**DATE:** June 1, 2021  
**SUBJECT:** **A Resolution of the City Council of the City of Beaumont for Authorization of the Execution of the Certifications of Assurances and Authorized Agent Forms for the Low Carbon Transit Operations Program (LCTOP) for the Following Project: Video Camera Purchase and Install, \$70,000**

---

### **Background and Analysis:**

On March 16, 2021, City Council adopted Resolution 2021-15 authorizing the execution of application and certifications and assurances for the Low Carbon Transit Operations Program (LCTOP) grant in the amount of \$40,000 for the video camera purchase and install project.

Recently, an additional \$30,000 in funding became available and Caltrans, the grant administrator, has allowed Beaumont to add this additional funding to the Fiscal Year 2021 allocation. An updated resolution, with the updated allocation amount, is required for the award of funding.

### **Fiscal Impact:**

City staff estimates that it cost approximately \$585 to prepare this report. Purchase and installation of the video camera system will be covered by grant dollars.
