

**CITY OF BELLE ISLE, FLORIDA
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: May 2, 2023

To: Honorable Mayor and City Council Members

From: T Grimm, Interim City Manager

Subject: Bids for RFP 23-03 Sidewalk Repair and Replacement

Background: The City Council directed that the Public Works Department inspect, repair, and replace all public sidewalks and driveway aprons in the right of way. To finish this work orderly and expeditiously, the City staff recommend issuing an RFP. The RFP allows for single or multiple contractors to do the work. A continuing services contract with single or multiple contractors would eliminate the need to request quotes whenever work is necessary.

The City issued RFP 23-03 Sidewalk, Repair & Replacement. The work to be performed generally consists of removing and replacing damaged sections of existing concrete sidewalk, curb, gutter, curb ramp, and driveway; repairing sections of failed asphalt concrete pavement; and replacing curb inlets and curb inlets and concrete repair of adjacent sidewalk flags. The work shall include traffic control, saw cutting, excavation, backfilling, compaction, installation of root barriers, patching asphalt conforms adjacent to new gutters, and clearing and grubbing. Work locations will be throughout the City of Belle Isle on an as-needed basis during the contract term.

The City issued an RFP for this work and received six bids:
