To: Bob Francis <bfrancis@belleislefl.gov>

Mr Francis,

Council Member Ed Gold informed me there is an opening on this committee for residents for my district. I am putting my name in the ring for the position, I live right off hoffner and have lived here for more than 20 years. I have seen lots of changes and hope to keep all the roads flowing safely and smoothly all over Belle Isle and hoping being on this committee will help.

Thanks
