(b) Except as otherwise permitted herein, the Tenant shall (1) maintain and preserve its existence and organization as a limited liability company and its authority to do business in the State and to operate the Project; and (2) not initiate any proceedings of any kind whatsoever to dissolve or liquidate without (A) securing the prior written consent thereto of the Issuer and (B) making provision for the payment in full of the principal of and interest and redemption premium, if any, on the Bonds. If, at any time during the term of this Project Lease or the Bond Agreement, the Tenant changes its state of organization, changes its form of organization, changes its name, or takes any other action which could affect the proper location for filing Uniform Commercial Code financing statements or continuation statements or which could render existing filings seriously misleading or invalid, the Tenant shall immediately provide written notice of such change to the Bank, and thereafter promptly deliver to the Bank such amendments and/or replacement financing statements, together with an Opinion of Counsel to the effect that such amendments and/or replacement financing statements have been properly filed so as to create a perfected security interest in the collateral securing the Bond Agreement, and such additional information or documentation regarding such change as the Bank may reasonably request.

(c) Neither the execution and/or delivery of this Project Lease, the consummation of the transactions contemplated hereby or by the Bond Agreement, nor the fulfillment of or compliance with the terms and conditions of this Project Lease contravenes in any material respect any provisions of its articles of organization or operating agreement, or conflicts in any material respect with or results in a material breach of the terms, conditions or provisions of any mortgage, debt, agreement, indenture or instrument to which the Tenant is a party or by which it is bound, or to which it or any of its properties is subject, or would constitute a material default (without regard to any required notice or the passage of any period of time) under any of the foregoing, or would result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Tenant under the terms of any mortgage, debt, agreement, indenture or instrument, or violates in any material respect any existing law, administrative regulation or court order or consent decree to which the Tenant is subject.

(d) This Project Lease constitutes a legal, valid and binding obligation of the Tenant enforceable against the Tenant in accordance with its terms.

(e) The Tenant agrees to operate and will operate the Project, or cause the Project to be operated as a "facility," as that term is contemplated in the Act, from the date of the Issuer's acquisition of the Project to the end of the Term.

(f) The Tenant has obtained or will obtain any and all permits, authorizations, licenses and franchises necessary to construct the Improvements and to enable it to operate and utilize the Project for the purposes for which it was leased by the Tenant under this Project Lease.

(g) The estimated total cost of the Improvements to be financed by the proceeds of the Bonds, plus interest on the Bonds during acquisition of the Project, and Costs of Issuance of the Bonds, will not be less than the original aggregate principal amount of the Bonds.

(h) After reasonable inquiry and investigation, the Tenant is not aware of (i) any Hazardous Substances generated from or located on the Project; (ii) any prior use of the Real Property which might reasonably involve Hazardous Substances; or (iii) any investigations, complaints or inquiries of any kind, from any source, concerning Hazardous Substances with respect to the Project or properties adjoining the Project.

(i) The Tenant will not use or permit the Project to be used by any other person or entity in any manner which would involve the generation, storage, disposal or transportation of Hazardous Substances, except in strict compliance with applicable Environmental Laws.

(j) The proceeds of the Bonds are to be used (i) to acquire, construct, install, equip and furnish the Project, and (ii) to pay certain costs related to the issuance of the Bonds.

(k) Subject to the provisions of *Section 10.2*, all Improvements and machinery and equipment comprising the Project will be located and maintained entirely and exclusively on the Real Property to and until the principal of, redemption premium, if any, and interest on the Bonds have been satisfied in full.

Section 1.3. Representations and Covenants by the Issuer.

The Issuer represents, covenants and warrants, to the best of its knowledge and belief, as follows:

(a) It is a municipal corporation duly incorporated and existing as a city of the second class under the constitution and laws of the State. Under the provisions of the Act and the Ordinance, the Issuer has the power to enter into and perform the transactions contemplated by this Project Lease and the Bond Agreement and to carry out its obligations hereunder and thereunder.

(b) It has not, in whole or in part, assigned, leased, hypothecated or otherwise created any other interest in, or disposed of, or caused or permitted any lien, claim or encumbrance to be placed against, the Project, except for this Project Lease, the assignment of this Project Lease to the Bank as the Issuer's fiscal and paying agent, any Permitted Encumbrances, any Impositions, and the pledge of the Project pursuant to the Ordinance and the Bond Agreement.

(c) Except as otherwise provided herein or in the Bond Agreement, it will not during the Term, in whole or in part, assign, lease, hypothecate or otherwise create any other interest in, or dispose of, or cause or permit any lien, claim or encumbrance to be placed against, the Project, except Permitted Encumbrances, this Project Lease, any Impositions and the pledge of the Project pursuant to the Ordinance and the Bond Agreement.

(d) It has pledged the Project and the net rentals therefrom generated under this Project Lease to payment of the Bonds in the manner prescribed by the Act, and has duly authorized the execution and delivery of this Project Lease and the Bond Agreement and the issuance, sale and delivery of the Bonds.

(e) It has notified or obtained the consent to and/or approval of the issuance of the Bonds by each municipal corporation and political subdivision the notification, consent or approval of which is required by the provisions of the Act.

ARTICLE II

Section 2.1. Granting of Leasehold. The Issuer by these presents hereby rents, leases and lets the Project unto the Tenant and the Tenant hereby rents, leases and hires the Project for the Term from the Issuer, for the rentals and upon and subject to the terms and conditions hereinafter set forth.

ARTICLE III

Section 3.1. Basic Rent. The Issuer reserves and the Tenant covenants and agrees to pay Basic Rent to the Bank, as assignee of the Issuer, for the account of the Issuer, for deposit in the Debt Service Fund, on each Basic Rent Payment Date. Basic Rent shall be payable by check or draft of the Tenant due at the principal office of the Bank on each Basic Rent Payment Date.

Notwithstanding the foregoing, if the Tenant is the sole Owner of the Bonds, payments of Basic Rent made by the Tenant under the Project Lease which coincide with payments of principal and interest on the Bonds may be entered on the books of the Tenant as Owner of the Bonds without being deposited in the Debt Service Fund and the Bank shall not be required to take notice, or be deemed to have notice, of any default in such payments. Such payments shall be credited against the Tenant's obligation to make payments of Basic Rent under the Project Lease and against the Issuer's obligation to make payments of principal and interest on the Bonds. If the Bonds are at any time held by more than one Owner, then payments of Basic Rent shall be received and disbursed in accordance with the provisions of subsection (a) of this Section.

Section 3.2. Additional Rent. Within 30 days after receipt of written notice thereof, the Tenant shall pay any Additional Rent required to be paid pursuant to this Project Lease not already paid.

Section 3.3. Rent Payable Without Abatement or Setoff. The Tenant covenants and agrees with and for the express benefit of the Issuer and the Owner that all payments of Basic Rent and Additional Rent shall be made by the Tenant as the same become due, and that the Tenant shall perform all of its obligations, covenants and agreements hereunder without notice or demand and without abatement, deduction, setoff, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Improvements shall have been acquired, started or completed, or whether the Issuer's interest in the Project or any part thereof is defective or non-existent, and notwithstanding any failure of consideration or commercial frustration of purpose, the eviction or constructive eviction of the Tenant or any subtenant, any Change of Circumstances, any change in the tax or other laws of the United States of America, the State, or any municipal corporation of either, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any action of the Issuer or any other event or condition whatsoever, and regardless of the invalidity of any portion of this Project Lease, and the Tenant hereby waives the provisions of any statute or other law now or hereafter in effect contrary to any of its obligations, covenants or agreements under this Project Lease or which releases or purports to release the Tenant therefrom. Nothing in this Project Lease shall be construed as a waiver by the Tenant of any rights or claims the Tenant may have against the Issuer under this Project Lease or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Project Lease that the Tenant shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Project Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owner.

Section 3.4. Prepayment of Basic Rent. The Tenant may at any time prepay all or any part of the Basic Rent. Prepayments of Basic Rent will be applied to redemption of Bonds (other than mandatory sinking fund redemption), including payment of redemption premium, as directed in writing by the Tenant, to the extent that Bonds are subject to optional redemption at the time of prepayment. Otherwise, prepayments of Basic Rent will be deposited in the Debt Service Fund to be applied to purchase of Bonds, or to optional redemption of Bonds (including redemption premium and interest) at the earliest date on which Bonds are subject to optional redemption. Prepayments of Basic Rent which are not sufficient to redeem all Bonds Outstanding at the time of the prepayment will be applied to redeem the principal amounts of Bonds Outstanding in inverse order of maturity, unless otherwise directed by the Tenant.

Section 3.5. Deposit of Rent by the Bank. As assignee of the Issuer's rights hereunder, the Bank shall deposit, use and apply all payments of Basic Rent and Additional Rent in accordance with the provisions of this Project Lease and the Bond Agreement.

