STAFF REPORT

TO: Governing Body

FROM: Chief Darrell Atteberry

RE: Police Vehicle Purchase

BACKGROUND:

AGENDA ITEM DESCRIPTION: The City of Bel Aire Police Department seeks approval for the purchase of one 2024 Dodge Durango Police vehicle.

The police department is budgeted through the Equipment Replacement Fund to purchase patrol vehicles.

BACKGROUND HISTORY: The City of Bel Aire Police Department maintains a fleet of seven patrol vehicles. All are fully marked patrol vehicles equipped with audio/visual recording devices, radios, emergency lighting, prisoner transport systems, weapons and additional small items for traffic control and working cases in the field.

As the Ford vehicles near the end of their police patrol life cycle, which is around 80,000 miles, they require more maintenance. It is a challenge to keep the vehicles in operation even with regular maintenance when the vehicles go beyond 80,000 miles. The police department has Ford vehicles that need to be removed from the fleet as their mileage is beyond 80,000 miles.

As the vehicles gain mileage, the cost to maintain the vehicles increases. To balance out the mileage of the vehicles, the police department works to move the vehicles around on the shifts. This helps balance out the mileage according to the age of the vehicles.

There is no concern about abuse of the equipment. Police patrol vehicles are often used around the clock, on city streets, country roads, and often off-road to accomplish the policing purpose. These are not family transport vehicles.

We have located a vehicle at Parks, Inc., which is an authorized State of Kansas dealership for Dodge and will be able to acquire the 2024 Dodge Durango Police vehicle quickly.

Parks Inc.	2024	\$42,050	In Stock
Davis-Moore	2024	\$42,796+	In Stock
Davis-Moore	2025	\$43,012+	30-60 days after order

+ = Options not included in the Parks, Inc. bid. (search light at \$675)

FINANCIAL IMPACT:

2023 Dodge Durango Police	\$43,010
Equipment Install, Labor	\$23,854
Total	\$66,864

Total for a 2024 Dodge Durango equipped Police vehicle \$66,864

The purchase of the Dodge Durango Police vehicle will be through the Equipment Replacement Fund.

STAFF RECOMMENDATION: Staff recommend approval of the purchase of a Dodge Durango Police vehicle from Parks Motors, (Parks, Inc.) of Augusta.

- 2. Repair Facility Installed** – Assemblies purchased wholesale and installed by an automotive business, fleet or municipal garage.
If the part is purchased by a customer and it has been validated that the part has been installed by an automotive business, fleet or municipal garage, the selling dealer can register the part as Repair Facility Installed. INSTALLATION TYPES:

- 1. Dealer Installed** – Assemblies installed by a Chrysler, Dodge, Jeep®, Ram, FIAT® and Alfa Romeo location.
- 2. Repair Facility Installed** – Assemblies purchased wholesale and installed by an automotive business, fleet or municipal garage.
If the part is purchased by a customer and it has been validated that the part has been installed by an automotive business, fleet or municipal garage, the selling dealer can register the part as Repair Facility Installed. A copy of the repair order will need to be attached to the dealer's invoice or WRO.
- 3. DIY Customer Installed** – Assemblies purchased and installed by an individual and not by a dealer or repair facility.

Parts (1) – Parts are covered if the failure is determined to be a warrantable defect. The authorized Chrysler, Dodge, Jeep, Ram, FIAT and Alfa Romeo location will verify the Mopar coverage and determine the disposition (all diagnostic and labor fees are the responsibility of the retail consumer). Part restrictions may apply. Mopar Parts are covered against defects in materials and workmanship for a 90-day period (parts exchange only) for any installation which varies from the original equipment specifications. Mopar Parts and Magneti Marelli Offered by Mopar Parts replaced on an FCA US LLC vehicle still covered by the FCA US LLC New Vehicle Basic Limited Warranty are warranted for the remainder of the 3-Year/36,000-Mile New Vehicle Basic Limited Warranty.

Parts (2) – Parts are covered on a replacement basis only, if the original part was sold over-the-counter. Mopar Parts are covered against defects in materials and workmanship for a 90-day period (parts exchange only) for any installation which varies from the original equipment specifications.

Labor (1) – Labor is paid at FCA US warranty labor hours at the dealer's warranty labor rate.

Claim Support* – Customer's original repair order or receipt showing date of purchase, purchased location and labor details if applicable and copy of current vehicle registration.

Repair or Replace calculation* – Replacement sheet metal products which prove to be defective due to perforation (inside-out rust-through only) will be repaired or replaced at the option of FCA US LLC. If the vehicle is eight (8) model years old or more, FCA US LLC may replace the defective part with a comparable salvage part. This warranty covers the cost of parts, labor and paint for replacement parts, including outer-panel sheet metal parts, if incurred as a result of the failure; if preapproved by FCA US LLC; and if an authorized FCA US LLC dealer originally installed the part.

