1. The representative has legal authority to apply for assistance on behalf of the Applicant.
2. The Applicant will provide all necessary financial and managerial resources to meet the terms and conditions of receiving federal and state disaster assistance.
3. The Applicant will use disaster assistance funds solely for the purpose for which these funds are provided and as approved by the Governor's Authorized Representative.
4. The Applicant is responsible for all costs determined to be ineligible or unreasonable by FEMA and/or MEMA. The Applicant shall provide copies of every audit report issued on the entity at the time of its receipt by the entity to the Governor's Authorized Representative.
10. The Applicant will give state and federal agencies designated by the Governor's Authorized Representative, access to and the right to examine all records and documents related to use of disaster assistance funds.
11. The Applicant will return to the State, within thirty (30) days of such request by the Governor's Authorized Representative, any advance funds which are not supported by audit or other federal or state review of documentation maintained by the Applicant.

12. The Applicant acknowledges that it is the Applicant's responsibility to ensure all Federal, State, and local laws, regulations, rules and guidelines applicable to any FEMA grant program are adhered to. If said laws, regulations, rules and guidelines are not adhered to, responsibility for noncompliance is the Applicants.
13. The Applicant will begin and complete all items of work within the time limits established by the Governor's Authorized Representative in agreement with all applicable Federal regulations.

17. The Applicant will comply, as applicable, with provisions of the Davis-Bacon Act relating to labor standards.
18. The Applicant will comply with the flood insurance purchase requirements of the Flood Disaster Protection Act of 1973 which may require purchase of flood insurance.
19. The Applicant will not enter into cost-plus-percentage-of-cost contracts for completion of disaster restoration or repair work.
20. The Applicant will not enter into contracts for which payment is contingent upon receipt of state or federal disaster funds.
21. The Applicant will not enter into any contract with any party which is debarred or suspended from participation in federal assistance programs.
22. The Applicant will return all unspent federal funds for uncompleted small projects prior to requesting additional funds for other projects.
23. The Applicant authorizes the Governor's Authorized Representative to recoup the unspent funds referenced in item 22 above, by subtracting that amount from other federal funds owed to it for other approved work when the amount owed is larger than the refund.
24. The Applicant will comply with all uniform administrative requirements which are set forth in the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended by Public Law 100-107, and implemented by 44 CFR Part 206.

You are correct. Per the attached document you attached the Cost section (pg 68) shows the Federal Share at 90% and the non-Federal Share at 10%; evenly split with the State per State-Local Agreement attached. Also please be aware currently we are awaiting the funding to be obligated per the Award Information (pg 69).

Keith-

The City of Bay St. Louis has been awarded another FEMA grant and is issuing a grant anticipation note to begin construction on the project. Please see the attached Worksheet for your reference.

The Cost Share Breakdown in the Worksheet provides for a 90% Federal and 10% Non-Federal share, with the State and the City splitting the 10% equally. State law requires that the City obtain confirmation of the State's share prior to issuing the grant anticipation note. I have calculated MEMA's share to be \$170,789.95. Kindly confirm.

Please let me know if you have any questions or need anything. Thank you!