Section 3.6. Acquisition of Bonds. If the Tenant acquires any or all of the Outstanding Bonds, it may present the certificate(s) representing such part of the Bonds to the Bank for cancellation, and upon such cancellation, the Tenant's obligation to pay Basic Rent shall be reduced or terminated, as the case may be, in the same manner as provided for prepayments by the Tenant of Basic Rent. In no event, however, shall the Tenant's obligation to pay Basic Rent be reduced in such a manner that the Bank shall not have on deposit in the Debt Service Fund, on the next succeeding Payment Date, available funds sufficient to pay the maturing principal of, redemption premium, if any, and interest on Outstanding Bonds as and when the same shall become due and according to the terms of the Bonds; except in the case when Tenant owns and surrenders for cancellation all of the Outstanding Bonds.

ARTICLE IV

Section 4.1. Disposition of Original Proceeds; Project Fund. Except as otherwise provided below, any Original Proceeds shall be paid over to the Bank for the account of the Issuer and applied as set forth in *Section 5* of the Bond Agreement. Notwithstanding any statement set forth in this Project Lease or in the Bond Agreement to the contrary, in the event Tenant has completed the Project prior to the Issue Date with its own funds, then Tenant shall not be required to deposit any Original Proceeds with the Bank. In such an event, the Tenant shall certify to the Issuer and Bank that the Project has been completed and paid in full, whereupon the Issuer and Bank shall deliver the Bonds to the Tenant on the Issue Date.

ARTICLE V

Section 5.1. Acquisition of Interest in Real Property and Improvements. The Tenant shall prior to or concurrently with the issuance of the Bonds, execute and deliver the Site Lease under which the Tenant shall lease to the Issuer, subject to Permitted Encumbrances, the Real Property as described in *Schedule I*, and such of the Improvements as are then completed, installed or in progress. The Tenant shall also concurrently with delivery of the Site Lease make provisions for the discharge or subordination to the interests acquired by the Issuer of any liens or encumbrances incurred by it in connection with the construction, installation or development of the Improvements, other than Permitted Encumbrances.

Section 5.2. Payment of Project Costs for Buildings and Improvements. The Issuer hereby agrees to pay or reimburse the Tenant for the acquisition or construction of the Improvements or any repairs or replacements to be made pursuant to *Article XVIII* of this Project Lease, but solely from Original Proceeds of the Bonds (or Net Proceeds, as applicable), as deposited in the Project Fund and hereby authorizes and directs the Bank to pay for the same, but solely from the Project Fund, from time to time, after issuance of the Bonds while the Tenant is in compliance with the requirements of *Section 6.1* hereof, upon receipt by the Bank of a requisition certificate signed by the Authorized Tenant Representative in the form set forth as *Appendix A* hereto which is incorporated herein by reference.

The sole obligation of the Issuer under this paragraph shall be to cause the Bank to make such disbursements upon receipt of such certificates and releases or waivers. The Bank may rely fully on any such certificates and shall not be required to make any investigation in connection therewith, except that the Bank shall investigate requests for reimbursements directly to the Tenant and shall require such supporting evidence as would be required by a reasonable and prudent fiduciary.

Section 5.3. Payment of Project Costs for Machinery and Equipment. The Issuer hereby agrees to pay for the purchase and acquisition of any machinery and equipment constituting a part of the Improvements, but solely from the Project Fund, from time to time, upon receipt by the Bank of a certificate signed by the Authorized Tenant Representative in the form provided by *Appendix A* hereto which is incorporated herein by reference.

The sole obligation of the Issuer under this Section shall be to cause the Bank to make such disbursements upon receipt of the certificates and proof of mechanic's or subcontractor's lien waiver or release, if the item is to become a fixture on the Real Property. The Bank may rely fully on any such certificate and supporting documentation and shall not be required to make any independent investigation in connection

therewith. All machinery, equipment and/or personal property acquired, in whole or in part, from funds deposited in the Project Fund pursuant to this Section will be considered a part of the Project. With respect to items of machinery and equipment constituting a part of the Improvements, the Tenant shall maintain a running master list of such machinery and equipment, and within 30 days after the Completion Date, the Tenant shall prepare an accurate detailed final list of machinery and equipment constituting a part of the Improvements (but not installed as fixtures therein or thereon), which list shall be filed with the Bank, and shall constitute a part of this Project Lease by reference. All machinery and equipment constituting a part of the Improvements shall be appropriately identified by separate schedule or other means acceptable to the Bank.

Section 5.4. Completion of Project. The Tenant warrants that the Project will be occupied and used by the Tenant for its lawful business purposes throughout the Term. The Tenant further certifies as follows:

- (a) The Improvements have been substantially completed in accordance with the plans and specifications prepared at the Tenant's direction.
- (b) The Improvements have been substantially completed in a good and workmanlike manner.
- (c) There are no mechanic's, materialmen's liens or other statutory liens on file encumbering title to the Real Property; all bills for labor and materials furnished for the Improvements which could form the basis of a mechanic's, materialmen's or other statutory lien against the Real Property have been paid in full, and within the past four months no such labor or materials have been furnished which have not been paid for.
- (d) All Improvements are located or installed upon the Real Property.
- (e) All material provisions of applicable building codes have been complied with and, if applicable, a certificate of occupancy has been issued with respect to the Project.

Section 5.5. Machinery and Equipment Purchased by the Tenant. If no part of the purchase price of an item of machinery, equipment or personal property is paid from Original Proceeds deposited in the Project Fund pursuant to the terms of this Project Lease, then such item of machinery, equipment or personal property will not be considered a part of the Project.

Section 5.6. Project Property of the Issuer. All Improvements, any Project Additions, anything under this Project Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as fully completed, repaired, rebuilt, rearranged, restored or replaced by the Tenant under the provisions of this Project Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute property of the Issuer. Any Improvements which become a part of the real estate as fixtures shall remain separate from the Tenant's property unless and until purchased by the Tenant from the Issuer as provided in this Project Lease.

Section 5.7. Kansas Retailers' Sales Tax. The parties have entered into this Lease in contemplation that, under the existing provisions of K.S.A. 79-3606, subsections (b) and (d) and other applicable laws, sales of tangible personal property or services purchased in connection with construction of the Improvements are entitled to exemption from the tax imposed by the Kansas Retailers' Sales Tax Act. The parties agree that the Issuer shall, upon the request of and with the Tenant's assistance, promptly obtain from the State and furnish to the contractors and suppliers a project exemption certificate for the construction of the Improvements. The Tenant covenants that the exemption certificate will be used only in connection with the

purchase of tangible personal property or services becoming a part of the Project. The Issuer shall not be responsible for any failure on the part of the State to issue such project exemption certificate.

ARTICLE VI

Section 6.1. Insurance Requirements. Tenant agrees to maintain the following policies of insurance in full force and effect:

(a) General accident and public liability insurance covering the Tenant's operations in or upon the Project (including coverage for losses arising from the ownership, maintenance, use or operation of any automobile, truck or other vehicle in or upon the Project) under which the Tenant shall be insured and the Issuer and the Bank shall be additional insureds or mortgagees, as their interests in the Project appear, in an amount not less than the then maximum liability of a governmental entity for claims arising out of a single occurrence as provided by the Kansas tort claims act or other similar future law (currently \$500,000 per occurrence); which policy shall provide that such insurance may not be canceled by the issuer thereof without at least 30 days' advance written notice to the Issuer, the Tenant and the Bank, such insurance to be maintained throughout the Term of this Project Lease;

(b) Statutory workers' compensation insurance; and

(c) insurance on the Improvements against loss or damage by fire, lightning and all other risks covered by the broadest form extended coverage insurance endorsement then in use in the State in an amount equal to the Full Insurable Value thereof, which policy shall provide that such insurance may not be canceled by the issuer thereof without at least 30 days' advance written notice to the Issuer, the Tenant and the Bank, such insurance to be maintained throughout the Term of this Project Lease.

Section 6.2. General Insurance Provisions.

(a) Within 30 days of renewal dates of expiring policies, certificates of the insurance provided for in this Article shall be delivered by the Tenant to the Bank. All policies of such insurance and all renewals thereof shall name the Tenant as insured and the Issuer and the Bank as additional insureds or mortgagees and loss payees as their respective interests may appear, shall contain a provision that such insurance may not be canceled or amended by the issuer thereof without at least 30 days' written notice to the Issuer, the Tenant and the Bank and shall be payable to the Issuer, the Tenant and the Bank as their respective interests appear. The Issuer and the Tenant each hereby agree to do anything necessary, be it the endorsement of checks or otherwise, to cause any payment of insurance proceeds to be made to the Bank, as long as such payment is required by this Project Lease to be made to the Bank. Any charges made by the Bank for its services in connection with insurance payments shall be paid by the Tenant.

