

**“Insuring the Future Growth
of Historic Downtown Lodi”**

 INFO@DBALODI.COM

WE LOVE OUR MEMBERS

Downtown Lodi is the hub of the local community with many businesses offering great services for the city and residents. Lodi is a diverse playground built on the foundation that all our members uphold and that is to always be a welcoming, something for everyone type of place.

RESTAURANTS

Hungry? Thirsty? Both? We get it. There is something quite amazing about the dining and drinks out in Lodi. Maybe its the closeness to the vineyards ...

**THINGS TO
DO**

Downtown Lodi is the premier hot spot because many of the stores and restaurants are run by local business owners. When you walk into their stores and cafes you will feel welcome and comfortable. You can find generations of families hard at work who are always willing to greet you with a smile. The friendly and helpful locals are one of unique charms about downtown Lodi, and the dominance of local businesses in the downtown area make it truly special.
