

DATE: August 9, 2022

TO: Ty Lasher, City Manger

FROM: Ted Henry, Assistant City Manager/ Finance Director

SUBJECT: Fiscal Year 2023 Budget

Today, I submit to you the 2023 budget for your consideration. The proposed 2023 budget reflects Bel Aire's rapid growth and makes priority investments that will allow us to continue addressing today's service demands while planning for tomorrow's growth.

The FY2023 proposed budget was guided by four main goals:

- 1) Adopt a lower or (at least) level property tax rate. The proposed budget adopts a property tax rate of 43.57 mills. Bel Aire's adopted property tax rate has decreased 5% in the past two years (from 45.73 in FY21 to 43.57 mills in FY23)
- 2) Find ways to fund street improvements
- 3) Provide Quality Service with Efficiency
- 4) Maintain financial stability

In preparing this budget, we have been mindful of today's economic climate. As residents and businesses across the community experience the impacts of inflation in areas such as fuel and food costs, the City is similarly impacted by recent cost escalation. It is even more imperative today that we, as a City, continue to plan ahead, make strategic investments, and build on our foundation of fiscal stewardship to mitigate the impacts of these economic changes.

As in previous years, a large portion of the 2023 budget is designated for infrastructure. We continue to invest in maintaining our city's roadway network. In 2022, the City Council commissioned a road condition study and a strategic plan to address our local streets. The adopted 5-year strategic plan will cost a little over \$4,000,000 and the proposed budget fully funds the annual commitment needed to complete the plan.

In addition to infrastructure investments, we must also plan ahead to meet the workforce needs of our growing community and ensure our city team is equipped to continue providing quality services to the community. The 2023 budget proposal contains requests to invest in our city's workforce. Public services is both rewarding and challenging work, and we need to continue to invest in the care for our employees. During the past year, the extraordinary growth in residential and commercial developments has substantially increased the demand for city services. This increase in demand has stretched current staff thin but trending growth requires action. The 2023 budget proposal includes strategic additions to staffing, including one police officer, one public works operator and one utility clerk. While adding new staff will assist in the overall workload, the 2023 budget proposal values our current employees and recognize their expertise with an up to 5% increase in salary plus a fully funded performance-based bonus program. Retaining good employee who "do more with less" is key to providing quality services with efficiency. Over the next year, leadership will activity peruse and present technology upgrades to further assist in employee productivity and efficiencies.

Financial responsibility over the past several years has positioned us well to move the community forward and on stable ground. The 2023 proposed budget keeps financial stability by ending the proposed budget year with 30% of revenues in reserve (according to policy). We remain conservative in our revenue forecasts for next year and prioritized investments based on need.

Changes from the July workshop:

- 1) Increased "motor vehicle taxes" to reflect trend instead of Sedgwick County estimates.
- 2) Increased "building permit" revenue to reflect new estimates
- 3) Adjusted overall personnel expense projections with better estimating methods (kept 5% increase in salaries)
- 4) Added funding for performance-based bonus program.
- 5) Added funding for outsourced building inspections from MABCD due to workload. (if needed)
- 6) Reviewed postage totals by department. Increased postage expense for planning and zoning based on current activity. All other department postage expenses were within reason.
- 7) Adjusted personnel expense projections for the recreation department.
- 8) Day camp profit/loss question.
 - a. The average number of campers per week was 17 kids (\$24,000 in revenue)
 - b. Spent \$14,000 for staff, \$2,000 for supplies and rentals
 - c. Made \$8,000 in profit
- 9) Pool debt service was moved from a non-departmental expense to the pool department.
- 10) \$20,000 for economic development expenses was moved from the land department to administration department.
- 11) Added several arterial street projects to the capital improvement plan
- 12) Added "intersection safety improvements" to the capital improvement plan
- 13) Added all city parks and the "pedestrian and bicycle master plan" to the capital improvement plan
- 14) Added "water and sewer master plan" expenses to the water and sewer budget

We hereby submit specifications and estimates for:

Access Control System 23 Doors

6 - Control Panels

23 - Prox Readers

18 - NDE Wireless Locks

4 – Wireless Gateways

5 - Electronic Strikes

2 - Battery Back up Units

1 - Installation and Training

Cable and Cable Installation IS NOT Included

TOTAL INSTALLED PRICE

\$ 44,275.00

Warranty

90 DAYS PARTS & LABOR INSTALLATION WARRANTY Warranty Varies by Item and Manufacturer

Terms and Conditions

- Cable and cable installation IS NOT included.
- Please allow 8-12 weeks for completion.

and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Date of Acceptance:

| We Propose hereby to furnish material and labor - complete in according Fourty Four Thousand Two Hundred Seventy Five Dollars and No/10 | dance with above specifications, 00 (\$44 | for the sum of: -,275.00 Plus Sales Tax) |
|---|---|---|
| Payment to be made as follows: | | 8 |
| Due on Completion | | |
| All material is guaranteed to be as specified. All work to be completed using | | |
| standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. | Authorized Signature | Cody Blaha |
| Note: This proposal may be withdrawn by us if not accepted within THIRTY DAYS | | |

Subject: FW: Brookhouser Park PIP

Attachments: Brookhouser Park PIP.PDF; KDHE Waste Tire Grant.pdf

Follow Up Flag: Follow up Flag Status: Completed

Ty – These play areas at Brookhouser park are huge, 7,635 sf. And the largest play areas of all city parks. When this park was construct, before I got here, they put in retaining walls all the way around each play area and installed 3 ft. deep and 12" above the ground with no breaks or entrances. The kids simply walk over the border to access the play equipment. We have never had complaints about this and this has worked well for 26 years. Problem- any new construction, modification, or refurbishing must be ADA compliant. This means wheel chair accessible.

So to make this ADA compatible would require saw cutting cut openings in the border walls of each play area and make approaches that are then connected to sidewalk for wheel chair access. Very expensive and not part of this quote. We would also have to remove 250 tons of sand pea gravel. Then dig out another 100 tons of base material (dirt) for preparation of the crushed stone base. Both of these projects would be very expensive and not included in the quote. Estimate \$20,000.

All this work is not included in the \$ 155,000.00 cost to change out safety surfacing. The KDHE grant is a 50% matching grant

We have done safety inspections and after replacing two infant swings and chains have no found no other issues at this park. We have received one complaint on the play equipment and safety surfacing, that I know of since its installation. The play equipment is in good shape and does not need replaced based on appearance, integrity, or safety. Replacement cost for equipment would cost an estimated \$150,000.
