the time of authentication of any Bond certificates issued in lieu of Bonds surrendered for transfer or exchange, the effective date of registration shall be as of the date to which interest has been paid in full on the Bonds surrendered.

Section 2.04. Method and Place of Payment of Bonds. The principal of, redemption premium, if any, and interest on the Bonds shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) in the case of an interest payment to any Owner of \$500,000 or more in aggregate principal amount of Bonds, by electronic transfer to such Owner upon written notice given to the Bond Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank ABA routing number and account number to which such Owner wishes to have such transfer directed.

Final payment of principal and redemption premium, if any, on all Bonds shall be made by check or draft upon the presentation and surrender of the certificate(s) representing such Bonds at the Maturity thereof at the principal corporate trust office of the Paying Agent.

Section 2.05. Execution and Authentication of Bonds.

(a) Bond certificates shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk, and shall have the corporate seal of the Issuer affixed thereto or imprinted thereon. In case any officer whose signature or facsimile thereof appears on any Bond certificates shall cease to be such officer before the delivery of such Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Bond certificate may be signed by such persons as at the actual time of the execution of such Bond certificate shall be the proper officers to sign although on the date of issuance of such Bond such persons may not have been such officers.

(b) The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in *Article IV* hereof, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed. Such executed Certificate of Authentication upon any Bond certificate shall be conclusive evidence that the Bonds described in such Bond certificate have been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond certificate shall be deemed to have been duly executed if signed by any authorized officer or employee of the Trustee, but it shall not be necessary that the same officer or employee sign the Certificate of Authentication on all of the Bond certificates that may be delivered hereunder at any one time.

Section 2.06. Registration, Transfer and Exchange of Bonds.

(a) The Trustee shall keep books for the registration and for the transfer of the Series 2025B Bonds and any Additional Bonds as provided in this Indenture.

(b) Bonds may be transferred only upon the books maintained by Trustee for the registration and transfer of Bonds upon surrender of the certificate(s) representing such Bonds to the Trustee duly

endorsed for transfer or accompanied by an assignment duly executed by the Owner(s) of Bonds or his attorney or legal representative in such form as shall be satisfactory to the Trustee. Upon any such transfer, the Issuer shall execute and the Trustee shall authenticate and deliver in exchange for such Bonds new Bond certificate(s), registered in the name of the transferee, of any Authorized Denomination in an aggregate principal amount equal to the principal amount of such Bonds, of the same series and maturity and bearing interest at the same rate. In the event that any Owner(s) of Bonds fails to provide a certified taxpayer identification number to the Trustee, the Trustee may make a charge against such Owner(s) of Bonds sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Internal Revenue Code of 1986, as amended, such amount may be deducted by the Paying Agent from amounts otherwise payable to any Owner(s) of Bonds.

(c) In all cases in which Bonds shall be exchanged or transferred hereunder, the Issuer shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bond certificates in accordance with the provisions of this Indenture. All Bond certificates surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. The Issuer or the Trustee may make a charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid by the Owner(s) of Bonds before any such new Bond certificate shall be delivered. Neither the Issuer nor the Trustee shall be required to make any such exchange or transfer of Bonds on or after the Record Date preceding a Payment Date on the Bonds or, in the case of any proposed redemption of Bonds, during the 15 days immediately preceding the selection of Bonds for such redemption or after such Bonds or any portion thereof has been selected for redemption.

(d) Any proposed transfer of Series 2025B Bonds shall be made by the Trustee only upon delivery to the Trustee, the Issuer and the Tenant of an opinion of counsel to the proposed transferor either (i) that the proposed transfer is a part of a transaction exempt from the application of the Securities Act of 1933, as amended (the "1933 Act"), or (ii) that the transfer is a part of a transaction that is in compliance with the registration provisions of the 1933 Act, which opinion shall be in form and substance acceptable to both the Trustee, the Issuer and the Tenant.

(e) All of the duties of the Trustee set forth in this *Section 2.06* may be performed by any co-trustee or co-paying agent appointed by the Trustee, to the extent specified in the instrument appointing such co-trustee or co-paying agent.

Section 2.07. Persons Deemed Owners of Bonds. The person in whose name any Bond shall be registered as shown on the registration books required to be maintained by the Trustee by this Article shall be deemed and regarded as the absolute owner thereof for all purposes. Payment of, or on account of the principal of and premium, if any, and, interest on any such Bond shall be made only to or upon the order of such registered Owner or a duly constituted legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 2.08. Authorization of Series 2025B Bonds.

(a) The Series 2025B Bonds shall be issued by the Issuer in an aggregate principal amount not exceeding \$12,000,000 and shall be purchased by the Original Purchaser thereof at their par principal amount for the purpose of providing the funds to pay, or reimburse the Tenant, for payment of Project Costs. The Series 2025B Bonds shall be in substantially the form attached hereto as *Exhibit A*. The Series 2025B Bonds shall be in the aggregate original principal amount of the amount advanced to the Project Fund by the Original Purchaser of the Series 2025B Bonds on the Issue Date, and each amount subsequently advanced to the Project Fund on each Draw Date, made by presenting to the Trustee a

completed requisition for payment of Project Costs in the form attached as *Exhibit A* to the Project Lease, but not exceeding an aggregate principal amount of \$12,000,000. Advances on the Series 2025B Bonds shall be made on the Issue Date and on each Draw Date; provided, however, all advances of additional principal for the Series 2025B Bonds must occur, if at all, by the Completion Date.