(b) Each policy of insurance hereinabove referred to shall be issued by a nationally recognized responsible insurance company authorized under the laws of the State to assume the risks covered therein, except that the Tenant may be self-insured as to any required insurance coverages under a program of self-insurance approved by the State Commissioner of Insurance or other applicable State regulatory authority.

(c) Certificates of insurance evidencing the insurance coverages herein required shall be filed with the Bank continuously during the term of this Project Lease.

(d) Each policy of insurance hereinabove referred to may be subject to a reasonable deductible or self-insured retention.

(e) Each policy of insurance required herein may be provided through blanket policies maintained by the Tenant.

(f) Anything in this Project Lease to the contrary notwithstanding, the Tenant shall be liable to the Issuer and the Bank pursuant to the provisions of this Project Lease or otherwise, as to any loss or damage which may have been occasioned by the negligence of the Tenant, its agents, licensees, contractors, invitees or employees.

Section 6.3. Evidence of Title. The Tenant shall furnish Owner's Title Evidence in the form of a policy of owner's or lender's title insurance, insuring the Tenant's fee simple title to the Real Property, as of the Issue Date, subject to Permitted Encumbrances. Such evidence of title shall contain no exceptions, other than the title insurance company's standard printed exceptions, Permitted Encumbrances, and the encumbrance created by the Site Lease and this Project Lease. During the Term, the Issuer and the Tenant agree that any and all proceeds from a title insurance policy (a) if received before the completion of the building Improvements shall be paid into and become a part of the Project Fund, (b) if received thereafter but before the Bonds and interest thereon have been paid in full, shall be paid into and become a part of the Debt Service Fund, and (c) if received after the Bonds, redemption premium, if any, and interest thereon have been paid in full, shall be paid to the Tenant.

If the Tenant is the sole Owner, in lieu of providing Owner's Title Evidence as of the Issue Date, the Tenant may furnish evidence of the Tenant's fee simple title to the Real Property in the form of a copy of a policy of owner's title insurance, a copy of a loan policy of title insurance or a certificate of owner's title, evidencing the Tenant's fee simple title to the Real Property, subject to Permitted Encumbrances.

ARTICLE VII

Section 7.1. Impositions. The Tenant shall, during the Term of this Project Lease, bear, pay and discharge, before the delinquency thereof, any and all Impositions. In the event any Impositions may be lawfully paid in installments, the Tenant shall be required to pay only such installments thereof as become due and payable during the Term of this Project Lease as and when the same become due and payable.

Section 7.2. Receipted Statements. Unless the Tenant exercises its right to contest any Impositions in accordance with *Section 7.3* hereof, the Tenant shall, within 30 days after the last day for payment without penalty or interest of an Imposition which the Tenant is required to bear, pay and discharge pursuant to the terms hereof, deliver to the Bank a copy of the statement issued therefor duly receipted to show the payment thereof.

Section 7.3. Contest of Impositions. The Tenant shall have the right, in its own or the Issuer's name or both, to contest the validity or amount of any Imposition by appropriate legal proceedings instituted before the Imposition complained of becomes delinquent if, and provided, the Tenant (i) before instituting any such contest, shall give the Issuer and the Bank written notice of its intention to do so and, if requested in writing by the Issuer or the Bank, shall deposit with the Bank a surety bond of a surety company acceptable to the Issuer as surety, in favor of the Issuer and the Bank, as their interests may appear, or cash, in a sum of at least the amount of the Imposition so contested, assuring the payment of such contested Impositions together with all interest and penalties to accrue thereon and court costs, (ii) diligently prosecutes any such contest and at all times effectively stays or prevents any official or judicial sale therefor, under execution or otherwise, and (iii) promptly pays any final judgment enforcing the Imposition so contested and thereafter promptly procures

record release or satisfaction thereof. The Tenant shall indemnify and hold the Issuer whole and harmless from any costs and expenses the Issuer may incur related to any such contest.

Section 7.4. Ad Valorem Taxes. The parties acknowledge that under the existing provisions of K.S.A. 79-201a, as amended, the property acquired, constructed or purchased with the proceeds of the Bonds is eligible to receive exemption from *ad valorem* taxation for a period up to 10 calendar years after the calendar year in which the Bonds are issued, provided the Issuer has complied with notice, hearing and procedural requirements established by law, and proper application has been made; , and further provided no exemption may be granted from the ad valorem property tax levied: (a) by a school district pursuant to the provisions of K.S.A. 72-53,113, and amendments thereto; (b) for the uses restricted pursuant to the provisions of K.S.A. 79-201a, *Second* and *Twenty-Fourth*; and (c) for real estate on which the Project is located. The Issuer represents that such notice, hearing and procedural requirements will have been complied with at the Issue Date. Subject to the provisions of *Section 7.5* of this Project Lease, and to the provisions of the Agreement for Payment in Lieu of Taxes referred to therein, the Issuer will, at the Tenant's request, with information furnished by Tenant and the Bank, make all necessary filings regarding the application for *ad valorem* tax exemption for the full 10-year period in the calendar year following the calendar year in which the Bonds were issued, and will renew the application from time to time and take any other action as may be necessary to maintain such *ad valorem* tax exemption in full force and effect, in accordance with K.S.A. 79-201a, 79-210 *et seq.* and the requirements of the State Board of Tax Appeals. If it becomes necessary to litigate the issue of availability or applicability of the *ad valorem* tax exemption, the Issuer will cooperate fully with Tenant in pursuing such litigation, but all litigation costs and reasonable attorneys' fees must be paid by Tenant, either directly or as Additional Rent.

Section 7.5. Payment in Lieu of Taxes. The Tenant agrees to make payments in lieu of taxes on the Project for each year that the Project is exempt from *ad valorem* taxes and to pay as an Imposition hereunder taxes for any year in which the Project did not, or does not qualify, in accordance with the separate Agreement for Payment in Lieu of Taxes delivered concurrently with this Project Lease.

ARTICLE VIII

Section 8.1. Use of Project. Subject to the provisions of this Project Lease, the Tenant shall have the right to use the Project for any and all purposes allowed by law and contemplated by the constitution of the State and the Act. The Tenant shall comply in all material respects with all statutes, laws, ordinances, orders, judgments, decrees, regulations, directions and requirements of all federal, state, local and other governments or governmental authorities, now or hereafter applicable to the Project or to any adjoining public ways, as to the manner of use or the condition of the Project or of adjoining public ways. The Tenant shall comply with the mandatory requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this Project Lease. The Tenant shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the Tenant to comply with the provisions of this Article.

Section 8.2. Environmental Provisions.

(a) The Tenant hereby covenants that it will not cause or permit any Hazardous Substances (as defined herein) to be placed, held, located or disposed of, on, under or at the Real Property or the Project, other than in the ordinary course of business and in compliance with all applicable Environmental Laws.

(b) In furtherance and not in limitation of any indemnity elsewhere provided to the Issuer hereunder and in the Bond Agreement, the Tenant hereby agrees to indemnify and hold harmless the Issuer, the Bank and the Owner from time to time from and against any and all losses, liabilities, including strict liability, damages, injuries, expenses, including reasonable attorneys' fees, costs of any settlement or judgment, costs of investigation, consultants, testing, sampling, cleanup, or defense, and claims of any and every kind paid, incurred or suffered, with respect to, or as a direct or indirect result of, the actual or alleged presence on or under, or the escape, seepage, leakage, spillage, discharge, emission, discharging or release from the Real Property or the Project of any Hazardous Substance (including, without limitation, any losses, liabilities, reasonable attorneys' fees, costs of any settlement or judgment or claims asserted or arising under any federal, state or local Environmental Law or so-called "Superfund" or "Super lien" law, or any other applicable Environmental Law, rule, regulation, order or decree regulating, relating to or imposing liability, including strict liability, or standard of conduct concerning, any Hazardous Substance) regardless of whether or not caused by or within the control of the Tenant.

(c) If the Tenant receives any notice of (1) the happening of any event involving the use, other than in the ordinary course of business and in compliance with all applicable Environmental Laws, spill, release, leak, seepage, discharge or cleanup of any Hazardous Substance on the Real Property or the Project or in connection with the Tenant's operations thereon or (2) any complaint, order, citation or notice with regard to air emissions, water discharges or any other environmental, health or safety matter affecting the Tenant (an "Environmental Complaint") from any person (including, without limitation, the United States Environmental Protection Agency (the "EPA"), and the Kansas Department of Health and Environment ("KDHE")) then the Tenant shall immediately notify the Issuer and the Bank in writing. With respect to any such notice that relates to a condition or conditions on the Project site, the Tenant shall promptly initiate action to remediate the conditions cited in the notice, and shall diligently pursue such remediation at its expense to the satisfaction of the city authority.

