RE: Update on 2021 Bel Aire Legislative Priorities

Tax Lid Repeal	Tax lid – completed , was repealed, and changed structure to a revenue neutral rate, however there are still added notification and hearing requirements that are imposed on local municipalities, this new structure can be There may be an appetite to push for a public election to exceed the revenue neutral rate.
Home Rule and Properly Funded Mandates	No major impact- mandates were lifted or reduced.
Mental Health	Progress- the state and county are taking an interest in moving mental health solutions forward and are discussing funding. As solutions become better defined, state likely to support at some level.
K254 Public Infrastructure	No action yet—K254 is on the IKE Transportation list, next cycle for selection is in about 18 months
Law Enforcement and Public Safety	No major impact- The state received and accepted task force report discussed last year, but has not imposed additional mandatory action or training.
