

**AGREEMENT
CONCERNING THE DEVELOPMENT
OF HOMESTEAD SENIOR LANDING,
BEL AIRE, SEDGWICK COUNTY, KANSAS**

This agreement is made and entered into by and between HOMESTEAD SENIOR RESIDENCES BEL AIRE, L.L.C., a Kansas Company, hereinafter referred to as the "DEVELOPER" and the CITY OF BEL AIRE, KANSAS, hereinafter referred to as the "CITY."

WHEREAS, the DEVELOPER desires platting by the CITY of a tract of land more fully described below and herein referred to as HOMESTEAD SENIOR LANDING, Bel Aire, Sedgwick County, Kansas (hereinafter, HOMESTEAD SENIOR LANDING); and

All of Lot 1, Block A, Homestead Senior Landing, Bel Aire, Sedgwick County, Kansas.

WHEREAS, the CITY is willing to consider platting of said HOMESTEAD SENIOR LANDING;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the DEVELOPER and the CITY agree as follows:

PURPOSE: This agreement is necessary to address certain financial, infrastructure and drainage conditions arising from the platting process which must be dealt with prior to final plat approval and as such, approval of this Agreement is a condition precedent to final consideration by the CITY of the DEVELOPER'S request for approval of the final plat on a tract of land more fully described below and herein referred to as HOMESTEAD SENIOR LANDING.

Specifically, this agreement is to assure that necessary improvements are in place to support development of HOMESTEAD SENIOR LANDING. Therefore, the DEVELOPER'S compliance with the terms and conditions of this Agreement shall be a condition precedent to the granting of building and/or occupancy permits for development on said property. The DEVELOPER shall strictly observe and comply with the terms of this Agreement, all regulations, resolutions, policies, and ordinances of the CITY and Sedgwick County, and all statutes and laws of the State of Kansas and of the United States.

The development of HOMESTEAD SENIOR LANDING shall proceed in accordance with this Agreement and subsequent platting. Any deviation, as determined by the CITY, shall constitute a violation of the building permit authorizing construction of the proposed development, and may result in suspension or termination of such building permit. It is understood by the parties that the final site dimensions, grading plan, drainage, landscape plan, street plan, parking plan and utility plans will be submitted by the DEVELOPER and approved by the CITY in phases based on the conceptual plans. Any deviations from the conceptual drawing shall be submitted for review and approval by the CITY. Any and all costs permit fees, review fees, and building and zoning permit and review fees incurred or required by city staff and review and/or through building and zoning review shall be paid by the DEVELOPER.

HOMESTEAD SENIOR LANDING'S LEGAL DESCRIPTION: The tract of land herein referred to as HOMESTEAD SENIOR LANDING, Bel Aire, Sedgwick County, Kansas, has the following pre-platting legal description, to-wit:

All of Lots 1 through 7, Block A, Savute Commercial Park Addition, Bel Aire, Sedgwick County, Kansas.

PERMITTED USE: This lot will be rezoned to R-6, and construction upon such lot shall be limited to single and multi-family units.

7.08 MULTI-FAMILY DISTRICT (R-6)

The zoning of property as R-6 Multi-Family District, is intended to provide for development of well-designed garden apartment complexes with emphasis on open space and access to light and air. The R-6 district allows development of up to twelve (12) dwelling units per net acre. Apartment projects in the R-6 district will all be low-rise developments with commonly maintained landscaped open space.

A. Use Regulations. No building, structure, land or premises shall be used, and no building or structure shall hereafter be erected, constructed, reconstructed, moved or altered except for one (1) or more of the uses set forth herein, or similar uses subject to all applicable development and performance standards.

B. Permitted uses. The following uses shall be permitted by right in the "R-6" Multi-Family District, subject to all applicable development and performance standards:

1. Multi-family (attached) dwellings with not less than 700 square feet minimum of living space.
2. Community Building for Residents, by approved Conditional Use Permit.

3. Community Building Parking for Residence, by approved Conditional Use Permit.

C. Height and Area Regulations for R-6 Developments. The maximum height of buildings and structures, the minimum dimensions of lots, setbacks for parking/paving and yards, and the minimum site area per dwelling unit permitted on any lot shall be as follows, except as otherwise provided in these Regulations relating to Height and Area Regulations, Exceptions, and requirements set forth within the Subdivision Code:

1. Minimum district size – one (1) net acre;
2. Minimum lot area per dwelling unit – three-thousand-six-hundred-thirty square feet (3,630 sq ft).
3. Maximum height:
 - a. Residences – one (1) story, not exceeding twenty-five (25) feet from finished grade.
 - b. Nonresidential structures and uses – seventy-five (75) feet, provided such structure is set back from all property lines a distance equal to
or
greater than its height.
4. Minimum front yard – thirty (30) feet from street right-of-way.

