July 7, 2025

To: City of Bel-Aire Public Works
Attn: Marty McGee

**Water Tower – Valve Replacement Project
Bel Aire, KS**

McCullough Excavation is pleased to bid on the Water Tower Valve Replacement Project in Bel Aire, KS. We propose to furnish the necessary Labor, Material, and Equipment to Remove and Replace the Existing Water Main Valves. All work will be completed according to our site visit with the City of Bel-Aire Public Works Department.

Water Distribution System

We propose to install:

1	EA	20FT Joint of 12" C900 PVC Pipe
3	EA	12" MJ Gate Valves
3	EA	12" DIMJ Long Sleeves
1	EA	12"x12" MJ Tee
1	LS	Concrete Thrust Blocks

Clarifications:

- We are Proposing to mobilize One Crew to Excavate all Marked Gate Valves. This should take 1 Crew Labor Day to complete.
- The Next Day we plan to mobilize Two Crews for the Removal and Replacement of all Marked Gate Valves. We have included any Restraints and Fittings we might need to complete this work. This could take 1 to 1.5 Days to complete.

Total Bid Amount **\$45,110.00**

Inclusions:

- Mobilization
- Haul Off of Construction Spoils – MCX Only
- Hydrostatic Testing of Water Line – by MCX