Pending advancement by the Original Purchaser of the entire authorized principal amount of Series 2025B Bonds, or receipt from the Tenant of a Certificate of Completion, whichever comes first, the Trustee shall retain custody of all Series 2025B Bond certificates. The Trustee shall endorse the Schedule of Principal Amounts Advanced attached to the Series 2025B Bond certificate to reflect an increase in principal amount Outstanding each time the Original Purchaser advances money to the Project Fund to pay Project Costs as requested by the Tenant. Each such endorsement reflecting an increase in Outstanding principal amount shall constitute the Trustee's authentication of the issuance of Series 2025B Bonds reflected by such endorsement. The Issuer hereby irrevocably authorizes the Trustee to so endorse each Series 2025B Bond certificate; however, failure by the Trustee to effect any such endorsement or any error in such endorsement shall not limit the Issuer's obligations under the Series 2025B Bond certificate with respect to principal amounts which are in fact Outstanding. The Trustee shall, upon request, send written confirmation to the Tenant and the Issuer of the amount of Series 2025B Bonds Outstanding on any date. The Trustee agrees that immediately upon the making of any endorsement on the Schedule of Principal Amounts Advanced attached to the Series 2025B Bond certificate, the Trustee will forward a copy of such Schedule of Principal Amounts Advanced to Bond Counsel, via fax, email or overnight delivery, to the address set forth below:

The Series 2025B Bonds shall be payable as set forth in *Appendix A* and shall be dated, bear interest, and be subject to redemption and transfer as set forth in such forms. All of the terms and provisions of the Series 2025B Bonds as set forth in *Appendix A* are incorporated into this Indenture by reference. The Series 2025B Bonds and the interest and redemption premium, if any, thereon will not be a general obligation of the Issuer but shall be payable solely out of the revenues derived by the Issuer pursuant to the Project Lease (except to the extent payable from proceeds of sale or re-letting of the Project).

(b) Interest on the Series 2025B Bonds shall be payable to the Owners thereof in accordance with the provisions of *Article II* hereof.

(c) The Trustee is hereby designated as the Issuer's Paying Agent for the payment of the principal of, premium, if any, and interest on the Series 2025B Bonds. The Trustee may appoint one or more financial institutions to act as co-paying agent for the Series 2025B Bonds.

(d) Upon the original issuance and delivery of the Series 2025B Bonds, the effective date of registration thereof shall be their Dated Date.

(e) The Series 2025B Bonds shall be substantially in the form and manner set forth in *Article IV* hereof and delivered to the Trustee for authentication, but prior to or simultaneously with the authentication and delivery of the Bonds by the Trustee, there shall be filed with the Trustee the following:

- (i) An original or certified copy of the Ordinance enacted by the Issuer's governing body authorizing the issuance of the Series 2025B Bonds and the execution of this Indenture and the Project Lease.
- (ii) An original executed counterpart of this Indenture.
- (iii) An original executed counterpart of the Site Lease.
- (iv) An original executed counterpart of the Project Lease.
- (v) An opinion of Bond Counsel to the effect that the Series 2025B Bonds constitute valid and legally binding obligations of the Issuer and exempt from Kansas income taxation, subject to such limitations and restrictions as shall be described therein.
- (vi) Such other certificates, statements, receipts and documents as the Trustee shall reasonably require for the delivery of the Series 2025B Bonds.

(f) When the documents specified in subsection (e) of this Section shall have been filed with the Trustee, and when certificates representing all the Series 2025B Bonds shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver the Series 2025B Bonds to or upon the order of the Original Purchaser thereof, but only upon payment to the Trustee of the Purchase Price of the Series 2025B Bonds. The Original Proceeds, including accrued interest and premium thereon, if any, shall be immediately paid over to the Trustee, and the Trustee shall deposit and apply such proceeds as provided in *Article V* hereof.

Section 2.09. Authorization of Additional Bonds.

(a) Additional Bonds may be issued under and equally and ratably secured by this Indenture on a parity with the Series 2025B Bonds and any other Additional Bonds Outstanding at any time and from time to time, upon compliance with the conditions hereinafter provided in this Section, for any of the following purposes:

- (i) To provide funds to pay the costs of completing the Improvements, the total of such costs to be evidenced by a certificate signed by the Authorized Tenant Representative.
- (ii) To provide funds to pay all or any part of the costs of repairing, replacing or restoring Improvements in the event of damage, destruction or condemnation thereto or thereof.
- (iii) To provide funds to pay all or any part of the costs of acquisition, purchase or construction of such additions, improvements, extensions, alterations, expansions or modifications of the Project (including additional Real Property or Improvements) or any part thereof as the Tenant may deem necessary or desirable and as will not impair the nature of the Project as a "facility" within the meaning and purposes of the Act.
- (iv) To provide funds for refunding all or any part of the Bonds of any series then Outstanding, including the payment of any premium thereon and interest to accrue to the designated Redemption Date and any expenses in connection with such refunding.

(b) Before any Additional Bonds shall be issued under the provisions of this Section, the Original Purchaser shall be given written notice thereof by Issuer or Tenant, and the Issuer's governing body shall enact an Ordinance (i) authorizing the issuance of such Additional Bonds, fixing the amount and terms thereof and describing the purpose or purposes for which such Additional Bonds are being issued or describing the Bonds to be refunded, (ii) authorizing the Issuer to enter into a Supplemental Indenture for the purpose of providing for the issuance of and securing such Additional Bonds and, if required, (iii) authorizing the Issuer to enter into a supplemental lease with the Tenant to provide for rental payments at least sufficient to pay the principal of, premium, if any, and interest on the Bonds then to be Outstanding (including the Additional Bonds to be issued) as the same become due, for the acquisition, purchase, construction or installation of additional Improvements, for the inclusion of any such addition, expansion or modification as a part of the Project, and for such other matters as are appropriate because of the issuance of the Additional Bonds proposed to be issued which, in the judgment of the Issuer, is not to the prejudice of the Issuer or the owners of the Bonds previously issued.

(c) Such Additional Bonds shall have the same designation as the Series 2025B Bonds, except for an identifying series letter or date and the addition of the word "Refunding" when applicable, shall be dated, shall be stated to mature on Principal Payment Dates in such year or years, shall bear interest at such rate or rates not exceeding the maximum rate then permitted by law, and shall be redeemable at such times and prices (subject to the provisions of *Article III* of this Indenture), all as may be provided by the Supplemental Indenture authorizing the issuance of such Additional Bonds. Except as to any difference in the date, the maturity or maturities, the rate or rates of interest or the provisions for redemption, such Additional Bonds shall be on a parity with and shall be entitled to the same benefit and security of this Indenture as the Series 2025B Bonds and any other Additional Bonds Outstanding at the time of the issuance of such Additional Bonds.