WHAT IS NOT COVERED:

This warranty does not cover corrosion due to fire, accident, vehicle abuse, owner negligence or vehicle alteration; corrosion caused by sand, hail, airborne fallout, chemicals, salt, road hazards or stone damage; or surface paint deterioration or corrosion (other than inside-out perforation).

Mopar Warranties cover neither non-FCA US LLC or non-Mopar Parts, components or equipment. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of any non-FCA US LLC or non-Mopar Parts, equipment, materials or additives.

Mopar Warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence or misuse (for example: driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which parts are installed; or corrosion or damage caused by the use of caustic materials.

Mopar Warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

Mopar Warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owners Manual.

Mopar Warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

Mopar Warranties do not apply to parts installed on a vehicle that has had its odometer or emissions systems tampered with or disconnected, or that has been declared a total loss by any insurance company; or is rebuilt after being declared a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. FCA US LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in this paragraph.

Mopar Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by FCA US LLC, as set forth in the New Vehicle Limited Warranty. If your New Vehicle Limited Warranty is restricted by FCA US LLC, coverage under your Mopar Parts and Accessories Limited Warranties may also be restricted or denied.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by FCA US LLC, as set forth in the New Vehicle Limited Warranty. If your New Vehicle Limited Warranty is restricted by FCA US LLC, coverage under your Mopar Parts and Accessories Limited Warranties may also be restricted or denied.

Mopar Powertrain Parts are covered against defects in materials and workmanship for a 90-day period (parts exchange only) for any installation which varies from the original equipment specifications.

**** For Cummins short and long block engines and cylinder heads purchased prior to May 1, 2017, the coverage is for 6 months and unlimited mileage.

***** Some individual parts listed are covered by the Mopar 3-Year/100,000-Mile Powertrain Parts Limited Warranty only if they are purchased as part of the engine or transmission assembly. Parts purchased individually are covered by the Mopar 2-Year/Unlimited-Mileage Basic Limited Warranty.

WHAT IS NOT COVERED:

Mopar Warranties cover neither non-FCA US LLC or non-Mopar Parts, components or equipment. These warranties also do not cover the costs of any repairs or adjustments that might be caused by or needed because of the use or installation of any non-FCA US LLC or non-Mopar Parts, equipment, materials or additives.

Mopar Warranties do not cover the costs of repairing damage or conditions caused by fire or accident; by abuse, negligence or misuse (for example: driving over curbs, or overloading or racing the vehicle); by improper adjustment, alteration or failure to maintain the vehicle on which parts are installed; or corrosion or damage caused by the use of caustic materials.

Mopar® Warranties do not cover parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.

Mopar Warranties do not cover the costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owners Manual.

Mopar Warranties do not cover the costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.

Mopar Warranties do not apply to parts installed on a vehicle that has had its odometer or emissions systems tampered with or disconnected, or that has been declared a total loss by any insurance company; or is rebuilt after being declared a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt" or words of similar import. FCA US LLC will deny warranty coverage without notice if it finds that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in this paragraph.

Mopar Limited Warranties do not cover any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Your warranties can also be restricted by FCA US LLC, as set forth in the New Vehicle Limited Warranty. If your New Vehicle Limited Warranty is restricted by FCA US LLC, coverage under your Mopar Parts and Accessories Limited Warranties may also be restricted or denied.

Damage caused by any other force such as an accident, large debris, fraud, falling objects, road debris or other Acts of God are not warrantable.

Additional exclusions may apply.

OTHER TERMS:

NOTE: Powertrain components purchased in the United States and installed on Canada or Mexico market vehicles do not receive the applicable Powertrain Warranty, with the exception of travelers from Canada or Mexico with proof of registration. These travelers can receive warranty coverage through a U.S. dealer. U.S. dealers are not allowed to register powertrain components on Canadian or Mexican registered vehicles. Powertrain components sold to businesses in Canada or Mexico for the purpose of resale do not receive the applicable Powertrain Warranty. International purchases made online are not covered.

Mopar Parts are covered against defects in materials and workmanship for a 90-day period (parts exchange only) for any installation which varies from the original equipment specifications.

OVERHEATED ENGINES WARRANTY POLICY

Mopar• is announcing a new warranty policy change for any previously replaced engine due to engine overheat conditions. This policy change is effective with vehicles received for repair on or after September 30, 2023.

Engine overheating conditions are not warrantable, and therefore are not covered under any applicable warranty (Powertrain, Mopar, etc.).

The exceptions that could be covered under warranty would be:

- A Mopar cooling system part caused the overheat condition (water pump, thermostat, etc.).

Note: Proof of the Mopar causal part purchase or work order must be provided for Mopar (M) type claims. For Warranty (W) type claims, the failed cooling system component must be identified and noted in the technician notes.

If a customer/independent repair facility (IRF) returns an engine that was purchased over-the-counter with a warranty concern, the dealer will verify that the correct engine was returned by checking the engine serial number, confirm if the part was registered and inspect the heat tabs. If the heat tabs are pink or red, the rules below apply. If the heat tabs are pink or red, confirm a warrantable cooling system failure. If this process is not followed, the dealer could be subject to chargeback for accepting the incorrect or defective engine.

