Dear City Council,

I am writing this to express my approval for Rick Sellers plans regarding a car port addition to the street side of his property. I have reviewed his plans in detail and fully support this project. Rick and Angela Sellers have been outstanding neighbors and members of our community. Please approve this variance.

Best Regards,

Carl H. Pasquorelli II.

Owner of property (shown above)
has shown us (John & Cheryl Rojas)
the plans of installing carport
in front of house and have no
problem with their plans.