(d) Such Additional Bonds shall be substantially in the form and executed in the manner set forth in this Article and *Article IV* hereof and certificates representing such Bonds shall be deposited with the Trustee for authentication, but prior to or simultaneously with the authentication and delivery of such Bond certificates by the Trustee, there shall be filed with the Trustee the following:

(i) An original or certified copy of the ordinance enacted by the Issuer's governing body authorizing the issuance of such Additional Bonds and the execution of such Supplemental Indenture and the appropriate amendments or supplements to the Project Lease.

(ii) An original executed counterpart of the Supplemental Indenture providing for the issuance of the Additional Bonds.

(iii) An original executed counterpart of the amendment or supplement to the Project Lease, if required.

(iv) An opinion of Bond Counsel to the effect that the Additional Bonds constitute valid and legally binding obligations of the Issuer.

(v) In the case of Additional Bonds being issued to refund Outstanding Bonds, such additional documents as shall be reasonably required by the Trustee to establish that provision has been duly made for the payment of all of the Bonds to be refunded in accordance with the provisions of *Article XII* of this Indenture.

(vi) A copy of the written notice to the Original Purchaser.

(vii) Such other instructions, certificates, statements, receipts and documents as the Trustee shall reasonably require for the delivery of such Additional Bonds.

(e) When the documents mentioned in subsection (d) of this Section shall have been filed with the Trustee, and when such Additional Bonds shall have been executed and authenticated as required by this Indenture, the Trustee shall deliver such Additional Bonds to or upon the order of the purchasers thereof, but only upon payment to the Trustee of the purchase price of such Additional Bonds. The proceeds of the sale of such Additional Bonds (except Additional Bonds issued to refund Outstanding Bonds), including accrued interest and premium thereon, if any, shall be immediately paid over to the Trustee and shall be deposited and applied by the Trustee as provided in *Article V* hereof and in the Supplemental Indenture authorizing the issuance of such Additional Bonds. The proceeds (excluding accrued interest and premium, if any, which shall be deposited in the Debt Service Fund) of all Additional Bonds issued to refund Outstanding Bonds shall be deposited by the Trustee, after payment or making provision for payment of all expenses incident to such financing, to the credit of a special trust fund, appropriately designated, to be held in trust for the sole and exclusive purpose of paying the principal of, premium, if any, and interest on the Bonds to be refunded, as provided in *Section 12.02* hereof and in the Supplemental Indenture authorizing the issuance of such refunding Bonds.

(f) Except as provided in this Section, the Issuer will not otherwise issue any obligations ratably secured and on a parity with the Bonds, but the Issuer may issue other obligations specifically subordinate and junior to the Bonds with the express written consent of the Tenant.

Section 2.10. Temporary Bonds.

(a) Until definitive Bonds of any series are available for delivery, the Issuer may execute, and upon request of the Issuer, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same limitations and conditions as definitive Bonds, temporary printed, engraved, lithographed or typewritten Bonds, in the form of fully registered Bonds in denominations of \$5,000 or any integral multiple thereof, substantially of the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required with respect to such temporary Bonds.

(b) If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal office of any temporary Bond shall cancel the same and authenticate and deliver in exchange therefor, without charge to the Owner thereof, a definitive Bond or Bonds of an equal aggregate principal amount, of the same series and maturity and bearing interest at the same rate as the temporary Bond surrendered. Until so exchanged the temporary Bonds shall in all respects be entitled to the same benefit and security of this Indenture as the definitive Bonds to be issued and authenticated hereunder.

Section 2.11. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond certificate shall become mutilated, or be lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond certificate of like series, date and tenor as the Bond certificate mutilated, lost, stolen or destroyed. In the case of any mutilated Bond certificate, such mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond certificate, there shall be first furnished to the Issuer and the Trustee evidence of such loss, theft or destruction satisfactory to the Issuer and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond certificate the Issuer may pay or authorize the payment of the same without surrender thereof. Upon the issuance of any substitute Bond certificate, the Issuer and the Trustee may require the payment of an amount sufficient to reimburse the Issuer and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 2.12. Cancellation and Destruction of Bonds Upon Payment.

(a) All Bonds which have been paid or redeemed or which the Trustee has purchased or the certificates of which have otherwise been surrendered to the Trustee under this Indenture, either at or before Maturity, shall be canceled by the Trustee immediately upon the payment, redemption or purchase of such Bonds and the surrender of the certificates thereof to the Trustee.

(b) All Bonds canceled under any of the provisions of this Indenture shall be delivered by the Trustee to the Issuer, or, upon request of the Issuer, shall be destroyed by the Trustee.

Section 2.13. Payments Due on Saturdays, Sundays and Holidays. In any case where the Maturity of any Bonds shall not be a Business Day, then payment of principal, premium, if any, or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of Maturity, and no interest shall accrue for the period after such date.

Section 2.14. Nonpresentment of Bonds. In the event that any Bond shall not be presented for payment when the principal thereof becomes due, either at its Stated Maturity or Redemption Date, or the Trustee is unable to locate the Owner for the payment of accrued interest or an accrued interest check remains uncashed, if funds sufficient to pay such Bond and accrued interest shall have been made available to the Trustee, all liability of the Issuer to the Owner(s) of Bonds for the payment of such Bond and accrued interest shall cease and be completely discharged, and the Trustee shall hold such funds, without interest, for the benefit of such Owner(s) of Bonds, who shall thereafter be restricted exclusively to such funds for any claim on, or with respect to, such Bond and interest. If any Bond shall not be presented for payment within four years following the date when it becomes due, whether by Maturity or otherwise, or the accrued interest cannot be paid as set out above, the Trustee shall repay to the Tenant the funds theretofore held by it for payment of such Bond and interest, and such Bond and interest shall thereafter be an unsecured obligation of the Tenant, subject to the defense of any applicable statute of limitation, and the Owner thereof shall be entitled to look only to the Tenant for payment, and then only to the extent of the amount so repaid, and the Tenant shall not be liable for any additional interest thereon.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption of Bonds Generally. The Series 2025B Bonds shall be subject to redemption prior to Stated Maturity in accordance with the terms and provisions of this Article. Additional Bonds shall be subject to redemption prior to Stated Maturity in accordance with the terms and provisions contained in this Article and as may be specified in the Supplemental Indenture authorizing such Additional Bonds.