(d) If the Tenant fails to initiate action to remediate as required in subsection (c) of this section, or otherwise fails to discharge its obligations under this *Section 8.2*, the Issuer shall have the right, but not the obligation, and without limitation of the Issuer's other rights under this Project Lease, to enter the Project or to take such actions as it may deem necessary or advisable to inspect, clean up, remove, resolve or minimize the impact of, or to otherwise deal with, any Hazardous Substance or Environmental Complaint following receipt of any notice asserting the existence on the Project of any Hazardous Substance or an Environmental Complaint pertaining to the Project or any part thereof which, if true, could result in an order, suit or other action against the Tenant and/or which, in the reasonable judgment of the Issuer, could jeopardize its interests under this Project Lease. All reasonable costs and expenses incurred by the Issuer in the exercise of any such rights shall be payable by the Tenant as Additional Rent on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points.

(e) If an Event of Default shall have occurred and is continuing which relates to environmental matters, at the request of the Issuer or the Bank, the Tenant shall periodically perform (at the Tenant's expense) an environmental audit and, if reasonably deemed necessary by the Issuer or the Bank, an Environmental Assessment, (each of which must be reasonably satisfactory to the Issuer and the Bank) of the Project, or the hazardous waste management practices and/or hazardous waste disposal sites used by the Tenant with respect to the Project. The audit and/or Environmental Assessment shall be conducted by an environmental consultant satisfactory to the Issuer and the Bank. Should the Tenant fail to perform any environmental audit or risk assessment within 30 days of the written request of the Issuer or the Bank, either shall have the right, but not the obligation, to retain an environmental consultant to perform any such environmental audit or risk assessment. All costs and expenses incurred by the Issuer or the Bank in the exercise of such rights shall be payable by the Tenant as Additional Rent on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points.

(f) The Tenant shall not install nor permit to be installed in the Project friable asbestos or any substance containing asbestos and deemed hazardous by Environmental Law applicable to the Project and respecting such material, and with respect to any such material currently present in the Project, shall promptly either (1) remove any material which such applicable regulations deem hazardous and require to be removed or (2) otherwise comply with such applicable Environmental Law, at the Tenant's expense. If the Tenant shall fail to so remove or otherwise comply, the Issuer may declare an Event of Default and/or do whatever is necessary to eliminate the substances from the Project or otherwise comply with the applicable Environmental Law or order, and the costs thereof shall be payable by the Tenant on demand, and if not so paid, shall bear interest until paid at the average rate of interest on the Bonds plus 200 basis points. The Tenant shall defend, indemnify, and save the Issuer, the Bank and the Owner harmless from all costs and expenses (including consequential damages) asserted or proven against the Tenant, or incurred to comply with such regulations.

(g) The provisions of this *Section 8.2* shall survive the termination of this Project Lease or exercise of the Tenant's option to purchase the Project, except with respect to obligations which arise solely and exclusively as a result of the use, spill, release, leak, seepage or discharge of Hazardous Substances on the Real Property or the Project after the Project is no longer occupied by the Tenant.

ARTICLE IX

Section 9.1. Sublease by the Tenant. The Tenant may sublease the Project to a single party or entity, with the prior written consent of the Issuer. The Tenant may sublease portions of the Project for use by others in the normal course of its business without the Issuer's prior consent or approval. In the event of any such subleasing, the Tenant shall remain fully liable for the performance of its duties and obligations hereunder, and no such subleasing and no dealings or transactions between the Issuer or the Bank and any such subtenant shall relieve the Tenant of any of its duties and obligations hereunder. Any such sublease shall be subject and subordinate in all respects to the provisions of this Project Lease.

Section 9.2. Assignment by the Tenant. The Tenant may assign, mortgage, sell or otherwise transfer its interest in this Project Lease only with the prior written consent of the Issuer. Collateral assignment by the Tenant of its leasehold interest in this Project Lease to the Bank for the benefit of the Owner is hereby acknowledged and approved by the Issuer. In the event of any such assignment, the Tenant shall remain fully liable for the performance of its duties and obligations hereunder, except to the extent hereinafter provided, and no such assignment and no dealings or transactions between the Issuer or the Bank and any such assignee shall relieve the Tenant of any of its duties and obligations hereunder, except as may be otherwise provided in the following Section.

Section 9.3. Release of the Tenant. If, in connection with an assignment by the Tenant of its interest in this Project Lease, (a) the Issuer and the Owners of the Outstanding Bonds (including any Additional Bonds) shall file with the Bank their prior written consent to such assignment, and (b) the proposed assignee shall expressly assume and agree to perform all of the obligations of the Tenant under this Project Lease with regard to the Bonds; then the Tenant shall be fully released from all obligations accruing hereunder after the date of such assignment.

Section 9.4. Covenant Against Other Assignments. The Tenant will not assign or in any manner transfer its interests under this Project Lease, nor will it suffer or permit any assignment thereof by operation of law, except in accordance with the limitations, conditions and requirements set forth in this *Article IX*.

ARTICLE X

Section 10.1. Repairs and Maintenance. The Tenant covenants and agrees that it will, during the Term of this Project Lease, at its own expense, keep and maintain the Project and all parts thereof in good condition and repair (ordinary wear and tear excepted), including but not limited to the furnishing of all parts, mechanisms and devices required to keep the machinery, equipment and personal property constituting a part of the Project in good mechanical and working order (ordinary wear and tear excepted).

Section 10.2. Removal, Disposition and Substitution of Machinery or Equipment. The Tenant shall have the right, provided the Tenant is not in Default, to remove and sell or otherwise dispose of any machinery or equipment which constitutes a part of the Project and which is no longer used by the Tenant or, in the opinion of the Tenant, is no longer useful to the Tenant in its operations (whether by reason of changed processes, changed techniques, obsolescence, depreciation or otherwise).

All machinery or equipment constituting a part of the Project and removed by the Tenant in compliance with this Section shall become the absolute property of the Tenant and may be sold or otherwise disposed of by the Tenant without otherwise accounting to the Issuer. In all cases, the Tenant shall pay all the costs and expenses of any such removal and shall immediately repair at its expense all damage caused thereby. The Tenant's rights under this Section to remove machinery or equipment constituting a part of the Project is intended only to permit the Tenant to maintain an efficient operation by the removal of such machinery and equipment no longer suitable to the Tenant's use for any of the reasons set forth in this Section and such right is not to be construed to permit a removal under any other circumstances and shall not be construed to permit the wholesale removal of such machinery or equipment by the Tenant.

ARTICLE XI

Section 11.1. Alteration of Project. The Tenant shall have and is hereby given the right, at its sole cost and expense, to make such additions, changes and alterations in and to any part of the Project as the Tenant from time to time may deem necessary or advisable, provided however, the Tenant shall not make any major addition, change or alteration which will adversely affect the intended use or structural strength or value of any part of the Improvements. All additions, changes and alterations made by the Tenant pursuant to the authority of this Article shall (a) be made in a workmanlike manner and in strict compliance with all laws and ordinances applicable thereto, (b) when commenced, be prosecuted to completion with due diligence, and (c) when completed, shall be deemed a part of the Project; provided, however, that additions of machinery, equipment and/or personal property of the Tenant, not purchased or acquired from proceeds of the Bonds and not constituting a part of the Project shall remain the separate property of the Tenant and may be removed by the Tenant prior to or as provided in *Section 22.1* hereof.

ARTICLE XII

Section 12.1. Additional Improvements. The Tenant shall have and is hereby given the right, at its sole cost and expense, to construct on the Real Property or within areas occupied by the Improvements, or in airspace above the Project, such additional buildings and improvements as the Tenant from time to time may deem necessary or advisable. All additional buildings and improvements constructed by the Tenant pursuant to the authority of this Article shall, during the

Term, remain the property of the Tenant and may be added to, altered or razed and removed by the Tenant at any time during the Term hereof. The Tenant covenants and agrees (a) to make all repairs and restorations, if any, required to be made to the Project because of the construction of, addition to, alteration or removal of, the additional buildings or improvements, (b) to keep and maintain the additional buildings and improvements in good condition and repair, ordinary wear and tear excepted, (c) to promptly and with due diligence either raze and remove from the Real Property, in a good, workmanlike manner, or repair, replace or restore such of the additional buildings or improvements as may from time to time be damaged by fire or other casualty, and (d) that all additional buildings and improvements constructed by the Tenant pursuant to this Article which remain in place after the termination of this Project Lease for any cause other than the purchase of the Project pursuant to *Article XVII* hereof shall, upon and in the event of such termination, become the separate and absolute property of the Issuer.

ARTICLE XIII

Section 13.1. Securing of Permits and Authorizations. The Tenant shall not do or permit others under its control to do any work in or in connection with the Project or related to any repair, rebuilding, restoration, replacement, alteration of or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have first been procured and paid for. All such work shall be done in a good and workmanlike manner and in compliance with all applicable building, zoning and other laws, ordinances, governmental regulations and requirements and in accordance with the requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of this Project Lease.

