

EXHIBIT "A"

12.08.010 - Adoption of standard specifications and **submission of improvement plans and technical studies**

The most current editions of the following specifications are hereby adopted as the standard specifications for all public works within the City:

- A. *For Streets:* Riverside County Ordinance No. 461;
- B. *For Flood Control Facilities:* The Riverside County Flood Control and Water Conservation District's Standards for Flood Control Facilities.
- C. *For Sanitary Sewer Facilities:* The Eastern Municipal Water District's Standards for Sanitary Sewer Facilities.
- D. *For All Other Public Works:* The Standard Specifications for Public Works Construction, edited by the Southern California Chapter of the American Public Works Association and the Associated General Contractors of America;

Each and all of the regulations, provisions, penalties, conditions and terms of the above-listed standard specifications, most current editions thereof, are hereby referred to, adopted and made part of this Chapter, as though fully set forth herein.

Improvement Plans and Technical Studies for Public Works shall be subject to the following expiration terms:

- A. ***Street Improvement Plans:*** If a permit for street improvement plans is not secured within 12 months of plan approval by the City, such plans shall expire, and no permit shall be issued based on such expired plans, unless and until the plans have been rechecked and approved, appropriate changes made and fees paid in accordance with all of the then applicable provisions of this section and the Beaumont Municipal Code.
- B. ***Storm Drain Improvement Plans:*** If a permit for storm drain improvement plans is not secured within 12 months of plan approval by the City, such plans shall expire, and no permit shall be issued based on such expired plans unless and until the plans have been rechecked and approved subject to appropriate changes and payment of applicable fees in accordance with the then applicable provisions of this section and the Beaumont Municipal Code
- C. ***Sewer Improvement Plans:*** As provided in the Eastern Municipal Water District's Standards for Sanitary Sewer Facilities and subject to requirements and payment of fees provided in the then applicable provisions of the Beaumont Municipal Code.
- D. ***Technical Studies:*** Hydrologic and Hydraulic studies, Sewer studies, Traffic studies, and Estimates of Probable Cost shall be valid for a period of one year from the date of approval of the same by the City. After one year the study shall be reassessed for validity by the applicant and either recertified or updated and resubmitted to the City for review and approval subject to appropriate changes and payment of applicable fees in accordance with the then applicable provisions of this section and the Beaumont Municipal Code
