

Staff Report

Meeting Date: Feb 3, 2026
Meeting Type: City Council

To: City Council
From: Public Works
Item Title: Motion to approve the repairs to the New Holland Tractor hydraulic system by Covington Sales and Service to include parts, labor and transport cost of \$18,495.92 using the 001-300-635-EQU fund.

Background: They will repair the hydraulic system using the cycled and filtered flushing system to remove contaminants before installation of a new pump, deck motor, sprocket and spindle assembly. The New Holland tractor would be picked up by Covington Sales and Service, repaired and transported back to the City Yard with parts, labor and transport cost of \$18,495.92 using 001-300-635-EQU fund.

Recommendation: Approve