D. Minimum side yards:

1. Twenty (20) feet from property lines.
2. Seventy-five (75) feet from property lines adjoining land zoned C-2 through M-1 inclusive.
3. Corner lots – thirty (30) feet from street right-of-way

E. Minimum rear yard:

1. Thirty-five (35) feet from property line
2. Seventy-five (75) feet from property lines adjoining land zoned C-2 through M-1, inclusive.

F. Minimum distance between building: Twenty (20) feet

CONSTRUCTION PERIOD REQUIREMENTS. In addition to other requirements set forth within this agreement regarding property maintenance, the following requirements shall be met specifically during the period of time during which construction of HOMESTEAD SENIOR LANDING is being developed:

All lots covered by this Agreement shall be subject to the CITY'S storm water regulations. The Contractor shall install and the DEVELOPER maintains the storm water protection devices established by the CITY and the master drainage / grading plan until such time the devices are no longer needed due to the adequate establishment of ground cover. All lots covered by this agreement shall be kept clean, shall not pond water, shall be mowed to a height not exceeding eight (8) inches, and shall comply with all applicable laws and regulations pertaining to erosion control.

All temporary construction units must be removed when building in the immediate vicinity is completed. Temporary construction units shall be relocated to areas actively being constructed.

All temporary utility connections made to expedite the development must be removed immediately as permanent utility services are provided; i.e. temporary above ground power supply.

Vehicle access to the tract of land herein referred to as the HOMESTEAD SENIOR LANDING shall be limited to four entry points along Oliver, with no access to 53rd St N, as recommended by the Sedgwick County Fire Department for fire protection purposes and emergency vehicles. Traffic in HOMESTEAD SENIOR LANDING shall be limited to vehicles under 20 tons. Construction traffic shall enter from Oliver. DEVELOPER shall be responsible for installation and removal of any temporary roads during construction. Such temporary roads shall be approved by the CITY. All roadways must be kept free of construction debris and mud. Dust created during construction must be controlled avoiding a nuisance for motorists and neighbors. Any damage to Oliver between the South Entrance of the Plat and 53rd Street made by construction equipment shall be repaired by the DEVELOPER and/or contractor at no cost to the CITY. The repairs shall be made to the satisfaction of the CITY.

DETENTION PONDS. Any on-site detention ponds will be designed to control two, twenty-five year storm events and one, hundred year storm event. Additionally, the ponds will act as temporary sedimentation basins during construction but are limited to the amount of sediment allowed and DEVELOPER responsible for any dredging required and maintain such.

Any on-site detention ponds and associated inflow and outflow systems to the property as well as the reserves, and ditches are to be maintained by the DEVELOPER indefinitely unless transferred to a home owner's association or equal resolution approved by the CITY, excluding paving and utilities within dedicated rights of ways as indicated on plat

documents. Failure of the DEVELOPER to maintain such areas and property as described shall be grounds for the CITY to enforce this provisions as a nuisance abatement action, and charge all costs back to the DEVELOPER as set forth in K.S.A. 12-1617e.

DRAINAGE. Protecting surrounding property from the impacts of changes in drainage across such property resulting from the development of HOMESTEAD SENIOR LANDING must be addressed as part of the platting process. The DEVELOPER shall prepare a storm drainage plan which shall address the various impacts of increased/modified drainage, meet CITY drainage specifications, and be approved by the City Engineer. Prior to approval of said proposed storm drainage plan, the City Engineer may impose modifications upon such proposed plan as Engineer deems necessary to insure the effectiveness of such plan. After approval by the City Engineer of said storm drainage plan, including any necessary modifications, the DEVELOPER shall install, or cause to be installed, the improvements pursuant to the drainage plan.

The DEVELOPER shall maintain a master drainage plan throughout the development stage for each parcel.

DRAINAGE PLAN. The DEVELOPER must provide a maintenance plan within the HOA Covenant document that will provide adequate provisions to protect the master drainage plan. The Maintenance Drainage Plan will include but not limited to: how to initiate the maintenance process for the drainage plan, how to inspect, what to inspect, when to inspect, how to correct drainage problems that are discovered, the appropriate records to be maintained and designating the party responsible for maintaining such records. All maintenance records will be furnished to the City upon request.