Section 3.02. Redemption of Series 2025B Bonds. The Series 2025B Bonds shall be subject to redemption and payment prior to Stated Maturity, at the option of the Issuer, upon instructions from the Tenant, on and after December 4, 2025, as a whole or in part on any date, at the redemption price of the par value of the principal amount thereof, without premium.

Section 3.03. Selection of Bonds to be Redeemed.

(a) Bonds shall be redeemed only in Authorized Denominations. If less than all of the Outstanding Bonds of any series are to be redeemed and paid prior to Stated Maturity, such Bonds shall be redeemed as directed in writing by the Tenant. Bonds of less than a full Stated Maturity are to be selected by the Trustee in such equitable manner as it may determine.

(b) In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it was a separate Bond of the minimum Authorized Denomination. If it is determined that one or more, but not all, of the minimum Authorized Denomination units of face value represented by any fully registered Bond is selected for redemption, then the Owner of such Bond or his attorney or legal representative shall forthwith present and surrender such Bond to the Trustee (i) for payment of the redemption price (including the premium, if any, and interest to the Redemption Date) of the minimum Authorized Denomination unit or units of face value called for redemption, and (ii) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the owner of any such Bond of a denomination greater than a minimum Authorized Denomination shall fail to present such Bond to the Trustee for payment and exchange, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the principal amount thereof called for redemption (and to that extent only).

Section 3.04. Trustee's Duty to Redeem Bonds. Upon receipt by the Trustee of such written advice, if required, and upon its own initiative if not required, the Trustee shall give at least 30 days' written notice of redemption to the Owner(s) of Bonds as provided herein. The Trustee shall call Bonds for redemption and payment as herein provided and shall give notice of redemption as provided in *Section 3.05* hereof upon receipt by the Trustee at least 45 days prior to the proposed Redemption Date (unless waived) of a written request of the Issuer together with a copy of the redemption instructions of the Tenant. Such instructions shall specify the principal amount and the respective maturities of Bonds to be called for redemption, the applicable redemption price or prices and the provision or provisions of this Indenture pursuant to which such Bonds are to be called for redemption. Such instructions may direct that the redemption be conditioned upon the availability of funds therefore from the proceeds of refunding bonds issued by the Issuer.

Section 3.05. Notice of Redemption. Notice of the call for any redemption identifying the Bonds or portions thereof to be redeemed shall be given by the Trustee, in the name of the Issuer, by mailing by first class mail, postage prepaid, a copy of the redemption notice at least 30 days prior to the date fixed for redemption to the Owner of each Bond to be redeemed at the address shown on the registration books maintained by the Trustee; provided, however, failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of the Bonds. Any notice of redemption shall state the Redemption Date, the place or places at which such Bonds shall be presented for payment, the series, maturities and numbers of the Bonds or portions of Bonds to be redeemed (and in the case of the redemption of a portion of any Bond the principal amount thereof being redeemed), the redemption price and shall state that interest on the Bonds described in such notice will cease to accrue from and after the Redemption Date. Any notice of redemption may be conditioned upon the availability of funds therefore from the proceeds of refunding bonds to be issued by the Issuer, if so instructed by the Tenant. A copy of each such notice of redemption shall be provided to any authorized co-paying agent appointed by the Trustee.

Section 3.06. Effect of Call for Redemption. Prior to the date fixed for redemption, funds or Government Securities maturing on or before the date fixed for redemption shall be deposited with the Trustee in amounts sufficient to provide for payment of the Bonds called for redemption, accrued interest thereon to the Redemption Date and the redemption premium, if any. Upon the deposit of such funds or Government Securities, and notice having been given as provided in *Section 3.05* hereof, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified Redemption Date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture.

ARTICLE IV

FORM OF BONDS

Section 4.01. Forms Generally. The Series 2025B Bonds, and the Trustee's certificate of authentication to be endorsed thereon shall be, respectively, in substantially the form set forth in *Appendix A*. Any Additional Bonds, and the Trustee's Certificate of Authentication to be endorsed thereon shall also be in substantially such form, with such necessary or appropriate variations, omissions and insertions as are permitted or required by this Indenture or any Supplemental Indenture. The Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirement of law with respect thereto.

Section 4.02. Bond Counsel's Approving Opinion. If printed on the Bond certificates, Bond Counsel's approving opinion with respect to the authorization and issuance of the Bonds shall be preceded by the following certificate:

(a) The moneys in the Project Fund shall be disbursed by the Trustee for the payment of Project Costs (other than Costs of Issuance) in accordance with the provisions of *Article V* of the Project Lease. The Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions. If the Issuer so requests, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the Issuer.

(b) The Trustee shall keep and maintain adequate records pertaining to the Project Fund and all disbursements therefrom, and after the Improvements have been completed the Trustee, if requested, shall file a statement of receipts and disbursements with respect thereto with the Issuer and the Tenant.

(c) The completion of the Improvements and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee by the Tenant of the Certificate of Completion required by *Section 5.5* of the Project Lease. Any balance remaining in the Project Fund shall without further authorization be deposited in the Debt Service Fund and applied by the Trustee solely to the payment of principal of the Bonds through the payment on a Stated Maturity or redemption thereof on any Redemption Date specified in the optional redemption provisions of *Section 3.02* hereof, or as otherwise permissible in the opinion of Bond Counsel.

Section 6.03. Disposition Upon Acceleration. If the principal of the Bonds shall have become due and payable pursuant to *Section 9.01* of this Indenture, upon the date of payment by the Trustee of any moneys due as hereinafter provided in *Article IX*, any balance remaining in the Project Fund shall, without further authorization, be deposited in the Debt Service Fund by the Trustee.

