event beyond the reasonable control of, and without the fault or negligence of, the party claiming the Uncontrollable Force that prevents the recipient from honoring its contractual obligations under this Agreement and which, by exercise of the recipient's reasonable care, diligence and foresight, such recipient was unable to avoid. Uncontrollable Forces include, but are not limited to:

a. Strikes or work stoppage;

b. Floods, earthquakes, or other natural disasters;

c. Terrorist acts; and

d. Final orders or injunctions issued by a court or regulatory body having competent subject matter jurisdiction which the recipient, claiming the Uncontrollable Force, after diligent efforts, was unable to have stayed, suspended, or set aside pending review by a court of competent subject matter jurisdiction. Neither the unavailability of funds or financing, nor conditions of national or local economies or markets must be considered an Uncontrollable Force.

10. Commencement of Construction

The recipient must not commence construction prior to the date of the Award. The recipient must make a written request to Treasury for permission to commence with construction after the construction contractor has been selected and at least 30 days prior to construction. For project costs to be eligible for Treasury reimbursement, Treasury must determine that the award of all contracts with associated costs are in compliance with the scope of the project and all terms and conditions of this award, and that all necessary permits have been or will be obtained, all Special Award Conditions tied to the commencement of construction have been satisfied, and the federal interest is secure. No construction funds may be drawn from ASAP without Treasury's written permission. If the recipient commences construction prior to Treasury's determination, the recipient proceeds at its own risk.

Treasury will only review contract amendments or change orders which change the scope of a contract.

11. Insurance

The recipient must, at a minimum, provide the equivalent insurance coverage for real property improved with federal funds as provided to property owned by the recipient state, county or parish, in compliance with 2 C.F.R. § 200.310.

12. Bonding

For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the recipient or pass-through entity may request in writing that Treasury accept its bonding policy and requirements. If Treasury determines that the federal interest in the project is adequately protected, the recipient or pass-through entity need not comply with the following three bonding requirements. For all other recipients and pass-through entities, the minimum requirements for construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold are as follows:

- a. A bid guarantee from each bidder equivalent to five percent of the bid price. The bid guarantee must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute any required contractual documents within the specified timeframe.
- b. A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
- c. A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

13. Floodplain Requirements

In accordance with 44 C.F.R. Part 9, prior to Treasury's permission to commence construction in a designated 100-year floodplain, the recipient must provide evidence satisfactory to Treasury of a Floodplain Notice, that the 30-day period established for receipt of comments from the public in response to public notice published regarding the potential for adverse project impact on the values and functions

of a designated 100-year floodplain has expired and that identified concerns (if any) have been addressed to Treasury's satisfaction. This notice may be satisfied through a federal/state environmental assessment process used as the vehicle for public notice, involvement, and explanation per 44 C.F.R. § 9.8(2).

In addition, prior to Treasury's authorization to commence construction of structures and/or buildings within a designated 100-year floodplain, the recipient must provide evidence satisfactory to Treasury of the following:

- a. Floodplain Protection: That the project engineer/architect has certified that the project facility will be adequately protected from damage by floods in this area of apparent potential flood hazard. The evidence must include adequate justification for the Base Flood Elevation designation for the financial assistance award site.
- b. Floodplain Insurance: That the community is participating in the National Flood Insurance Program, and that as required, the recipient will purchase flood insurance.

14. Goals for Women and Minorities in Construction

Department of Labor regulations set forth in 41 C.F.R. § 60-4 establish goals and timetables for participation of minorities and women in the construction industry. These regulations apply to all federally assisted construction contracts in excess of \$10,000. The recipient must comply with these regulations and must obtain compliance with 41 C.F.R. § 60-4 from contractors and subcontractors employed in the completion of the project by including such notices, clauses and provisions in the Solicitations for Offers or Bids as required by 41 C.F.R. § 60-4.

