GENERAL AUTHORIZATION AND BOND TERMS

Section 2.1 Amount, Issuance, Purpose and Nature of Bonds and Parity Bonds. Under and pursuant to the Act, the Bonds in the aggregate principal amount of \$_____, together with any Parity Bonds authorized by the legislative body in accordance with Section 9.2 hereof, shall be issued for the purpose of financing the Project, paying Costs of Issuance and funding a Reserve Account. The Bonds and any Parity Bonds shall be and are limited obligations of the District and shall be payable as to the principal thereof and interest thereon and any premiums upon the redemption thereof solely from the Net Taxes and the other amounts in the Special Tax Fund.

Section 2.2 Type and Nature of Bonds and Parity Bonds. Neither the faith and credit nor the taxing power of the City, the State of California, or any political subdivision thereof other than the District is pledged to the payment of the Bonds or any Parity Bonds. Except for the Special Taxes, no other taxes are pledged to the payment of the Bonds or any Parity Bonds. The Bonds and any Parity Bonds are not general or special obligations of the City nor general obligations of the District, but are limited obligations of the District payable solely from certain amounts deposited by the District in the Special Tax Fund, as more fully described herein. The District’s limited obligation to pay the principal of, premium, if any, and interest on the Bonds and any Parity Bonds from amounts in the Special Tax Fund is absolute and unconditional, free of deductions and without any abatement, offset, recoupment, diminution or set-off whatsoever. No Owner of the Bonds or any Parity Bonds may compel the exercise of the taxing power by the District (except as pertains to the Special Taxes) or the City or the forfeiture of any of their property. The principal of and interest on the Bonds and any Parity Bonds and premiums upon the redemption thereof, if any, are not a debt of the City, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory limitation or restriction. The Bonds and any Parity Bonds are not a legal or equitable pledge, charge, lien, or encumbrance upon any of the District’s property, or upon any of its income, receipts or revenues, except the Net Taxes and other amounts in the Special Tax Fund which are, under the terms of this Indenture and the Act, set aside for the payment of the Bonds, any Parity Bonds and interest thereon and neither the members of the legislative body of the District or

the City Council of the City nor any persons executing the Bonds or any Parity Bonds, are liable personally on the Bonds or any Parity Bonds, by reason of their issuance.

Notwithstanding anything to the contrary contained in this Indenture, the District shall not be required to advance any money derived from any source of income other than the Net Taxes for the payment of the interest on or the principal of the Bonds or any Parity Bonds, or for the performance of any covenants contained herein. The District may, however, advance funds for any such purpose, provided that such funds are derived from a source legally available for such purpose.

Section 2.3 Equality of Bonds and Parity Bonds and Pledge of Net Taxes. Pursuant to the Act and this Indenture, the Bonds and any Parity Bonds shall be secured by a pledge, charge, lien and encumbrance upon and equally payable from the Net Taxes and other amounts in the Special Tax Fund, without priority for number, date of the Bonds or Parity Bonds, date of sale, date of execution, or date of delivery, and the payment of the interest on and principal of the Bonds and any Parity Bonds and any premiums upon the redemption thereof, shall be exclusively paid from the Net Taxes and other amounts in the Special Tax Fund, which are hereby set aside for the payment of the Bonds and any Parity Bonds. Amounts in the Special Tax Fund shall constitute a trust fund held for the benefit of the Owners to be applied to the payment of the interest on and principal of the Bonds and any Parity Bonds and so long as any of the Bonds and any Parity Bonds or interest thereon remain Outstanding shall not be used for any other purpose, except as permitted by this Indenture or any Supplemental Indenture. Notwithstanding any provision contained in this Indenture to the contrary, Net Taxes deposited in the Rebate Fund and the Surplus Fund shall no longer be considered to be pledged to the Bonds or any Parity Bonds, and none of the Rebate Fund, the Surplus Fund, the Acquisition and Construction Fund, the Costs of Issuance Fund or the Administrative Expense Fund shall be construed as a trust fund held for the benefit of the Owners.

Nothing in this Indenture or any Supplemental Indenture shall preclude: (i) subject to the limitations contained hereunder, the redemption prior to maturity of any Bonds or Parity Bonds subject to call and redemption and payment of said Bonds or Parity Bonds from proceeds of refunding bonds issued under the Act as the same now exists or as hereafter amended, or under any other law of the State of California; or (ii) the issuance, subject to the limitations contained herein, of Parity Bonds which shall be payable from Net Taxes.

Section 2.4 Description of Bonds; Interest Rates. The Bonds and any Parity Bonds shall be issued in fully registered form in denominations of \$5,000 or any integral multiple thereof. The Bonds and any Parity Bonds of each issue shall be numbered as desired by the Trustee.

The Bonds shall be designated “CITY OF BEAUMONT COMMUNITY FACILITIES DISTRICT NO. 93-1 (IMPROVEMENT AREA NO. 8F) 2020 Special Tax Bonds.” The Bonds shall be dated as of their Delivery Date and shall mature and be payable on September 1 in the years and in the aggregate principal amounts and shall be subject to and shall bear interest at the rates set forth in the table below payable on [September 1, 2020] and each Interest Payment Date thereafter:

*Maturity Date
(September 1)*

Interest Rate

Interest shall be payable on each Bond and Parity Bond from the date established in accordance with Section 2.5 below on each Interest Payment Date thereafter until the principal sum of that Bond or Parity Bond has been paid; provided, however, that if at the maturity date of any Bond or Parity Bond (or if the same is redeemable and shall be duly called for redemption, then at the date fixed for redemption) funds are available for the payment or redemption thereof in full, in accordance with the terms of this Indenture, such Bonds and Parity Bonds shall then cease to bear interest. Interest due on the Bonds and Parity Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Section 2.5 Place and Form of Payment. The Bonds and Parity Bonds shall be payable both as to principal and interest, and as to any premiums upon the redemption thereof, in lawful money of the United States of America. The principal of the Bonds and Parity Bonds and any premiums due upon the redemption thereof shall be payable upon presentation and surrender thereof at the Principal Office of the Trustee, or at the designated office of any successor Trustee. Interest on any Bond or Parity Bond shall be payable from the Interest Payment Date next preceding the date of authentication of that Bond or Parity Bond, unless (i) such date of authentication is an Interest Payment Date in which event interest shall be payable from such date of authentication; (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from the Interest Payment Date immediately succeeding the date of authentication; or (iii) the date of authentication is prior to the close of business on the first Record Date occurring after the issuance of such Bond or Parity Bond, in which event interest shall be payable from the dated date of such Bond or Parity Bond, as applicable; provided, however, that if at the time of authentication of such Bond or Parity Bond, interest is in default, interest on that Bond or Parity Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or, if no interest has been paid or

made available for payment on that Bond or Parity Bond, interest on that Bond or Parity Bond shall be payable from its dated date. Interest on any Bond or Parity Bond shall be paid to the person whose name shall appear in the Bond Register as the Owner of such Bond or Parity Bond as of the close of business on the Record Date. Such interest shall be paid by check of the Trustee mailed by first class mail, postage prepaid, to such Bondowner at his or her address as it appears on the Bond Register. In addition, upon a request in writing received by the Trustee on or before the applicable Record Date from an Owner of \$1,000,000 or more in principal amount of the Bonds or of any issue of Parity Bonds, payment shall be made on the Interest Payment Date by wire transfer in immediately available funds to an account designated by such Owner.

Section 2.6 Form of Bonds and Parity Bonds. The definitive Bonds may be printed from steel engraved or lithographic plates or may be typewritten. The Bonds and the certificate of authentication shall be substantially in the form attached hereto as Exhibit A, which form is hereby approved and adopted as the form of such Bonds and of the certificate of authentication. Each issue of Parity Bonds and the certificate of authentication therefor shall be in the form provided in the Supplemental Indenture for such issue of Parity Bonds.

Until definitive Bonds or Parity Bonds, as applicable, shall be prepared, the District may cause to be executed and delivered in lieu of such definitive Bonds or Parity Bonds temporary bonds in typed, printed, lithographed or engraved form and in fully registered form, subject to the same provisions, limitations and conditions as are applicable in the case of definitive Bonds or Parity Bonds, except that they may be in any denominations authorized by the District. Until exchanged for definitive Bonds or Parity Bonds, as applicable, any temporary bond shall be entitled and subject to the same benefits and provisions of this Indenture as definitive Bonds and Parity Bonds. If the District issues temporary Bonds or Parity Bonds, it shall execute and furnish definitive Bonds or Parity Bonds, as applicable, without unnecessary delay and thereupon any temporary Bond or Parity Bond may be surrendered to the Trustee at its office, without expense to the Owner, in exchange for a definitive Bond or Parity Bond of the same issue, maturity, interest rate and principal amount in any authorized denomination. All temporary Bonds or Parity Bonds so surrendered shall be cancelled by the Trustee and shall not be reissued.

Section 2.7 Execution and Authentication. The Bonds and Parity Bonds shall be signed on behalf of the District by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Clerk, or any duly appointed deputy City Clerk, in their capacity as officers of the District. In case any one or more of the officers who shall have signed any of the Bonds or Parity Bonds shall cease to be such officer before the Bonds or Parity Bonds so signed have been authenticated and delivered by the Trustee (including new Bonds or Parity Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or Parity Bonds or to lost, stolen, destroyed or mutilated Bonds or Parity Bonds), such Bonds and Parity Bonds shall nevertheless be valid and may be authenticated and delivered as herein provided, and may be issued as if the person who signed such Bonds or Parity Bonds had not ceased to hold such office.

Only the Bonds as shall bear thereon such certificate of authentication in the form set forth in Exhibit A attached hereto shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee.

Section 2.8 Bond Register. The Trustee will keep or cause to be kept, at its office, sufficient books for the registration and transfer of the Bonds and any Parity Bonds which shall upon reasonable prior notice be open to inspection by the District during all regular business hours, and, subject to the limitations set forth in Section 2.9 below, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be transferred on said Bond Register, Bonds and any Parity Bonds as herein provided.