Normal White Sensor

Overheated Pink Sensor
255°F Coolant Temp

Overheated Red Sensor
+255°F Coolant Temp

When a customer returns with an engine warranty concern from a prior repair, the dealer's technician must complete the following:

- Verify the engine serial number.
- Inspect the heat tabs.
- If the heat tabs are pink or red, root cause a warrantable Mopar cooling system failure prior to installing a Mopar replacement engine.

Note: If this process is not followed, the dealer could be subject to chargeback for accepting the incorrect or defective engine.

MOPAR. RECOMMENDATION

- Inspect and/or replace the cooling system components on the initial replacement (examples below):
 - Water Pump
 - Thermostat
 - Radiator
 - Hoses/Clamps
 - Drain and fill the cooling system according to procedure.
 - Inspect cooling fans.
-

ADDITIONAL INFORMATION

- Multi-layered steel head gasket failures and warped head/block are the result of an overheat, not the cause of the overheat.
- Loose head bolts are a result of a collapsed head gasket after an overheat condition.
- All Mopar® Service engines are end-of-the-line tested for leak down, compression and oil pressure compliance.

4 YOUR LEGAL RIGHTS UNDER THESE LIMITED WARRANTIES

1. YOUR LEGAL RIGHTS UNDER THESE LIMITED WARRANTIES

The warranties contained in this booklet are the only express warranties that FCA US LLC ("FCA US") makes for your vehicle. **These warranties give you specific legal rights. You may also have other rights that vary from state to state.** For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by the express written warranties contained in this booklet.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA US LLC completely disclaims them to the extent allowed by law. The implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

1.1 INCIDENTAL AND CONSEQUENTIAL DAMAGES NOT COVERED

Your warranties do not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward.

Examples of such damages include:

- Lost time

- Inconvenience
- The loss of the use of your vehicle
- The cost of rental vehicles, gasoline, telephone, travel, or lodging
- The loss of personal or commercial property
- The loss of revenue

Some states do not allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

1.2 FCA US LLC DISPUTE SETTLEMENT PROGRAM

FCA US LLC offers a dispute settlement program under two options for customers. First, you may submit your claim to the National Center for Dispute Settlement (NCDS). For more information on the NCDS program, please see "section 7.1 C". Second, if you prefer not to submit your claim to NCDS, or you are not satisfied with the result from NCDS, then you agree to resolve your dispute with FCA US LLC through binding arbitration as defined in "section 1.3".

1.3 VOLUNTARY BINDING ARBITRATION PROVISION

Please carefully read this voluntary binding arbitration provision, which applies to any dispute between you and FCA US LLC and its affiliates (together "FCA", "we" or "us"). If you have a concern or dispute, please send a written notice describing it and your desired resolution to FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766. This binding arbitration provision does not affect any rights a consumer has to participate in

any of FCA US LLC's nonbinding arbitration programs or any voluntary arbitration programs sponsored by any state or government agency.

If your concern or dispute is not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and FCA US LLC will not be decided by a judge or jury but instead by a single arbitration administered by the **American Arbitration Association (AAA)** under its **Consumer Arbitration Rules** in effect at the time you signed the Agreement to Arbitrate.

This includes claims arising out of your warranty and claims arising before this agreement, such as claims related to statements about our products.

FCA US LLC will pay all AAA fees and costs for any arbitration, which will be held in the city or county of your residence. To learn more about the rules and how to begin an arbitration, you may call any AAA office or go to <http://www.adr.org>.

The arbitrator may only resolve disputes between you and FCA US LLC and may not consolidate claims without the consent of all parties. You and FCA US LLC may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. The arbitrator cannot hear class or representative claims on behalf of others purchasing or leasing FCA US LLC vehicles. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days of taking delivery of the vehicle and signing the Arbitration Acknowledgment Form at the dealer. To opt out of the binding arbitration program, send a letter to: FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766, stating your name, Vehicle Identification Number (VIN), and intent to opt out of the arbitration provision. If you do not opt out, then this provision to arbitrate is binding.

2. WHAT IS COVERED UNDER FCA US LLC'S WARRANTIES

2.1 BASIC LIMITED WARRANTY

A. WHO IS COVERED

You are covered by the Basic Limited Warranty if you are a purchaser for use of the vehicle.

B. WHAT IS COVERED

The Basic Limited Warranty covers the cost of all parts and labor needed to repair any item on your vehicle when it left the manufacturing plant that is defective in material, workmanship or factory preparation. There is no list of covered parts since the only exceptions are the parts listed in "section 2.1 C". These warranty repairs or adjustments, including all parts and labor connected with them, will be made by an authorized Chrysler, Dodge, Jeep®, or Ram dealer at no charge, using new or remanufactured parts.