- a. The goal for participation of women in each trade area must be as follows: From April 1, 1981, until further notice: 6.9 percent;
- b. All changes to this goal, as published in the Federal Register in accordance with the Office of Federal Contract Compliance Programs regulations at 41 C.F.R. § 60-4.6, or any successor regulations, must hereafter be incorporated by reference into these Special Award Conditions; and,
- c. Goals for minority participation must be as prescribed by Appendix B-80, Federal Register, Volume 45, No. 194, October 3, 1980, or subsequent publications. The recipient must include the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" (or cause them to be included, if appropriate) in all federally assisted contracts and subcontracts. The goals and timetables for minority and female participation may not be less than those published pursuant to 41 C.F.R. § 60-4.6.

15. Davis Bacon Act, as amended (40 U.S.C. §§ 3141–3148)

Davis-Bacon Act-related provisions outlined in 33 U.S.C. § 1372 are applicable to RESTORE Act grants that fund a construction project that is a "treatment works" project as defined in 33 U.S.C. § 1292; or a construction project regardless of whether it is a "treatment works" project when RESTORE Act Direct Component grant funds are used on a construction project in conjunction with federal assistance from another federal agency operating under an authority that requires the enforcement of Davis-Bacon Act-related provisions.

- a. "Treatment works" is defined in 33 U.S.C. § 1292, and means any:
 - i. Devices and systems:
 - 1) Used in the storage, treatment, recycling, and reclamation of municipal sewage or industrial wastes of a liquid nature to implement 33 U.S.C. § 1281; or

2) Necessary to recycle or reuse water at the most economical cost over the estimated life of the works, including intercepting sewers, outfall ewers, sewage collection systems, pumping, power, and other equipment, and their appurtenances; extensions, improvements, remodeling, additions, and alterations to those devices and system; and

ii. Elements essential to provide a reliable recycled supply of water such as standby treatment units and clear well facilities;

iii. Acquisition of the land that will be an integral part of the treatment process (including land used for the storage of treated wastewater in land treatment systems prior to land application) or will be used for ultimate disposal of residues resulting from such treatment and acquisition of other land, and interests in land, that are necessary for construction; or

Any other method or system for preventing, abating, reducing, storing, treating, separating, or disposing of municipal waste, including storm water runoff, or industrial waste, including waste in combined storm water and sanitary sewer systems.

b. When Davis-Bacon Act-related provisions applies, the recipient must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141–3144, and §§ 3146–3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”) in all prime construction contracts in excess of \$2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds. The recipient must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. For information on the current prevailing wage rate determination for a specific locality go to <https://sam.gov/content/wage-determinations>. If there is no prevailing wage rate determination for your locality, recipients should contact the U.S. Department of Labor at 1-866-487-2365 on how to obtain a prevailing wage rate determination .

c. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. In accordance with the statute and regulations, contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor and required to pay wages not less than once a week. The contractor shall submit weekly for each week in which any contract work is performed, a copy of all payrolls to the recipient. The required weekly payroll information may be submitted in any form desired. A contractor may use Form WH–347 which is available at <https://www.dol.gov/agencies/whd/government-contracts/construction/payroll-certification>.

d. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. The recipient must report all suspected or reported violations to Treasury.

e. The wage determination (including any additional classification and wage rates) and the Davis-Bacon poster (WH–1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers. The posters can be found at <https://www.dol.gov/whd/programs/dbra/wh1321.htm>.

f. The recipient must include all the following contract clauses outlined in 29 C.F.R. § 5.5(a) in all construction contracts subject to the Davis-Bacon and Related Acts requirements, which are in excess of \$2,000 and entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from RESTORE Act Direct Component grant funds, and ensure that any subrecipient also includes these contract clauses in all construction contracts subject to the Davis-Bacon Act requirements (see Appendix III of this document).

g. Contract Provision for Contracts in Excess of \$100,000 Contract Work Hours and Safety

Standards Act. All contracts awarded by the recipient or subrecipient in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. § 5.5(b). Under 40 U.S.C. § 3702, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. **These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** The recipient or subrecipient shall insert the clauses set forth in 29 C.F.R. §§ 5.5(b)(1) through (4) in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 C.F.R. § 5.5(a). As used in this paragraph, the terms *laborers* and *mechanics* include watchmen and guards. See Appendix IV of this document for the Contract Clauses Required for Contracts Subject to the Requirements of the Contract Work Hours and Safety Standards Act.