Section 13.2. Mechanic's Liens. The Tenant shall not do or suffer anything to be done whereby the Project, or any part thereof, is encumbered by any mechanic's or other similar lien. Should any mechanic's or other similar lien ever be filed against the Project, or any part thereof, the Tenant shall discharge the same of record within 30 days after the date of filing. Notice is hereby given that the Issuer does not authorize or consent to and shall not be liable for any labor or materials furnished to the Tenant or anyone claiming by, through or under the Tenant upon credit, and that no mechanic's or similar liens for any such labor, services or materials shall attach to or affect the reversionary or other estate of the Issuer in and to the Project, or any part thereof.

Section 13.3. Contest of Liens. The Tenant, notwithstanding the above, shall have the right to contest any such mechanic's or other similar lien if within the 30-day period stated above it (a) notifies the Issuer and the Bank in writing of its intention so to do, and if requested by the Bank or the Issuer, deposits with the Bank a surety bond issued by a surety company acceptable to the Issuer as surety, in favor of the Issuer, or cash, in the amount of the lien claim so contested, indemnifying and protecting the Issuer from and against any liability, loss, damage, cost and expense of whatever kind or nature growing out of or in any way connected with the asserted lien and the contest thereof, (b) diligently prosecutes such contest, at all times effectively staying or preventing any official or judicial sale of the Project or any part thereof or interest therein, under execution or otherwise, and (c) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and thereafter promptly procures record release or satisfaction thereof.

Section 13.4. Utilities. All utilities and utility services used by the Tenant in, on or about the Project shall be contracted for by the Tenant in the Tenant's own name and the Tenant shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary for all operations on the Project.

ARTICLE XIV

Section 14.1. Indemnity. The Tenant agrees, whether or not the transactions contemplated by this Project Lease, the Site Lease, the Bonds or the Bond Agreement are consummated, to indemnify and hold harmless the Issuer and its officers, directors, officials, employees and agents, including the Bank as assignee of the Issuer's rights under this Project Lease, and the Owner and each of its officers, directors, employees and agents (any or all of the foregoing referred to hereafter as "Indemnified Persons"), from and against all claims, actions, suits, proceedings, expenses, judgments, damages, penalties, fines, assessments, liabilities, charges or other costs (including, without limitation, all attorneys' fees and expenses incurred in connection with enforcing this Project Lease or collecting any sums due hereunder and any claim or proceeding or any investigations undertaken hereunder) relating to, resulting from, or in connection with (a) any cause in connection with the Project, including, without limitation, the acquisition, design, construction, installation, equipping, operating, maintenance or use thereof; (b) any act or omission of the Tenant or any of its agents contractors, servants, employees or licensee in connection with the use or operation of the Project; (c) any cause in connection with the issuance and sale of the Bonds, (d) a misrepresentation or breach of warranty by the Tenant hereunder or under any of the documents executed by the Tenant in connection with this Project Lease, or (e) any violation by the Tenant of any of its covenants hereunder or under any of the other documents executed by the Tenant in connection with the Bonds or this Project Lease. This indemnity is effective only with respect to any loss incurred by any Indemnified Person not due to willful misconduct, gross negligence, or bad faith on part of such Indemnified Person. In case any action or proceeding shall be brought against one or more Indemnified Person and with respect to which such Indemnified Person may seek indemnity as provided herein, such Indemnified Person shall promptly notify the Tenant in writing and the Tenant shall promptly assume the defense thereof, including the employment of counsel reasonable satisfactory to such Indemnified Person or Indemnified Persons, the payment of all expenses and the right to negotiate and consent to settlement; but the failure to notify the Tenant as provided shall not relieve Tenant from any liability or duty under this Section, so long as Tenant is given reasonable opportunity to defend such claim.

ARTICLE XV

Section 15.1. Access to Project. The Issuer, for itself and its duly authorized representatives and agents, including the Bank, reserves the right to enter the Project at all reasonable times during usual business hours throughout the Term, upon reasonable notice, for the purpose of (a) examining and inspecting the same, (b) performing such work made necessary by reason of the Tenant's default under any of the provisions of this Project Lease, and (c) after an Event of Default, for the purpose of exhibiting the Project to prospective purchasers, lessees or mortgagees. The Issuer may, during the progress of the work mentioned in (b) above, keep and store on the Project all necessary materials, supplies and equipment and shall not be liable for inconvenience, annoyances, disturbances, loss of business or other damage suffered by reason of the performance of any such work or the storage of such materials, supplies and equipment.

ARTICLE XVI

Section 16.1. Option to Extend Basic Term. The Tenant shall have and is hereby given the right and option to extend the Basic Term of this Project Lease for the Additional Term provided that (a) the Tenant shall give the Issuer written notice of its intention to exercise the option at least 30 days

prior to the expiration of the Basic Term and (b) the Tenant is not in Default hereunder at the time it gives the Issuer such notice or at the time the Additional Term commences. In the event the Tenant exercises such option, the terms, covenants, conditions and provisions set forth in this Project Lease shall be in full force and effect and binding upon the Issuer and the Tenant during the Additional Term except that the Basic Rent during any extended term herein provided for shall be the sum of \$100.00 per year, payable in advance on the first Business Day of such Additional Term.

ARTICLE XVII

Section 17.1. Option to Purchase Project. Subject to the provisions of this Article, the Tenant shall have the right and option to purchase the Issuer's interest in the Project at any time during or after the Term hereof. The Tenant shall exercise its option by giving the Issuer written notice of the Tenant's election to exercise its option and specifying the date, time and place of closing, which date (the "Release Date") shall neither be earlier than 30 days nor later than 180 days after the notice is given. The Tenant may not, however, exercise such option if the Tenant is in Default hereunder on the Release Date unless all Defaults are cured upon payment of the purchase price specified in *Section 17.2*.

Section 17.2. Quality of Title and Purchase Price. If the notice of election to purchase is given, the Issuer shall assign and release all of its interests in the Project to the Tenant on the Release Date free and clear of all liens and encumbrances except (a) Permitted Encumbrances, (b) those to which title was subject on the date of the Site Lease to the Issuer of the Real Property, or to which title became subject with the Issuer's and Tenant's written consent, or which resulted from any failure of the Tenant to perform any of its covenants or obligations under this Project Lease, (c) taxes and assessments, general and special, if any, and (d) the rights of any party having condemned or who is attempting to condemn title to, or the use for a limited period of, all or any part of the Project, for a price determined as follows (which the Tenant agrees to pay in cash at the time of delivery of the Issuer's instruments of release of the Project to the Tenant as hereinafter provided):

(i) The full amount which is required to provide the Issuer and the Bank with funds sufficient, in accordance with the provisions of the Bond Agreement, to pay at maturity or to redeem and pay in full (A) the principal of all of the Outstanding Bonds, (B) all interest due thereon to date of maturity or redemption, whichever first occurs, and (C) all costs, expenses and premiums incident to the redemption and payment of the Bonds in full, plus

(ii) \$100.00.

In the event the Tenant owns all of the Outstanding Bonds, the Tenant may surrender the Bond to the Bank for cancelation in lieu of paying the full amount set forth in this Section.

Nothing in this Article shall release or discharge the Tenant from its duty or obligation under this Project Lease to make any payment of Basic Rent or Additional Rent which, in accordance with the terms of this Project Lease, becomes due and payable prior to the Release Date, or its duty and obligation to fully perform and observe all covenants and conditions herein stated to be performed and observed by the Tenant prior to the Release Date.

Section 17.3. Closing of Purchase. On the Release Date, the Issuer shall deliver to the Tenant its release of leases and/or other appropriate instruments of assignment or release, properly executed and releasing the Project to the Tenant free and clear of all liens and encumbrances except as set forth in the preceding section above, and the Tenant shall pay the full purchase price for the Project as follows:

(a) the amount specified in clause (i) of *Section 17.2* shall be paid to the Bank for deposit in the Debt Service Fund to be used to pay or redeem Bonds and the interest thereon as provided in the Bond Agreement, and (b) the amount specified in clause (ii) of *Section 17.2* shall be paid to the Issuer; provided, however, nothing herein shall require the Issuer to deliver its appropriate instruments of assignment or release to the Tenant until after all duties and obligations of the Tenant under this Project Lease to the date of such delivery have been fully performed and satisfied or adequate provision made for such performance and satisfaction. Upon the recording of the Issuer's instruments of assignment or release, and payment of the purchase price by the Tenant and legal defeasance or cancellation of the Bonds, this Project Lease will terminate, subject to the provisions of *Section 20.2* hereof.

Section 17.4. Effect of Failure to Complete Purchase. If, for any reason, the purchase of the Project by the Tenant pursuant to valid notice of election to purchase is not effected on the Release Date, this Project Lease shall be and remain in full force and effect according to its terms as if no notice of election under *Section 17.1* had been given. The Issuer and Tenant agree to use all commercially reasonable efforts to effect the assignment and release as soon as possible.