C. ITEMS COVERED BY OTHER WARRANTIES

The following are covered by separate warranties offered by their manufacturers. They are **not covered** by the Basic Limited Warranty:

- Tires
- Headphones

- Items added or changed after your vehicle left the manufacturing plant, such as accessories or protection products, or items changed because of customization or van conversion.

Be sure you get a copy of any warranty that applies to these items from the manufacturer of the product.

D. TOWING COSTS ARE COVERED UNDER CERTAIN CIRCUMSTANCES

Roadside Assistance covers the cost of towing your vehicle to the nearest authorized Chrysler, Dodge, Jeep®, or Ram dealer if your vehicle cannot be driven because a covered part has failed.

If you choose to go to another dealer, you will be responsible for the cost. Refer to "section 6.4" for information on how to get towing service in the United States and Canada.

E. WHEN IT BEGINS

F. WHEN IT ENDS

The Basic Limited Warranty lasts for three years from the date it begins or for 36,000 miles on the odometer, whichever occurs first.

- The vehicle is operated and maintained in the manner described in your Owner's Manual.

EXCEPT WHERE SPECIFICALLY REQUIRED BY LAW, THERE IS NO WARRANTY COVERAGE FOR THIS VEHICLE IF IT IS SOLD OR REGISTERED OUTSIDE OF THE UNITED STATES, UNITED STATES POSSESSIONS AND TERRITORIES.

This policy does not apply to vehicles that have received authorization for export from FCA US LLC. Dealers may not give authorization for export. Consult an authorized dealer to determine this vehicle's warranty coverage if you have any questions.

This policy does not apply to vehicles registered to US government officials or military personnel on assignment outside of the United States.

H. IF YOU MOVE

If you move to another country, be sure to contact the FCA US LLC Customer Assistance Center in "section 7.2" and the customs department of the destination country before you move. Vehicle importation rules vary considerably from country to country. You may be required to present documentation of your move to FCA US LLC in order to continue your warranty coverage. You may also be required to obtain documentation from FCA US LLC in order to register your vehicle in your new country.

I. VEHICLE REGISTRATION NOTICE

If your vehicle is registered outside of the United States, and you have not followed the procedure set out above, your vehicle will no longer be eligible for warranty coverage of any kind. Vehicles registered to United States government officials or military personnel on assignment outside of the US will continue to be covered.

3. WHAT IS NOT COVERED

3.1 MODIFICATIONS NOT COVERED

A. SOME MODIFICATIONS DO NOT VOID THE WARRANTIES BUT ARE NOT COVERED

Certain changes that you might make to your vehicle do not, by themselves, void the warranties described in this booklet. Examples of some of these changes are:

- Installing non-FCA US LLC parts, components, or equipment such as a non-FCA US LLC radio or cruise control.
- Using special non-FCA US LLC materials or additives.
- Modifying the front fascia/bumper, vehicle body structure, or adding aftermarket side steps or running boards.
- Replacing windshields on vehicles equipped with Advanced Driver Assist systems with non-FCA US LLC parts.
- Using aftermarket collision parts.
- Attaching or installing any aftermarket accessories, including transparent material (e.g. glass tinting) or aftermarket grilles.

NOTE:

Non-FCA US LLC parts can also impact downstream or other related safety systems.

Your warranties do not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor do they cover the costs of any repairs or adjustments that

might be caused or needed because of the installation or use of non-FCA US LLC parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA US LLC parts. Repairs or adjustments caused by their use are not covered under your warranties.

- Attaching any device that disconnects the odometer.

3.2 ENVIRONMENTAL FACTORS NOT COVERED

Your warranties do not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, acid rain, and road hazards. Nor do

your warranties cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranties do not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

3.3 MAINTENANCE COSTS NOT COVERED

Your warranties do not cover the costs of repairing damage caused by poor or improper maintenance. Nor do they cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranties do not cover the costs of your vehicle's normal or scheduled maintenance, the parts and services that all vehicles routinely need.

Some of these parts and services, which your warranties do not cover, include:

- Lubrication
- Engine tune-ups
- Replacing filters, coolant, spark plugs, or fuses (unless those costs result from a covered repair)
- Cleaning and polishing
- Replacing worn wiper blades, worn brake pads and linings, or clutch linings

3.4 RACING NOT COVERED

Your warranties do not cover the costs of repairing damage or conditions caused by racing, nor do they cover the repair of any defects that are found as the result of participating in a racing event.

3.5 CERTAIN KINDS OF CORROSION NOT COVERED

Your warranties do not cover the following:

- Corrosion caused by accident, damage, abuse, or vehicle alteration
- Surface corrosion caused by such things as industrial fallout, sand, salt, hail, ocean spray, and stones

- Corrosion of special bodies, body conversions, or equipment that was not on your vehicle when it left the manufacturing plant or was not supplied by FCA US LLC

3.6 OTHER EXCLUSIONS

Your warranties do not cover the costs of repairing damage or conditions caused by any of the following:

- Fire or accident
- Abuse or negligence

14 WHAT IS NOT COVERED

- Use of used parts, even if they were originally supplied by FCA US LLC; however, authorized FCA US LLC/Mopar® remanufactured parts are covered
- Windshield or rear window damage from external objects
- Any changes made to your vehicle that do not comply with FCA US LLC
- Using any fluid that does not meet the minimum recommendations in your Owner's Manual

3.7 TOTAL LOSS, SALVAGE, JUNK, OR SCRAP VEHICLES NOT COVERED

A vehicle has no warranty coverage of any kind if:

- The vehicle is declared a total loss by an insurance company.
- The vehicle is rebuilt after being declared a total loss by an insurance company.
- The vehicle is issued a certificate of title indicating that it is designated as "salvage", "junk", "rebuilt", "scrap", or some similar word.

