## OTC TERMS AND CONDITIONS OF SALE

OTC Industrial Technologies is herein referred to as the "Seller" and the customer or person or entity purchasing goods and/or services ("Goods") and/or parts required for services ("Parts") from Seller is referred to as the "Buyer." These Terms and Conditions, any price list or schedule, quotation, acknowledgment, Seller's scope or statement of work, or invoice from Seller relevant to the sale of the Goods or Parts by Seller, and all associated terms, conditions and documents incorporated by specific reference herein or therein, constitute the complete and exclusive statement of the terms of the agreement ("Agreement") governing the sale of Goods or Parts by Seller to Buyer. Acceptance of any order is subject to credit approval and acceptance of the order by Seller. If credit of the Buyer becomes unsatisfactory to Seller, Seller reserves the right to terminate upon notice to Buyer and without liability to Seller. If Buyer already has an executed Agreement currently in effect with Seller, then the terms of that agreement, together with any terms and conditions of a subsequent purchase or work order issued hereunder, constitute the complete agreement; and (ii) if Buyer does not already have an executed Agreement with Seller, then these terms and conditions and any subsequent purchase or work orders issued hereunder constitute the complete agreement. No other terms or conditions including, without limitation, Buyer's standard printed terms and conditions, whether printed on Buyer's order acknowledgement, purchase order or otherwise, will have any application to any purchase between Buyer and Seller unless specifically accepted in writing by Seller. Acceptance is expressly limited to the terms of the Agreement and Seller objects to any different or additional terms contained in any response by Buyer, including without limitation any instrument requesting or confirming this offer by or on behalf of Buyer. The terms of the Agreement are the sole and exclusive terms and conditions on which the Seller agrees to be bound. Seller reserves the right in its sole discretion to refuse orders.

1. **PRICES:** Unless otherwise specified in writing by Seller, the price quoted or specified by Seller for the Goods or Parts shall remain in effect for thirty (30) days after the date of Seller's quotation, Seller's scope of work or acknowledgment of Buyer's order for the Goods, whichever occurs first, provided an unconditional authorization from Buyer for the shipment or performance of the Goods and/or Parts is received and accepted by Seller within such time period. If such authorization is not received by Seller within such thirty (30) day period, Seller shall have the right to change the price for the Goods or Parts to Seller's price for the Goods or Parts at the time of Seller's shipment or performance thereof. All prices and licensee fees are exclusive of taxes, transportation and insurance, which are to be borne by Buyer. Seller reserves the right to correct any obvious errors in specifications or prices and, in the event of a force majeure event, make equitable adjustments in Seller's price for the Goods or Parts prior to Seller's shipment or performance thereof. Unless otherwise specified by Seller, Parts that are required for the performance of services will be furnished at Seller's then-prevailing prices.

2. **TAXES:** Any current or future tax, duty, tariff or governmental charge (or increase in same) affecting Seller's costs of production, sale, services or delivery or shipment of Goods or Parts or which Seller is otherwise required to pay or collect in connection with the sale, purchase, delivery, performance, storage, processing, use or

consumption of Goods or Parts shall be for Buyer's account and shall be added to the price or billed to Buyer separately, at Seller's election.

3. **TERMS OF PAYMENT:** Unless otherwise specified by Seller, terms are net thirty (30) days from date of Seller's invoice in U.S. currency. Seller shall have the right, among other remedies, either to terminate this Agreement or to suspend further performance under this and/or other agreements with Buyer in the event Buyer fails to make any payment when due, which other agreements Buyer and Seller hereby amend accordingly. Buyer shall be liable for all expenses, including attorneys' fees, relating to the collection of past due amounts. If any payment owed to Seller is not paid when due, it shall bear interest, at a rate to be determined by Seller, which shall not exceed the maximum rate permitted by law, from the date on which it is due until it is paid. Seller may preserve its interests in payment by enforcing any applicable mechanic's, labor, construction or similar lien rights.

4. **SHIPMENT AND DELIVERY:** While Seller will use all reasonable commercial efforts to maintain the delivery date(s) and/or performance dates acknowledged or quoted by Seller, all shipping dates and/or performance dates are approximate and not guaranteed. Seller reserves the right to make partial shipments. Seller, at its option, shall not be bound to tender delivery of any Goods or Parts for which Buyer has not provided shipping instructions and other required information. If the shipment or performance of the Goods or Parts is postponed or delayed by Buyer for any reason, Buyer agrees to reimburse Seller for any and all storage costs and other additional expenses resulting therefrom. For shipments of Goods or Parts per Incoterms® 2020, per FCA will be the approved method for delivery unless otherwise approved by the parties. Any claims for shortages or damages suffered in transit are the responsibility of Buyer and shall be submitted by Buyer directly to the carrier. Notwithstanding the above, risk of loss and legal title to Parts shall transfer to Buyer (i) upon delivery by the Seller, or (ii) at the time Parts are placed in storage due to Buyer's delay or postponement. Shortages or damages must be identified and signed for at the time of delivery. Requests for changes in quoted transportation modes will not be made or accepted on orders already processed unless otherwise mutually agreed upon by Seller and Buyer. Requests for changes in quoted transportation modes to orders already accepted by Seller will be subject to new freight terms and billed at the price in effect at the time of the request for change. Any request for changes to quoted transportation modes must be submitted in writing to Seller and are subject to Seller's acceptance and adjustment in freight price. The transportation costs quoted by Seller may be changed by Seller without notice in order to reflect Seller's prices at the time of shipment and will reflect any market increase in transportation costs.

5. **LIMITED WARRANTY:** Subject to the limitations of Section 6, Seller's standard warranty that is applicable to the Goods at the time of purchase is the only warranty applicable to the sale of Seller's Goods and its terms, conditions and limitations are incorporated by reference herein. Seller warrants that it will perform the services as described in these terms and conditions and will exercise all reasonable skill, care and due diligence in the performance of the services. If Seller determines that its ability to supply the total demand for the Goods or Parts, or to obtain material used directly or indirectly in the manufacture of the Goods or Parts is hindered, limited or made impracticable due to causes set forth in this paragraph, Seller may delay or cancel performance, make equitable adjustments in Seller's price for the Goods or Parts and/or allocate its available supply of the Goods or Parts and/or such material (without obligation to acquire other supplies of any such Goods, Parts or material) among its purchasers on such basis as Seller determines to be equitable without liability for any failure of performance which may result therefrom.

10. **CANCELLATION:** Buyer may cancel orders only upon thirty (30) days advance written notice and upon payment to Seller of Seller's cancellation charges which include, among other things, all costs and expenses incurred, and to cover commitments made by the Seller, and a reasonable profit thereon.