Section 9.03. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. If an Event of Default shall have occurred and be continuing, the Issuer, upon demand of the Trustee, shall forthwith surrender the possession of, and the Trustee, by such officer or agent as it may appoint, may take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the Issuer pertaining thereto, and including the rights and the position of the Issuer under the Site Lease and Project Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements; and the Trustee may lease the Project or any part thereof, in the name and for account of the Issuer, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including (i) reasonable compensation to the Trustee, its agents and counsel, (ii) any charges of the Trustee hereunder, (iii) any taxes and assessments and other charges prior to the lien of this Indenture, (iv) any costs and expenses of the Issuer in connection with the Project and (v) all expenses of such repairs and improvements, and the Trustee shall apply the remainder of the moneys so received in accordance with *Section 9.10*. Whenever all that is due upon the Bonds shall have been paid and all defaults made good, the Trustee shall surrender possession of the Trust Estate to the Issuer, its successors and assigns, the same right of entry, however, to exist upon any subsequent Event of Default.

While in possession of such property, the Trustee shall render annually to the Issuer and the Tenant a summarized statement of receipts and expenditures in connection therewith

Section 9.04. Sale in Event of Default. If an Event of Default shall have occurred and be continuing, the Trustee, as assignee of the Issuer, may (but shall not be required to) sell the Issuer's

interest in the Project on behalf of the Issuer in accordance with the provisions of the Site Lease and Project Lease, and the Trustee or the Owner or Owners of any of the Bonds then Outstanding, whether or not then in default in the payment of principal or interest, may become the purchaser at any such sale to the highest bidder.

In the event of such a sale, the Issuer and the Trustee shall execute and deliver any necessary or appropriate instrument of conveyance of the Issuer's interest in the Project to the purchaser or purchasers thereof, and any statement or recital of fact in such deed in relation to the nonpayment of the Bonds, default, existence of the Bonds, notice of advertisement, sale, receipt of money, and the happening of any event whereby a prima facie evidence of the truth of such statement or recital. Section 9.06. Limitation on Exercise of Remedies by Owner(s) of Bonds. No Owner(s) of Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (i) a default has occurred of which the Trustee has knowledge, (ii) such default shall have become an Event of Default, (iii) Owner(s) of Bonds owning at least 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee, shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and (iv) satisfactory indemnity and provision for payment of Default Administration Costs and third-party liability shall have been offered to the Trustee and (v) the Trustee shall thereafter fail or refuse to exercise the powers granted in this section to institute such action, suit or proceeding in its own name; and such knowledge and request are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Owner(s) of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Bonds then Outstanding.

Section 9.07. Right of Owner(s) of Bonds to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, Owner(s) of Bonds owning at least 51% in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, and upon providing the Trustee indemnification satisfactory to it as provided above, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and Trustee shall have the right to decline to follow such direction if the Trustee shall in good faith, and upon the advice of counsel, determine that proceedings so directed would expose the Trustee to personal liability.

Section 9.08. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Owner(s) of Bonds is intended to be exclusive of any other

remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owner(s) of Bonds hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Trustee or by the Owner(s) of Bonds, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

Section 9.09. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on Bonds, and shall do so upon the written request of Owner(s) of Bonds owning at least 51% in aggregate principal amount of all the Bonds then Outstanding and satisfaction of the conditions set forth in *Section 9.01(b)*. In case of any such waiver or rescission, or in case any proceedings taken by the Trustee under this Indenture on account of any such default shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Owner(s) of Bonds shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 9.10. Application of Money Received after Event of Default.

(a) If the principal of all Bonds shall have become due and payable after the occurrence of an Event of Default, all moneys thereafter received from the Tenant, from sale or reletting of the Project shall be deposited in the Debt Service Fund and all moneys in the Debt Service Fund shall be applied as follows:

first: To the payment of Default Administration Costs

second: To the payment of the whole amount then due and unpaid upon the Outstanding Bonds for principal and premium, if any, and interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected by the Trustee or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Bonds) on overdue principal and premium, if any, and on overdue installments of interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid upon the Bonds, then to the payment of such principal, premium and interest, without any preference or priority, ratably according to the aggregate amount so due; and

third: To the payment of any other amounts required to be paid under this Indenture or the Project Lease; and

fourth: To the payment of the remainder, if any, to the Tenant or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(b) Whenever moneys are to be applied by the Issuer or the Trustee pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee in its sole discretion determines, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Trustee in trust for the proper purpose shall constitute proper

application by the Issuer; and the Issuer shall incur no liability to any Owner(s) of Bonds or to any other person for any delay in applying any such moneys, so long as the Issuer acts with reasonable diligence, having due regard to the circumstances, and moneys are applied in accordance with such provisions of this Indenture. Whenever the Trustee exercises such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to any Owner(s) of Bonds of any unpaid Bond until the Bond certificate(s) representing Bonds owned are surrendered to the Trustee as Bond Registrar for appropriate endorsement, or for cancellation if fully paid.

(c) Whenever the principal of and premium, if any, and interest on all Bonds have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid, any balance remaining in the Debt Service Fund shall be paid to the Tenant as provided in *Section 6.07(d)*.

ARTICLE X

THE TRUSTEE

Section 10.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform the trusts in the manner in which a corporate trustee ordinarily would perform the trusts under a corporate indenture, and the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care and skill in its exercise as a prudent corporate trust officer would exercise or use under the circumstances, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) Prior to the occurrence of an Event of Default and after the cure of all Events of Default which may have occurred, the Trustee's duties and responsibilities shall include only those expressly set forth in this Trust Indenture and those rights, duties, responsibilities, and obligations which are reserved to or imposed upon the Issuer under this Trust Indenture, the Site Lease and the Project Lease, excepting only such of those rights, duties, responsibilities, and obligations as may only be properly and lawfully exercised by or imposed upon the Issuer.

