RE: Pool Recommendation

SUMMARY: Per instructions, staff has assembled estimates to re-plaster the Central Park Swimming Pool.

DISCUSSION: After much research and discussion with city administration, governing body, and pool professionals, staff supports repairing the existing crack and replastering the pool as the most feasible path to take at this time.

FINANCIAL: Three quotes to re-plaster were received and are listed below.

\$47,200	Mid-West Plastering LLC
\$67,070	Mid America Pool Renovation
\$81,650 <i>(exposed aggregate finish)</i>	Mid America Pool Renovation

Per Ted Henry, funds are available in the 2024 Capital Improvement budget.

RECOMMENDATION: Recreation staff recommends accepting the \$47,200 from Mid-West Plastering LLC, Shawnee Kansas. I have spoken with them, and they are available to begin the work in late February as the weather allows.
