

Priority Based Budgeting

General Budget Process

Resources allocated according to how effectively a program or service achieves goals and objectives that are of great value to the community:

Objectives that are of great value to the community:

- Also known as Budgeting for Results/Outcomes
- Strategic alternative to incremental budgeting
- Philosophy of how to budget scarce resources and a flexible structured process for achievement

Priority based budgeting process:

Useful tools to align expenditures more closely with community values

Government identifies its most important strategic priorities

Programs and services are ranked according to alignment with the priorities using a collaborative evidence-based process

Funding is allocated according to the ranking
