IMPORTANT WARRANTY INFORMATION, POST CARE INFORMATION, AND TERMS

TERMS - Incorporated herein are the terms and conditions of the sale found at our website, located at www.groundsource.pro/terms. When measuring sod, we do not measure for additional sod to account for waste/ cuts and many areas are not square, which can also lead to inaccurate measurements. Any additional sod needed to complete a project, up to 10%, will be quoted upon completion of the project. We blow and/ or scrape all surfaces off on completion each day we are on a project, our proposal does not include pressure washing or washing of driveways and sidewalks, working with dirt can sometimes create mud if irrigation has recently run or it has rained, it is the customer's responsibility to hire professional cleaners if needed upon completion. Post care instructions and warranty information can be found at www.groundsource.pro/postcare. All payments due on completion, any paperwork or services we use to collect an outstanding balance in excess of 15 days will be reimbursed by our customer, including but not limited to, notice to owner and lien fees as well as attorney fees for such services. By signing below, the customer acknowledges that the terms and conditions have been read, understood, and agreed to. Please print, sign, and date anywhere below.

- PLANT WARRANTY - All plants shall be warranted for a period of one year from date of installation, provided payment has been made in full upon completion of project. Warranty excludes situations outside of our control; e.g. freeze, drought, over- watering, and wind damage to name a few. Warranty does not cover any insect that is uncontrollable, such as the palm tree damaging beetle, though this should not be applicable in this case. Customer must maintain a regular shrub care program with a licensed fertilization company for the period of one year to ensure damaging insects and disease are kept to a minimum. Customer must also contact us immediately upon noticing any problems with any plants so that we can be
