

DATE: May 27, 2026
TO: Ted Henry, City Manger
FROM: Bel Aire City Council
SUBJECT: Amendment to the 2026 Funding Agreement with the Bel Aire Chamber

Summary

The Bel Aire Area Chamber of Commerce has informed the City that it is unable to meet certain obligations under the current Funding Agreement. The proposed First Amendment modifies the agreement by relieving the Chamber of specific event-related requirements while encouraging continued volunteer support and organizational improvement efforts.

The amendment outlines expectations for the Chamber to pursue membership growth, explore partnership opportunities with neighboring chambers, review and update its mission statement, and report back to the City Council in late 2026 regarding its progress and future plans.