ELECTRIC: All electric lines shall be installed underground and paid for by the DEVELOPER.

EROSION AND SEDIMENT CONTROL. The DEVELOPER must follow all National Pollution Discharge Elimination System (NPDES), Kansas Department of Health & Environment (KDHE), and City of Bel Aire Standards for erosion and sediment control on site.

FENCING & SCREENING: Fencing and screening methods and materials shall blend in with the architectural design of the buildings and to reasonably hide the materials, trash and recycling containers from ground view, and all fencing and screening methods and materials must be pre-approved in writing by the CITY. Vinyl coated chain link fencing materials and other similar fencing material may be allowed if such materials blend in with the architectural design elements of the building and adjacent sites. Any plans for outside storage facilities shall comply with the applicable ordinances and zoning regulations of the CITY and be submitted in writing to the CITY for prior approval. No barbed wire is allowed. If any fencing or screening is installed by the DEVELOPER along Oliver or other

areas during Development, all future maintenance and upkeep shall be performed by the DEVELOPER or HOA.

FIRE HYDRANTS: All fire hydrants shall be of a type and quality specified by CITY Specification Standards, but not less than the minimum standards of the National Board of Fire Underwriters, and shall be provided and connected to the CITY'S municipal water supply system. Such hydrants shall be subject to the inspection and approval of the applicable Fire Chief.

FOUNDATION CERTIFICATIONS. Foundation Certifications will be required on each foundation after construction. Minimum low opening certifications will be required on all lots with minimum pads indicated on the face of the plat.

HOMEOWNERS' ASSOCIATION. DEVELOPER and/or Homeowners Association will be required to provide continuous maintenance for all identified reserves, common areas, ponds, drainage systems, detention ponds and construction areas associated with HOMESTEAD SENIOR LANDING .

INFRASTRUCTURE PETITION AND INSTALLATION: The development of HOMESTEAD SENIOR LANDING is being accomplished by virtue of a multiple-phase process. Representatives of the parties shall formally meet and review the existing and proposed phases of development as well as the requirements of this agreement, prior to the submission of petitions for infrastructure improvements for each phase of development.

Installation of all improvements shall be in compliance with requirements of all applicable federal, state and local legislation, including the Americans with Disabilities Act. All electric power, street lights and telephone service shall be installed underground. The CITY shall perform the engineering design, construction and inspection of water mains and sanitary sewer mains, necessary for the platting and development of the tract of land herein referred to as the HOMESTEAD SENIOR LANDING , Bel Aire, Sedgwick County, Kansas. Said improvements shall be dedicated to and owned and maintained by the CITY. Said improvements shall be installed on CITY owned property or within public right of ways or easements. All utility easements shall be obtained and recorded prior to the solicitation of bids for the utility projects. The DEVELOPER shall reimburse the CITY for the actual costs of the engineering design, construction and inspection of all improvements necessary for the platting and development of the tract of land herein referred to as the HOMESTEAD SENIOR LANDING unless otherwise petitioned and approved by the Governing Body of the City of Bel Aire, Kansas.

The DEVELOPER shall dedicate any necessary public right-of-ways and easements. The DEVELOPER shall install, or cause to be installed, all improvements necessary for the platting and development of the tract of land herein referred to as the HOMESTEAD SENIOR LANDING. Said improvements to be installed include, but are not limited to

streets, curb, gutter, street signs, storm water system, sidewalks, water distribution system, sanitary sewer lines, corner pins, driveways and utilities. All streets, curb, gutter, street signs, storm water system and sidewalks shall be privately owned and maintained. The water distribution mains and appurtenances, sanitary sewer mains and manholes shall be publicly owned and maintained. The DEVELOPER shall indemnify and hold harmless the CITY from any liability from damages that may occur during construction. The DEVELOPER shall pay one hundred percent (100%) of the cost of the improvements unless otherwise petitioned and approved by the Governing Body of the City of Bel Aire, Kansas and/or another unit of government.

Whenever existing sanitary sewer, storm water, water lines, drainage channels, culverts, underground and overhead electric, communications, gas lines, pipe lines or transmission lines are required to be installed, lowered, encased, modified or relocated due to the subdivision or construction improvements required, and in the event it was not known at time of platting approval, the DEVELOPER shall pay one hundred percent (100%) of the cost of the improvements unless otherwise petitioned and approved by the Governing Body of the City of Bel Aire, Kansas and/or another unit of government. The DEVELOPER shall indemnify and hold harmless the CITY from any liability from damages that may occur during construction.

