

**CITY OF BELLE ISLE, FLORIDA  
CITY COUNCIL AGENDA ITEM COVER SHEET**

**Meeting Date:** July 3, 2018

**To:** Honorable Mayor and City Council Members

**From:** B. Francis, City Manager

**Subject:** Fertilizer Ordinance

**Background:** A requirement for the City's Municipal Separate Storm Sewer (MS4) Program and MS4 permit is that the City adopt an ordinance regulating the proper use and application of fertilizer, training and certification of commercial applicators, and periods of restricted use. Many municipalities in Orange County have adopted the County's ordinance which was updated and adopted last year. FDEP also recommends adoption of this ordinance.

At the June 19, 2018 meeting Council read the ordinance for the first time by title only. No changes were made.

**Staff Recommendation:** Adopt Ordinance 18-06

**Suggested Motion:** I move that we read Ordinance 18-06 for the second time by title only and adopt Ordinance 18-06

**Alternatives:** Do not adopt the County ordinance and direct the City Manager to develop another ordinance.

**Fiscal Impact:** None

**Attachments:** Ordinance 18-06