FCA US LLC will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

This exclusion does not apply to emission warranties or to recall campaigns.

3.8 RESTRICTED WARRANTY

FCA US LLC may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA US LLC before covered repairs are performed.

4. OTHER TERMS OF YOUR WARRANTIES

4.1 EXCHANGED PARTS MAY BE USED IN WARRANTY REPAIRS

In the interest of customer satisfaction, FCA US LLC may offer exchange service on some vehicle parts. This service is intended to reduce the amount of time your vehicle is not available for your use because of repairs. Parts used in exchange service may be new, remanufactured, reconditioned, or repaired, depending on the part involved.

All exchange parts that might be used meet FCA US LLC standards, and have the same warranties as new parts.

Examples of the kinds of parts that might be serviced in this way are:

- Engine Assemblies
- Transmission Assemblies
- Instrument Cluster Assemblies
- Radios, CD and DVD players
- Speedometers
- Powertrain Control Module (PCM)

To help control suspected ozone-depleting agents, the Environmental Protection Agency (EPA) requires the capture, purification, and reuse of automotive air conditioning refrigerant gases. As a result, a repair to the sealed portion of your air conditioning system may involve the installation of purified reclaimed refrigerant.

4.2 PRE-DELIVERY SERVICE

A defect in or damage to the mechanical, electrical, sheet metal, paint, trim, and other components of your vehicle may have occurred at the factory or while it was being shipped to an authorized dealer.

Such a defect or damage is usually detected and corrected at the factory. In addition, dealers must inspect each vehicle before delivery. The dealer will repair any defects or damage detected before the vehicle is delivered to you.

4.3 PRODUCTION CHANGES

Changes may be made in vehicles sold by FCA US LLC and its authorized dealers at any time without incurring any obligation to make the same or similar changes on vehicles previously built or sold.

5. FEDERAL EMISSION WARRANTY

5.1 PARTS COVERED FOR TWO YEARS OR 24,000 MILES

5.3 EMISSION PERFORMANCE WARRANTY

This Emission Performance Warranty supplements the Federal Emission Warranty under "section 5.1". It lasts for two years or 24,000 miles on the odometer, whichever occurs first. If your vehicle has one of the parts listed in "section 5.2", the Federal Emission Warranty covers that part for a period of eight years or 80,000 miles, whichever occurs first. These limits are counted from the time when your Basic Limited Warranty begins under "section 2.1 E". The Emission Performance Warranty covers the cost of repairing or adjusting any components or parts that might be needed for your vehicle to pass federal emission standards for a federally approved state or local emission test, but only if:

- Your vehicle has failed a federally approved state or local emission test.
- Your vehicle has been maintained and operated properly up until it fails such a test.
- You face a real penalty, for example, a fine or the loss of the use of your vehicle because the vehicle has failed the test.

Refer to "section 6.6", Getting Service Under The Federal Emission Performance Warranties, for further information on how to get service under this warranty.

5.4 CALIFORNIA EMISSION WARRANTY

A. YOUR WARRANTY RIGHTS AND OBLIGATIONS APPLIES ONLY TO VEHICLES CERTIFIED FOR SALE AND REGISTERED IN THE STATE OF CALIFORNIA OR A STATE THAT HAS ADOPTED CALIFORNIA REGULATIONS

The California Air Resources Board is pleased to explain the emission control system warranty on your 2024 model vehicle. In California, new vehicles must be designed, built and equipped to meet the state's stringent anti-smog standards. FCA US LLC ("FCA US") must warrant the emission control system on your vehicle for the periods of time listed in this booklet provided there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include parts such as the fuel-injection system, the ignition system, catalytic converter and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, FCA US LLC will repair your vehicle at no cost to you, including diagnosis, parts and labor.

The California Emission Warranty starts when your Basic Limited Warranty begins under "section 2.1 E".

