

I have reviewed the questions and provided said answers.

Question 16:

34.04 / Should state One Chief and 8 Full-time Officers, that is our current manpower.

34.03 / The police department is overseen by the Mayor rather than Councilmember.

34.03 F/ Additionally, there is a different process when handling the trial process of officers, due to new legislation there is no longer Law Enforcement Officer Bill of Rights, it is now handled by Police Accountability Board which is Managed by Prince George's County currently.

Question 17:

34.03 Police Manual, we do have manuals so to speak they are titled General Orders and Policy and Procedures. These are living documents that get reviewed and updated continually.

Question 23:

I agree with all changes that have been suggested.

Question 38 + 39

I agree, I would remove the vulgar language piece, as there is no such charge in the state of MD regarding language and this, I believe would conflict with someone's constitutional rights.

Nothing more to add.
