- ## GENERAL NOTES
1. Builder shall provide retaining walls along property line for grade transitions when required to maintain proper slopes between houses.
 2. This drawing is provided for grading purposes only.
 - drawing does not represent a boundary or mortgage title inspection. Easement and Building Setback information shown is from the recorded plat unless otherwise indicated.
 - Utilities shown are for information only, and builder shall verify depths and locations prior to construction.Builder will be required to provide a minimum advance notice of seventy-two (72) hours to utility companies prior to starting any excavation as follows: Kansas One Call 1-800-344-7233 or 687-2470 (local Wichita).
 3. Care should be taken to protect existing sidewalk. Sidewalk may need to be removed and replaced due to damages from construction and/or to more gradually slope driveway from house to curb.