The District and the Trustee may treat the Owner of any Bond or Parity Bond whose name appears on the Bond Register as the absolute Owner of that Bond or Parity Bond for any and all purposes, and the District and the Trustee shall not be affected by any notice to the contrary. The District and the Trustee may rely on the address of the Bondowner as it appears in the Bond Register for any and all purposes. It shall be the duty of the Bondowner to give written notice to the Trustee of any change in the Bondowner's address so that the Bond Register may be revised accordingly.

Section 2.9 Registration of Exchange or Transfer. Subject to the limitations set forth in the following paragraph, the registration of any Bond or Parity Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond or Parity Bond for cancellation at the office of the Trustee, accompanied by delivery of written instrument of transfer in a form acceptable to the Trustee and duly executed by the Bondowner or his or her duly authorized attorney.

Bonds or Parity Bonds may be exchanged at the office of the Trustee for a like aggregate principal amount of Bonds or Parity Bonds for other authorized denominations of the same maturity and issue. The Trustee shall not collect from the Owner any charge for any new Bond or Parity Bond issued upon any exchange or transfer, but shall require the Bondowner requesting such exchange or transfer to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer. Whenever any Bonds or Parity Bonds shall be surrendered for registration of transfer or exchange, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds or a new Parity Bond or Parity Bonds, as applicable, of the same issue and maturity, for a like aggregate principal amount; provided that the Trustee shall not be required to register transfers or make exchanges of (i) Bonds or Parity Bonds for a period of 15 days next preceding any selection of the Bonds or Parity Bonds to be redeemed; or (ii) any Bonds or Parity Bonds chosen for redemption.

Section 2.10 Mutilated, Lost, Destroyed or Stolen Bonds or Parity Bonds. If any Bond or Parity Bond shall become mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond or Parity Bond of like tenor, date, issue and maturity in exchange and substitution for the Bond or Parity Bond so mutilated, but only upon surrender to the Trustee of the Bond or Parity Bond so mutilated. Every mutilated Bond or Parity Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to Section 10.1 hereof. If any Bond or Parity Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the District shall execute and the Trustee shall authenticate and deliver, a new Bond or Parity Bond, as applicable, of like tenor, maturity and issue, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond or Parity Bond so lost, destroyed or stolen. Any Bond or Parity Bond issued in lieu of any Bond or Parity Bond alleged to be mutilated, lost, destroyed or stolen, shall be equally and proportionately entitled to the benefits hereof with all other Bonds and Parity Bonds issued hereunder. The Trustee shall not treat both the original Bond or

Parity Bond and any replacement Bond or Parity Bond as being Outstanding for the purpose of determining the principal amount of Bonds or Parity Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds or Parity Bonds Outstanding hereunder, but both the original and replacement Bond or Parity Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Bond or Parity Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds or Parity Bonds.

Section 2.11 Validity of Bonds and Parity Bonds. The validity of the authorization and issuance of the Bonds and any Parity Bonds shall not be affected in any way by any defect in any proceedings taken by the District and the recital contained in the Bonds or any Parity Bonds that the same are issued pursuant to the Act and other applicable laws of the State shall be conclusive evidence of their validity and of the regularity of their issuance.

Section 2.12 Book-Entry System. The Bonds shall be initially delivered in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of the Nominee as nominee of the Depository. Except as provided in Section 2.14 hereof, all of the Outstanding Bonds shall be registered in the registration books kept by the Trustee in the name of the Nominee. At the election of the District, any Parity Bonds may also be issued as book-entry bonds registered in the name of the Nominee as provided herein, in which case the references in Sections 2.12 through 2.15 to “Bonds” shall be applicable to such Parity Bonds.

With respect to Bonds registered in the registration books kept by the Trustee in the name of the Nominee, the District and the Trustee shall have no responsibility or obligation to any such Participant or to any Person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event the Bonds are redeemed in part, or (iv) the payment to any Participant or any other Person, other than an Owner as shown in the registration books kept by the Trustee, of any amount with respect to principal of, premium, if any, or interest due with respect to the Bonds. The District and the Trustee may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Trustee as the holder and absolute owner of such Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest due on the Bonds only to or upon the order of the respective Owner, as shown in the registration books kept by the Trustee, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the District’s obligations with respect to payment of the principal, premium, if any, and interest due on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the registration books kept by the Trustee, shall receive a Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by the Depository to the Trustee and the District of written notice to

the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such new nominee of the Depository.

Section 2.13 Representation Letter. In order to qualify the Bonds and any Parity Bonds which the District elects to register in the name of the Nominee for the Depository's book-entry system, an authorized representative of the District is hereby authorized to execute from time to time and deliver to such Depository the Representation Letter. The execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 2.12 or in any other way impose upon the District or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners, as shown on the registration books kept by the Trustee. The Trustee agrees to take all action necessary to continuously comply with all representations made with respect to the Trustee in the Representation Letter. In addition to the execution and delivery of the Representation Letter, each Authorized Representative of the District is hereby authorized to take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

Section 2.14 Transfers Outside Book-Entry System. In the event (i) the Depository determines not to continue to act as securities depository for the Bonds, or (ii) the District determines that the Depository shall no longer so act, then the District will discontinue the book-entry system with the Depository. If the District fails to identify another qualified securities depository to replace the Depository then the Bonds so designated shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of the Nominee, but shall be registered in whatever name or names Persons transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 2.9 hereof.

Section 2.15 Payments to the Nominee. Notwithstanding any other provisions of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal, premium, if any, and interest due with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

Section 2.16 Initial Depository and Nominee. The initial Depository under this Article II shall be The Depository Trust Company, New York, New York. The initial Nominee shall be Cede & Co., as Nominee of The Depository Trust Company, New York, New York.

the Special Taxes are received from the District, deposit the Special Taxes in the Special Tax Fund to be held in trust for the Owners. Section 3.3 Administrative Expense Fund. The Trustee shall deposit in the Administrative Expense Fund from time to time amounts necessary to make timely payment of Administrative Expenses; provided, however, that, the total amount transferred in a Bond Year shall not exceed the Administrative Expenses Cap until such time as there has been deposited to the Interest Account and the Principal Account an amount, together with any amounts already on deposit therein, that is sufficient to pay the interest and principal on all Bonds and Parity Bonds due in such Bond Year and to restore the Reserve Account to the Reserve Requirement.

Section 3.4 Interest Account and Principal Account of the Special Tax Fund. The principal of and interest due on the Bonds and any Parity Bonds until maturity, other than principal due upon optional or extraordinary redemption, shall be paid by the Trustee from the Principal Account and the Interest Account of the Special Tax Fund, respectively. For the purpose of assuring that the payment of principal of and interest on the Bonds and any Parity Bonds will be made when due, after making the transfer required by Section 3.3, at least five Business Days prior to each March 1 and September 1, the Trustee shall make the following transfers from the Special Tax Fund first to the Interest Account and then to the Principal Account; provided, however, that, if amounts in the Special Tax Fund (exclusive of the Reserve Account) are inadequate to make the foregoing transfers, then any deficiency shall be made up by transfers from the Reserve Account:

(a) To the Interest Account, an amount such that the balance in the Interest Account five Business Days prior to each Interest Payment Date shall be equal to the installment of interest due on the Bonds and any Parity Bonds on said Interest Payment Date and any installment of interest due on a previous Interest Payment Date which remains unpaid. Moneys in the Interest Account shall be used for the payment of interest on the Bonds and any Parity Bonds as the same become due.

(b) To the Principal Account, an amount such that the balance in the Principal Account five Business Days prior to September 1 of each year, commencing September 1, [2020], shall equal the principal payment due on the Bonds and any Parity Bonds on such September 1, whether at maturity or by Sinking Fund Payment, and any principal payment due on a previous September 1 which remains unpaid. Moneys in the Principal Account shall be used for the payment of the principal of such Bonds and any Parity Bonds as the same become due at maturity or by Sinking Fund Payment.

Section 3.5 Redemption Account of the Special Tax Fund.

(a) After making the transfer to the Administrative Expense Fund, the Interest Account and the Principal Account of the Special Tax Fund pursuant to Sections 3.3 and 3.4 above, and in accordance with the District's election to call Bonds for optional redemption as set forth in Section 4.1(a) hereof, or to call Parity Bonds for optional redemption as set forth in any Supplemental Indenture for Parity Bonds, the Trustee shall establish the Redemption Account and transfer from the Special Tax Fund and deposit in the Redemption Account moneys available for the purpose and sufficient to pay the principal and the premiums, if any, payable on the Bonds or Parity Bonds called for optional redemption; provided, however, that amounts in the Special Tax Fund may be applied to optionally redeem Bonds and Parity Bonds only if immediately following such redemption the amount in the Reserve Account will equal the Reserve Requirement.

(b) Prepayments deposited to the Redemption Account, along with any amounts that an Authorized Officer of the District directs to be transferred from the Reserve Account to the Redemption Account in connection with any Prepayments, shall be applied on the redemption date established pursuant to Section 4.1(c) hereof for the use of such Prepayments to the payment of the principal of, premium, and interest on the Bonds and Parity Bonds to be redeemed with such Prepayments; provided that amounts shall be transferred from the Reserve Account only if immediately following such redemption the amount in the Reserve Account will meet the Reserve Requirement.

(c) Moneys set aside in the Redemption Account shall be used solely for the purpose of redeeming Bonds and Parity Bonds and shall be applied on or after the redemption date to the payment of principal of and premium, if any, on the Bonds or Parity Bonds to be redeemed upon presentation and surrender of such Bonds or Parity Bonds and in the case of an optional redemption or an extraordinary redemption from Prepayments to pay the interest thereon; provided, however, that in lieu or partially in lieu of such call and redemption, moneys deposited in the Redemption Account may be used to purchase Outstanding Bonds or Parity Bonds in the manner hereinafter provided. Purchases of Outstanding Bonds or Parity Bonds may be made by the District at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest, plus, in the case of moneys set aside for an optional redemption or an extraordinary redemption, the premium applicable at the next following call date according to the premium schedule established pursuant to Section 4.1(a) or 4.1(c) hereof, as applicable, or in the case of Parity Bonds the premium established in any Supplemental Indenture. Any accrued interest payable upon the purchase of Bonds or Parity Bonds may be paid from the amount reserved in the Interest Account of the Special Tax Fund for the payment of interest on the next following Interest Payment Date.

