Audit Recommendations	Action Taken and Results
Prepare and submit separate State Controller Transit Operators Financial Transactions Reports for general public transit and specialized service.	Beaumont continues to strive for timely completion of SCO reports. Additional staff in the finance department has been added to help prevent delays.
Continue to work with RTA and Mt. San Jacinto College on fare revenue reimbursement from the College GO-PASS Revenue Agreement.	Beaumont will explore the Go-Pass program and reach out to San Jacinto College to engage students for a student body vote to implement fare program for Beaumont Transit, independent from RTA.
Include a link to Banning Transit on the Beaumont Transit web page.	Completed
Report mechanical road calls and other vehicle operation metrics in TransTrack Manager.	Completed
