Hi,

Good morning,

We received the following email from Mr. Kennedy as additional information to support his request for a variance to be heard on Sept 23, 2025. This will be added to the packet online for the record - <https://www.kalixsteel.gov/oc/pub/eng/planning/coming-board-meeting-63>

Evening April and Yolanda,

I wanted to share a few photos from the front of my driveway and the corner areas. They help illustrate how the existing landscaping near the street will provide natural screening for the additional garage, helping maintain a clean and cohesive look overall. Also, across the street is the park.

Please let me know if you have any questions about these.

Thanks

Danny
