Appendix A Government Code Section 65400

Appendix B Annual Housing Element Progress Report

## **INTRODUCTION**

Government Code Section 65400 (b)(1) mandates that all cities and counties submit to their legislative bodies an annual report (Progress Report) on the status of the general plan and progress in its implementation. Only charter cities are exempt from the requirement to prepare progress reports. A copy of this progress report must be sent to the Governor's Office of Planning and Research (OPR) and the Department of Housing and Community Development (HCD).

The General Plan Annual Progress Report summarizes the City of Beaumont's progress towards implementing the goals, policies and programs of the City's 2007 General Plan. This report covers the period of January 1, 2020, through December 31, 2020. This will be the final report based on the 2007 General Plan and the 5<sup>th</sup> Cycle Housing Element. Reporting on the 2040 General Plan and the 6<sup>th</sup> Cycle Housing Element will begin with calendar year 2021. This report also provides an overview of the activities of the Community Development Department which includes Planning, Building and Safety, Code Enforcement and Fire Inspections.

### **Review and Acceptance by Local Legislative Body**

The State of California Governor's Office of Planning and Research and the State Department of Housing and Community Development will also receive a copy of The City of Beaumont's General Plan progress report after it is reviewed and accepted by the Beaumont City Council. The City Council can accept this on consent, or as a discussion item.

## **BACKGROUND**

The City of Beaumont was incorporated on November 18, 1912. Beaumont is a General Law City under the Council/Manager form of government. Located in the Riverside County, Beaumont is located 110 miles north of San Diego, 50 miles east of Los Angeles, 50 miles northeast of the heart of Orange County and 15 miles west of the City of San Bernardino.

The City and its designated sphere of influence encompass approximately 48 square miles. The land area within the City's corporate boundaries is approximately 26 square miles. In the coming years, the City will likely be among the fastest growing areas of the Southern California region due to the availability of developable land, the relatively low housing costs, and its desirability as a retirement community. The City's location in relation to the major regional transportation facilities that include the I-10 and SR-60 freeway and the Union Pacific railroad, has also enhanced its desirability as an industrial location.

The geographic area governed by the Beaumont General Plan includes the City's corporate boundaries as they existed in 2005 and the City's established Sphere of Influence. Because there is considerable variation within the area governed by this General Plan, the larger Beaumont Planning Area has been subdivided into eight smaller Planning Areas. These planning areas are described below and this is the last annual report where these designations will be used:

*Town Center Planning Area.* This planning area corresponds to the original, older residential section of the City. The Planning Area is bounded by 8th Street on the south, Cherry Avenue on the east, Elm Avenue on the west, and Oak Valley Parkway on the north. Residential development within this Planning Area largely consists of single-family residential development with multiple family residential development occupying infill lots.

*Oak Valley Planning Area.* This Planning Area is dominated by the Oak Valley development, located north of the Oak Valley Parkway and east of the I-10Freeway and the Three Rings Ranch and Kirkwood developments located to the south of Oak Valley Parkway. The Planning Area is bounded by the I-10 Freeway on the west and south, Elm Avenue on the east, and Brookside Avenue on the north.

*North Beaumont Planning Area.* This Planning Area is also dominated by residential land uses generally characterized by newer single-family developments such as the Mountain

Meadows and Cougar Ranch developments. The Planning Area is bounded by Beaumont Avenue on the west, Cherry Avenue on the east, the Oak Valley Parkway on the south, and Brookside Avenue on the north.

*East Beaumont Planning Area.* This Planning Area includes the Sundance development. The Planning Area is generally bounded by Brookside Avenue on the north, Cherry Avenue on the west, 8<sup>th</sup> Street on the south, and Highland Springs Avenue on the east. The Highland Springs resort is also included in this Planning Area.

*6th Street Corridor Planning Area.* This Planning Area is bounded by 8th Street on the north, the I-10 Freeway on the south, Highland Springs Avenue on the east, and the I-10 and the SR-60 interchange on the west. Commercial and industrial uses located along the 6th Street frontage are the predominant land uses within this Planning Area. A large number of homes are also found in the Planning Area, south of 8<sup>th</sup> Street.

*Southeast Beaumont Planning Area.* This Planning Area is located to the south of the I-10 Freeway and east of Highway 79 (Beaumont Avenue) and contains large tracts of undeveloped land and farmland. Industrial development is located south of the I-10 Freeway and Union Pacific railroad. The Planning Area is bounded by the I-10 Freeway on the north and Highland Springs Road on the east.

