

Staff Report

TO: City Council
FROM: Jeff Hart, Public Works Director
DATE: June 7, 2022
SUBJECT: **Adopt a List of Projects Funded by SB 1 - The Road Repair and Accountability Act**

Background and Analysis:

The Road Repair and Accountability Act of 2017, passed by the State of California, provides the City with a funding source through the Road Maintenance and Rehabilitation Account (RMRA). The funds available through RMRA fund street, road and highway related projects.

In order to obtain RMRA funds through the California Department of Transportation (DOT), the City is required to identify the projects that will be receiving RMRA funds on the capital improvement project (CIP) list.

The following project was selected for FY 22/23 RMRA funds:

- Annual Citywide Street Rehabilitation and Maintenance 22/23 (Project)

The Project has an anticipated budget of \$1,200,960 and is expected to be fully funded with RMRA funds. The project limits are as follows:

- A portion of the Fairway Canyon community generally located south of City boundary, west of Tukwet Canyon, north of Oak Valley Parkway, and east of Oak Valley Parkway. Refer to Figure 1.
- A portion of the Town Center community generally located south of Oak Valley Blvd., west of Pennsylvania Ave., north of Eleventh St., and east of Beaumont Ave. Refer to Figure 2.

As part of the ongoing maintenance on City streets, the Annual Citywide Street Rehabilitation and Maintenance 22/23 project will extend the life of existing streets based on the treatment method.

- Slurry Seal 5 to 7 years
- ARAM Seal 7 to 10 years
- Mill and overlay 10 to 15 years

A majority of the streets in the Project will receive a slurry seal treatment with select areas receiving either ARAM seal or mill and overlay. Minor cracks in the roadway will be sealed prior to all treatments. Refer to Attachment B for an exhibit of the streets and treatment methods.

Fiscal Impact:

The projects will be fully funded with RMRA funds. The cost of preparing the staff report is estimated to be \$350.