Section 3.6 Reserve Account of the Special Tax Fund. There shall be maintained in the Reserve Account of the Special Tax Fund an amount equal to the Reserve Requirement. The amounts in the Reserve Account shall be applied as follows:

(a) Moneys in the Reserve Account shall be used solely for the purpose of paying the principal of, including Sinking Fund Payments, and interest on the Bonds and any Parity Bonds when due in the event that the moneys in the Interest Account and the Principal Account of the Special Tax Fund are insufficient therefor and for the purpose of making any required transfer to the Rebate Fund pursuant to Section 3.7 hereof upon written direction from the District. If the amounts in the Interest Account or the Principal Account of the Special Tax Fund are insufficient to pay the principal of, including Sinking Fund Payments, or interest on the Bonds or any Parity Bonds when due, or amounts in the Special Tax Fund are insufficient to make transfers to the Rebate Fund when required, the Trustee shall withdraw from the Reserve Account for deposit in the Interest Account or the Principal Account of the Special Tax Fund or the Rebate Fund, as applicable, moneys necessary for such purposes.

(b) Whenever moneys are withdrawn from the Reserve Account, after making the required transfers referred to in Sections 3.3, 3.4 and 3.5 above, the Trustee shall transfer to the Reserve Account from available moneys in the Special Tax Fund, or from any other legally available funds which the District elects to apply to such purpose, the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. Moneys in the Special Tax Fund shall be deemed available for transfer to the Reserve Account only if the Trustee determines that such amounts will not be needed to make the deposits required to be made to the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund on or before the next September 1. If amounts in the Special Tax Fund together with any other amounts transferred to replenish the Reserve Account are inadequate to restore the Reserve Account to the Reserve Requirement, then the District, subject to any limitations in the Act, shall include the amount necessary to restore the Reserve Account to the Reserve Requirement in the next annual Special Tax levy to the extent of the maximum permitted Special Tax rates and the limitations of the Act.

(c) In connection with a redemption of Bonds pursuant to Section 4.1(a) or (c) or Parity Bonds in accordance with any Supplemental Indenture, or a partial defeasance of Bonds or Parity Bonds in accordance with Section 9.1 hereof, amounts in the Reserve Account may be applied to such redemption or partial defeasance so long as the amount on deposit in the Reserve Account following such redemption or partial defeasance equals the Reserve Requirement. The District shall set forth in a Certificate of an Authorized Representative the amount in the Reserve Account to be transferred to the Redemption Account on a redemption date or to be transferred pursuant to the Indenture to partially defease Bonds, and the Trustee shall make such transfer on the applicable redemption or defeasance date, subject to the limitation in the preceding sentence.

(d) To the extent that the Reserve Account is at the Reserve Requirement as of the first day of the final Bond Year for the Bonds or an issue of Parity Bonds, amounts in the Reserve Account may be applied to pay the principal of and interest due on the Bonds and Parity Bonds, as applicable, in the final Bond Year for such issue. Moneys in the Reserve Account in excess of the Reserve Requirement not transferred in accordance with the preceding provisions of this section shall be withdrawn from the Reserve Account on the Business Day before each March 1 and September 1 and shall be transferred to the Interest Account of the Special Tax Fund.

Section 3.7 Rebate Fund.

(a) General. The Trustee shall establish and maintain, when needed, a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund. The District shall cause to be deposited in the Rebate Fund such amounts as required under the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund shall be governed by this Section 3.7 and the Tax Certificate.

Without limiting the generality of the foregoing, the District agrees that there shall be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed or final treasury regulations as may be applicable to the Bonds from time to time, which the District covenants to pay or cause to be paid to the United States at the times and in the amounts determined under the Tax Certificate. The Trustee agrees to comply with all instructions given to it by the District in accordance with this covenant. The Trustee shall conclusively be deemed to have complied with the provisions of this Section 3.7 and the Tax Certificate if it follows the instructions of the District and shall not be required to take any actions hereunder in the absence of instructions from the District.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund with respect to the Bonds and each series of Parity Bonds after payment in full of such issue and after making the payments required to comply with this Section 3.7 and the applicable Tax Certificate for such issue may be withdrawn by the Trustee at the written direction of the District and utilized in any manner by the District.

(c) Survival of Defeasance and Final Payment. Notwithstanding anything in this Section or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance and final payment of the Bonds and any Parity Bonds.

(d) Amendment Without Consent of Owners. This Section 3.7 may be deleted or amended in any manner without the consent of the Owners, provided that prior to such event there is delivered to the District an opinion of Bond Counsel to the effect that such deletion or amendment will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis. Notwithstanding any provision of this Section, if the District shall provide to the Trustee an opinion of a nationally recognized bond or tax counsel that any specified action required under this Section 3.7 is no longer required or that some further or different action is required to maintain the tax-exempt status of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis, the Trustee and the District may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.

Section 3.8 Surplus Fund. After making the transfers required by Sections 3.3, 3.4, 3.5, 3.6 and 3.7 hereof, as soon as practicable after each September 1, and in any event prior to each September 15, the Trustee shall transfer all remaining amounts in the Special Tax Fund to the Surplus Fund, unless on or prior to such date, it has received a Certificate of an Authorized Representative directing (i) that certain amounts be retained in the Special Tax Fund because the District has included such amounts as being available in the Special Tax Fund in calculating the amount of the levy of Special Taxes for such Fiscal Year pursuant to Section 5.2(b) hereof, or (ii) that certain amounts be transferred to the Acquisition and Construction Fund because such

amounts were included in the levy of Special Taxes for the previous Fiscal Year to pay for the acquisition or construction of the Project; provided, however, that, if a transfer is made to the Acquisition and Construction Fund and unexpended proceeds of the Bonds or an issue of Parity Bonds remain in the Acquisition and Construction Fund, the Trustee shall establish an account within the Acquisition and Construction Fund for amounts transferred from the Surplus Fund. Moneys deposited in the Surplus Fund will be transferred by the Trustee at the direction of an Authorized Representative of the District (i) to the Interest Account, the Principal Account or the Redemption Account of the Special Tax Fund to pay the principal of, including Sinking Fund Payments, premium, if any, and interest on the Bonds and any Parity Bonds when due in the event that moneys in the Special Tax Fund and the Reserve Account of the Special Tax Fund are insufficient therefor; (ii) to the Reserve Account in order to replenish the Reserve Account to the Reserve Requirement; (iii) to the Administrative Expense Fund to pay Administrative Expenses to the extent that the amounts on deposit in the Administrative Expense Fund are insufficient to pay Administrative Expenses; (iv) to the Acquisition and Construction Fund to pay Project Costs; or (v) for any other lawful purpose of the District.

The amounts in the Surplus Fund are not pledged to the repayment of the Bonds or the Parity Bonds and may be used by the District for any lawful purpose. In the event that the District reasonably expects to use any portion of the moneys in the Surplus Fund to pay debt service on any Outstanding Bonds or Parity Bonds, the District will notify the Trustee in a Certificate of an Authorized Representative and the Trustee will segregate such amount into a separate subaccount and the moneys on deposit in such subaccount of the Surplus Fund shall be invested at the written direction of the District in Permitted Investments the interest on which is excludable from gross income under Section 103 of the Code (other than bonds the interest on which is a tax preference item for purposes of computing the alternative minimum tax of individuals and corporations under the Code) or in Permitted Investments at a yield not in excess of the yield on the issue of Bonds or Parity Bonds to which such amounts are to be applied, unless, in the opinion of Bond Counsel, investment at a higher yield will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

Section 3.9 Costs of Issuance Fund.

(a) The moneys in the Costs of Issuance Fund shall be disbursed by the Trustee pursuant to a Certificate of an Authorized Representative of the District to pay Costs of Issuance, substantially in the form attached as Exhibit B, and all payments shall be made by check or wire transfer in accordance with the payment instructions set forth in such Certificate, and the Trustee may rely on such payment instructions with no duty to investigate or inquire as to their authenticity or the authority under which they were given.

(b) Upon the receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Costs of Issuance Fund is no longer needed to pay Costs of Issuance, the Trustee shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Costs of Issuance Fund to the Acquisition and Construction Fund. On the date which is six months after the date of issuance of each series of Bonds and Parity Bonds, all amounts remaining in the Costs of Issuance Fund shall be transferred to the Acquisition and Construction Fund and the Costs of Issuance Fund shall be closed.

Section 3.10 Acquisition and Construction Fund.

(a) The Trustee shall hold the moneys in the Acquisition and Construction Fund and apply such moneys to pay Project Costs. Amounts for Project Costs shall be disbursed by the Trustee on behalf of the District from the Acquisition and Construction Fund as specified in a Request for Disbursement of Project Costs, substantially in the form of Exhibit C attached hereto, which must be submitted by an Authorized Representative of the District to the Trustee in connection with each requested disbursement.

(b) Upon receipt of a Certificate of an Authorized Representative of the District stating that all or a specified portion of the amount remaining in the Acquisition and Construction Fund or in any of the accounts therein is no longer needed to pay Project Costs, the Trustee shall transfer all or such specified portion, as applicable, of the moneys remaining on deposit in the Acquisition and Construction Fund and the accounts therein to the Principal Account or Redemption Account of the Special Tax Fund or to the Surplus Fund, as directed in the Certificate, provided that in connection with any direction to transfer amounts to the Surplus Fund there shall have been delivered to the Trustee with such Certificate an opinion of Bond Counsel to the effect that such transfer to the Surplus Fund will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or any Parity Bonds which were issued on a tax-exempt basis for federal income tax purposes.

