In case of conflict among terms with this Contract, those stated in this Exhibit A shall control.
4. The goods, equipment and services specified in this Contract are for the City's exclusive use. Therefore, it is understood the Federal Excise Tax or State of Kansas Sales Tax shall not be imposed, and Vendor will refund the same if included in the price paid. The City's exemption certificate will be furnished where required or upon request.
5. All orders are priced F.O.B approved destination and must be shipped "PREPAID" unless otherwise specified. No freight or express charges will be allowed on the invoice unless previously agreed upon and provided for on the original purchase order and separately approved by an authorized City official.
6. This order must not be filled at a higher price than quoted without specific authorization granted by the City's Governing Body.
7. When the items shown on this order have been delivered, the Vendor is to mail an invoice for the same to the department address shown on these contract documents, with a copy separately to the City Treasurer. Partial payments will be made only when agreed upon prior to issuance of the Purchase Order/Quotation/Proposal and approved by the City's Governing Body.
8. The City and vendor agree that this Contract shall be interpreted under the laws of the State of Kansas without regard to its choice of law provisions, and that venue of any dispute requiring litigation shall be in any court of appropriate jurisdiction in Sedgwick County, Kansas.
9. No party shall be required to submit any dispute to arbitration, but a good faith mediation attempt shall be a condition precedent to litigation as a resolution process. The parties waive trial by jury.

10. The City shall not hold harmless or indemnify the Vendor beyond the liability that may be incurred under the Kansas Tort Claims Act (KSA 75-6101 et seq.).
11. The City shall not be required to purchase insurance against any liability loss or damage to which this Contract relates. The Vendor shall bear the risk of loss to any person or property over which it has authority or control, however exercised.
12. 16. Goods or equipment delivered and/or services rendered hereunder must be made according to the terms of this Contract both as to time and quantities, with City reserving the right to cancel, reject or refuse any delivery made and/or service rendered prior to or subsequent to the times specified. If no schedule for delivery appears otherwise in the Contract, delivery shall be completed in a reasonable time, judged by the continuing utility to and viability of the City's related project or service.
17. In the event no quality is specified on the face of the Purchase Order/Quotation/Proposal, the goods or equipment delivered and/or services rendered hereunder must be of the best quality.
