Background and Analysis:

Beaumont Community Youth Basketball (BCYB) is a non-profit community organization that provides up to 500 children ages 5 through high school ages the opportunity to participate in basketball. The league operates at the Albert A. Chatigny Sr. Community Recreation Center (CRC) and allows children to develop basketball skills and provides opportunities for personal growth and development for young athletes while reinforcing positive influences, self-confidence, self-esteem, and a healthy physical lifestyle through sports. BCYB has been operating in the community for many years and has developed a strong reputation in the community. Due to COVID-19 restrictions, previous seasons were postponed, the Winter 2022 season is an opportunity for BCYB to restart operations in the community.

Staff received a Facility Use Application from BCYB and reviewed the request to use the facility (Attachment B). The league has requested use of the facility gymnasium, restrooms, and kitchen from January 31, 2022, through April 2, 2022, for a total of 252 hours. Practices will be held on Monday through Thursday evenings from 5:00 p.m. to 9:00 p.m. with games on Friday evenings from 5:00 p.m. to 9:00 p.m. and Saturdays from 7:00 a.m. to 4:00 p.m. BCYB has formally requested (Attachment C) to have facility use fees waived in the amount of \$15,100.

Fiscal Impact:

BCYB is requesting a waiver of facility use fees for their proposed use schedule in the amount of \$15,100. Operation of a snack bar at the facility during games will continue to be paid by BCYB and is not included in the waiver request.