Section 3.11 Investments. Moneys held in any of the Funds, Accounts and Subaccounts under this Indenture shall be invested at the written direction of the District in accordance with the limitations set forth below only in Permitted Investments which shall be deemed at all times to be a part of such Funds, Accounts and Subaccounts. Any loss resulting from such Permitted Investments shall be credited or charged to the Fund, Account or Subaccount from which such investment was made, and any investment earnings on a Fund, Account or Subaccount shall be applied as follows: (i) investment earnings on all amounts deposited in the Costs of Issuance Fund, the Acquisition and Construction Fund, the Special Tax Fund, the Surplus Fund and the Rebate Fund and each Account therein (other than the Reserve Account of the Special Tax Fund) shall be deposited in those respective Funds and Accounts, and (ii) investment earnings on all amounts deposited in the Reserve Account shall be deposited therein to be applied as set forth in Section 3.6. Moneys in the Funds, Accounts and Subaccounts held under this Indenture shall be invested by the Trustee as directed in writing by the District, from time to time, in Permitted Investments subject to the following restrictions:

(a) Moneys in the Costs of Issuance Fund and the Acquisition and Construction Fund shall be invested in Permitted Investments which will by their terms mature, or in the case of an Investment Agreement are available without penalty, as close as practicable to the date the District estimates the moneys represented by the particular investment will be needed for withdrawal from the Costs of Issuance Fund and the Acquisition and Construction Fund.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Special Tax Fund shall be invested only in Permitted Investments which will by their terms mature, or in the case of an Investment Agreement are available for withdrawal without penalty, on such dates so as to ensure the payment of principal of, premium, if any, and interest on the Bonds and any Parity Bonds as the same become due.

(c) Moneys in the Reserve Account of the Special Tax Fund may be invested only in Permitted Investments; provided that no such Permitted Investment of amounts in the Reserve Account shall mature later than the earlier of the final maturity date of the Bonds or any Parity Bonds.

(d) Moneys in the Rebate Fund shall be invested only in Permitted Investments of the type described in clause (1) of the definition thereof which by their terms will mature, as nearly as practicable, on the dates such amounts are needed to be paid to the United States Government pursuant to Section 3.7 hereof or in Permitted Investments of the type described in clause (10) of the definition thereof as the District shall designate on forms provided by the Trustee.

(e) In the absence of written investment directions from the District, the Trustee shall invest solely in Permitted Investments specified in clause (7) of the definition thereof; and, if no such written direction is so received, the Trustee shall hold such moneys uninvested.

The Trustee shall sell, or present for redemption, any Permitted Investment whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer to such Funds and Accounts or from such Funds and Accounts. For the purpose of determining at any given time the balance in any such Funds and Accounts, any such investments constituting a part of such Funds and Accounts shall be valued at their cost, except that amounts in the Reserve Account shall be valued at the market value thereof at least annually within 5 Business Days prior to each September 1. In making any valuations hereunder, the Trustee may utilize such computerized securities pricing services as may be available to it, including, without limitation, those available through its regular accounting system, and conclusively rely thereon. Notwithstanding anything herein to the contrary, the Trustee shall not be responsible for any loss from investments, sales or transfers undertaken in accordance with the provisions of this Indenture.

The Trustee may act as principal or agent in the making or disposing of any investment and shall be entitled to its customary fee for making such investment. The Trustee may sell at the best market price obtainable, or present for redemption, any Permitted Investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Permitted Investment is credited, and, subject to the provisions of Section 7.4, the Trustee shall not be liable or responsible for any loss resulting from such investment. For investment purposes, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Trustee shall furnish the District periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the District. Upon the District's election, such statements will be delivered via the Trustee's online service and, upon electing such service, paper statements will be provided only upon request. The District acknowledges that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The District further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost, and other trade confirmations may be obtained from the applicable broker.

ARTICLE IV

Section 4.1 Redemption of Bonds.

(a) Optional Redemption. The Bonds may be redeemed, at the option of the District from any source of funds, other than Prepayments, on any date on or after September 1, 20__, in whole, or in part by lot, at a redemption price equal to the principal amount to be redeemed, together with accrued interest to the date of redemption, at the following redemption prices (expressed as percentages of the principal amount of the Bonds to be redeemed):

In the event the District elects to redeem Bonds as provided above, the District shall give written notice to the Trustee of its election to so redeem, the redemption date and the principal amount of the Bonds of each maturity to be redeemed. The notice to the Trustee shall be given at least 45 but no more than 60 days prior to the redemption date, or by such later date as is acceptable to the Trustee, in its sole discretion.

(b) Mandatory Sinking Fund Redemption. The Term Bonds maturing on September 1, 20__ shall be called before maturity and redeemed, from the Sinking Fund Payments that have been deposited into the Principal Account, on September 1, 20__, and on each September 1 thereafter prior to maturity, in accordance with the schedule of Sinking Fund Payments set forth below. The Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

BONDS MATURING SEPTEMBER 1, 20__

<i>Redemption Date</i> <i>(September 1)</i>	<i>Principal Amount</i>

The Term Bonds so called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price for each redeemed Term Bond equal to the principal amount thereof, plus accrued interest to the redemption date, without premium, as follows:

BONDS MATURING SEPTEMBER 1, 20__

<i>Redemption Date (September 1)</i>	<i>Principal Amount</i>
2043	\$ 725,000

(maturity)

If the District purchases Term Bonds during the Fiscal Year immediately preceding one of the sinking fund redemption dates specified above, the District is required to notify the Trustee at least 45 days prior to the redemption date as to the principal amount purchased, and the amount purchased will be credited at the time of purchase to the next Sinking Fund Payment for the Term Bond so purchased, to the extent of the full principal amount of the purchase. All Bonds purchased pursuant to this subsection shall be cancelled pursuant to Section 10.1 hereof.

In the event of a partial optional redemption or extraordinary mandatory redemption of the Term Bonds, each of the remaining Sinking Fund Payments for such Term Bonds will be reduced, as nearly as practicable, on a pro rata basis in the amount of \$5,000 or any integral multiple thereof as directed by an Authorized Representative of the District.

(c) Extraordinary Redemption. The Bonds are subject to extraordinary redemption as a whole or in part, on any Interest Payment Date, and shall be redeemed by the Trustee, from Prepayments deposited to the Redemption Account pursuant to Section 3.2, plus amounts transferred from the Reserve Account pursuant to Section 3.6(c), at the following redemption prices, expressed as a percentage of the principal amount to be redeemed, together with accrued interest to the redemption date:

September 1, 20__ and each Interest Payment Date thereafter	100

Prepayments and amounts released from the Reserve Account in connection with Prepayments will be allocated to the redemption of the Bonds and any Parity Bonds as nearly as practicable on a proportionate basis based on the outstanding principal amount of the Bonds and any Parity Bonds and shall be applied to redeem Bonds and Parity Bonds as nearly as practicable on a pro rata basis among maturities in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the District may specify in a Certificate of an Authorized Representative that Prepayments be applied to one or more maturities of the Bonds or Parity Bonds so long as there is delivered to the Trustee a Certificate of the Special Tax Consultant that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year on Developed Property is not less than 110% of Maximum Annual Debt Service net of the Administrative Expense Cap.

(d) The redemption provisions for Parity Bonds shall be set forth in a Supplemental Indenture.

Section 4.2 Selection of Bonds and Parity Bonds for Redemption. If less than all of the Bonds or Parity Bonds Outstanding are to be redeemed, the portion of any Bond or Parity Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof. The procedure for the selection of Parity Bonds for redemption may be modified as set forth in the Supplemental Indenture for such Parity Bonds. So long as the Bonds are registered in the name of the Nominee, such Bonds or any portion thereof shall be selected by the Depository in accordance with its operating procedures.

Section 4.3 Notice of Redemption. When Bonds or Parity Bonds are due for redemption under Section 4.1 above or under another redemption provision set forth in a Supplemental Indenture relating to any Parity Bonds and the Trustee has received the required notice from the District, the Trustee shall give notice, in the name of the District, of the redemption of such Bonds or Parity Bonds; provided, however, that, with respect to a redemption to be made from Prepayments pursuant to Section 4.1(c), notice of redemption shall not be given unless there is on deposit with the Trustee sufficient money to pay the redemption price of the Bonds or Parity Bonds to be redeemed. With respect to any notice of optional redemption of the Bonds and any Parity Bonds, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, premium if any, and interest on the Bonds and any Parity Bonds to be redeemed and upon other conditions set forth therein and that, if such money shall not have been so received and such other conditions shall not have been satisfied, said notice shall be of no force and effect and the Trustee shall not be required to redeem such Bonds or Parity Bonds. If any condition stated in the redemption notice for an optional redemption shall not have been satisfied on or prior to the redemption date: (i) the redemption notice shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds or Parity Bonds, (iii) the redemption shall not be made, and (iv) the Trustee shall within a reasonable time

thereafter give notice to the persons in the manner in which the conditional redemption notice was given that such condition or conditions were not met and that the redemption was canceled.

Such notice of redemption shall (i) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the Bonds or Parity Bonds selected for redemption, except that where all of the Bonds or all of an issue of Parity Bonds are subject to redemption, or all the Bonds or Parity Bonds of one maturity, are to be redeemed, the bond numbers of such issue need not be specified; (ii) state the date fixed for redemption and surrender of the Bonds or Parity Bonds to be redeemed; (iii) state the redemption price; (iv) state the place or places where the Bonds or Parity Bonds are to be redeemed; (v) in the case of Bonds or Parity Bonds to be redeemed only in part, state the portion of such Bond or Parity Bond which is to be redeemed; (vi) state the date of issue of the Bonds or Parity Bonds as originally issued; (vii) state the rate of interest borne by each Bond or Parity Bond being redeemed; and (viii) state any other descriptive information needed to identify accurately the Bonds or Parity Bonds being redeemed as shall be specified by the Trustee. Such notice shall further state that on the date fixed for redemption, there shall become due and payable on each Bond, Parity Bond or portion thereof called for redemption, the principal thereof, together with any premium, and interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue and be payable.