LANDSCAPING & SCREENING: The DEVELOPER shall submit and have approved by the CITY, a "Landscape Plan" that is representative of the landscaping to be provided as each phase of HOMESTEAD SENIOR LANDING is developed. The "Landscaping Plan" shall show contours, utilities, size and spread at planting, any type of ground cover, shrubs, and coordinate with the Drainage Plan and Site Plan for the project.

Planting of interior trees shall meet the CITY'S street tree requirements. Any areas outside of the general boundaries of each development phase shall be planted to appropriate turf or ground cover adequate to prevent undue soil erosion and shall be maintained in accordance with applicable CITY ordinances. Any future Phases to be constructed shall also submit and have approved by the CITY, detailed landscape plans for that Phase. Within all detailed landscape plans, ground mounted mechanical equipment and trash receptacles shall be screened from ground level view.

LIGHTING: A street and parking lighting plan shall be submitted to the CITY for approval and comply with the City zoning ordinance. Outdoor lighting sources shall employ cutoff luminaires to minimize light trespass and glare. Wood poles will not be allowed.

MAINTENANCE: DEVELOPER and/or Homeowners Association will be required to provide continuous maintenance for all identified reserves, common areas, ponds, Oliver and 53rd right-of-way and construction outside boundaries of HOMESTEAD SENIOR LANDING .

PERMITS. No construction shall commence on any portion of the tract of land herein referred to as HOMESTEAD SENIOR LANDING without the DEVELOPER having first obtained the proper building and zoning permits from the CITY.

The development of HOMESTEAD SENIOR LANDING shall proceed in accordance with this Agreement and subsequent platting. Any deviation, as determined by the CITY, shall constitute a violation of the building permit authorizing construction of the proposed development. The final site dimensions, grading plan, drainage, landscape plan, street plan, parking plan and utility plans will be submitted and approved in phases based on the conceptual plans. Any deviations from the conceptual drawing shall be submitted for review and approval by the CITY. Any and all costs permit fees, review fees, and building and zoning permit and review fees incurred or required by city staff and review and/or through building and zoning review shall be paid by the DEVELOPER.

ROADWAYS, PARKING, DRIVES, and ACCESS: The DEVELOPER shall cause to be installed, according to the design standards of the CITY, paved drives with curb and gutter per the approved site plan in HOMESTEAD SENIOR LANDING . All roadways, parking, and curb and gutter shall be privately owned and maintained. The community parking plan must be submitted for approval.

All driveways shall be per CITY ordinance. Access controls are as shown on the final plat of HOMESTEAD SENIOR RESIDENCE.

Vehicle access to the tract of land herein referred to as the HOMESTEAD SENIOR LANDING shall be limited to four entry points. Four along Oliver, with no access to 53rd St. N., as recommended by the Sedgwick County Fire Department for fire protection purposes for emergency vehicles. Traffic in HOMESTEAD SENIOR LANDING shall be limited to vehicles under 20 tons.

SANITARY SEWER: The DEVELOPER shall petition the CITY to perform the engineering design review, construction and inspection of collection lines, not less than (8) inches in diameter, to transport sewage and discharge to the proposed lift station in the northeast corner of the property. Said sewer main shall be dedicated to and owned and maintained by the CITY. Said sewer main shall be installed within dedicated easements. If not shown on the final plat, necessary easements shall be granted by the DEVELOPER-by separate instrument, prior to the solicitation of bids for the utility projects. All Sanitary Sewer User Fees and Hookup Fees are subject to City Ordinances. Each building shall have a separate sewer tap and service line.

SIGNAGE. Signs, other than street or traffic / regulatory, of such location, type and size as shall be approved as part of the building permit process or by the Governing Body, giving due regard to the prevailing type, size and pattern of location utilized throughout the area. All signage shall comply with the applicable ordinances and zoning regulations of the City and be submitted in writing to the CITY for written approval.

Signs are to be maintained by the DEVELOPER indefinitely unless transferred to a home owner's association or equal resolution approved by the CITY. Failure of the DEVELOPER to maintain such areas and property shall be grounds for the CITY to enforce this provision as a nuisance abatement action, and charge all costs back to the DEVELOPER or HOA as set forth in K.S.A. 12-1617e.