The emission warranty statement specified in this booklet applies only to vehicles certified for sale and registered in the state of California or in one of the following states:

Colorado	Minnesota	Pennsylvania
Connecticut	Nevada	Rhode Island
Delaware	New Jersey	Vermont
Maine	New York	Virginia
Maryland	Oregon	Washington
Massachusetts		

In addition, if your vehicle is a model certified as a Transitional Zero Emission Vehicle (TZEV), you are entitled to the warranty rights and obligations set forth in this booklet, if your vehicle was certified for sale and registered in California or one of the following states:

Colorado	Minnesota	Rhode Island
Connecticut	Nevada	Vermont
Maine	New Jersey	Virginia
Maryland	New York	Washington
Massachusetts	Oregon	

B. OWNER’S WARRANTY RESPONSIBILITIES

- As the vehicle owner, you are responsible for the performance of the required maintenance listed in your Owner’s Manual. FCA US LLC recommends that you retain all receipts covering maintenance on your vehicle, but FCA US LLC cannot deny warranty solely for the

lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

- You are responsible for presenting your vehicle to any authorized Chrysler, Dodge, Jeep® or Ram dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.
- As the vehicle owner, be aware that FCA US LLC may deny your warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

C. GETTING SERVICE UNDER THE CALIFORNIA EMISSION WARRANTY

What To Do If You Fail A Smog Check

If a vehicle fails a state smog check test during the coverage period, FCA US LLC will repair the vehicle so that it will pass a state smog check retest. The owner should take the vehicle to any authorized Chrysler, Dodge, Jeep® or Ram dealer for warranty repairs and give a copy of the failed smog check test report to the dealer. If the owner is not notified within 30 days that a performance warranty claim is denied, the manufacturer must repair the vehicle free of charge.

What To Do To Get Warranty Service

To get warranty service, even if you are traveling, take your vehicle to any authorized Chrysler, Dodge, Jeep® or Ram dealer. FCA US LLC recommends that you take your vehicle to an authorized dealer who sells the same make of vehicle as yours. That dealer will perform any warranty service without charging you for diagnosis, parts or labor.

Emergency Emission Warranty Service

If you need emergency service under this warranty and an authorized Chrysler, Dodge, Jeep® or Ram dealer is not readily available, you may have your vehicle repaired by anyone using any brand of repair parts.

Before FCA US LLC will reimburse you for emergency repairs under this warranty, you will have to provide FCA US LLC with details on why the situation was an emergency and why dealer service was unavailable.

Under this warranty, an emergency occurs if a part will not be available within 30 days or if a repair cannot be completed within 30 days.

However, FCA US LLC recommends that you do the following before having repairs made:

- Contact the FCA US LLC Customer Assistance Center and ask for help with emission warranty service.
- The Customer Assistance Center will recommend an authorized servicing dealer or help you find a qualified independent servicing dealer.
- If you need to use an independent servicing dealer, make arrangements during your first contact with the Customer Assistance Center for reimbursement for emergency repairs (including labor and diagnosis). You will need to get and keep the replaced parts, as well as the original invoice marked "paid".
- Review with the Customer Assistance Center any questions you have about the emission warranty. Reimbursement for parts will be based on FCA US LLC's suggested retail price. Reimbursement for labor will be based on FCA US LLC's recommended time allowance for the repair and on the appropriate hourly labor rate in the geographic area where you have the work done.

D. MANUFACTURER'S WARRANTY COVERAGE

Parts And Performance Covered For Three Years Or 50,000 Miles, Whichever Occurs First

If your vehicle fails a smog check inspection, all necessary repairs and adjustments will be made by FCA US LLC to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.

20 FEDERAL EMISSION WARRANTY

Your vehicle is designed, built, and equipped so as to conform with all applicable regulations adopted by the California Air Resources Board (CARB).

Furthermore, it is designed to be free from defects in materials and workmanship which cause the failure of a warranted part to be identical in all material respects to the part as described in the vehicle or engine manufacturer's application for certification for a period of three years or 50,000 miles, whichever first occurs; and free from defects in materials and workmanship which cause the failure of a warranted part described in section below for seven years or 70,000 miles, whichever first occurs.

California law requires FCA US LLC to warrant that if any emission-related part on your vehicle is defective, FCA US LLC will repair or replace the part. The repair or replacement will be made at no cost to you for diagnosis, parts or labor. Any other parts damaged by the failure of a defective part will also be repaired or replaced.

Your emission control system may include parts such as the catalytic converter or Powertrain Control Module (PCM). Also included may be hoses, belts, connectors and other emission-related assemblies.

Parts Covered For Seven Years Or 70,000 Miles, Whichever Occurs First

If an emission-related part listed in this warranty booklet specially noted with coverage for seven years or 70,000 miles is defective, the part will be repaired or replaced by FCA US LLC. This is your long-term emission control system DEFECTS WARRANTY.

FCA US LLC also warrants that every part listed, if installed as original equipment, is free from defects. The full list of parts is available in the Basic Limited Warranty book on www.mopar.com.

Where parts are scheduled for replacement as required maintenance, this warranty applies until the first scheduled maintenance point listed in the Owner's Manual.

6. WHERE TO TAKE YOUR VEHICLE

6.1 IN THE UNITED STATES AND US POSSESSIONS AND TERRITORIES FOR WARRANTY PURPOSES

Warranty service must be done by an authorized Chrysler, Dodge, Jeep®, or Ram dealer. We strongly recommend that you take your vehicle to your selling dealer. They know your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep®, or Ram dealer.