(b) Upon the occurrence of an Event of Default the Trustee shall be and is hereby authorized to bring appropriate action for judgment or such other relief as may be appropriate and such action may be in the name of the Trustee or in the name of the Issuer and Trustee jointly; but in such case, neither the Issuer nor the Trustee shall have any obligation for any fees and expenses of such action except out of any funds available by reason of the ownership of the Project and moneys available under this Trust Indenture and the Project Lease. In addition, the Trustee may file such proof of claim and such other documents as may be necessary and advisable in order to have the claims of the Trustee and the Owner(s) of Bonds relative to the Bonds or the obligations relating thereto allowed in any judicial proceeding.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys or receivers. The Trustee shall be entitled to rely upon the opinion or advice of counsel, who may be counsel to the Trustee, Issuer or the Tenant, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof.

(d) The Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds with the same rights which it would have if it were not Trustee.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any ordinance, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture, the Site Lease or the Project Lease believed by it to be genuine and correct and to have been signed, presented or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent is an Owner(s) of Bonds, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in substitution thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee shall be entitled to rely upon a certificate signed by the mayor of the Issuer or the Authorized Tenant Representative as sufficient evidence of the facts therein contained, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) At any and all reasonable times and upon reasonable prior notification to the Tenant, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect any and all of the Project and all books, papers and records of the Issuer and Tenant pertaining to the Project and the Bonds, and to make such notes and copies as may be desired.

(i) The Trustee shall not be required to give any bond or surety with respect to the execution of its trusts and powers hereunder or otherwise with respect to the Project.

(j) The Trustee shall have the right, but shall not be required, to demand, with respect to the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purpose of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) The Trustee shall not be required to take notice of, or be deemed to have notice of, any default hereunder or under the Site Lease or Project Lease, except the failure by the Issuer to cause to be made any of the payments required to be made under the Project Lease or in accordance with *Article VI* hereof, or the failure by the Issuer to cause compliance by the Tenant with the insurance provisions of *Article VI* of the Project Lease, unless the Trustee shall have been specifically notified in writing of such default by the Issuer or by Owner(s) of Bonds owning at least 25% in aggregate principal amount of all Bonds then Outstanding.

(l) The Trustee may inform the Owner(s) of Bonds of environmental hazards that the Trustee has reason to believe exist with respect to the Project, the Real Property or the Improvements, and the Trustee shall have the right to take no further action with respect thereto, and, in such event, no fiduciary duty shall exist which imposes any obligation for further action by the Trustee with respect to the Project, the Real Property, the Improvements, the enforcement of any remedies hereunder or under the Project Lease, the Trust Estate, or any portion thereof, if, in the reasonable opinion of the Trustee, such action would subject the Trustee to environmental or other liability for which the Trustee has not received indemnity satisfactory to it.

Section 10.02. Fees, Charges and Expenses of the Trustee; Lien for Fees and Costs and Additional Rent. The Trustee shall be entitled to payment of or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary costs, charges and expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services and, in the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to reasonable compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the neglect or misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees, costs, expenses and charges of the Trustee as Paying Agent for the Bonds. The Trustee agrees that the Issuer shall have no liability for any fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Tenant for the payment of all fees, charges and expenses of the Trustee and any Paying Agents as provided in the Project Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment prior to payment of principal of, redemption premium, if any, or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing advances, fees, costs and expenses incurred, for Default Administration Costs and for any unpaid Additional Rent owing under the Project Lease.

Section 10.03. Notice to Owner(s) of Bonds if Default Occurs. If an Event of Default occurs, of which the Trustee is aware and of which it is required to take notice, the Trustee shall give written notice thereof to the Owner(s) of Bonds, as shown by the bond registration books required to be maintained by the Trustee and kept at the principal office of the Trustee.

Section 10.04. Intervention by the Trustee. In any judicial proceeding to which the Issuer is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of the Owner(s) of Bonds, the Trustee may intervene on behalf of the Owner(s) of Bonds and shall do so if requested in writing by Owner(s) of Bonds owning at least 25% of the aggregate principal amount of Bonds then Outstanding and if provided with indemnity satisfactory to the Trustee.

Section 10.05. Successor Trustee Upon Merger, Consolidation or Sale. Any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 10.06. Resignation of Trustee. The Trustee may resign by an instrument in writing delivered by registered or certified mail to the Issuer and the Tenant to take effect not sooner than 90 days after its delivery, whereupon the Issuer, with the consent of the Tenant, shall immediately, in writing, designate a successor Trustee; provided, however, the Trustee's resignation shall not become effective unless and until a successor Trustee is approved and qualified. In the event the Issuer and the Tenant do

not promptly designate a successor trustee, then the Trustee shall have the right to petition a court of competent jurisdiction for the appointment of a successor.

Section 10.07. Removal of Trustee. As long as no Default or Event of Default shall have occurred and be continuing, the Trustee may be removed at any time by the Issuer or the Tenant; provided, that such removal shall not be effective unless and until a successor trustee is appointed and qualified, and provided further than such removal shall not become effective until after 60 days from the date written notice of such proposed removal is given to the Trustee by first class mail. The Issuer or the Tenant, concurrently with giving notice to the Trustee, shall give notice by first class mail of the proposed removal of the Trustee to all Owner(s) of Bonds. Unless Owner(s) of Bonds owning at least 51% in principal amount of Bonds then Outstanding object in writing to the proposed removal of the Trustee, such removal shall become effective from the date specified in the notices, provided that the successor trustee shall have been qualified and have accepted the duties and responsibilities of the Trustee as of such date. The Trustee may be removed at any time by the written direction of Owner(s) of Bonds owning at least 51% in aggregate principal amount of Bonds then Outstanding.

Section 10.08. Qualifications of Successor Trustee. Every successor Trustee appointed pursuant to the provisions of this Article shall be a trust company or bank in good standing, qualified to accept such trust and acceptable to the Issuer and the Tenant.

Section 10.09. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Tenant an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer.