h. In addition to the clauses contained in 29 C.F.R. § 5.5(b), in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other statutes cited in 29 C.F.R. § 5.1, the recipient or subrecipient shall insert a clause requiring that the contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, the recipient or subrecipient shall insert in any such contract a clause providing that the records to be maintained under this paragraph shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the recipient, Department of Treasury, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.

i. **Enforcement:** In accordance with 29 C.F.R. § 5.6(a)(1), Treasury has the responsibility to ascertain whether the clauses required by 29 C.F.R. § 5.5 have been inserted in the contracts subject to the labor standards provisions of the Acts contained in 29 C.F.R. § 5.1. Pursuant to 29 C.F.R. § 5.6(a)(3), Treasury may cause investigations to be made by the recipient as may be necessary to ensure compliance with the labor standards clauses required by 29 C.F.R. § 5.5 and the applicable statutes listed in 29 C.F.R. § 5.1. Investigations shall be made of all contracts with such frequency as may be necessary to ensure compliance. Such investigations shall include interviews with employees, which shall be taken in confidence, and examinations of payroll data and evidence of registration and certification with respect to apprenticeship and training plans. In making such examinations, particular care shall be taken to determine the correctness of classifications and to determine whether there is a disproportionate employment of laborers and of apprentices or trainees registered in approved programs. Such investigations shall also include evidence of fringe benefit plans and payments thereunder. Complaints of alleged violations shall be given priority.

16. Equal Opportunity Clause

Pursuant to 41 C.F.R. § 60-1.4(b), federally-assisted construction contracts, for construction which is not exempt from the requirements of the equal opportunity clause, 41 C.F.R. Part 60-1—Obligations of Contractors and Subcontractors, the recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained from the federal government or borrowed on the credit of the federal government pursuant to a

grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: See Appendix V for the full text of 41 C.F.R. § 60-1.4.

17. Revised Americans with Disabilities Act (ADA) Standards for Accessible Design for Construction Awards

The U.S. Department of Justice has issued revised regulations implementing Title II of the ADA (28 C.F.R. Part 35) and Title III of the ADA (28 C.F.R. Part 36). The revised regulations adopted new enforceable accessibility standards called the “2010 ADA Standards for Accessible Design” (2010 Standards). The 2010 Standards are an acceptable alternative to the Uniform Federal Accessibility Standards (UFAS). Treasury deems compliance with the 2010 Standards to be an acceptable means of complying with the Section 504 accessibility requirements for new construction and alteration projects. All new construction and alteration projects must comply with the 2010 Standards.

18. Supplies and Equipment

a. Requirements that are applicable to recipients that are states:

i. Equipment: The recipient must use, manage, and dispose of equipment acquired under this Award in accordance with state laws and procedures.

ii. Supplies: If the recipient has a residual inventory of unused supplies exceeding \$10,000 in total aggregate value upon termination or completion of the activity, project, or program and the supplies are not needed for any other federal award, the recipient must report the value and the retention or sale of such supplies by submitting to Treasury a completed SF-428 Tangible Personal Property Report and SF-428-B Final Report Form no later than 60 days after the end of the Period of Performance.

b. Requirements that are applicable to recipients that are not states:

i. Equipment and Supplies: During the period of performance, the recipient must seek disposition instructions from Treasury for equipment and/or unused or residual supplies acquired under this Award if the current fair market value of the equipment and/or unused or residual supplies is greater than \$10,000 per unit. The recipient must seek disposition instructions before disposing of the property by submitting a completed SF-428 Tangible Personal Property Report and SF-428-C Disposition Request/Report. Not later than 60 days after the end of the period of performance, the recipient must submit to Treasury a completed SF-428 Tangible Personal Property Report and SF-428-B Final Report Form if the recipient retains any equipment with a current fair market value greater than \$10,000 per unit or a residual inventory of unused supplies exceeding \$10,000 in total aggregate value upon termination or completion of the activity, project, or program and the equipment and/or supplies are not needed for any other federal award.