At least 30 days but no more than 45 days prior to the redemption date, the Trustee shall mail a copy of such notice, by first class mail, postage prepaid, to the respective Owners thereof at their addresses appearing on the Bond Register, and to the original purchaser of the Bonds or Parity Bonds, as applicable; provided, however, so long as the Bonds or Parity Bonds are registered in the name of the Nominee, notice shall be given in such manner as complies with the requirements of the Depository. So long as notice has been provided as set forth above, the actual receipt by the Owner of any Bond or Parity Bond or the original purchaser of any Bond or Parity Bond of notice of such redemption shall not be a condition precedent to redemption, and neither the failure to receive nor any defect in such notice shall affect the validity of the proceedings for the redemption of such Bonds or Parity Bonds, or the cessation of interest on the redemption date. A certificate by the Trustee that notice of such redemption has been given as herein provided shall be conclusive as against all parties and the Owner shall not be entitled to show that he or she failed to receive notice of such redemption.

In addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect or omission in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the legality or effectiveness of a call for redemption if notice thereof is given as above prescribed.

Each further notice of redemption shall be sent not later than the date that notice of redemption is sent to the Bondowners pursuant to the first paragraph of this Section by registered or certified mail or overnight delivery service to the Depository (if the Depository has not already received such notice of redemption as the registered owner of the Bonds or Parity Bonds, as applicable) and to the Information Services.

Upon the payment of the redemption price of any Bonds and Parity Bonds being redeemed, each check or other transfer of funds issued for such purpose shall to the extent practicable bear the CUSIP number identifying, by issue and maturity, the Bonds and Parity Bonds being redeemed with the proceeds of such check or other transfer.

Section 4.4 Partial Redemption of Bonds or Parity Bonds. Upon surrender of any Bond or Parity Bond to be redeemed in part only, the District shall execute and the Trustee shall authenticate and deliver to the Bondowner, at the expense of the District, a new Bond or Bonds or a new Parity Bond or Parity Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered, with the same interest rate and the same maturity or, in the case of surrender of a Parity Bond, a new Parity Bond or Parity Bonds subject to the foregoing limitations.

Section 4.5 Effect of Notice and Availability of Redemption Money. Notice of redemption having been duly given, as provided in Section 4.3 hereof, and the amount necessary for the redemption having been made available for that purpose and being available therefor on the date fixed for such redemption:

(a) the Bonds and Parity Bonds, or portions thereof, designated for redemption shall, on the date fixed for redemption, become due and payable at the redemption price thereof as provided in this Indenture or in any Supplemental Indenture with respect to any Parity Bonds, anything in this Indenture or in the Bonds or the Parity Bonds to the contrary notwithstanding;

(b) upon presentation and surrender thereof at the office of the Trustee, the redemption price of such Bonds and Parity Bonds shall be paid to the Owners thereof;

(c) as of the redemption date the Bonds or the Parity Bonds, or portions thereof so designated for redemption shall be deemed to be no longer Outstanding and such Bonds or Parity Bonds, or portions thereof, shall cease to bear further interest; and

(d) as of the date fixed for redemption no Owner of any of the Bonds, Parity Bonds or portions thereof so designated for redemption shall be entitled to any of the benefits of this Indenture or any Supplemental Indenture, or to any other rights, except with respect to payment of the redemption price and interest accrued to the redemption date from the amounts so made available.

ARTICLE V

COVENANTS AND WARRANTY

Section 5.1 Warranty. The District warrants that it shall preserve and protect the security pledged hereunder to the Bonds and any Parity Bonds against all claims and demands of all persons.

Section 5.2 Covenants. So long as any of the Bonds or Parity Bonds issued hereunder are Outstanding and unpaid, the District makes the following covenants with the Bondowners under the provisions of the Act and this Indenture (to be performed by the District or its proper officers, agents or employees), which covenants are necessary and desirable to secure the Bonds and Parity Bonds; provided, however, that said covenants do not require the District to expend any funds or moneys other than the Special Taxes and other amounts deposited to the Special Tax Fund:

(a) Punctual Payment; Against Encumbrances. The District covenants that it will receive all Special Taxes in trust for the Owners and will instruct the Treasurer to deposit all Special Taxes with the Trustee as soon as reasonably practicable following their apportionment to the District, and the District shall have no beneficial right or interest in the amounts so deposited except as provided

by this Indenture. All such Special Taxes shall be disbursed, allocated and applied solely to the uses and purposes set forth herein, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the District.

The District covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every Bond and Parity Bond issued hereunder, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and the Parity Bonds and in accordance with this Indenture to the extent that Net Taxes and other amounts pledged hereunder are available therefor, and that the payments into the Funds and Accounts created hereunder will be made, all in strict conformity with the terms of the Bonds, any Parity Bonds, and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and of the Bonds and any Parity Bonds issued hereunder.

The District will not mortgage or otherwise encumber, pledge or place any charge upon any of the Special Taxes except as provided in this Indenture, and will not issue any obligation or security having a lien, charge, pledge or encumbrance upon the Net Taxes senior or superior to the Bonds or Parity Bonds or on a parity with the Bonds, other than Parity Bonds. Nothing herein shall prevent the District from issuing Subordinated Bonds or incurring other indebtedness which is payable from a pledge of Net Taxes which is subordinate in all respects to the pledge of Net Taxes to repay the Bonds and the Parity Bonds.

(b) Levy of Special Tax. Beginning in Fiscal Year 2020-21 and so long as any Bonds or Parity Bonds issued under this Indenture are Outstanding, subject to the limitations set forth in the Act and the RMA, the legislative body of the District covenants to levy the Special Tax in an amount sufficient (taking into account reasonably anticipated delinquencies), together with other amounts on deposit in the Special Tax Fund, to pay (1) the principal of and interest on the Bonds and any Parity Bonds when due, (2) the Administrative Expenses, and (3) any amounts required to replenish the Reserve Account of the Special Tax Fund to the Reserve Requirement. The District further covenants that it will take no actions that would discontinue or cause the discontinuance of the Special Tax levy or the District's authority to levy the Special Tax for so long as the Bonds and any Parity Bonds are Outstanding.

(c) Commence Foreclosure Proceedings. The District hereby covenants with and for the benefit of the Owners of the Bonds and the landowners of Improvement Area No. 8F securing such Bonds that it will review the public records of the County of Riverside, California, in connection with the collection of the Special Tax not later than July 1 of each year to determine the amount of Special Tax collected in the prior Fiscal Year; and with respect to individual delinquencies within Improvement Area No. 8F, if the District determines that any single property owner subject to the Special Tax is delinquent in the payment of Special Taxes in the aggregate of \$2,500 or more or as to any single parcel the delinquent Special Taxes represent more than 5% of the aggregate Special Taxes within Improvement Area No. 8F, then the District will send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) the District will cause judicial foreclosure proceedings to be filed in the Superior Court within ninety (90) days of such determination against all properties for which the Special Taxes remain delinquent.

The City Attorney is hereby authorized to employ counsel to conduct any such foreclosure proceedings. The fees and expenses of any such counsel and costs and expenses of the City Attorney

(including a charge for City or District staff time) in conducting foreclosure proceedings shall be an Administrative Expense hereunder.

(d) Payment of Claims. The District will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Net Taxes or other funds in the Special Tax Fund, or which might impair the security of the Bonds or any Parity Bonds then Outstanding; provided, however, that nothing herein contained shall require the District to make any such payments so long as the District in good faith shall contest the validity of any such claims.

(e) Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the District, in which complete and correct entries shall be made of all transactions relating to the improvements constructed with the proceeds of bonded indebtedness issued by the District, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of records and accounts shall at all times during business hours be subject to the inspection of the Trustee or of the Owners of not less than 10% of the principal amount of the Bonds or the Owners of not less than 10% of any issue of Parity Bonds then Outstanding or their representatives authorized in writing.

(f) Federal Tax Covenants. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis for federal income tax purposes will not be adversely affected for federal income tax purposes, the District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(1) Private Activity. The District will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or any Parity Bonds or of any other monies or property which would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “private activity bonds” within the meaning of Section 141 of the Code.

(2) Arbitrage. The District will make no use of the proceeds of the Bonds or any Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(3) Federal Guaranty. The District will make no use of the proceeds of the Bonds or any Parity Bonds or take or omit to take any action that would cause the Bonds or any Parity Bonds issued on a tax-exempt basis for federal income tax purposes to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(4) Information Reporting. The District will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code.

(5) Hedge Bonds. The District will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Bonds or any Parity Bonds issued on a tax-

exempt basis for federal income tax purposes to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the District takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds and any applicable Parity Bonds.

(6) Miscellaneous. The District will take no action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate executed on the Delivery Date by the District in connection with the Bonds and any issue of Parity Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

(7) Other Tax Exempt Issues. The District will not use proceeds of other tax exempt securities to redeem any Bonds or Parity Bonds without first obtaining the written opinion of Bond Counsel that doing so will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds issued on a tax-exempt basis.

(g) Reduction of Maximum Special Taxes. The District hereby finds and determines that, historically, delinquencies in the payment of special taxes authorized pursuant to the Act in community facilities districts in Southern California have from time to time been at levels requiring the levy of special taxes at the maximum authorized rates in order to make timely payment of principal of and interest on the outstanding indebtedness of such community facilities districts. For this reason, the District hereby determines that a reduction in the maximum Special Tax rates authorized to be levied on parcels in Improvement Area No. 8F below the levels provided in Section 5.2(b) would interfere with the timely retirement of the Bonds and Parity Bonds. The District determines it to be necessary in order to preserve the security for the Bonds and Parity Bonds to covenant, and, to the maximum extent that the law permits it to do so, the District hereby does covenant, that it shall not initiate proceedings to reduce the maximum Special Tax rates for Improvement Area No. 8F, unless, in connection therewith, (i) the District receives a certificate from one or more Independent Financial Consultants which, when taken together, certify that, on the basis of the parcels of land and improvements existing in Improvement Area No. 8F as of the July 1 preceding the reduction, the maximum amount of the Special Tax which may be levied on then existing Developed Property in each Bond Year for any Bonds and Parity Bonds Outstanding will equal at least the sum of the Administrative Expense Cap and 110% of gross debt service in each Bond Year on all Bonds and Parity Bonds to remain Outstanding after the reduction is approved, (ii) the District finds that any reduction made under such conditions will not adversely affect the interests of the Owners of the Bonds and Parity Bonds, and (iii) the District is not delinquent in the payment of the principal of or interest on the Bonds or any Parity Bonds. For purposes of estimating Administrative Expenses for the foregoing calculation, the Independent Financial Consultant shall assume an amount equal to the Administrative Expenses Cap.

