

Historical Museum

Artifact Deaccession Form

Date: 9/23/2025

Artifact Number: missing

Artifact Description: Kemp Wagon

Reason for Deaccession: Item is unstable and wheel broken., Unfortunately the Wagon is too large for our new limited storage space. We did reach out to other local museum too see if they would like to accession the wagon to their collections but none of those institutions could take the wagon

Board Meeting Date: 9/24/2025

Decision at Meeting:
