

OBJECTIVE 2.1:

The City shall require public boat ramps based on a level of service standard of one public boat ramp per 3,000 residents and public canoe launches based on the level of service standard of one public canoe launch per 1,500 residents.

POLICY 2.1.1:

The City will ensure that the Conway Lake Chain canoe trails include numbered signposts to provide guidance to trail users. Signs and trail markers should be visible and easily recognized to promote recreational use.

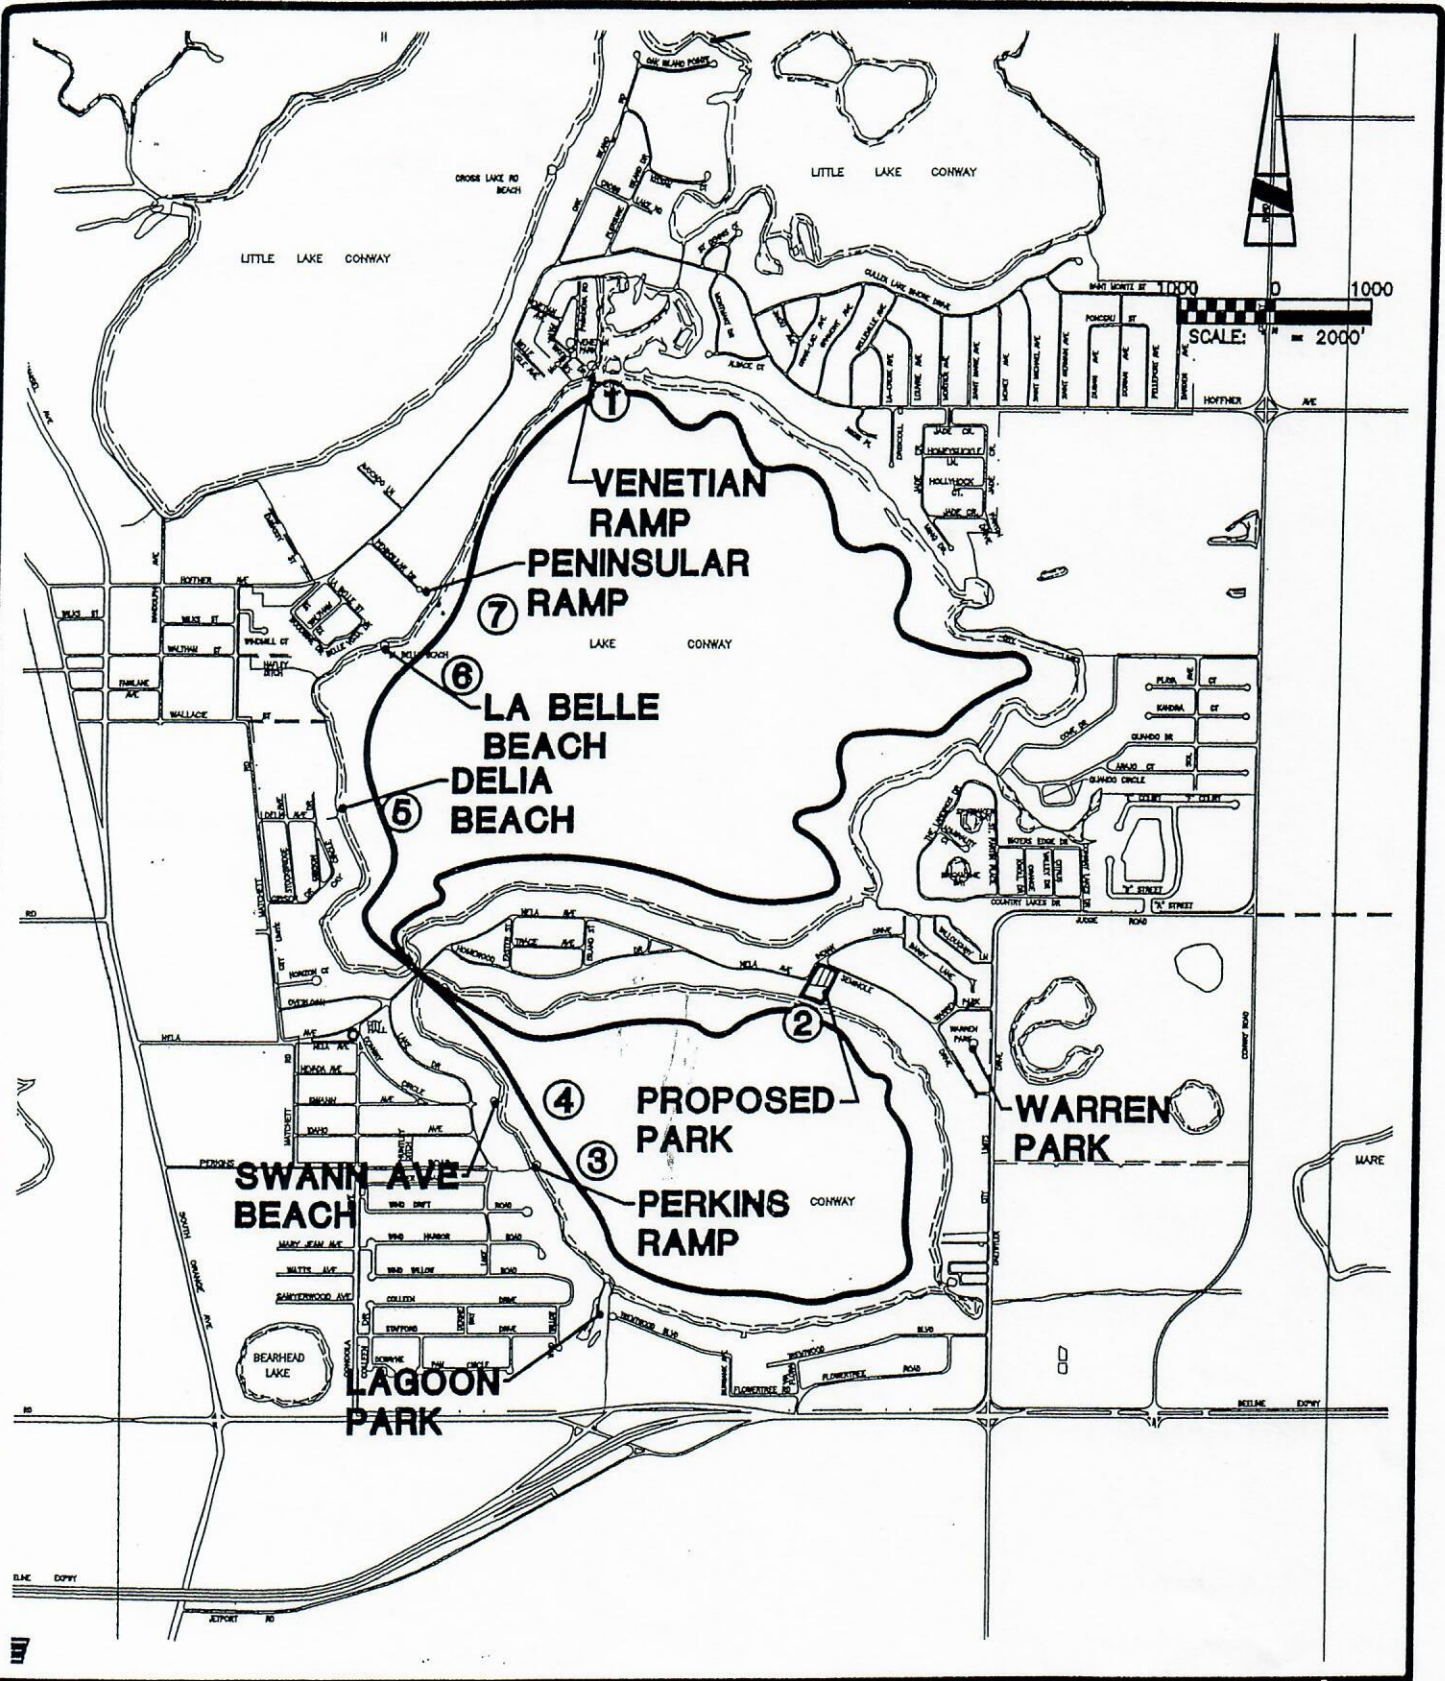

POLICY 2.1.2:

To encourage public access, ensure active and passive public recreation opportunities, and to facilitate environmental education, informational signs will be posted at all City parks and boat ramps regarding the presence of the Conway Lake Chain canoe trails. An element of the signs will be information for all water craft regarding safety and, in particular, safe use of power boats within the designated canoe trails where self-propelled craft will be used.

POLICY 2.1.3:

The City will use the City of Belle Isle Canoe Trail site plan (Figure A) to guide future canoe trail and waterways planning efforts within the Conway Lake Chain.