T Miscellaneous Requirements and Provisions

The recipient must comply with all miscellaneous requirements and provisions described in this section and, when applicable, require its subrecipients, contractors, and subcontractors to comply. This list is not exclusive:

1. Prohibition Against Assignment by the Recipient

Notwithstanding any other provision of this Award, the recipient must not transfer, pledge, mortgage, or otherwise assign this Award, or any interest therein, or any claim arising thereunder, to any party or parties, banks, trust companies, or other financing or financial institutions without the express written approval of Treasury.

2. Disclaimer Provisions

a. 2. Withholding.

The Department of Treasury or recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, Treasury or the recipient may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

3. Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under [29 C.F.R. 5.5\(a\)\(1\)\(iv\)](#) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)

(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the recipient. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under [29 C.F.R. 5.5\(a\)\(3\)\(i\)](#), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <https://www.dol.gov/agencies/whd/government-contracts/construction/payroll-certification> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the recipient, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of 29 C.F.R. § 5.5 for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under [§ 5.5 \(a\)\(3\)\(ii\)](#) of Regulations, [29 C.F.R. part 5](#), the appropriate information is being maintained under [§ 5.5 \(a\)\(3\)\(i\)](#) of Regulations, [29 C.F.R. part 5](#), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, [29 C.F.R. part 3](#);

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by [paragraph \(a\)\(3\)\(ii\)\(B\)](#) of this 29 C.F.R. . § 5.5.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under [paragraph \(a\)\(3\)\(i\)](#) of 29 C.F.R. § 5.5 available for inspection, copying, or transcription by authorized representatives of the recipient, Department of Treasury, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to [29 C.F.R. 5.12](#).

4. Apprentices and trainees -

(i) *Apprentices.* Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training

Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) *Trainees*. Except as provided in [29 C.F.R. 5.16](#), trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) *Equal employment opportunity*. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and [29 C.F.R. part 30](#).

5. *Compliance with Copeland Act requirements*. The contractor shall comply with the requirements of [29 C.F.R. part 3](#), which are incorporated by reference in this contract.

6. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses contained in [29 C.F.R. 5.5\(a\)\(1\)](#) through [\(10\)](#), and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with all the contract clauses in [29 C.F.R. 5.5](#).

7. *Contract termination: debarment.* A breach of the contract clauses in [29 C.F.R. 5.5](#) may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in [29 C.F.R. 5.12](#).

8. *Compliance with Davis-Bacon and Related Act requirements.* All rulings and interpretations of the Davis-Bacon and Related Acts contained in [29 C.F.R. parts 1](#), [3](#), and [5](#) are herein incorporated by reference in this contract.

9. *Disputes concerning labor standards.* Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in [29 C.F.R. parts 5](#), [6](#), and [7](#). Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

10. *Certification of eligibility.*

(i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or [29 C.F.R. 5.12\(a\)\(1\)](#).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or [29 C.F.R. 5.12\(a\)\(1\)](#).

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, [18 U.S.C. 1001](#).

Appendix IV: Contract Clauses Required for Contracts Subject to the Requirements of the Contract Work Hours and Safety Standards Act

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b), the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b), in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph 1 of 29 C.F.R. § 5.5(b).

(3) *Withholding for unpaid wages and liquidated damages.* The Department of Treasury or recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph 2 of 29 C.F.R. § 5.5(b).

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 1 through 4 of 29 C.F.R. § 5.5(b) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the clauses set forth in paragraph 1 through 4 of 29 C.F.R. § 5.5(b).

