Tree Removal Permit Application-Developed Property

*Tree Removal permits are required to meet the conditions under the **Ordinance CH 48, ART III, SEC 48-63 – HB 1159***
Tree Protection -www.municode.com

Parcel ID	Permit #	
Property Owners Name	Owners Phone Number	
Property Address		
Party Responsible for Tree Removal	Contractor Phone Number	
The contractor must be registered with the City or be subject to a \$5,000.00 fine per LDC, Ch 48 Art III, Sec48		
Reason for Removal Request		
<ul style="list-style-type: none"> • The permit application fee of \$25 is due before the permit issuance. • ISA Certified Arborist/Landscape Architect report is required with the application. Species and DBH of a tree(s) to be removed must be included in the report. • Tree removal permits must meet all criteria under Section 48-63 – Tree Protection, summarized on the reverse side of this form. • The applicant MUST check each box below. The issued permit, in its entirety, must be posted at the job site. This Permit is valid for six months from the approval date. Replacement trees and inspections must be requested by calling 407-851-7730 or emailing admin@belleislefl.gov within the six-month period. 		
<ol style="list-style-type: none"> I have attached a map/survey showing the location of the tree(s) to be removed. I understand that there will be a fine of \$200.00 per tree having a DBH of less than 12", \$400 for less than 18", and \$600 for each tree with a DBH of 18" or more removed in violation of the Ordinance. I understand a report from the City Arborist may be required. I understand the arborist report will certify whether the criteria for tree removal are met. I understand that the arborist fee is non-refundable whether the permit application is approved or denied. I understand that replacement trees must meet the requirements established in the Ordinance (see www.municode.com for a full copy of the code). 	<ol style="list-style-type: none"> I will submit a plan specifying the location and type of replacement trees to City Hall. I understand that replacement trees are required to be planted within six months of permit approval. I understand that trees requested for removal must be visibly marked or tagged to be easily identified. All commercial tree removal services must be registered with the City before the commencement of work. The Contractor Registration Form is available on the City's website www.belleislefl.gov. The Commercial Tree Removal Company must remove all tree debris. Homeowners will be required to meet all criteria for yard waste for curbside removal. Waste pickup information is available on the City's website. 	
APPLICANT CERTIFICATION (Owner or Applicant acting as Owner's Representative): I certify that all information supplied with this application is true and accurate to the best of my knowledge and belief.

Tree Removal Permit Application

Please refer to the Code of Ordinances of Belle Isle, Florida, at www.municiode.com to view a full copy of the City Ordinance Chapter 48, Art 111, Section 48-63(d).
Tree Protection – HB 1159

No permit/fee is required if a report or documentation from an arborist certified by the International Society of Arboriculture or a Florida licensed landscape architect is provided that demonstrates the tree’s danger to person or property. Documentation must be provided to the City within ten days of receipt.

-A permit is required for the removal of a healthy tree for the following circumstances:

1. The location of the tree restricts the opening of a street or road right-of-way.
2. The location of the tree restricts the construction of utility lines or drainage facilities.
3. The location of the tree restricts access to the property.
4. The location of the tree restricts access to the property
5. The area of the tree restricts the use of the property consistent with all other city regulations
6. The selective removal of up to 25% of existing trees with a diameter at breast height (DBH) of less than six inches to provide increased light and air circulation.
7. Removal of the tree is required, in writing, by the homeowners’ insurance company or proposed insurance company.

-Replacement Trees

- Replacement trees should have a minimum DBH of four inches

DBH of Removal Tree	Number of Replacement Trees
Less than 12-inches	1
12 inches to less than 18 inches	2
18-inches or greater	3

Restricted Tree List

- **Brazilian Pepper**
- **Camphor**
- **Chinese Tallow**
- **Melaleuca (Paper Bark)**
- **Mimosa (Silk Tree)**