6.2 IN CANADA AND MEXICO

If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US LLC warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep®, or Ram dealer.

6.3 IN A FOREIGN COUNTRY OUTSIDE OF NORTH AMERICA

If you are traveling temporarily outside of North America, and your vehicle remains registered in the United States:

- Take your vehicle to an authorized Chrysler, Dodge, Jeep®, or Ram dealer. They should give you the same warranty service you receive in the United States.
- If the authorized dealer charges you for repairs which you feel should be covered under your warranty, please get a detailed receipt for the work done. Make sure that this receipt lists all warranty repairs and parts that were involved. This receipt will be similar to the one used by the authorized dealer that normally services your vehicle.
- When your vehicle returns to the United States, contact the FCA US LLC Customer Assistance Center for reimbursement consideration. You can find the address in "section 7.2". You will normally need to provide a copy of the receipt, your vehicle registration and any other relevant documents.
- Reimbursement will not be considered if the vehicle does not return to the United States.

6.4 HOW TO GET ROADSIDE ASSISTANCE SERVICE — U.S. OR CANADA ONLY *

A. Who Is Covered

You are covered by Roadside Assistance services if you are a purchaser for use of the vehicle. Roadside Assistance coverage is calculated from the start date of the Basic Limited Warranty, as set forth in "section 2.1 E". *

* Roadside Assistance services provided through Cross Country Motor Club, Inc., 400 River's Edge Drive, Medford, MA 02155, except in AK, CA, HI, OR, WI, and WY, where services are provided by Cross Country Motor Club of California, Inc., 275 East Hillcrest Drive, Suite 165, Thousand Oaks, CA 91360.

24 WHERE TO TAKE YOUR VEHICLE

Roadside Assistance services last for five years or 60,000 miles on the odometer, whichever occurs first. PHEV and electric vehicles that cannot be driven due to failure of a part covered by the High Voltage Lithium-Ion Battery Limited Warranty will be eligible for standard towing coverage up to the applicable terms defined in "section 2.4 D". If your vehicle is covered under the California Emission Warranty, additional terms may apply.

B. What To Do

If your vehicle requires jump start assistance, out of gas/fuel delivery, tire service, lockout service or towing as a result of a mechanical breakdown, call 800-521-2779 or go to www.chrysler.rsahelp.com for assistance.

Provide your name, Vehicle Identification Number (VIN) — required for covered services, license plate number, and your location, including the telephone number from which you are calling. Briefly describe the nature of the problem and answer a few simple questions.

You will be given the name of the service provider and an estimated time of arrival. If you feel you are in an "unsafe situation", please let us know. With your consent, we will contact local police or safety authorities.

C. IF UNABLE TO CONTACT ROADSIDE ASSISTANCE

If you are unable to contact Roadside Assistance or unable to provide a valid Vehicle Identification Number (VIN) and you obtain towing services on your own, you may submit your original receipts from the licensed towing or service facility for services rendered within 30 days of the occurrence. Be sure to include your VIN, odometer mileage at the time of service and current mailing address. We will process the claim based on vehicle and service eligibility. If eligible, we will reimburse you for the reasonable amounts you actually paid, based on the usual and customary charges for that service in the area where they were provided. FCA US LLC's determination relating to reimbursement is final. Correspondence should be mailed to:

FCA US LLC Customer Assistance

P.O. Box 9145

Medford, MA 02155

Attention: Claims Department

A claim can also be submitted online at <https://stellantis.roadside reimbursement.com>.

FCA US LLC reserves the right to modify the terms or to discontinue the Roadside Assistance Program at any time. The Roadside Assistance Program is subject to restrictions and conditions of use, that which are determined solely by FCA US LLC.

D. COVERED SERVICES

Flat Tire Service

If you are inconvenienced by a flat tire, we will dispatch a service provider to use your vehicle's temporary spare tire (if equipped) as recommended in your Owner's Manual. This is not a permanent flat tire repair.

Out of Gas/Fuel Delivery (does not apply to electric vehicles)

Drivers cannot always count on a gas station being nearby, especially when traveling away from home. We will dispatch a service provider to deliver a small amount of fuel (maximum two gallons) to get you to a nearby station. This service is limited to two occurrences in a 12-month period.

Battery Jump Assistance (12V battery only)

No time is a good time for a depleted battery, but with Roadside Assistance, you do not have to worry about being stranded. We will dispatch a service provider to provide you with a battery jump any time, day or night.

Lockout Service

Whether the keys are locked in your vehicle or frozen locks are keeping you from getting on your way, Roadside Assistance can assist you. This service is limited to providing access to the vehicle's seating area. It does not cover the cost of replacement keys.

Towing Service

Roadside Assistance service gives you peace of mind and confidence. If your vehicle becomes disabled as a result of a mechanical breakdown, Roadside Assistance will dispatch a towing service provider to transport your vehicle to the closest authorized Chrysler, Dodge, Jeep®, or Ram dealer. If you choose to go to another dealer, you will be responsible for the cost of the additional mileage.

