

I believe that chickens should be allowed in Bellbrook. The DRAFT Animal ordinance allows that. Please do correct the grammar mistake in 618.07 (b). It should say "the noises created by such animal are." "Noises" is the subject for the verb "are." Translated From English: I believe that chickens should be allowed in Bellbrook. The DRAFT Animal ordinance allows that. Please do correct the grammar mistake in 618.07 (b). It should say "the noises created by such animal are." "Noises" is the subject for the verb "are."

THAT Translated From English: NA

I like supporting my neighbors pursue activities they want. Translated From English: I like supporting my neighbors pursue activities they want.

It seems straightforward Translated From English: It seems straightforward

It is fair, reasonable, and represents the most common viewpoints that I have heard. Translated From English: It is fair, reasonable, and represents the most common viewpoints that I have heard.

Something is better than nothing, but I do believe the only think required would be to remove the word chicken from 618.15. All the extra fluff is not necessary because restrictions are already in the approved zoning code. Translated From English: Something is better than nothing, but I do believe the only think required would be to remove the word chicken from 618.15. All the extra fluff is not necessary because restrictions are already in the approved zoning code.

I don't care if my neighbors want chickens Translated From English: I don't care if my neighbors want chickens

That many animals is reasonable. Translated From English: That many animals is reasonable.

The economy Translated From English: The economy

This has been dragged on long enough. I thinks it's very restrictive, but it makes chickens available to people willing to do the work! Translated From English: This has been dragged on long enough. I thinks it's very restrictive, but it makes chickens available to people willing to do the work!

This survey feels wasteful. Most citizens are neutral. And the few that have spoken up in favor of chickens have given thoughtful reasons and protocols. I know Bellbrook council voted down chickens in the past, but times and citizen desires change. Change isn't always bad. Translated From English: This survey feels wasteful. Most citizens are neutral. And the few that have spoken up in favor of chickens have given thoughtful

reasons and protocols. I know Bellbrook council voted down chickens in the past, but times and citizen desires change. Change isn't always bad.

No zoning permits !!! Translated From English: No zoning permits !!!

Self-sufficiency should be encouraged. Translated From English: Self-sufficiency should be encouraged.

It seems reasonable and well thought out. This is a long time coming and it needs to be approved asap. Translated From English: It seems reasonable and well thought out. This is a long time coming and it needs to be approved asap.

I believe it is well written with proper parameters. Translated From English: I believe it is well written with proper parameters.

It is reasonable and holds citizens accountable for their animals. Translated From English: It is reasonable and holds citizens accountable for their animals.

Same as above. Translated From English: Same as above.

Laid out strict an easy to understand Translated From English: Laid out strict an easy to understand

It is understandable that "my freedom ends where yours begins". Since we live in suburbs in close proximity to our neighbors, it is obvious that some rules need to be followed for everyone's sanity. Translated From English: It is understandable that "my freedom ends where yours begins". Since we live in suburbs in close proximity to our neighbors, it is obvious that some rules need to be followed for everyone's sanity.

Cause we want chickens Translated From English: Cause we want chickens

Been discussed sufficiently. I trust the council. Translated From English: Been discussed sufficiently. I trust the council.

The language allows for chickens but prevents someone from getting a huge flock that could disturb others. Translated From English: The language allows for chickens but prevents someone from getting a huge flock that could disturb others.

It covers everything listed that someone should be concerned about Translated From English: It covers everything listed that someone should be concerned about

Compromise Translated From English: Compromise

Adding the notice that roosters will not be allowed is very helpful, as most of the complaints/concerns I've heard raised concern the aggravating behavior of roosters. Translated From English: Adding the notice that roosters will not be allowed is very

helpful, as most of the complaints/concerns I've heard raised concern the aggravating behavior of roosters.

It addresses all the potential issues with backyard hens and small livestock...flock size, setback requirements, cleanliness, noise, no roosters
Translated From English: It addresses all the potential issues with backyard hens and small livestock...flock size, setback requirements, cleanliness, noise, no roosters

Addresses concerns of those opposed to having chickens
Translated From English: Addresses concerns of those opposed to having chickens

My wife and I are very excited for the possibility of this passing because we have always wanted to raise chickens but weren't able to because of the zoning laws. Hens are not a great nuisance to neighbors as they don't make much noise, and we would obviously share eggs with them!