Appendix V: 41 C.F.R. § 60-1.4

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

This order shall be for a specified period not exceeding ninety (90) days after the order is delivered to SUB-RECIPIENT, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, SUB-RECIPIENT shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the Parties shall have agreed, MDEQ shall either:

An appropriate adjustment may be made in the Period of Performance or Maximum Amount, or both, and the Agreement shall be modified in writing accordingly if:

- i. The stop work order results in an increase in the time required for, or in SUB-RECIPIENT's cost properly allocable to, the performance of any part of this Agreement; and
 - ii. SUB-RECIPIENT provides a written claim for such an adjustment within thirty (30) days after the end of the period of work stoppage; provided that MDEQ decides that the facts justify such action and any such claim asserted may be received and acted upon at any time prior to final payment under this Agreement.
- C. *Termination of Stopped Work*: If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order may be allowed by adjustment or otherwise.

13. TERMINATION

The Agreement may be terminated as follows:

A. TERMINATION FOR CONVENIENCE

- i. *Termination.* The MDEQ may, when the interests of the State so require, terminate this Agreement in whole or in part, for the convenience of the State. MDEQ shall give written notice of the termination to SUB-RECIPIENT specifying the part of the Agreement terminated and when termination becomes effective.
- ii. *SUB-RECIPIENT's Obligations.* SUB-RECIPIENT shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination SUB-RECIPIENT will stop work to the extent specified. SUB-RECIPIENT shall also terminate outstanding orders and contracts as they relate to the terminated work. MDEQ may direct SUB-RECIPIENT to assign SUB-RECIPIENT's right, title, and interest under terminated orders or contracts to MDEQ. SUB-RECIPIENT must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

B. TERMINATION FOR DEFAULT

If SUB-RECIPIENT refuses or fails to perform any of the provisions of this Agreement with such diligence as will ensure its completion within the time specified in this Agreement or any extension thereof or otherwise fails to satisfy the Agreement provisions or commits any other substantial breach of this Agreement, MDEQ may notify SUB-RECIPIENT in writing of the delay or nonperformance, and if not cured in ten (10) days or any longer time specified in writing by MDEQ, MDEQ may terminate SUB-RECIPIENT's right to proceed with the Agreement or such part of the Agreement as to which there has been delay or a failure to properly perform. In the event of termination in

whole or in part, MDEQ may procure similar supplies or services in a manner and upon terms deemed appropriate by MDEQ. SUB-RECIPIENT shall continue performance of the Agreement to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

Notwithstanding termination of the Agreement and subject to any directions by MDEQ, SUB-RECIPIENT shall take timely, reasonable, and necessary action to protect and preserve property in the possession of SUB-RECIPIENT in which the State has an interest.

C. TERMINATION UPON BANKRUPTCY

This Agreement may be terminated in whole or in part by MDEQ upon written notice to SUB-RECIPIENT, if SUB-RECIPIENT should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by SUB-RECIPIENT of an assignment for the benefit of its creditors. In the event of such termination, SUB-RECIPIENT shall be entitled to recover just and equitable compensation for satisfactory work performed under this Agreement, but in no case shall said compensation exceed the total Maximum Amount.

14. DISPUTES

Before pleading to any judicial system at any level, the SUB-RECIPIENT must exhaust all administrative remedies. A written complaint must first be sent to the Executive Director of MDEQ. The decision of the Executive Director shall be reduced to writing and a copy thereof mailed or furnished to the SUB-RECIPIENT within fourteen (14) days after receipt of information requested by MDEQ or the Executive Director. If the decision of the Executive Director does not resolve the matter, successive administrative remedies may, at the SUB-RECIPIENT's option, include bringing the complaint before the Mississippi Commission on Environmental Quality pursuant to Miss. Code Ann. Section 49-17-35 and -41. In the alternative, at the SUB-RECIPIENT's option, the decision of the Executive Director may be deemed the final agency action on the complaint. Appeals from the decision of the Executive Director or the Commission shall follow procedures outlined in Miss. Code Ann. Section 49-17-41.

15. ANTI-ASSIGNMENT/CONTRACTING

SUB-RECIPIENT acknowledges that it was selected by MDEQ to perform the Work required hereunder based, in part, upon SUB-RECIPIENT's special skills and expertise.