6.5 EMERGENCY WARRANTY REPAIRS

If you have an emergency and have to get a warranty repair made by someone other than an authorized Chrysler, Dodge, Jeep®, or Ram follow the reimbursement procedure in "section 6.4 C".

6.6 GETTING SERVICE UNDER THE FEDERAL EMISSION PERFORMANCE WARRANTIES

A. WHAT TO DO

If the vehicle has failed an emissions test described in "section 5.3":

- Take the vehicle to an authorized Chrysler, Dodge, Jeep® or Ram dealer as soon as possible.
- Give the service representative the printout showing that the vehicle failed the test.
- If possible, bring all service receipts, maintenance logs, and records proving that the vehicle has been properly maintained, since you may be required to show them.

7. HOW TO DEAL WITH WARRANTY PROBLEMS

7.1 STEPS TO TAKE

A. IN GENERAL

Normally, warranty problems can be resolved by an authorized dealer's sales or service departments. Always talk to the authorized dealer's service manager or sales manager first. If you are not satisfied with the authorized dealer's response to your problem, FCA US LLC recommends that you discuss your problem with the owner or general manager of the authorized dealer.

If the authorized dealer still cannot resolve the problem, contact the FCA US LLC Customer Assistance Center. You can find the address in "section 7.2".

B. WHAT FCA US LLC WILL DO

Once you have followed the recommended instructions described in "section 7.1 A", a FCA US LLC representative at FCA US LLC headquarters will review your situation. If it is something that FCA US LLC can help you with, FCA US LLC will provide an authorized dealer with all the information and assistance necessary to resolve the problem. Even if FCA US LLC cannot help you, FCA US LLC will acknowledge your contact and explain FCA US LLC's position.

If you cannot resolve your warranty problem after following the recommended instructions described in "section 7.1 A", you may

obtain a brochure describing FCA US LLC's Customer Arbitration Process (CAP), including an application, by calling 800-423-6343 for assistance. For further details on resolving your warranty problem, please see the Lemon Law booklet available online at www.mopar.com.

P.O. Box 515315

Dallas, TX 75251-5315

The CAP reviews only vehicle disputes involving FCA US LLC ("FCA US") Limited Warranty or an FCA US LLC/Mopar® Part Limited Warranty. The CAP does not review disputes involving the sale of a new or used vehicle, personal injury/property damage claims, disputes relating to the design of the vehicle or a part, or disputes which are already the subject of litigation.

28 HOW TO DEAL WITH WARRANTY PROBLEMS

The CAP will need the following information from you:

1. Legible copies of all documents and repair orders relevant to your case.
2. Vehicle Identification Number (VIN) of your vehicle.
3. A brief description of your unresolved concern.
4. The identity of your servicing/selling dealer.
5. The date(s) of repair(s) and mileage at the time.
6. The current mileage.
7. A description of the action you expect to resolve your concern.

Upon receipt of your request:

- The National Center for Dispute Settlement (NCDS) will acknowledge receipt of your request, by email or mail, within 10 days, and advise you whether or not your dispute is within the jurisdiction of the process.
- When your request is within jurisdiction, NCDS will request FCA US LLC to present their side of the dispute. You will receive copies of the responses.
- While your dispute is pending, NCDS or FCA US LLC may contact you to see if your case can be settled by agreement. If a settlement is offered to you, FCA US LLC will ask you to sign a form that contains that settlement. Your case will then be closed. There is no requirement for you to participate in this settlement process.
- If you requested an oral hearing, with NCDS will contact you to arrange a convenient time and place for a hearing. Usually, this will be at a dealer near you or by teleconference.

- If you request a documents-only review, a panel of neutral arbitrators will review and decide your case. Neither you nor FCA US LLC need be present.
- NCDS will send you a written Statement of Decision. This statement will include the decision, any action to be taken by FCA US LLC and the time by which the action must be taken. The decision will be binding on FCA US LLC but not on you unless you accept the decision.
- If any action is required on FCA US LLC, you will be contacted within 10 days after the date by which FCA US LLC must act to determine whether performance has been rendered.
- The entire dispute settlement process will normally take no longer than 40 days.

D. NOTICE UNDER STATE LEMON LAWS

Some states have laws allowing you to get a replacement vehicle or a refund of the vehicle's purchase price under certain circumstances. These laws vary from state to state. If your state law allows, FCA US LLC requires that you first notify us in writing of any service difficulty that you may have experienced so that we can have a chance to make any needed repairs before you are eligible for remedies provided by these laws. In all other states, we ask that you give us written notice of any service difficulty. Send your written notice to the FCA US LLC Customer Assistance Center using the address in "section 7.2".

E. CALIFORNIA RESIDENTS ONLY

FCA US LLC offers a non-binding dispute resolution program in the state of California that has been certified by the Arbitration Certification Program of the state. The California Dispute Settlement