Section 17.5. Application of Condemnation Awards if the Tenant Purchases Project. The right of the Tenant to exercise its option to purchase the Project under the provisions of this Article shall remain unimpaired notwithstanding any condemnation of title to, or the use for a limited period of, all or any part of the Project. If the Tenant shall exercise its option and pay the purchase price as provided in this Article, all of the condemnation awards received by the Issuer after the payment of the purchase price, less all attorneys' fees and other expenses and costs incurred by the Issuer in connection with such condemnation, shall belong and be paid to the Tenant.

Section 17.6. Option to Purchase Unimproved Portions of Real Property. The Tenant shall have the option to purchase at any time and from time to time during the Term any vacant part or vacant parts of the unimproved Real Property constituting a part of the Project; provided, however, the Tenant shall furnish the Issuer and the Bank with a certificate of the Authorized Tenant Representative, dated not more than thirty (30) days prior to the date of the purchase and stating that, in the opinion of the Authorized Tenant Representative, (a) the portion of the Real Property with respect to which the option is exercised is not needed for the operation of the Project, (b) the purchase will not impair the usefulness or operating efficiency or materially impair the value of the Project and will not destroy or materially impair the means of ingress thereto and egress therefrom, and (c) the purchase will not materially adversely affect compliance of the remaining Real Property and any Improvements with applicable zoning laws or regulations. The Tenant shall exercise this option by giving the Issuer and the Bank written notice of the Tenant's election to exercise its option and specifying (i) the legal description of the portion of Real Property to be released, and (ii) a certificate signed by the chief executive or chief financial officer of the Tenant stating that no event has occurred and is continuing which, with notice or lapse of time or both, would constitute an Event of Default. The Tenant may not exercise this option if there has occurred and is continuing any event which, with notice or lapse of time or both, would constitute an Event of Default at the time the notice is given and may not purchase the Real Property unless all defaults are cured. The option includes the right to purchase a perpetual easement for right-of-way to and from the public roadway and the right to purchase such land as is necessary to assure that there will always be access between the portion of the Real Property purchased pursuant to these *Sections 17.6* through *17.10* and the public roadway.

Section 17.7. Quality of Title - Purchase Price. If the notice of election to purchase is given as provided in *Section 17.6* the Issuer shall release its interest in the real property described in the Tenant's notice to the Tenant on the specified date free and clear of all liens and encumbrances except (a) Permitted Encumbrances, (b) those to which title was subject on the date of the Site Lease to the

Issuer of the Real Property, or to which title became subject with the Issuer's and Tenant's written consent, or which resulted from any failure of the Tenant to perform any of its covenants or obligations under this Project Lease, (c) taxes and assessments, general and special, if any, and (d) the interests of any party having condemned or who is attempting to condemn title to, or the use for a limited period of, all or any part of the real property described in the Tenant's notice.

Section 17.8. Closing of Purchase. The Issuer shall deliver to the Tenant its release of leases and other appropriate instruments of assignment or release, properly executed and releasing such real property to the Tenant free and clear of all liens and encumbrances except as stated above, and the Tenant shall pay the Bank the purchase price for such real property, and the Bank will deposit the purchase price in the Debt Service Fund and use the proceeds to redeem Bonds on any date the Bonds are subject to optional redemption, as provided in the Bond Agreement. Nothing herein shall require the Issuer to deliver its release of leases to the Tenant until after all duties and obligations of the Tenant under this Project Lease to the date of such delivery have been fully performed and satisfied.

Section 17.9. Effect of Release on Lease. The exercise by the Tenant of the option granted under these *Sections 17.6 to 17.10* and the purchase and release of a portion of the Real Property constituting a part of the Project pursuant hereto shall in no way whatsoever affect this Project Lease, and all the terms and provisions shall remain in full force and effect, including, without limitation, the Tenant's obligations to pay all Basic Rent and Additional Rent.

Section 17.10. Effect of Failure to Complete Purchase. If, for any reason, the purchase by the Tenant of the portion of the real property described in the notice is not effected on the specified date, this Project Lease shall be and remain in full force and effect according to its terms the same as though no notice of election to purchase had been given.

ARTICLE XVIII

Section 18.1. Damage and Destruction.

(a) If, during the Term, any Improvements are damaged or destroyed, in whole or in part, by fire or other casualty, the Tenant shall promptly notify the Issuer and the Bank in writing as to the nature and extent of such damage or loss and whether it is practicable and desirable to rebuild, repair, restore or replace such damage or loss.

(b) If the Tenant shall determine that such rebuilding, repairing, restoring or replacing is practicable and desirable, the Tenant shall proceed with and complete with reasonable dispatch such rebuilding, repairing, restoring or replacing. In such case, any Net Proceeds of property and/or casualty insurance required by this Project Lease and received with respect to any such damage or loss to the Improvements shall be paid to the Bank and shall be deposited in the Project Fund and shall be used and applied for the purpose of paying the cost of such rebuilding, repairing, restoring or replacing such damage or loss. Any amount remaining in the Project Fund after such rebuilding, repairing, restoring or replacing shall be paid to the Tenant.

(c) If the Tenant shall reasonably determine that rebuilding, repairing, restoring or replacing the Improvements is not practicable and desirable, any Net Proceeds of property and/or casualty insurance required by this Project Lease and received with respect to any such damage or loss to the Project shall be paid into the Debt Service Fund. Such moneys shall be used to redeem Bonds at their earliest optional redemption date. The Tenant agrees that it shall be reasonable in exercising its judgment pursuant to this subsection (c).

(d) The Tenant shall not, by reason of its inability to use all or any part of the Improvements during any period in which the Improvements are damaged or destroyed, or are being repaired, rebuilt, restored or replaced nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement or diminution of the Basic Rent or Additional Rent payable by the Tenant under this Project Lease nor of any other obligations of the Tenant under this Project Lease except as expressly provided in this Section.

Section 18.2. Condemnation.

(a) If, during the Term title to, or the temporary use of, all or any part of the Project shall be condemned by any authority exercising the power of eminent domain (other than the Issuer), the Tenant shall, within 30 days after the date of entry of a final order in any eminent domain proceedings granting condemnation, notify the Issuer and the Bank in writing as to the nature and extent of such condemnation and whether it is practicable and desirable to acquire substitute land or construct substitute Improvements.

(b) If the Tenant shall determine that such substitution is practicable and desirable, the Tenant shall proceed with and complete with reasonable dispatch the acquisition or construction of such substitute Real Property or Improvements. In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings shall be paid to the Bank for the account of the Tenant and shall be deposited in the Project Fund and shall be used and applied for the purpose of paying the cost of such substitution. Any amount remaining in the Project Fund after such acquisition or construction shall be paid to Tenant.

(c) If the Tenant shall reasonably determine that it is not practicable and desirable to acquire or construct substitute Improvements, any Net Proceeds of condemnation awards received by the Tenant shall be paid into the Debt Service Fund. Such moneys shall be used to redeem Bonds at their earliest optional redemption date. The Tenant agrees that it shall be reasonable in exercising its judgment pursuant to this subsection.

(d) The Tenant shall not, by reason of its inability to use all or any part of the Improvements during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement or any abatement or diminution of the Basic Rent or Additional Rent nor of any other obligations hereunder payable by the Tenant under this Project Lease.

(e) The Issuer shall cooperate fully with the Tenant in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof so long as the Issuer is not the condemning authority. In no event will the Issuer voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the written consent of the Tenant and the Bank.

Section 18.3. Effect of Tenant's Defaults. Anything in this Article to the contrary notwithstanding, the Issuer and the Bank shall have the right at any time and from time to time to withhold payment of all or any part of the Net Proceeds from the Project Fund attributable to damage, destruction or condemnation of the Project to the Tenant or any third party if an Event of Default has occurred and is continuing, or the Issuer or the Bank has given notice to the Tenant of any Default which, with the passage of time, will become an Event of Default. In the event the Tenant shall cure any Defaults specified herein, the Bank shall make payments from the Net Proceeds to the Tenant in accordance with the provisions of this Article. However, if this Project Lease is terminated or the Issuer or the Bank otherwise re-enters and takes possession of the Project without terminating this Project Lease,

the Bank shall pay all the Net Proceeds held by it into the Debt Service Fund and all rights of the Tenant in and to such Net Proceeds shall cease.

ARTICLE XIX

Section 19.1. Change of Circumstances. If at any time during the Term, a Change of Circumstances occurs, then the Tenant shall have the option to purchase the Project pursuant to *Article XVII* or the option to terminate this Project Lease by giving the Issuer notice of such termination within 90 days after the Tenant has actual knowledge of the event giving rise to such option. The termination of this Project Lease will become effective when all of the Bonds Outstanding are paid, or payment is provided for in the manner described in *Section 3(f)* of the Bond Agreement.

