RE: 4604 Krueger Sewer line repair

Current Situation:

The sewer line at 4604 Krueger has collapsed and needs repaired. The 8" sewer line is almost completely blocked. Staff recommends repairs need to be made as soon as possible. (map on page 2)

Discussion:

Staff reached out to four contractors requesting bids for sewer repairs at this address. Only two of the contractors responded to our request. Their bids are presented below.

Contractor	Total Bid
UMC	\$15,700.00
Nowak	14,300.00
Pearsons	No Bid
Dondlinger	No Bid

Financials:

The cost of these improvements will be paid for out of the Sewer Budget under Sewer System Improvements line item.

Recommendation:

Staff recommends that the City Council accept the bid from Nowak Construction for \$14,300.00.
