Dear Mayor Favre,

On behalf of the Coty Mitchell Athletic Scholarship Foundation, we would like to donate two water fountains to the Bay St. Louis Baseball Field Complex.

The fountains are Avalon Wall Mounted Water Fountains with bottle filling stations at a total cost of \$2,008.00 with a four-year protection plan, as shown below:

The Coty Mitchell Athletic Foundation was created in memory of Coty Mitchell, a dedicated member of our community who valued both athletics and education. Our mission is to continue his legacy by empowering the next generation of scholar-athletes. We believe that by investing in our children, we are strengthening the future of our entire community. To date, we have provided over \$30,000.00 in scholarships and donations to our local schools, students, and other non-profit organizations.

We are honored to provide the donation and would ask in return that we allowed to hang a small plaque above each water fountain displaying the name of our organization and dedicating the donation in memory of Coty Mitchell, who played summer ball hundreds of times on those fields growing up.

Please contact me for any further information.

Sincerely,

*Mary Mitchell*