ARTICLE XX

Section 20.1. Remedies on Default. Whenever any Event of Default shall have happened and be continuing, the Bank (acting on behalf of the Issuer, as assignee of the Issuer's rights hereunder) may take any legal action, including but not limited to, one or more of the following remedial actions:

(a) By written notice to the Tenant upon acceleration of maturity of the Bonds as provided in the Bond Agreement, the Bank acting on behalf of the Issuer may declare the aggregate amount of all unpaid Basic Rent or Additional Rent required to be paid by the Tenant to be immediately due and payable under this Project Lease.

(b) The Bank acting on behalf of the Issuer may give the Tenant written notice of intention to terminate this Project Lease on a date not earlier than 30 days after such notice is given and, if all Events of Default have not then been cured on the date specified, the Tenant's rights to possession of the Project shall cease, and this Project Lease shall terminate. The Bank acting on behalf of the Issuer may re-enter and take possession of the Project and pursue all its available remedies, including sale of Issuer's interest in the Project and judgment against the Tenant for all Basic Rent and Additional Rent then owing, including costs and attorney fees.

(c) Without terminating this Project Lease, the Bank acting on behalf of the Issuer may conduct inspections or an Environmental Assessment of the Project. The Issuer or the Bank acting on behalf of the Issuer may refuse to re-enter or take possession of the Project if it has reasonable cause for such refusal. "Reasonable cause" shall include the presence on the Project of conditions which are in violation of any Environmental Law or the existence or threat of a remedial action against the Tenant under any Environmental Law resulting from conditions on the Project.

(d) Without terminating the Term, the Bank acting on behalf of the Issuer may relet the Project, or parts thereof, for such term or terms and at such rental and upon such other terms and conditions as are deemed advisable, with the right to make alterations and repairs to the Project, and no such re-entry or taking of possession of the Project shall be construed as an election to terminate this Project Lease, nor relieve the Tenant of its obligation to pay Basic Rent or Additional Rent (at the time or times provided herein), or of any of its other obligations under this Project Lease, all of which shall survive such re-entry or taking of possession. The Tenant shall continue to pay the Basic Rent and Additional Rent provided for in this Project Lease until the end of the Term, whether or not the Project shall have been relet, less the net proceeds, if any, of reletting the Project.

(e) Having elected to reenter or take possession of the Project pursuant to subsection 20.1(c), the Bank acting on behalf of the Issuer may (subject, however, to any restrictions against termination of this Project Lease in the Bond Agreement), by notice to the Tenant given at any time thereafter while the Tenant is in Default in the payment of Basic Rent or Additional Rent or in the performance of any other obligation under this Project Lease, elect to terminate this Project Lease in accordance with subsection 20.1(b) and thereafter proceed to exercise any remedies lawfully available.

(f) If, in accordance with any of the provisions of this Article, the Issuer shall have the right to elect to re-enter and take possession of the Project, the Issuer or the Bank acting on behalf of the Issuer, may enter and expel the Tenant and those claiming through or under the Tenant and remove the property and effects of both or either by all lawful means without being guilty of any manner of trespass and without prejudice to any remedies for arrears of Basic Rent or Additional Rent or preceding breach of contract by the Tenant.

(g) Net proceeds of any reletting or sale of the Project shall be deposited in the Debt Service Fund for application to pay the Bonds and interest thereon. "Net proceeds" shall mean the receipts obtained from reletting or sale after deducting all expenses incurred in connection with such reletting or sale, including without limitation, all repossession costs, brokerage commissions, legal fees and expenses, expenses of employees, alteration costs and expenses of preparation of the Project for reletting or sale.

(h) The Issuer or the Bank acting on behalf of the Issuer may recover from the Tenant any attorney fees or other expense incurred in exercising any of its remedies under this Project Lease.

Section 20.2. Survival of Obligations. The Tenant covenants and agrees with the Issuer, the Bank and any other Owner that until all Bonds and the interest thereon and redemption premium, if any, are paid in full or provision is made for the payment thereof or cancellation in accordance with the Bond Agreement, its obligations under this Project Lease shall survive the cancellation and termination of this Project Lease for any cause and/or sale of the Project, and that the Tenant shall be obligated to pay Basic Rent and Additional Rent (reduced by any net income the Issuer or the Bank may receive from the Project after such termination) and perform all other obligations provided for in this Project Lease, all at the time or times provided in this Project Lease. Notwithstanding any provision of this Project Lease or the Bond Agreement, the Tenant's obligations under *Sections 8.2 and 14.1* hereof shall survive any termination, release or assignment of this Project Lease, the Bond Agreement and payment or provision for payment of the Bonds.

Section 20.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Lease or now or hereafter existing at law or in equity or by statute, subject to the provisions of the Bond Agreement. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power, or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice required herein.

ARTICLE XXI

Section 21.1. Performance of the Tenant's Obligations by the Issuer. If the Tenant shall fail to keep or perform any of its obligations as provided in this Project Lease, then the Issuer may (but shall not be obligated to do so) upon the continuance of such failure on the Tenant's part for 90 days after

notice of such failure is given the Tenant by the Issuer or the Bank and without waiving or releasing the Tenant from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and the Tenant shall reimburse the Issuer for all sums so paid by the Issuer and all necessary or incidental costs and expenses incurred by the Issuer in performing such obligations through payment of Additional Rent. If such Additional Rent is not so paid by the Tenant within 10 days of demand, the Issuer shall have the same rights and remedies provided for in *Article XX* in the case of Default by the Tenant in the payment of Basic Rent.

ARTICLE XXII

Section 22.1. Surrender of Possession. Upon accrual of the Issuer's right of reentry as the result of the Tenant's Default hereunder or upon the cancellation or termination of this Project Lease by lapse of time or otherwise (other than as a result of the Tenant's purchase of the Project), the Tenant shall peacefully surrender possession of the Project to the Bank, as assignee of the Issuer in good condition and repair, ordinary wear and tear excepted; provided, however, the Tenant shall have the right, prior to or within 30 Business Days after the termination of this Project Lease, to remove from on or about the Project the buildings, improvements, machinery, equipment, personal property, furniture and trade fixtures which the Tenant owns under the provisions of this Project Lease and are not a part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Tenant. All buildings, improvements, machinery, equipment, personal property, furniture and trade fixtures owned by the Tenant, and which are not so removed from on or about the Project prior to or within 30 Business Days after such termination of this Project Lease shall become the separate and absolute property of the Issuer.

ARTICLE XXIII

Section 23.1. Notices. All notices required or desired to be given hereunder shall be in writing and shall be delivered in person to the Notice Representative or mailed by registered mail to the Notice Address. All notices given by registered mail shall be deemed duly delivered three days after they are mailed. When mailed notices are given, the party giving notice will use reasonable diligence to contact the party being notified by telephone, electronic mail or facsimile on or before the date such notice is mailed.

ARTICLE XXIV

Section 24.1. Triple-Net Lease. The parties hereto agree (a) that this Project Lease is intended to be a triple-net lease, (b) that the payments of Basic Rent and Additional Rent are designed to provide the Issuer and the Bank with funds adequate in amount to pay all principal of and interest on all Bonds as the same become due and payable and to pay and discharge all of the other duties and requirements set forth herein, and (c) that to the extent that the payments of Basic Rent and Additional Rent are not adequate to provide the Issuer and the Bank with funds sufficient for the purposes aforesaid, the Tenant shall be obligated to pay, and it does hereby covenant and agree to pay, upon demand therefor, as Additional Rent, such further sums of money as may from time to time be required for such purposes.

Section 24.2. Funds Held by the Bank After Payment of Bonds. If, after the principal of and interest on all Bonds and all costs incident to the payment of Bonds have been paid in full, the Bank

holds unexpended funds received in accordance with the terms hereof, such unexpended funds shall, except as otherwise provided in this Project Lease and the Bond Agreement and after payment therefrom to the Issuer of any sums of money then due and owing by the Tenant under the terms of this Project Lease, be the absolute property of and be paid over to the Tenant.

ARTICLE XXV

Section 25.1. Rights and Remedies. The rights and remedies reserved by the Issuer and the Tenant hereunder and those provided by law shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The Issuer and the Tenant shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Project Lease, notwithstanding the availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity.

Section 25.2. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by either party of any covenant, agreement or undertaking, the nondefaulting party may nevertheless accept from the other any payment or payments or performance hereunder without in any way waiving its right to exercise any of its rights and remedies provided for herein or otherwise with respect to any such Default which was in existence at the time such payment or payments or performance were accepted by it.

Section 25.3. The Issuer Shall Not Unreasonably Withhold Consents and Approvals. Wherever in this Project Lease it is provided that the Issuer shall, may or must give its approval or consent, or execute supplemental agreements, exhibits or schedules, the Issuer shall not unreasonably or arbitrarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements, exhibits or schedules.