Notwithstanding the foregoing, the District may modify, alter or amend the RMA in any manner so long as such changes do not reduce the maximum Special Taxes that may be levied in each year on Developed Property below the amounts which are necessary to pay Administrative Expenses and to provide Special Taxes in an amount equal to one hundred ten percent (110%) of Maximum Annual Debt Service on the Bonds and Parity Bonds Outstanding as of the date of such amendment.

(h) Covenants to Defend. The District covenants that, in the event that any initiative is adopted by the qualified electors in Improvement Area No. No. 8F which purports to reduce the maximum Special Tax below the levels specified in Section 5.2(b) above or to limit the power of the

District to levy the Special Taxes for the purposes set forth in Section 5.2(b) above, it will commence and pursue legal action in order to preserve its ability to comply with such covenants.

(i) Limitation on Right to Tender Bonds. The District hereby covenants that it will not adopt any policy pursuant to Section 53344.1 of the Act permitting the tender of Bonds or Parity Bonds in full payment or partial payment of any Special Taxes unless the District shall have first received a certificate from an Independent Financial Consultant that the acceptance of such a tender will not result in the District having insufficient Special Tax revenues to pay the principal of and interest on the Bonds and Parity Bonds when due.

(j) Continuing Disclosure. The District covenants to comply with the terms of the Continuing Disclosure Certificate and with the terms of any agreement executed by the District with respect to any Parity Bonds to assist the Underwriter in complying with Rule 15(c)2-12 adopted by the Securities and Exchange Commission.

(k) Further Assurances. The District shall preserve and protect the security pledged to the Bonds and any Parity Bonds against all claims and demands as long as the Bonds or Parity Bonds are Outstanding and shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or desirable to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds and any Parity Bonds of the rights and benefits provided in this Indenture.

ARTICLE VI

AMENDMENTS TO INDENTURE

Section 6.1 Supplemental Indentures or Orders Not Requiring Bondowner Consent.

The District may from time to time, and at any time, without notice to or consent of any of the Bondowners, adopt Supplemental Indentures for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provisions herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any additional resolution or order, provided that such action is not materially adverse to the interests of the Bondowners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Indenture as theretofore in effect or which further secure Bond or Parity Bond payments;

(c) to provide for the issuance of any Parity Bonds, and to provide the terms and conditions under which such Parity Bonds may be issued, subject to and in accordance with the provisions of this Indenture;

(d) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, or to comply with the Code or regulations issued thereunder, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which

shall not materially adversely affect the interests of the Owners of the Bonds or any Parity Bonds then Outstanding; or

(e) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondowners.

Section 6.2 Supplemental Indentures or Orders Requiring Bondowner Consent.

Exclusive of the Supplemental Indentures described in Section 6.1, the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding shall have the right to consent to and approve the adoption by the District of such Supplemental Indentures as shall be deemed necessary or desirable by the District for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that nothing herein shall permit, or be construed as permitting, (a) an extension of the maturity date of the principal, or the payment date of interest on, any Bond or Parity Bond; (b) a reduction in the principal amount of, or redemption premium on, any Bond or Parity Bond or the rate of interest thereon; (c) a preference or priority of any Bond or Parity Bond over any other Bond or Parity Bond; or (d) a reduction in the aggregate principal amount of the Bonds and Parity Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds and Parity Bonds then Outstanding.

If at any time the District shall desire to adopt a Supplemental Indenture, which pursuant to the terms of this Section shall require the consent of the Bondowners, the District shall so notify the Trustee and shall deliver to the Trustee a copy of the proposed Supplemental Indenture. The Trustee shall, at the expense of the District, cause notice of the proposed Supplemental Indenture to be mailed, by first class mail, postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Bondowners. The failure of any Bondowners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding as required by this Section. Whenever at any time within one year after the date of the first mailing of such notice, the Trustee shall receive an instrument or instruments purporting to be executed by the Owners of not less than a majority in aggregate principal amount of the Bonds and Parity Bonds Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the adoption thereof by the District substantially in the form of the copy referred to in such notice as on file with the Trustee, such proposed Supplemental Indenture, when duly adopted by the District, shall thereafter become a part of the proceedings for the issuance of the Bonds and any Parity Bonds. In determining whether the Owners of a majority of the aggregate principal amount of the Bonds and Parity Bonds have consented to the adoption of any Supplemental Indenture, Bonds or Parity Bonds which are owned by the District or by any person directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the adoption of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds in instances where such consent is required pursuant to the provisions of this section, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the

District and all Owners of Outstanding Bonds and Parity Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 6.3 Notation of Bonds or Parity Bonds; Delivery of Amended Bonds or Parity Bonds. After the effective date of any action taken as hereinabove provided, the District may determine that the Bonds or any Parity Bonds may bear a notation, by endorsement in form approved by the District, as to such action, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date and presentation of his Bond or Parity Bond for the purpose at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation as to such action shall be made on such Bonds or Parity Bonds. If the District shall so determine, new Bonds or Parity Bonds so modified as, in the opinion of the District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Owner of any Outstanding Bond or Parity Bond at such effective date such new Bonds or Parity Bonds shall be exchanged at the office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, without cost to each Owner of Outstanding Bonds or Parity Bonds, upon surrender of such Outstanding Bonds or Parity Bonds.

ARTICLE VII

TRUSTEE

Section 7.1 Trustee. Wilmington Trust, National Association, shall be the Trustee for the Bonds and any Parity Bonds unless and until another Trustee is appointed by the District hereunder. The Trustee represents that it has a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000. The District may, at any time, appoint a successor Trustee satisfying the requirements of Section 7.2 below for the purpose of receiving all money which the District is required to deposit with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture.

The Trustee is hereby authorized to and shall mail by first class mail, postage prepaid, or wire transfer in accordance with Section 2.5 above, interest payments to the Bondowners, to select Bonds and Parity Bonds that are not held in the name of the Nominee for redemption, and to maintain the Bond Register. The Trustee is hereby authorized to pay the principal of and premium, if any, on the Bonds and Parity Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds and Parity Bonds presented to it for such purposes, to provide for the cancellation of Bonds and Parity Bonds all as provided in this Indenture, and to provide for the authentication of Bonds and Parity Bonds, and shall perform all other duties assigned to or imposed on it as provided in this Indenture. The Trustee shall keep accurate records of all funds administered by it and all Bonds and Parity Bonds paid, discharged and cancelled by it.

The Trustee is hereby authorized to redeem the Bonds and Parity Bonds when duly presented for payment at maturity, or on redemption prior to maturity. The Trustee shall cancel all Bonds and Parity Bonds upon payment thereof in accordance with the provisions of Section 10.1 hereof.

The District shall indemnify and save the Trustee, its officers, directors, employees and agents, harmless against costs, claims, expenses and liabilities, including, without limitation, fees and expenses of its attorneys, not arising from its own negligence or willful misconduct which it may incur in the exercise and performance of its powers and duties hereunder. The foregoing obligation

of the District to indemnify the Trustee shall survive the removal or resignation of the Trustee, the discharge of the Bonds or termination of this Indenture.

The Trustee shall receive reasonable compensation for its services hereunder and the Trustee shall be entitled to be reimbursed by the District for its other reasonable expenses hereunder, including the reasonable compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its rights and its duties hereunder. All such fees and reimbursements shall be paid solely from amounts held in the Administrative Expense Fund.

Except during the continuance of an Event of Default, the Trustee undertakes to perform only such duties as are specifically set forth in this Indenture, and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent corporate Trustee.

Section 7.2 Removal of Trustee. The District may at any time at its sole discretion remove the Trustee initially appointed, and any successor thereto, by delivering to the Trustee a written notice of its decision to remove the Trustee and may appoint a successor or successors thereto; provided that any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. Any removal shall become effective only upon acceptance of appointment by the successor Trustee. If any bank or trust company appointed as a successor publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee and notice being sent by the successor Trustee to the Bondowners of the successor Trustee's identity and address.

Section 7.3 Resignation of Trustee. The Trustee may at any time resign by giving written notice to the District and by giving to the Owners notice of such resignation, which notice shall be mailed to the Owners at their addresses appearing in the registration books in the office of the Trustee. Upon receiving such notice of resignation, the District shall promptly appoint a successor Trustee satisfying the criteria in Section 7.2 above by an instrument in writing. Any resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. In the event the District shall for any reason whatsoever fail to appoint a successor Trustee within ninety (90) days following the receipt of notice by the District, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor Trustee meeting the requirements of Section 7.2 hereof. Any such successor Trustee appointed by such court shall become the successor Trustee hereunder notwithstanding any action by the District purporting to appoint a successor Trustee following the expiration of such 90-day period.

Section 7.4 Liability of Trustee. The recitals of fact and all promises, covenants and agreements contained herein and in the Bonds and any Parity Bonds shall be taken as statements, promises, covenants and agreements of the District, and the Trustee assumes no responsibility for the correctness of the same and makes no representations as to the validity or sufficiency of this Indenture, the Bonds or any Parity Bonds, and shall incur no responsibility in respect thereof, other

than in connection with its duties or obligations specifically set forth herein, in the Bonds and any Parity Bonds, or in the certificate of authentication assigned to or imposed upon the Trustee. The Trustee shall be under no responsibility or duty with respect to the issuance of the Bonds or any Parity Bonds for value. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, Bond, Parity Bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond or Parity Bond unless and until such Bond or Parity Bond is submitted for inspection, if required, and his title thereto satisfactorily established, if disputed.

Whenever in the administration of its duties under this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a written certificate of the District, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall have no duty or obligation whatsoever to enforce the collection of Special Taxes or other funds to be deposited with it hereunder, or as to the correctness of any amounts received, but its liability shall be limited to the proper accounting for such funds as it shall actually receive. No provision in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers.