*Southwest Beaumont Planning Area.* This Planning Area is located to the south of the I-10 Freeway and west of Highway 79 (Beaumont Avenue). This Planning Area contains large tracts of undeveloped land, farmland, and industrial development located south of the I-10 Freeway and Union Pacific railroad. The Planning Area is bounded by the I-10 and the SR-60 Freeways on the north.

*West Beaumont Planning Area.* This large Planning Area is located west of the I-10 Freeway and includes the areas located north of the SR-60 Freeway. The majority of the Planning Area is currently undeveloped though new residential projects are planned.

## **PLANNING**

This section outlines the activities of the Planning Department from January 1, 2020, through December 31, 2020. The day-to-day planning activities include:

- Administrating the City's Zoning Ordinance
- Answering public inquiries on the telephone and over the public counter
- Processing planning applications for the Planning Commission and City Council
- Reviewing and approving business license applications
- Preparing reports for the Planning Commission and City Council
- Reviewing development plans for compliance with City standards
- Assisting other City Departments as needed

From October through December 2020, the City of Beaumont worked through the adoption of the City's General Plan Update. The City had no General Plan Amendments, no new specific plans and one completed specific plan amendment. The following list highlights some of the applications that were processed and completed through Planning during 2020:

- One (1) Parcel Map Application
- Ninety-nine (99) Home Occupation Permits
- Twelve (12) Conditional Use Permits
- Sixty-nine (69) Plot Plan Applications
- Eighteen (18) Variance Applications
- Twenty (23) Sign Permit/Program Applications

## **BUILDING AND SAFETY**

Building and Safety is responsible for a variety of tasks that include issuing permits, processing plan check submittals, and inspections. The Building and Safety Department reviews all plans and permits for compliance with California building codes. New building construction and tenant improvements require plan check review for zoning and building code compliance.

During calendar year 2020, the City of Beaumont Building and Safety Department issued a total of 1,555 permits as follows:

- 109 New Non-Residential Construction Permits
- 1,446 Residential Permits which includes new single-family units, solar panel permits, patio covers, pools and other types of residential work

## **HOUSING ELEMENT REPORTING REQUIREMENTS**

The State Department of Housing and Community Development (HCD) has standardized forms for addressing the Housing Element portion of this Annual Progress Report, which is contained in Appendix B.

## **GENERAL PLAN IMPLEMENTATION**

The City's General Plan is made up of six (6) elements that include the seven (7) elements required by State Law:

- Community Development
  - Land Use
- Housing
- Transportation and Circulation
- Resource Management
  - Open Space
  - Conservation
- Population and Housing
- Safety
  - Safety
  - Noise

### **Community Development - Land Use**

The Community Development-Land Use Element guides the City's land use policy and insures that appropriate development takes place, with adequate provision of public services and utilities. Land use designations are defined and mapped. The land use designations roughly correspond to the City's zoning designations.

The Community Development Element sets policies and priorities for how the City will develop and takes into account many facets involved in growing a community. The element goals include preserving existing residential neighborhoods and promoting the development of more housing; expanding the City's commercial, industrial and other employment generating land uses; and ensuring timely provision of services through maintenance and improvement of infrastructure.

As required by law, potential impacts from new development are assessed under CEQA. Additional conditions of approval and mitigation may be required if deemed necessary to provide for issues such as screening, habitat conservation, parking, noise-reduction (etc.), or otherwise address issues per the General Plan's direction.

### **Population and Housing**

The City of Beaumont Housing Element was certified by the State Department of Housing and Community Development on December 17, 2013, for the 2013-2021 planning period. The Housing Element was not amended during Calendar Year 2020.

Pursuant to Government Code Section 65400, the City Council is required to prepare an annual report on the status and progress in implementing the City's Housing Element using forms and definitions adopted by the Department of Housing and Community Development. This report has been submitted for 2020 and is required to be used for the Annual Progress Report. The completed forms for Calendar Year 2020 are attached as Appendix B to this report.

This is the last reporting year for the current Housing Element. The City is in the process of update the Housing Element for the 6<sup>th</sup> RHNA Cycle and anticipates this will be complete in October 2021. The City was awarded SB2 and LEAP Grant funds to fund the Housing Element Update and related documents.