WATER: The DEVELOPER shall petition the CITY to perform the engineering design, construction and inspection of transmission water lines minimum (8) inches in diameter, to the municipal water supply system of the City of Bel Aire, Kansas. Said water transmission lines shall be dedicated to and owned and maintained by the CITY. Lines shall be designed to loop. Said water transmission lines shall be installed within dedicated easements. If not shown on the final plat, necessary easements shall be granted to the CITY by the DEVELOPER and dedicated by separate instrument prior to the solicitation of bids for the utility projects. Each building is required to have a separate water tap and water line. All Water User Fees and Hook Up Fees are subject to City Ordinances.

BONDING CAPACITY. Assurances are to be provided whenever the CITY has been furnished a financial guarantee (irrevocable letter of credit, corporate completion bond, cashier's check, escrow account or cash) on 35% of the estimated principal cost of the project (engineering design, construction, inspections, temp note interest and administration). The Letter of Credit (LOC) or bond will be in the form approved by the CITY and name the City of Bel Aire as beneficiary. The assurances will serve to protect the general taxpayers of Bel Aire from subsidizing the special assessment debt. The assurance shall be filed prior to any debt being issued by the CITY for any of the expenses mentioned above and be in the equal to 35% of these same costs. It is understood that this letter of credit shall be automatically renewed for additional 1-year periods unless the DEVELOPER has notified the CITY. Provided there are no delinquent taxes or special assessments owed by the DEVELOPER, the financial guarantee will be released upon request of the DEVELOPER when development (issuance of satisfactory framing by the City of Bel Aire) of 35 percent of the properties covered by the LOC, the CITY will, by written instruction, authorize the release of this letter of credit, provided, however, that before this letter of credit is released the CITY shall be entitled to a partial drawing against the credit in the amount of any delinquent special assessments.

MISCELLANEOUS:

The DEVELOPER must make mail delivery provisions for each household with the U.S. Postal Services.

MODIFICATION OF PLAT THROUGH REPLATTING PROCESS. While it is intended by the parties that the development will precede in compliance with this Agreement and the existing plat of HOMESTEAD SENIOR LANDING nothing herein shall be construed to prohibit modifications to the HOMESTEAD SENIOR LANDING development as a result of the formal replatting process.

RESPECTIVE RESPONSIBILITIES OF CITY AND DEVELOPER: Notwithstanding anything to the contrary contained herein, the CITY shall be responsible for the construction of sewer and water facilities for HOMESTEAD SENIOR LANDING or other projects or additions, the costs for which shall be spread as special assessments against the addition on a fractional/square footage basis, but not for three (3) years, or until the year 2024.

The DEVELOPER agrees to assume responsibility to see that all original purchasers of lots in the Addition receive a copy of the Developer's Agreement and the Restrictive Covenant at the time of purchase.

Each DEVELOPER, individual, or entity who is presently an owner of a lot or lots in HOMESTEAD SENIOR LANDING or any individual or entity who later becomes a DEVELOPER by acquiring ownership of a lot or lots in said projects, shall do so subject to the terms of this Development Agreement, and shall be liable for the payment of other costs and expenses payable by DEVELOPER hereunder which are incurred for improvements or facilities located on the lots or which are used or are available for the benefit of the lot or lots owned by the DEVELOPER.

Likewise, each DEVELOPER shall be responsible for the performance or compliance with other obligations or requirements contained herein which may be performed on the lot or lots owned by the DEVELOPER or which the DEVELOPER otherwise has the legal power and authority to perform. In the event any improvements or facilities are constructed on the lot or lot of a DEVELOPER not to serve the needs of that lot or lots, but rather to serve the needs of a lot or lots not owned by the DEVELOPER, the DEVELOPER shall have no liability or responsibility for the costs and expenses incurred in the construction or maintenance of those improvements or facilities.

Finally, in the event improvements or facilities are constructed and maintained to serve lots owned by more than one DEVELOPER or for the use of all DEVELOPERS, the costs and expenses for such construction and maintenance shall be paid by all DEVELOPERS whose lots are served by such improvements and facilities which costs and expenses shall be allocated to those DEVELOPERS whose lots are being served in the proportion that the number of square feet in the lots being served and respectively owned by them bears to the total square feet of all lots being served.

RECORDING: The DEVELOPER shall file an executed copy of this Agreement with the Sedgwick County Register of Deeds. A copy of this Agreement showing said recording along with a copy of the recorded plat shall be furnished by the DEVELOPER to the general contractor before building permits are issued.

BINDING: The terms and conditions of this Agreement, as set forth herein, shall be binding upon the City and the DEVELOPER, their successors, representatives, trustees, and assigns.

THIS AGREEMENT is hereby executed on this 2nd day of April, 2022.
