requiring litigation shall be in any court of appropriate jurisdiction in Sedgwick County, Kansas.

9. No party shall be required to submit any dispute to arbitration, but a good faith mediation attempt shall be a condition precedent to litigation as a resolution process. The parties waive trial by jury.
10. The City shall not hold harmless or indemnify the Contractor beyond the liability that may be incurred under the Kansas Tort Claims Act (KSA 75-6101 et seq.). Contractor agrees to indemnify, hold harmless and defend City against any third party claims for personal injury, death or tangible property damage resulting from Contractor's negligence, reduced to the extent of any other party's negligence, provided Contractor is provided reasonable notice regarding such claim and has the sole right to select and direct counsel and settle the claim; City shall consent to the settlement, such consent shall not be unreasonably withheld, delayed, or conditioned.

The City retains the right to unilaterally modify or terminate this Contract at any time if, in the opinion of its legal counsel, the Contract may be deemed to violate the terms of such laws.
13. The obligation to supply goods or services under this Contract is personal to this Contractor, and cannot be assigned, subcontracted or transferred to another without the written consent of the City, such consent shall not be unreasonably withheld, delayed, or conditioned.
14. This Contract is intended solely for the benefit of the City and the Contractor. The parties do not intend that it benefit, either directly or indirectly, any third party. No third party may sue for damages based on the terms or performance of this Contract.

If Contractor cannot maintain delivery of goods or equipment and/or rendering of services according to the agreed schedule, Contractor must notify City immediately. Upon Contractor's failure to maintain delivery or otherwise perform hereunder, City reserves the right to procure such goods or equipment and/or services elsewhere, in whole or in part, and assess Contractor with any additional costs incurred, unless Contractor's default arises from causes beyond its control and without fault or negligence; is a result of a force majeure event, or is mutually approved between the Contractor and City. This remedy is in addition to any other remedy which City may have pursuant to this Agreement or otherwise and/or any warranty that may be implied or imposed by operation of law.
18. Contractor must immediately notify City of any safety recall notices of products, goods and services Contractor has provided to City. In addition, Contractor shall remedy the recalled defect(s), at no cost to City, by: (1) providing products, goods or services reasonably equal to or better than the quality of the products, goods or services without accounting for the recalled defect(s); or (2) providing compensation to City in an amount not less than the original cost of the products, goods or services less a reasonable amount for depreciation.