The Trustee shall not be deemed to have knowledge of any default or Event of Default until an officer at the Trustee's Principal Office of the Trustee responsible for the administration of its duties hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at the Principal Office of the Trustee.

The Trustee shall be under no responsibility or duty with respect to (i) the issuance of the Bonds for value, (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee, or (iii) the application of any moneys paid to the District or others in accordance with this Indenture except as to the application of any moneys paid to it in its capacity as Trustee. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture. The Trustee and its officers and employees may become the Owner of Bonds with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond Owners, whether or

not such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

The Trustee shall not be considered in breach of or in default in its obligations hereunder and will not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder, or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, natural catastrophes, civil or military disturbances, loss or malfunctions of utilities, any act of God or war, terrorism or the unavailability of the Federal Reserve Bank or other wire or communication facility, or any similar event and/or occurrences beyond the control of the Trustee; provided, that in the event of any such unavoidable delay, the Trustee shall notify the District in writing within five (5) Business Days after (i) the occurrence of the event giving rise to such unavoidable delay, (ii) the Trustee’s actual knowledge of the impending unavoidable delay, or (iii) the Trustee’s knowledge of sufficient facts under which a reasonable person would conclude the unavoidable delay will occur.

If the Trustee acts in good faith on any communication (including, but not limited to, communication with respect to the delivery of securities or the wire transfer of funds) sent by electronic transmission and believed by the Trustee to be genuine and to have been signed or presented by the proper person or persons, the Trustee, absent negligence or willful misconduct, will not be responsible or liable in the event such communication is not an authorized or authentic communication of the party involved or is not in the form the party involved sent or intended to send (whether due to fraud, distortion or otherwise). Absent negligence or willful misconduct on the part of the Trustee, the Trustee will not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s good faith reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction received by the Trustee after the Trustee has acted upon such original instructions. Subject to the foregoing, the District agrees to assume all risks arising out of the use of such electronic transmission to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 7.5 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding; provided, however, such successor shall provide the District with a notice of merger or conversion as soon as practicable.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 8.1 Events of Default. Any one or more of the following events shall constitute an “Event of Default”:

(a) default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond or Parity Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) default in the due and punctual payment of the interest on any Bond or Parity Bond when and as the same shall become due and payable; or

(c) except as described in (a) or (b), default shall be made by the District in the observance of any of the agreements, conditions or covenants on its part contained in this Indenture, the Bonds or any Parity Bonds, and such default shall have continued for a period of 30 days after the District shall have been given notice in writing of such default by the Trustee or the Owners of 25% in aggregate principal amount of the Outstanding Bonds and Parity Bonds.

The Trustee agrees to give notice to the Owners as soon as practicable upon the occurrence of an Event of Default under (a) or (b) above and within 10 days of the Trustee’s knowledge of a default of the type described in (c) above which, if not cured, with the passage of time would become an Event of Default.

Section 8.2 Remedies of Owners. Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Outstanding Bonds and Parity Bonds, and to enforce any rights of the Trustee under or with respect to this Indenture, including:

(a) by mandamus or other suit or proceeding at law or in equity to enforce his rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in this Indenture;

(b) by suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) by a suit in equity to require the District and its members, officers and employees to account as the Trustee of an express trust.

If an Event of Default shall have occurred and be continuing and if requested so to do by the Owners of at least twenty-five percent (25%) in aggregate principal amount of Outstanding Bonds and Parity Bonds and if indemnified to its satisfaction, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article 8, as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Owners of the Bonds and Parity Bonds.

No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or

otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

Section 8.3 Application of Revenues and Other Funds After Default. All amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture relating to the Bonds and Parity Bonds shall be applied by the Trustee in the following order upon presentation of the several Bonds and Parity Bonds:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in carrying out the provisions of this Article 8, including reasonable compensation to its agents, attorneys and counsel, and to the payment of all other outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount of interest on and principal of the Bonds and Parity Bonds then due and unpaid, with interest on overdue installments of principal and interest to the extent permitted by law at the net effective rate of interest then borne by the Outstanding Bonds and Parity Bonds; provided, however, that in the event such amounts shall be insufficient to pay in full the full amount of such interest and principal, then such amounts shall be applied in the following order of priority:

(a) first to the payment of all installments of interest on the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing;

(b) second, to the payment of all installments of principal, including Sinking Fund Payments, of the Bonds and Parity Bonds then due and unpaid on a pro rata basis based on the total amount then due and owing; and

(c) third, to the payment of interest on overdue installments of principal and interest on the Bonds and Parity Bonds on a pro rata basis based on the total amount then due and owing.

Section 8.4 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of twenty-five percent (25%) in aggregate principal amount of the Bonds and Parity Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds and Parity Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in aggregate principal amount of the Outstanding Bonds and Parity Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other such litigation. Any suit, action or proceeding which any Owner of Bonds or Parity Bonds shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners of Bonds and Parity Bonds similarly situated and the Trustee is hereby appointed (and the successive respective Owners of the Bonds and Parity Bonds issued hereunder, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the respective Owners of the Bonds and Parity Bonds for the purposes of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the

respective Owners of the Bonds and Parity Bonds as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact.

Section 8.5 Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners of the Bonds and Parity Bonds under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Net Taxes and other amounts pledged hereunder, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.6 Non-Waiver. Nothing in this Article 8 or in any other provision of this Indenture, or in the Bonds or the Parity Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds and Parity Bonds to the respective Owners of the Bonds and Parity Bonds at the respective dates of maturity, as herein provided, out of the Net Taxes and other moneys herein pledged for such payment.

A waiver of any default or breach of duty or contract by the Trustee or any Owners shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission of the Trustee or any Owner of any of the Bonds or Parity Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy conferred upon the Trustee or the Owners by the Act or by this Article 8 may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee or the Owners, as the case may be.

Section 8.7 Limitations on Rights and Remedies of Owners. No Owner of any Bond or Parity Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds and Parity Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds and Parity Bonds of any remedy hereunder; it being understood and intended that no one or more Owners of Bonds and Parity Bonds shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds and Parity Bonds.

The right of any Owner of any Bond and Parity Bond to receive payment of the principal of and interest and premium (if any) on such Bond and Parity Bond as herein provided or to institute suit for the enforcement of any such payment, shall not be impaired or affected without the written

consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.8 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case, the District, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE IX

DEFEASANCE AND PARITY BONDS

Section 9.1 Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owner of an Outstanding Bond or Parity Bond the interest due thereon and the principal thereof, at the times and in the manner stipulated in this Indenture or any Supplemental Indenture, then the Owner of such Bond or Parity Bond shall cease to be entitled to the pledge of Net Taxes, and, other than as set forth below, all covenants, agreements and other obligations of the District to the Owner of such Bond or Parity Bond under this Indenture and any Supplemental Indenture relating to such Parity Bond shall thereupon cease, terminate and become void and be discharged and satisfied. In the event of a defeasance of all Outstanding Bonds and Parity Bonds pursuant to this Section, the Trustee shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the District all money or securities held by it pursuant to this Indenture which are not required for the payment of the principal of, premium, if any, and interest due on such Bonds and Parity Bonds.

Any Outstanding Bond or Parity Bond shall be deemed to have been paid within the meaning expressed in the first paragraph of this Section if such Bond or Parity Bond is paid in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money which, together with the amounts then on deposit in the Special Tax Fund and available for such purpose, is fully sufficient to pay the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable; or

(c) by depositing with the Trustee or another escrow bank appointed by the District, in trust, Federal Securities, in which the District may lawfully invest its money, in such amount as will be sufficient, together with the interest to accrue thereon and moneys then on deposit in the Special Tax Fund and available for such purpose, together with the interest to accrue thereon, to pay and discharge the principal of, premium, if any, and interest on such Bond or Parity Bond, as and when the same shall become due and payable.

If paid as provided above, then, at the election of the District, and notwithstanding that any Outstanding Bonds and Parity Bonds shall not have been surrendered for payment, all obligations of the District under this Indenture and any Supplemental Indenture with respect to such Bond or Parity Bond shall cease and terminate, except for the obligation of the Trustee to pay or cause to be paid to the Owners of any such Bond or Parity Bond not so surrendered and paid, all sums due thereon and except for the covenants of the District contained in Section 5.2(f) or any covenants in a Supplemental Indenture relating to compliance with the Code. Notice of such election shall be filed with the Trustee not less than ten days prior to the proposed defeasance date, or such shorter period of time as may be acceptable to the Trustee. In connection with a defeasance under (c) above, there shall be provided to the District a verification report from an independent nationally recognized certified public accountant stating its opinion as to the sufficiency of the moneys or securities deposited with the Trustee or the escrow bank to pay and discharge the principal of, premium, if any, and interest on all Outstanding Bonds and Parity Bonds to be defeased in accordance with this Section, as and when the same shall become due and payable, and an opinion of Bond Counsel (which may rely upon the opinion of the certified public accountant) to the effect that the Bonds or Parity Bonds being defeased have been legally defeased in accordance with this Indenture and any applicable Supplemental Indenture.

Upon a defeasance, the Trustee, upon request of the District, shall release the rights of the Owners of such Bonds and Parity Bonds which have been defeased under this Indenture and any Supplemental Indenture and execute and deliver to the District all such instruments as may be desirable to evidence such release, discharge and satisfaction. In the case of a defeasance hereunder of all Outstanding Bonds and Parity Bonds, the Trustee shall pay over or deliver to the District any funds held by the Trustee at the time of a defeasance, which are not required for the purpose of paying and discharging the principal of or interest on the Bonds and Parity Bonds when due. The Trustee shall, at the written direction of the District, mail, first class, postage prepaid, a notice to the Bondowners whose Bonds or Parity Bonds have been defeased, in the form directed by the District, stating that the defeasance has occurred.

