### Background and Analysis:

The Wastewater Department requests the purchase of two new work truck – a half ton work truck and a one tone utility bed work truck. The acquisition of these vehicles was approved by Council in the Fiscal Year 19/20 budget. The Wastewater Department requested quotes from three dealers who sell Ford fleet trucks (Fairview Ford, Fritts Ford, and Sunrise Ford) to purchase one F15 Super Crew and one F350 Super Crew with utility bed.

The City received quotes from three (30 bidders 9see attached) – Fairview Ford, Fritts Fors, and Sunrise Ford. The lowest bidder for each truck was Fritts Ford, summarized below:

Sunrise Ford:  
2019 F150 Super Crew \$30,064.10  
2019 F350 Utility Bed \$48,993.67  
**Total: \$79,057.77**

Fairview Ford:  
2020 F150 Super Crew \$28,021.60  
2020 F350 Utility Bed \$47,415.52  
**Total \$75,437.12**

Fritts Ford:  
2020 F150 Super Crew \$27,530.50  
2020 F350 utility Bed \$47,230.25  
**Total \$74,760.75**

**Fiscal Impact:**

The total cost for purchasing the two work trucks is \$74,760.75 and will be funded from account #710-0000-8060-0000 and are within the budgeted allotment.

**Recommended Action:**

Approve staff to purchase one F150 Super Crew work trucks and one F350 Super Crew utility Bed truck in the amount of \$74,760.75 from Fritts Ford.
