

Planning Commission Memorandum

TO: Bowling Green Planning Commission
FROM: J.C. LaRiviere, Director of Community Development & Partnerships
COPY: India Adams-Jacobs, Town Manager & Zoning Administrator
SUBJECT: Discussion of Tiny Homes
DATE: April 17th, 2025

SUMMARY:

Town Council, at their March 6th meeting, requested that the Planning Commission discuss tiny homes as part of the Comprehensive Plan update, and the item was added to the 2025 Planning Commission Annual Workplan at the Commission's March 20th meeting.

BACKGROUND:

The request from Council was to consider tiny homes within the context of the Comprehensive Plan update, slated for completion by the end of 2025, and not in the context of making any changes to the Zoning Ordinance. This distinction is of critical import, as the question before the Commission is not whether to add this as a permitted use and regulate the use, but rather, the Commission is being asked whether the potential future existence of tiny homes would be complimentary to the vision for the future of the Town within the context of the Comprehensive Plan.

Appendix Q of the 2018 Virginia Residential Code outlines stipulations regarding tiny homes. Tiny homes are defined as "A dwelling that is 400 square feet or less in floor area excluding lofts." Staff will present analyses of state building code regulations and assist in facilitating discussion.
