

Staff Report

TO: Mayor, and City Council Members
FROM: Nicole Wheelwright, Deputy City Clerk
DATE February 4, 2020
SUBJECT: Request for Destruction of Retention Met Records

Background and Analysis:

As set forth in the Records Retention Schedule, adopted by City Council on October 2, 2018, certain records have met their retention and are no longer required to be kept on file. An on-going audit of records is being conducted, in which each file of records is being evaluated for retention status based on the contents. Records retention of each file is based on the document with the longest retention. Once a file has met its retention requirement it can be submitted for request of destruction and must be approved by the City Attorney, City Manager, City Clerk and brought to Council for final approval by way of resolution.

The attached request of destruction of certain records has met all approval requirements and is being presented for final approval by Council.
