WHEREAS, the governing body of the City hereby finds and determines that said Petition was signed by owners of record of all the property liable for assessment for the proposed improvements, and is therefore sufficient in accordance with the provisions of the Act; and

WHEREAS, the new Petition will replace a petition previously submitted with respect to the Improvements, and it is therefore necessary to amend, restate and repeal Resolution No. R-2024-09 of the City.

THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF BEL AIRE, KANSAS:

Section 1. Findings of Advisability. The governing body hereby finds and determines that:

(a) It is advisable to make the following improvements:

That there be constructed a water distribution system, including necessary water mains, pipes, valves, hydrants, meters and appurtenances to serve the area described below, according to plans and specifications to be furnished by the City Engineer of the City of Bel Aire, Kansas.

(b) The estimated or probable cost of the Improvements is: \$287,000. In addition, if the Improvements are abandoned at any state during the design and/or construction of the Improvements or if it is necessary for the City to redesign, repair or reconstruct the Improvements after initial design and/or construction because the design or construction does not meet the requirements of the City, then such costs associated with the redesign, repair or reconstruction of said Improvements shall be assessed to the property described above in accordance with the terms of this Resolution.