Section 10.10. Right of Trustee to Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Project Lease, and the Tenant has failed after 30 days written notice to make such payment the Trustee may pay such tax, assessment or governmental charge or insurance premium or rebate amount, without prejudice, however, to any rights of the Trustee or the Owner(s) of Bonds hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment at a rate per annum equal to the Trustee's published prime rate in effect at the time, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of, premium, if any, or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by Owner(s) of Bonds owning at least 25% of the aggregate principal amount of Bonds then Outstanding and shall have been provided adequate funds for the purpose of such payment.

Section 10.11. Trust Estate May Be Vested in Co-trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, the Site Lease or the Project Lease, and in particular in case of the enforcement of either a default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) In the event that the Trustee appoints an additional individual or institution as a co-trustee or separate trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Issuer be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, then any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer.

(d) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 10.12. Annual Accounting. The Trustee shall render an annual accounting to the Tenant, to the Issuer upon request, and to any Owner(s) of Bonds requesting the same in writing and remitting reasonable charges for preparing such copies, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period and the balance in any funds or accounts created by this Indenture as of the beginning and close of such accounting period.

Section 10.13. Performance of Duties under the Site Lease and Project Lease. The Trustee hereby accepts and agrees to perform, in such manner as is consistent with the terms of those instruments and this Indenture, all duties and obligations assigned to it under the Site Lease and Project Lease.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 11.01. Supplemental Indentures Not Requiring Consent of Owner(s) of Bonds. The Issuer and the Trustee may from time to time, without the consent of any of the Owner(s) of Bonds, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture or to make any other change not prejudicial to the Owner(s) of Bonds;
- (b) To grant to or confer upon the Trustee for the benefit of the Owner(s) of Bonds any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owner(s) of Bonds;
- (c) To more precisely identify the Project or to add additional property thereto;
- (d) To subject to this Indenture additional revenues, properties or collateral; and
- (e) To issue Additional Bonds as provided in *Section 2.09* hereof.

Section 11.02. Supplemental Indentures Requiring Consent of Owner(s) of Bonds.

(a) Exclusive of Supplemental Indentures described in *Section 11.01* hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Owner(s) of Bonds owning not less than 66-2/3% in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, except as provided in subparagraph (b) of this *Section 11.02*, nothing in this Section contained shall permit or be construed as permitting (i) an extension of the maturity of the principal of or the accrual of, or dates of payment of, interest on any Bond issued hereunder, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or (iii) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of Bonds the Owners of which are required for consent to any such Supplemental Indenture.

(b) Any provision of this Indenture or the Bonds may be amended with the written consent of the Owners owning 100% in aggregate principal amount then Outstanding.

Section 11.03. Tenant's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article which affects any rights of the Tenant shall not become effective unless and until the Tenant shall have consented in writing to the execution and delivery of such Supplemental Indenture, provided that receipt by the Trustee of an amendment to the Project Lease executed by the Tenant in connection with the issuance of Additional Bonds under *Section 2.09* hereof shall be deemed to constitute consent of the Tenant to the execution of a Supplemental Indenture pursuant to *Section 2.09* hereof. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Indenture (other than a Supplemental Indenture proposed to be executed and delivered pursuant to *Section 2.09* hereof) together with a copy of the proposed Supplemental Indenture to be mailed to the Tenant at least 15 days prior to the proposed date of execution and delivery of any such Supplemental Indenture.

ARTICLE XII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 12.01. Satisfaction and Discharge of the Indenture.

(a) When the principal of, premium, if any, and interest on all Bonds shall have been paid in accordance with their terms or provision has been made for such payment, as provided in *Section 12.02* hereof, and provision shall also have been made for paying all other sums payable hereunder, including the fees and expenses of the Trustee and the Paying Agent to the date of retirement of the Bonds, then the duties of the Trustee under this Indenture shall cease. Thereupon the Trustee shall discharge and release this Indenture and shall execute, acknowledge and deliver to the Issuer such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the Issuer any property at the time subject to this Indenture which may then be in its possession, except amounts in the Debt Service Fund required to be paid to the Tenant under *Section 6.07(d)* hereof and except funds or securities in which such funds are invested and held by the Trustee for the payment of the principal of, and interest accrued on, the Bonds. Notwithstanding anything otherwise provided herein, the provisions of this Indenture relating to compensation and indemnification of the Trustee shall survive satisfaction and discharge of the Indenture.

(b) The Issuer is hereby authorized to accept a certificate by the Trustee that the principal of, premium, if any, and interest due and payable upon all of the Bonds then Outstanding and all amounts required to be paid to the United States have been paid or such payment provided for in accordance with *Section 12.02* hereof as evidence of satisfaction of this Indenture, and upon receipt thereof shall deem this Indenture discharged.

Section 12.02. Bonds Deemed to be Paid.

(a) Bonds shall be deemed to be paid within the meaning of this Indenture when payment of the principal of and the applicable premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (A) moneys sufficient to make such payment or (B) non-callable Government Securities maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment. Bonds shall also be deemed paid if the Bond certificate(s) are surrendered to the Bank as paying agent, accompanied by a written communication from the registered Owner waiving payment and directing that they be cancelled without actual payment. At such time as a Bond shall be deemed to be paid hereunder, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Government Securities. As a condition to the Bonds being deemed paid, the Trustee shall have received an opinion of Bond Counsel to the effect that the conditions of this Section have been satisfied.

(b) Notwithstanding the foregoing, in the case of the redemption of Bonds which by their terms may be redeemed prior to the stated maturities thereof, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds until proper notice of such redemption shall have been given in accordance with *Article III* of this Indenture or irrevocable instructions shall have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other Section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds (including premium thereon, if any) and interest thereon shall be applied to and used solely for the payment of the particular Bonds (including premium thereon, if any) and interest thereon with respect to which such moneys and Government Securities have been so set aside in trust.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

Section 13.01. Consents and Other Instruments by Owner(s) of Bonds.

(a) Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Owner(s) of Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner(s) of Bonds in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(i) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(ii) The fact of ownership of Bonds and the amount or amounts, number and other identification of such Bonds, and the date of holding the same shall be proved by the registration books of the Issuer maintained by the Trustee.

