1. Will you have time to fulfill the duties of this Council? Yes  No
2. Are you able to attend the necessary meetings? Yes  No

3. Describe your community involvement and experience that would apply to this Commission.

I have lived in Daetwyler Shores for just over 12 years now, my neighbors and  
I are a very close community and I have helped many of them with tasks around  
their homes and such. I would like to continue being a voice of reason for our  
section of this great community. I am very involved with quite a few charities and  
such through work, and would like to continue donating my time to causes I believe in.

4. Describe why you are interested in serving on the City Council:

I am interested because my wife and I are raising two little girls in this community.  
I believe that by showing them to get involved in their community it will make them  
better for it and show them a sense of purpose within their community. I also  
would like to stay involved in the processes and what is happening within our city.

5. Please submit a letter of interest with your application. Please use a separate page if needed.