### **Transportation and Circulation**

The Transportation and Circulation Element guides the City's decision making regarding transportation, roadways and performance standards. Through the goals and policies of

the Transportation and Circulation Element, the City strives to improve both local and regional transportation systems.

This element was not updated during the 2020 calendar year. Several major improvement projects were either started or completed this year including:

- Pennsylvania Avenue Widening
- Potrero Phase II
- Second Street Extension

The City provided repair and maintenance to local roads throughout the City and responded to resident requests:

- 325 Potholes, 225 SQFT Grind and cap, 632' LF of Asphalt Curve repair
- 247,047 SQFT Crack seal 6,750 LBS of Polyflex Type 4
- 212 system requests for streetlight maintenance
- Bridge Guardrail Installation - 75 LF
- 3,074 total resident requests through the reposting system

The Public Works Department attended to the following Capital Improvement Projects:

- Crack Seal - 17,000 LF / 3.2 Miles
- Slurry Seal - 77,520 LF / 15 Miles / 42 Lane-miles
- Reconstruction - 17,800 LF / 3.4 Miles / 7 Lane-miles
- Median Construction - 600 LF
- Force Main Stabilization/ Channel Stabilization - 1250 LF
- Seneca Lift Station Repair - \$42,500 construction cost

### **Resource Management**

The Resource Management Element indicates those policies that are relevant to the preservation, conservation, or management of important natural and man-made resources. The Element addresses soil, hydrology, biology, air quality, cultural resource management and open space. The Land Use Map was not updated in 2020. The Element

goals and policies for Resource Management focus on balancing the natural and the built environments. The City works toward achieving this balance through the following:

- Promoting the maintenance of open space and agricultural resources
- Implementing best practices for soil and water conservation
- Encouraging environmentally sensitive development
- Continuing work on local and regional parks and trails

The City continues working toward implementation of the Resource Management Element goals through management, preservation or protection of our resources while still providing a robust environment for our residents to enjoy.

The Community Services Department engaged in the following park projects during 2020:

- Rangel Park Phase II
- Stewart Park Pool Rehabilitation

Community Services staff also performed the following maintenance activities to ensure the City parks could be enjoyed by all:

- 3800 trees trimmed
- Mow, edge and blow 70 acres of park grass every week
- Installed over 3500 yards of mulch/wood chips
- Applied 20,000 lbs of fertilizer throughout the parks

### **Safety and Noise**

The Safety and Noise Element was not amended during calendar year 2020.

Due to the nature of the policies of the Safety and Noise Element, efforts to implement this Element of the General Plan are on-going. Projects are reviewed on a case-by-case basis for adverse impacts to the environment and sensitive receptors.

The Safety Element establishes City policy relative to the reduction and mitigation of natural and manmade hazards that must be considered in future planning and decision-

making. The public's health and safety is an important component of the General Plan due to the City's location in a seismically active region.

The Element is concerned with identifying existing hazards and ways to reduce the risk from the hazards on persons and on property. State law requires that every safety element include the following components:

- The identification, mapping, and appraisal of seismic hazards of concern to planning and future development, including areas subject to liquefaction, ground-shaking, surface rupture, or seismic sea waves (Section 65302(f));
- An appraisal of mudslides, landslides, and slope stability that might occur as a result of a seismic disturbance (Section 65302(f); and,
- The identification of the potential for fires and other natural and manmade disasters and measures designed to reduce the loss of life, injury, and damage to property (Section 65302(i)).

The State guidelines are also very specific as to the content of noise elements. Government Code Section 65302(f) indicates that the noise element should be prepared according to guidelines established by the State Department of Health Services. At a minimum, the Government Code requires that the Element analyzes and projects noise levels for:

- Highways and freeways;
- Primary arterials and major local streets;
- Passenger and freight on-line railroad operations and ground rapid transit systems;
- Commercial, general aviation, heliport, helistop, and military airport operations; aircraft over flights, jet engine test stands, and all other ground facilities and maintenance functions related to airport operations;
- Local industrial plants, including, but not limited to, railroad classification yards; and,
- Other ground stationary sources identified by local agencies as contributing to the community noise environment.

The City's Safety Element takes all of these requirements into account and adheres to the standards for safety and noise as identified in the General Plan and as required by law.

## **GENERAL PLAN UPDATE**

The General Plan is the guiding land development document and blueprint of the City. In 2016, the City sent out a Request for Proposals (RFP) to update the City's General Plan and in 2017 began the process of updating the General Plan. Although the 2007 General Plan has served the community well, the City has experienced tremendous growth within the past decade and new development patterns have evolved. Statewide, most developing cities update their general plans every ten to fifteen years to ensure their plans are up to date to better streamline development and protect themselves from legal challenges due to out of date planning documents. The General Plan update process began in 2016 in order to provide new comprehensive direction, relevant goals, policies, and implementation programs that can effectively guide the City forward for the next ten to twenty years. The City of Beaumont 2040 General Plan was adopted at the end of 2020 and took effect January 3, 2021.

## Appendix A

California Government Code Section 65400 states:

- (a) After the legislative body has adopted all or part of a general plan, the planning agency shall do both of the following:
  - (1) Investigate and make recommendations to the legislative body regarding reasonable and practical means for implementing the general plan or element of the general plan, so that it will serve as an effective guide for orderly growth and development, preservation and conservation of open-space land and natural resources, and the efficient expenditure of public funds relating to the subjects addressed in the general plan.
  - (2) Provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that includes all of the following:
    - (A) The status of the plan and progress in its implementation.
    - (B) The progress in meeting its share of regional housing needs determined pursuant to [Section 65584](#) and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing pursuant to [paragraph \(3\) of subdivision \(c\) of Section 65583](#). The housing element portion of the annual report, as required by this paragraph, shall be prepared through the use of forms and definitions adopted by the Department of Housing and Community Development pursuant to the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with [Section 11340](#)) of Part 1 of Division 3 of Title 2). Prior to and after adoption of the forms, the housing element portion of the annual report shall include a section that describes the actions taken by the local government towards completion of the programs and status of the local government's compliance with the deadlines in its housing element. That report shall be considered at an annual public meeting before the legislative body where members of the public shall be allowed to provide oral testimony and written comments. The report may include the number of units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved consistent with the standards set forth in paragraph (2) of

subdivision (c) of Section 65583.1. The report shall document how the units meet the standards set forth in that subdivision.

(C) The degree to which its approved general plan complies with the guidelines developed and adopted pursuant to [Section 65040.2](#) and the date of the last revision to the general plan.

(b) If a court finds, upon a motion to that effect, that a city, county, or city and county failed to submit, within 60 days of the deadline established in this section, the housing element portion of the report required pursuant to subparagraph (B) of paragraph (2) of subdivision (a) that substantially complies with the requirements of this section, the court shall issue an order or judgment compelling compliance with this section within 60 days. If the city, county, or city and county fails to comply with the court's order within 60 days, the plaintiff or petitioner may move for sanctions, and the court may, upon that motion, grant appropriate sanctions. The court shall retain jurisdiction to ensure that its order or judgment is carried out. If the court determines that its order or judgment is not carried out within 60 days, the court may issue further orders as provided by law to ensure that the purposes and policies of this section are fulfilled. This subdivision applies to proceedings initiated on or after the first day of October following the adoption of forms and definitions by the Department of Housing and Community Development pursuant to paragraph (2) of subdivision (a), but no sooner than six months following that adoption.

### Program Implementation Status pursuant to GC Section 65583

#### Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

| 1  | 2  | 3                | 4                                |
|--|--|------------------|----------------------------------|
| Name of Program                              | Objective  | Timeframe in H.E | Status of Program Implementation |
| RHNA Housing Sites Implementation Program    | Identify and allow sites for implementation of RHNA  | 2013-2021        | Ongoing                          |
| Large Sites for Housing for Lower Households | To facilitate the development of housing for lower income households (i.e., 2,160 units), in the Urban Village Overlay the City will encourage land divisions and specific plans resulting in parcels sizes that facilitate multifamily developments affordable to lower income households in light of state, federal and local financing programs (i.e., Low Income Housing Tax Credits, HOME funds, and other funding programs to be enacted during the eight-year planning period | 2013-2021        | Ongoing                          |

**Table F**

**Units Rehabilitated, Preserved and Acquired for Alternative Adequate Sites pursuant to Government Code section 65583.1(c)**

Please note this table is optional: The jurisdiction can use this table to report units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved, including mobilehome park preservation, consistent with the standards set forth in Government Code section 65583.1, subdivision (c). Please note, motel, hotel, hostel rooms or other structures that are converted from non-residential to residential units pursuant to Government Code section 65583.1(c)(1)(D) are considered net-new housing units and must be reported in Table A2 and not reported in Table F.