(b) In determining whether the Owner(s) of Bonds owning the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Tenant or any affiliate of the Tenant shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded. For purposes of this paragraph, the word "affiliate" means any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Tenant; and for the purposes of this definition, "control" means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Tenant or any affiliate of the Tenant.

Section 13.02. Limitation of Rights Under the Indenture. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be inferred from this Indenture or the Bonds is intended or shall be construed to give any person other than the parties hereto, and the Owner(s) of Bonds, any right, remedy or claim under or with respect to this Indenture, and all of the covenants,

conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Tenant and the Owner(s) of Bonds as herein provided.

Section 13.03. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Indenture shall be in writing and shall be deemed duly given or filed if the same shall be duly mailed by registered or certified mail, postage prepaid, to the Notice Representative.

All notices given by certified or registered mail shall be deemed duly given as of the date they are so mailed. A duplicate copy of each notice, certificate or other communication given hereunder by either the Issuer or the Tenant to the other shall also be given to the Trustee. The Issuer, the Trustee and the Tenant may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

Section 13.04. Suspension of Mail Service. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Trustee shall constitute a sufficient notice.

Section 13.05. Severability. If any provision of this Indenture shall be held or deemed to be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

Section 13.06. Execution in Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 13.07. Governing Law. This Indenture shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 13.08. Electronic Transactions. The transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

This Bond certificate evidences ownership of a part of a duly authorized series of Bonds of the Issuer designated “City of Bel Aire, Kansas Taxable Industrial Revenue Bonds, Series 2025B (Waltons 53rd Holdings LLC),” in the aggregate original principal amount not to exceed [\$12,000,000] (the “Series 2025B Bonds”), issued for the purpose of providing funds to pay the costs of the acquisition, construction and equipping of a meat processing supply and equipment commercial facility (the “Project”), to be leased by the Issuer to Waltons 53rd Holdings LLC, a Kansas limited liability company (the “Tenant”), under the terms of a Project Lease dated as of December 4, 2025, between the Issuer and the Tenant (the Project Lease, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “Project Lease”), all pursuant to the authority of and in conformity with the provisions, restrictions and limitations of the constitution and statutes of the State of Kansas, including particularly K.S.A. 12-1740 *et seq.* and pursuant to proceedings duly had by the governing body of the Issuer.

The Series 2025B Bonds are issued under and are equally and ratably secured and entitled to the protection of the Trust Indenture, dated as of December 4, 2025 (the Trust Indenture, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “Indenture”), between the Issuer and the Trustee. Subject to the terms and conditions set forth therein, the Indenture permits the Issuer to issue Additional Bonds (as defined therein) secured by the Indenture ratably and on a parity with the Series 2025B Bonds (the Series 2025B Bonds together with such Additional Bonds being herein referred to collectively as the “Bonds”). Reference is hereby made to the Indenture for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Owner(s) of Bonds, and the terms upon which the Bonds are issued and secured.

The Series 2025B Bonds are subject to redemption and payment prior to Stated Maturity, at the option of the Issuer, upon instructions from the Tenant, on and after December 4, 2025, as a whole or in part on any date, at the redemption price of the par value of the principal amount thereof, without premium.

When any Bonds are called for redemption, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice at least 30 days prior to the date fixed for redemption to the Owner of each Bond to be redeemed at the address shown on the registration books maintained by the Trustee; provided, however, failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds. If less than all of the Outstanding Bonds of this series are called for redemption, Bonds shall be redeemed as directed in writing by the Tenant. Bonds of less than a full maturity shall be selected by the Trustee in such equitable manner as it may determine. All Bonds so called for redemption will cease to bear interest on the specified Redemption Date and shall no longer be secured by the Indenture and shall not be deemed to be Outstanding under the provisions of the Indenture.

The Bonds and the interest thereon are limited obligations of the Issuer payable exclusively out of the Trust Estate under the Indenture, including but not limited to the rents, revenues and receipts under the Project Lease, and are secured by a pledge of the Project (including any Project Additions) as described in the Project Lease and a pledge and assignment of the Trust Estate, including all rentals and other amounts to be received by the Issuer under and pursuant to the Project Lease, all as provided in the Indenture. The Bonds and the interest thereon do not constitute a debt or general obligation of the Issuer, the State of Kansas or any municipal corporation thereof, and are not payable in any manner by taxation. The Bonds do not constitute an indebtedness within the meaning of constitutional or statutory debt limitations or restrictions. Pursuant to the provisions of the Project Lease, Basic Rent is to be paid by the Tenant directly to the Trustee for the account of the Issuer and deposited in a special trust account created by the Issuer and designated "City of Bel Aire, Kansas Debt Service Fund (Waltons 53rd Holdings LLC)."

No Owner of Bonds shall have the right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then Outstanding may become or may be declared due and payable prior to the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of this Bond or the Indenture may be made only to the extent and under the circumstances permitted by the Indenture.

This Bond certificate is transferable, as provided in the Indenture, only upon the registration books of the Issuer kept for that purpose at the above mentioned office of the Bond Registrar and Paying Agent by the Owner hereof in person or by his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or such Owner's duly authorized attorney, and thereupon a new Bond certificate in the same aggregate principal amount, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The Tenant has agreed to pay as Additional Rent under the Project Lease all costs incurred in connection with the issuance, transfer, exchange, registration, redemption or payment of the Bonds except (a) the reasonable fees and expenses in connection with the replacement of certificates mutilated, stolen, lost or destroyed or (b) any tax or other governmental charge imposed in relation to the transfer, exchange, registration, redemption or payment of the Bonds. The Issuer, the Trustee and any Paying Agent may deem and treat the person in whose name this Bond certificate is registered as the absolute Owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

This Bond certificate shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, Issuer has caused this Bond certificate to be executed in its name by the manual or facsimile signature of its Mayor and attested by the manual or facsimile signature of its City Clerk and its official seal to be affixed hereto or imprinted hereon and has caused the Bonds to be dated as of December 4, 2025.