Section 9.2 Conditions for the Issuance of Parity Bonds and Other Additional Indebtedness. The District may at any time after the issuance and delivery of the Bonds hereunder issue Parity Bonds payable from the Net Taxes and other amounts deposited in the Special Tax Fund and secured by a lien and charge upon such amounts equal to the lien and charge securing the Outstanding Bonds and any other Parity Bonds theretofore issued hereunder or under any Supplemental Indenture; provided, however, that Parity Bonds may only be issued for the purpose of refunding all or a portion of the Bonds or any Parity Bonds then Outstanding. Parity Bonds which may only be issued to effect a partial refunding may be issued subject to the following additional specific conditions, which are hereby made conditions precedent to the issuance of any such Parity Bonds:

(a) The District shall be in compliance with all covenants set forth in this Indenture and any Supplemental Indenture then in effect and a certificate of the District to that effect shall have been filed with the Trustee; provided, however, that Parity Bonds may be issued notwithstanding that the District is not in compliance with all such covenants so long as immediately following the issuance of such Parity Bonds the District will be in compliance with all such covenants.

(b) The issuance of such Parity Bonds shall have been duly authorized pursuant to the Act and all applicable laws, and the issuance of such Parity Bonds shall have been provided for by a Supplemental Indenture duly adopted by the District which shall specify the following:

(1) the purpose for which such Parity Bonds are to be issued and the fund or funds into which the proceeds thereof are to be deposited, including a provision requiring the proceeds of such Parity Bonds to be applied solely for the purpose of refunding any Outstanding Bonds or Parity Bonds, including payment of all costs and the funding of all reserves incidental to or connected with such refunding;

(2) the authorized principal amount of such Parity Bonds;

(3) the date and the maturity date or dates of such Parity Bonds; provided that (i) each maturity date shall fall on a September 1, (ii) all such Parity Bonds of like maturity shall be identical in all respects, except as to number, and (iii) fixed serial maturities or Sinking Fund Payments, or any combination thereof, shall be established to provide for the retirement of all such Parity Bonds on or before their respective maturity dates;

(4) the description of the Parity Bonds, the place of payment thereof and the procedure for execution and authentication;

(5) the denominations and method of numbering of such Parity Bonds;

(6) the amount and due date of each mandatory Sinking Fund Payment, if any, for such Parity Bonds;

(7) the amount, if any, to be deposited from the proceeds of such Parity Bonds in the Reserve Account of the Special Tax Fund such that, following delivery of the Parity Bonds, the Reserve Requirement will be satisfied;

(8) the form of such Parity Bonds; and

(9) such other provisions as are necessary or appropriate and not inconsistent with this Indenture.

(c) The District shall have received the following documents, all of such documents dated or certified, as the case may be, as of the date of delivery of such Parity Bonds by the Trustee (unless the Trustee shall be directed by the District to accept any of such documents bearing a prior date):

(1) a certified copy of the Supplemental Indenture authorizing the issuance of such Parity Bonds;

(2) a written request of the District as to the delivery of such Parity Bonds;

(3) an opinion of Bond Counsel and/or general counsel to the District to the effect that (i) the District has the right and power under the Act to adopt this Indenture and the Supplemental Indentures relating to such Parity Bonds, and this Indenture and all such Supplemental Indentures have been duly and lawfully adopted by the District, are in full force and effect and are

valid and binding upon the District and enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights); (ii) this Indenture creates the valid pledge which it purports to create of the Net Taxes and other amounts as provided in this Indenture, subject to the application thereof to the purposes and on the conditions permitted by this Indenture; and (iii) such Parity Bonds are valid and binding limited obligations of the District, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization and other similar laws relating to the enforcement of creditors' rights) and the terms of this Indenture and all Supplemental Indentures thereto and entitled to the benefits of this Indenture and all such Supplemental Indentures, and such Parity Bonds have been duly and validly authorized and issued in accordance with the Act (or other applicable laws) and this Indenture and all such Supplemental Indentures; and a further opinion of Bond Counsel to the effect that, assuming compliance by the District with certain tax covenants, the issuance of the Parity Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and any Parity Bonds theretofore issued on a tax exempt basis, or the exemption from State of California personal income taxation of interest on any Outstanding Bonds and Parity Bonds theretofore issued;

(4) a certificate of the District containing such statements as may be reasonably necessary to show compliance with the requirements of this Indenture;

(5) a certificate of an Independent Financial Consultant certifying that in each Bond Year the Annual Debt Service on the Bonds and Parity Bonds to remain Outstanding following the issuance of the Parity Bonds proposed to be issued is less than the Annual Debt Service on the Bonds and Parity Bonds Outstanding prior to the issuance of such Parity Bonds; and

(6) such further documents, money and securities as are required by the provisions of this Indenture and the Supplemental Indenture providing for the issuance of such Parity Bonds.

This Bond is one of a duly authorized issue of "City of Beaumont Community Facilities District No. 93-1 (Improvement Area No. 8F) 2020 Special Tax Bonds" (the "Bonds") issued in the aggregate principal amount of \$_____ pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Sections 53311, *et seq.*, of the California Government Code (the "Act") for the purpose of financing certain public improvements, funding a reserve account and paying certain costs related to the issuance of the Bonds. The issuance of the Bonds and the terms and conditions thereof are provided for by a resolution adopted by the City Council of the City, acting in its capacity as the legislative body of the District (the "Legislative Body"), on _____, 2020 and a Bond Indenture (the "Indenture") dated as of _____ 1, 2020, by and between the District and the Trustee, and this reference incorporates the Indenture herein, and by acceptance hereof the Registered Owner of this Bond assents to said terms and conditions. The Indenture is executed under and this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Act and the Indenture, the principal of, premium, if any, and interest on this Bond are payable solely from the portion of the annual special taxes authorized under the Act to be levied and collected within Improvement Area No. 8F of the District described in the Indenture (the "Special Taxes") and certain other amounts pledged to the repayment of the Bonds as set forth in the Indenture. Any amounts for the payment hereof shall be limited to the Special Taxes pledged and collected or foreclosure proceeds received following a default in payment of the Special Taxes and other amounts deposited to the Special Tax Fund established under the Indenture. The District has covenanted for the benefit of the owners of the Bonds that under certain circumstances described in the Indenture it will commence foreclosure proceedings in the event of delinquencies of Special Tax installments levied for payment of principal and interest on the Bonds and will diligently pursue such foreclosure proceedings until the delinquent Special Taxes are paid.

The Bonds may be redeemed, at the option of the District from any source of funds, other than Prepayments, on any date on or after September 1, 20___, in whole, or in part by lot, at a

redemption price equal to the principal amount to be redeemed, together with accrued interest to the date of redemption, at the following redemption prices (expressed a percentages of the principal amount of the Bonds to be redeemed):

<i>Redemption Dates</i>	<i>Redemption Price</i>

The Term Bonds maturing on September 1, 20__ shall be called before maturity and redeemed, from Sinking Fund Payments deposited into the Principal Account, on September 1, 20__ and on each September 1 thereafter prior to maturity, in accordance with the schedule of Sinking Fund Payments set forth in the Indenture, and the Term Bonds called for redemption shall be selected by the Trustee by lot and shall be redeemed at a redemption price equal to the principal amount thereof, plus accrued interest to the redemption date, without premium.

The Bonds shall be selected for extraordinary redemption as nearly as practicable on a pro rata basis among maturities in increments of \$5,000; provided, however, that, for Prepayments of less than \$50,000, the District may specify in a Certificate of an Authorized Representative that Prepayments be applied to one or more maturities of the Bonds or Parity Bonds so long as there is

delivered to the Trustee a Certificate of the Special Tax Consultant that, following such redemption from Prepayments, the maximum Special Taxes that may be levied in each Fiscal Year on Developed Property is not less than 110% of Maximum Annual Debt Service net of the Administrative Expense Cap.

Notice of redemption with respect to the Bonds to be redeemed shall be mailed to the registered owners thereof not less than 30 nor more than 45 days prior to the redemption date by first class mail, postage prepaid, to the addresses set forth in the registration books in accordance with the provisions of the Indenture or so long as the Bonds are registered in the name of the Nominee to the Depository in accordance with its procedures. Neither a failure of the Registered Owner hereof to receive such notice nor any defect therein will affect the validity of the proceedings for redemption. All Bonds or portions thereof so called for redemption will cease to accrue interest on the specified redemption date, provided that funds for the redemption are on deposit with the Trustee on the redemption date. Thereafter, the registered owners of such Bonds shall have no rights except to receive payment of the redemption price upon the surrender of the Bonds.

The Bonds are issuable only in fully registered form in the denomination of \$5,000 or any integral multiple thereof and may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same issue and maturity, all as more fully set forth in the Indenture. This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Principal Office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, upon surrender and cancellation of this Bond. Upon such transfer, a new registered Bond of authorized denomination or denominations for the same aggregate principal amount of the same issue and maturity will be issued to the transferee in exchange therefor.

The Trustee shall not be required to register transfers or make exchanges of (i) any Bonds for a period of 15 days next preceding any selection of the Bonds to be redeemed, or (ii) any Bonds chosen for redemption.

The rights and obligations of the District and of the registered owners of the Bonds may be amended at any time, and in certain cases without notice to or the consent of the registered owners, to the extent and upon the terms provided in the Indenture.

THE BONDS DO NOT CONSTITUTE OBLIGATIONS OF THE CITY OF BEAUMONT, THE COUNTY OF RIVERSIDE OR OF THE DISTRICT FOR WHICH THE CITY OF BEAUMONT, THE COUNTY OF RIVERSIDE OR THE DISTRICT IS OBLIGATED TO LEVY OR PLEDGE, OR HAS LEVIED OR PLEDGED, GENERAL OR SPECIAL TAXES, OTHER THAN THE SPECIAL TAXES REFERENCED HEREIN. THE BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE FROM THE PORTION OF THE SPECIAL TAXES DESCRIBED IN THE INDENTURE AND OTHER AMOUNTS PLEDGED UNDER THE INDENTURE BUT ARE NOT A DEBT OF THE CITY OF BEAUMONT, THE COUNTY OF RIVERSIDE, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR RESTRICTION.

This Bond shall not become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been dated and signed by the Trustee.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by law to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the District, does not exceed any debt limit prescribed by the laws or Constitution of the State of California.
