

Staff Report

TO: City Council
FROM: Sean Thuilliez, Chief of Police
DATE: September 1, 2020
SUBJECT: **Approve Payment to the Riverside County Sheriff's Department for California Identification System Services for FY 2021**

Background and Analysis:

California Identification System (CAL-ID) is a statewide telecommunications network dedicated to the transmission of fingerprint identification data in conjunction with CAL-ID for use by law enforcement agencies. CAL-ID is an automated system maintained by the Department of Justice for retaining fingerprint files and identifying latent fingerprints. The Beaumont Police Department also receives the following services from CAL-ID: live scan services, digital mug shot and photo databases, latent fingerprint examination, ten print processing, applicant fingerprint processing, and DNA services.

The Riverside County Sheriff's Department invoices the Beaumont Police Department on an annual basis for services provided by CAL-ID. The formula for payment is based on population and Beaumont's invoice for FY 2021 is \$48,401 (see Attachment A).

Fiscal Impact:

Requisition #0001161 has been created for \$48,401 issued to the Riverside County Sheriff's Department and will be paid from General Fund account number 100-2050-7091-0000.

Recommended Action:

Authorize payment to the Riverside County Sheriff's Department for CAL-ID services for FY 2021.
