

Staff Report

TO: City Council
FROM: Jennifer Ustation, Finance Director
DATE: April 19, 2022
SUBJECT: Ratification of Emergency Repair Costs to T.E. Roberts, Inc., for the City's Wastewater Collect System Force Main Line Repairs in the Amount of \$34,279.47

Background and Analysis:

This report seeks City Council ratification for the costs of emergency repairs to the City's wastewater collection system that were undertaken on March 15 and 16, 2022, at a cost of \$34,279.47 for services provided by T.E. Roberts, Inc. These repairs were funded using the wastewater contingency fund.

On March 15, 2022, City staff became aware of an emergent issue within the force main at Fourth Street and Prime Drive near the privately owned lift station that services Amazon and Wolverine. The City contacted T.E. Roberts, Inc., to excavate the area and determined an emergency repair was needed in the 6-inch sewer force main.

Fiscal Impact:

The cost of the emergency force main line repair for T.E. Roberts, Inc. is \$34,279.47. A summary of parts, repairs and a listing of costs is included as Attachment A. These repairs are funded within Wastewater Treatment Plant Budget 700-4050-7900-0000.

Recommended Action:

Ratification of emergency repair costs to T.E. Roberts, Inc. for the City's wastewater collection system force main line repairs in the amount of \$34,279.47.