ARTICLE XXVI

Section 26.1. The Issuer May Not Release Interest without Tenant Consent. The Issuer covenants that unless an Event of Default under this Project Lease has occurred and is continuing, and the remaining Term of this Project Lease has been terminated, it will not, without the Tenant's written consent, unless required by law, assign, release or encumber its leasehold interest in the Project at any time during the Term of this Project Lease.

Section 26.2. Quiet Enjoyment and Possession. The Tenant shall enjoy peaceable and quiet possession of the Project as long as no Event of Default has occurred and is continuing.

Section 26.3. Issuer's Obligations Limited. Except as otherwise expressly provided in this Project Lease, no recourse upon any obligation or agreement contained in this Project Lease or in any Bond or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise under any circumstances, under or independent of the Bond Agreement, shall be had against the Issuer and its officers, employees and agents.

Notwithstanding anything in this Project Lease to the contrary, it is expressly understood and agreed by the parties hereto that (a) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Tenant, an Owner or the Bank as to the existence of any fact or state of affairs required to be noticed by the Issuer; (b) the Issuer shall not be under any obligation to perform any record-keeping or to provide any legal services, it being understood that such services shall be performed or provided either by the Tenant, the Bank or the Owner; and (c) that none of the provisions of this Project Lease shall require the Issuer to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless it shall have first been adequately indemnified to its satisfaction against the costs, expenses and liability which may be incurred by such action.

Notwithstanding anything in this Project Lease to the contrary, any obligation the Issuer may incur under this Project Lease or under any instrument or document executed by the Issuer in connection with this Project Lease that entails the expenditure of any money by the Issuer shall be only a limited obligation of the Issuer payable solely from the revenues derived by the Issuer under this Project Lease and shall not be, under any circumstances, a general obligation of the Issuer.

ARTICLE XXVII

Section 27.1. Investment Tax Credit; Depreciation. The Tenant shall be entitled to claim the full benefit of (1) any investment credit against federal or state income tax allowable with respect to expenditures of the character contemplated hereby under any federal or state income tax laws now or from time to time hereafter in effect, and (2) any deduction for depreciation with respect to the Project from federal or state income taxes. The Issuer agrees that it will upon the Tenant's request execute all such elections, returns or other documents which may be reasonably necessary or required to more fully assure the availability of such benefits to the Tenant.

ARTICLE XXVIII

Section 28.1. Amendments. This Project Lease may be amended, changed or modified in writing in the following manner:

(a) With respect to an amendment, change or modification which reduces the Basic Rent or Additional Rent, or any amendment which reduces the percentage of Owners whose consent is required for any such amendment, change or modification, by an agreement in writing executed by the Issuer and the Tenant and consented to in writing by the Bank and by Owners of at least 90% of the aggregate principal amount of the Bonds then Outstanding;

(b) With respect to any other amendment, change or modification which will materially adversely affect the security or rights of the Owners, by an agreement in writing executed by the Issuer and the Tenant and consented to in writing by the Bank and by Owners of at least 66-2/3% of the aggregate principal amount of the Bonds then Outstanding; and

(c) With respect to all other amendments, changes, or modifications, by an agreement in writing executed by the Issuer and the Tenant.

At least 30 days prior to the execution of any agreement pursuant to (c) above, the Issuer and the Tenant shall furnish the Bank and the Owner with a copy of the amendment, change or modification proposed to be made.

Section 28.2. Granting of Easements. If no Event of Default under this Project Lease shall have happened and be continuing, the Tenant may, at any time or times, (a) grant easements, licenses and other rights or privileges in the nature of easements with respect to any property included in the Project, free from any rights of the Issuer or the Owner, or (b) release existing easements, licenses, rights-of-way and other rights or privileges, all with or without consideration and upon such terms and conditions as the Tenant shall determine, and the Issuer agrees, to the extent that it may legally do so, that it will execute and deliver any instrument necessary or appropriate to confirm and grant or release any such easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the Issuer of: (i) a copy of the instrument of grant or release or of the agreement or other arrangement, (ii) a written application signed by the Authorized Tenant Representative requesting such instrument, and (iii) a certificate executed by the Tenant stating (A) that such grant or release is not detrimental to the proper conduct of the business of the Tenant, and (B) that such grant or release will not impair the effective use or interfere with the efficient and economical operation of the Project and will not materially adversely affect the security of the Owner. Any consideration received by the Tenant for the grant or release must be paid to the Bank to be deposited in the Debt Service Fund and used to redeem Bonds at the earliest practicable date, at their principal amount, plus accrued interest, without premium. If the instrument of grant shall so provide, any such easement or right and the rights of such other parties thereunder shall be superior to the rights of the Issuer and the Owner and shall not be affected by any termination of this Project Lease or default on the part of the Tenant hereunder. If no Event of Default shall have happened and be continuing, any payments or other consideration received by the Tenant for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Tenant, but, in the event of the termination of this Project Lease because of an Event of Default, all rights then existing of the Tenant with respect to or under such grant shall inure to the benefit of and be exercisable by the Issuer.

Section 28.3. Security Interests.

(a) The Issuer and the Tenant agree to execute and deliver any instruments (including financing statements and statements of continuation thereof) necessary for perfection of and continuance of the security interest of the Issuer in and to the Project. The Tenant hereby authorizes the Issuer to file or cause to be filed all such instruments required to be so filed and the Bank to continue or cause to be continued the filings or liens of such instruments for so long as the Bonds shall be Outstanding.

(b) The Issuer will, as additional security for the Bonds assign, transfer, pledge and grant a security interest in its rights under this Project Lease to the Bank. The Issuer hereby authorizes the Bank to file financing statements or any other instruments necessary to perfect its security interest. The Bank is hereby given the right to enforce, either jointly with the Issuer or separately, the performance of the obligations of the Tenant, and the Tenant hereby consents to the same and agrees that the Bank may enforce such rights and the Tenant will make payments required hereunder directly to the Bank.

Section 28.4. Construction and Enforcement. This Project Lease shall be construed and enforced in accordance with the laws of the State. Wherever in this Project Lease it is provided that either party shall or will make any payment or perform or refrain from performing any act or obligation, each such provision shall, even though not so expressed, be construed as an express covenant to make such payment or to perform, or not to perform, as the case may be, such act or obligation.

Section 28.5. Invalidity of Provisions of Project Lease. If, for any reason, any provision hereof shall be determined to be invalid or unenforceable, the validity and effect of the other provisions hereof shall not be affected thereby.

Section 28.6. Covenants Binding on Successors and Assigns. The covenants, agreements and conditions herein contained shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 28.7. Section Headings. The section headings hereof are for the convenience of reference only and shall not be treated as a part of this Project Lease or as affecting the true meaning of the provisions hereof. The reference to section numbers herein or in the Bond Agreement shall be deemed to refer to the numbers preceding each section.

Section 28.8. Execution of Counterparts; Electronic Transactions. This Project Lease may be executed simultaneously in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one instrument. The transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Project Fund
(Bel Aire Secure Storage, LLC)
Payment Order No. _____

Security Bank of Kansas City
Kansas City, Kansas
Attn: Commercial Loan Department

I hereby certify that the amounts stated in the attached Payment Schedules have either been advanced by the Tenant or are justly due to contractors, subcontractors, suppliers, vendors, materialmen, engineers, architects or other persons named in the Payment Schedules who have performed necessary and appropriate work in connection with any installation of machinery, equipment or personal property, or have furnished necessary and appropriate materials in the construction or acquisition of land, buildings and improvements constituting a part of the Project. I further certify that the fair value of such work or materials, machinery and equipment, is not exceeded by the amount requested, and such cost is one which may be capitalized for federal income tax purposes.

I further certify that, except for the amounts set forth in the Payment Schedules, there are no outstanding debts now due and payable for labor, wages, materials, supplies or services in connection with the construction of the buildings and improvements or the purchase and/or installation of machinery, equipment and personal property which, if unpaid, might become the basis of a vendor's, mechanic's, laborer's or materialmen's statutory or other similar lien upon the Real Property, the Project or any part thereof.

I further certify that no part of the amounts set forth in the Payment Schedules have been the basis for any previous withdrawal of any moneys from the Project Fund.

I further certify that each of the representations and covenants on the part of the Tenant contained in the Project Lease dated as of December 28, 2023 by and between the City of Bel Aire, Kansas, as the Issuer, and the Tenant are now true and correct in all material respects and are now being materially complied with.

I further certify that the amounts set forth in the Payment Schedules constitute Project Costs, as the term is defined in the Project Lease, and that all insurance policies which are required to be in force as a condition precedent to disbursement of funds from the Project Fund pursuant to the provisions of *Section 6.1* of the Project Lease are in full force and effect.

I acknowledge that the Tenant, as Purchaser of the Bonds, will be receiving such Bonds in compensation for the expenditures set forth in the Payment Schedules to acquire, construct and equip the Project and that the Bond will constitute full payment for these costs.
